On March 25, 1924, occurred the death of one of the beloved Founders of Pi Beta Phi, Ada Bruen Grier. As an expression of the fraternity's deep sorrow, the Grand Council announced a period of official mourning beginning on the morning of April 19 and continuing until the evening of Founders' Day, April 28.

The memory of this splendid woman will always live to inspire Pi Beta Phi on its upward way.

Ada Bruen Grier was born in Bloomfield, Orange Co., New Jersey. In early life she moved with her father's family to the vicinity of Monmouth, Ill. After finishing grade school she attended the preparatory Academy, entering Monmouth College in 1866, graduating in the class of 1869.

Mrs. Grier was one of the twelve Founders of Pi Beta Phi, originally "I. C. Sorosis," and throughout her useful and beautiful life she never lost interest in the fraternity so dear to the heart of each of its Founders.

Monmouth College being a co-educational institution, she attended college with James A. Grier, D. D., L. L. D., and they were united in marriage July 15, 1874 in Monmouth, Ill.
After spending a few years as a pastor, Dr. Grier was elected to a professorship in the Pittsburgh Theological Seminary and a little later was made president of that institution. Dr. Grier's success in the pastorate and in the School of the Prophets was in no small measure due to the influence for good which was so manifest in Mrs. Grier's life. She was indeed a "helpmeet" for her husband in his responsible position.

She was the mother of a family of four children, three sons and one daughter. One of the sons, Dr. James H. Grier, succeeds his father as a professor in the Pittsburgh Theological Seminary. The daughter is the wife of a minister. It was her privilege to minister to her mother during her last illness.

After the death of Dr. Grier in 1918, Mrs. Grier made her home with her daughter, Mrs. Earl Miller, of Germantown. Coming to Philadelphia she was soon identified with the alumnae of Pi Beta Phi. Her health not being rugged, she was seldom permitted to attend the meetings but her interest never lagged, especially in the work of the Settlement School. She eagerly looked forward to the coming of The Arrow that she might learn what was being done at Gatlinburg.

After a long illness she died on Tuesday, March 25, at the home of her daughter and her body was taken to Pittsburgh, her former home, and laid to rest in the Uniondale Cemetery beside that of her beloved husband.

JENNIE HORNE TURNBULL, (MRS. THOMAS B.)

In The Arrow, of June 1917, upon the fiftieth anniversary of Pi Beta Phi, Mrs. Grier wrote:

In the fall of '66, I entered Monmouth College. Libbie Brook Gaddis was my roommate and my friend. Her friendship is one of the brightest spots in my memory and the warmth of it has remained through all the years. These Monmouth days were among the happiest of my life. My, but we had good times! Not that it was all play by any means; for college meant work, too, in those early times. The literary societies, with their open meetings, exhibitions, and contests filled a larger place in college life then than now.

One of the greatest of the events, to twelve girls, during that college year was the founding of the I. C. Sorosis, April 23, 1867. Then, as now, a first essential of a fraternity was the pin. We had
Quite an exciting time in choosing a suitable badge. We wanted the most attractive, of course, and we wanted to keep our plans secret, so there were many "star chamber" assemblings and numerous quiet foregatherings at the jewelers. Finally, the "arrow" was decided upon as the most desirable symbol for our clan.

None can tell in full the joys of those years we spent at Monmouth. As the days have come and gone since, the memories of the friends there have never been lost. Even many new friendships formed in other places and at different times have never replaced these of the old L Cs.

I have watched with interest your progress, have looked with keen pleasure on the pictures of your fair members, have admired the beautiful homes of the Pi Phis, and have been specially pleased by the work you have been doing in the Southland. It has already been a real joy to me that I had a little part in the founding of Pi Beta Phi, and I wish for you all continued prosperity and success in all the work undertaken.

A PRAYER

Let me be a little kinder
Let me be a little blinder
To the faults of those about me
Let me pray a little more
Let me be when I am weary
Just a little bit more cheery
Let me serve a little better
Those whom I am striving for.

Let me be a little braver
When temptations bid me waver
Let me try a little harder
To be all that I should be
Let me be a little meeker
With the sister that is weaker
Let me think more of my neighbors
And a little less of me.

WASHINGTON MONUMENT
THE EASTERN CONFERENCE
WASHINGTON, D. C.

(NOTE:—The fraternity is deeply indebted to Mrs. R. D. Brown (Mabel Scott, Columbia A), National Cataloguer, who most efficiently reported the Eastern Conference since the Arrow Editor was unable to attend on account of illness. Mrs. Brown called upon various talented Pi Phis to assist her in recording the events of this largest gathering in the history of our fraternity.—The Editor).

The Eastern Conference of Pi Beta Phi, held in Washington, D. C., April 11-12, 1924, was the largest gathering of fraternity women ever held. National in its personnel, although held in the far East, a group of 1300 women met, not one of whom came except of her own free will, and not one of whom had a vote, since the body was not legislative. Their purpose was to discuss those increased opportunities for service which have arisen recently with the amazing growth of the fraternity. Their accomplishment was a new and broader conception of the responsibility of every member, through her heritage as a Grade A American woman.

On Thursday morning, when the influx of Pi Phis began, it was clear that the list of 800 reservations would not be adequate, and before the conference closed, approximately 1350 wearers of the arrow, from every state in the Union, were in the capital. With an ease and swiftness remarked by the manager of the
MARYLAND ALPHAS AT THE WHITE HOUSE
Willard Hotel, who is accustomed to handling crowds, the Washington Alumnae Committee with Vibert Potts Duncan as Official Guide, enlarged its arrangements, greeted its guests, validated tickets, arranged accommodations, registered and gave badges to visitors, and still had time to give attention to individual needs. It was discovered that the New Willard, heretofore able to accommodate any banquet in Washington, would not be able to serve every one on Saturday evening. In a day a second banquet at the Raleigh, with identical menu and program was arranged, from which the guests were to adjourn for the speeches and ceremonies at the Willard.

Registration and a continuous reunion which was one of the most delightful features of the conference were held in the spacious Red Room of the Willard, where organ concerts were given each afternoon. On the tenth floor the ball room served as the conference hall. At the south end an exhibit of Settlement School products was shown by Mrs. Stark, and the Grace Coolidge portrait reproductions were sold for the benefit of the School.

Sightseeing was intermittent, yet continuous. The time was all too short to do justice to Washington's historic, cultural, artistic, and natural charm. Expressly in honor of the conference the hundreds of cherry trees fringing the river burst into luxuriant bloom. Chief among the sightseeing trips were the informal reception at the Library of Congress and the pilgrimage to Mt. Vernon. At the former, on Thursday evening, Mrs. Harvey W. Wiley (Anna Kelton, Columbia A), was hostess, and sightseeing groups were taken through the building. The trip to Mt. Vernon was planned by the active chapter. Electric trains carried 800 along the historic Potomac to the home of George Washington. Lunches, packed by Columbia A were eaten on the way. Pi Phis carried their homage to the shrine of the Father of his Country. On the lovely rolling lawns many groups were photographed. Weather—perfect. The success of the White House group picture was due to the cloudy sky of the previous day, but the brilliance of Saturday was ideal for viewing the stately mansion of Washington.

Many lingered in the city for several days after the conference, held by its sunny welcome. On Sunday afternoon those who remained were guests at a charming tea at the National
MASSACHUSETTS ALPHAS IN FRONT OF THE TREASURY
Women's Democratic Club, where Mrs. J. Borden Harriman received most graciously.

The festivities began on Thursday evening, when the Red Room at the Willard was crowded by incoming Pi Phis, and old friends met again. The new pledges of Columbia A gave their clever musical comedy. The girls had written it themselves, and had formerly given it before the active chapter as one of their pledge duties. Preceding the musical comedy, piano solos and a piano-ologue were given by two of the pledges. During the evening Mr. Cass sang several baritone solos. Between acts of the musical comedy the spotlight was thrown upon various persons, including Mrs. Stebbins, author of the "Anthem," who led its singing at the piano, Mrs. Lynn, author of "Ring, Ching, Ching," and best of all upon the beautiful, white-haired Founders, Mrs. Soule and Mrs. Turnbull, who were the inspiration of the conference. They even tripped with the rest to Mt. Vernon.

The first business session, held Friday morning, was called to order by Emma Harper Turner. Miss Turner introduced Emilie Margaret White, Columbia A, director of the music, who led in the "Anthem." From that time it was a singing conference. Miss Turner welcomed the visitors "home to your own and the possibilities of the future." Mrs. Duncan, Conference Guide, escorted to the platform the two Founders present. During the round tables, various Grand officers presided in turn, beginning with Miss Onken, Grand President.

The opening round table discussion was conducted by the Grand Vice-President, Anna Robinson Nickerson, on the Reorganization of the Alumnae Department. She made clear that the increased size of the alumnae association rendered the present system of government inadequate; at the same time she emphasized making no change which would loosen the tie between the alumnae and the active chapters. Dr. May L. Keller, the first speaker, said that, although she had no definite plan to offer, she did wish to make several suggestions. They were: separate alumnae sessions, meeting at the same time as the chapter sessions during convention; an alumnae board or council of five; increased dues to meet the needs of this enlarged system. For choosing alumnae representatives on the board, Elsa Schlicht Conners sug-

suggested mailed ballots for members-at-large that they might have opportunity to share in legislation as well as those associated with the clubs. Kate Miller and Winifred Hill Maxfield emphasized the fact that these plans in no way suggested a severance from the active chapters but rather an added bond of interest, and expressed their belief that the clubs would rise to the increased financial output when they understood its need. The round table closed with a motion presented by Miss Turner, that the conference endorse the recommendations of the New York City Club that a committee be organized, with representation from the New York Club, to work out a reorganization of the ΠΒΦ alumnae department and report at the next convention.

The second round table of the morning, More Help for National Officers, was in charge of Elsa Schlicht Connors, who recounted the enlarged duties which the growth of the fraternity was placing upon the officers, who are most willing but physically unable to perform them. Mrs. Brown told of the work of a national officer. She stated the qualifications that the office seemed to demand—time, place and girl. Her concrete statistics of deciphering, writing, and mimeographing letters that ran into four figures, of editing material from a thousand sources for catalogue and ARROW, of handling large sums of money were a revelation. Doubtless, few present had conceived the enormous amount of clerical work, not to speak of executive service, performed by the national officers. Dr. Keller followed, with the suggestion that the fraternity do something definite at once. She was of the opinion that one trained executive to handle all such work was no solution. Such a person working full time might assist two national officers. Her thought was paid clerical aid for all officers in proportion to their need. Miss Turner endorsed this suggestion. Miss Gibson of the Cleveland Alumnae Club spoke of the difficulty of getting money; she offered the possibility of the assistance of alumnae clubs to officers located near them. She thought one secretary inconsistent with the ideal of personal service. Miss Miller suggested that aid, not one secretary, be granted. The discussion was closed with a recommendation that the conference go on record as recognizing the loyal service of the officers and recommending that necessary assistance be given them.

as soon as the Grand Council can act. Miss Onken said on behalf of the national officers that work for ΠΦ has been a work of love and that the reason Grand Council was able to accomplish so much was the cooperation of all committees.

The last round table of the morning, Alumnae Club Constitutions, was in charge of Marion Baker, who said that the committee on an alumnae club constitution was finding its work difficult because of the varied sizes of clubs. Mrs. Cleaver, in speaking of the constitution of the New York Alumnae Club, referred to it as a very elastic and simple arrangement. Some of its unique features are: two types of members (life and active); election of only half of its officers each year; nominations from the floor always in order. Florence Clum Temple gave great encouragement to small clubs by rehearsing the achievements of the Lancaster Club. She suggested two grades of members: active and associate, with different dues. She expressed her willingness to forward sections of the mailing list to clubs desiring to locate members residing in their districts. The round table closed with the reading of the proposed constitution of the Indianapolis Club, particulars about which may be had by writing to the Indianapolis Club.

On Friday afternoon the first discussion was led by Anna Cravens Rott, who discussed an alumnae initiation ceremony designed to interest especially younger women just out of college. A demonstration was presented by a group from Indiana B. Dr. Harvey Wiley, former editor of Good Housekeeping, an authority on nutrition, and a ΠΦ husband, gave a delightful talk on Health. Constructive health programs were outlined by Dr. Edith Matzke in a most helpful way.

The first speaker of the Saturday morning session, Edna Wood Miller, Beta Province Vice-president, presented the National Viewpoint. She stressed the importance of alumnae clubs realizing their relationship to a national organization. To many alumnae who had not been privileged to attend recent conventions, the next discussion—the Settlement School—was an opportunity to visualize the great work the fraternity is doing. Slides had been made with considerable trouble and donated by Mr. and Mrs. Stark. The clever manner in which Mrs. Stark commented upon the slides
MRS. COOLIDGE AND VERMONT BETAS, WHITE HOUSE LAWN
added to their interest. Views of the beautiful country, of the transformed boys and girls, of the self-sacrificing men and women who have thrown themselves whole-heartedly into the work, evoked an enthusiastic response. Mrs. Stark spoke forcefully of the earnest appeal which the Settlement School is making to II B Φ. The time has come to enlarge the work and send girls trained in the school out into the districts to teach. There is an enormous opportunity for increased usefulness if only funds are available. Frances Carpenter Curtis then suggested a number of ways and means for raising money for the Settlement School, obtainable from the Cleveland Alumnae Club. Miss Polly of Columbia A suggested a sale of etchings; Mrs. Lough of the New York Club presented a splendid project, a benefit production of SUN-UP and offered to send particulars to all chapters desiring them. Mrs. Curtis also urged the need of teachers for the Settlement School. By courtesy of Secretary Wallace, three Department of Agriculture films were shown, including a sightseeing trip about Washington and a corn-husking bee on Secretary Wallace's farm. Mr. Perkins, head of the motion picture bureau of the Department of Agriculture, arranged and showed the slides. Lack of time prevented a full discussion of the suggested monthly Arrow. Miss Turnbull mentioned the decreased size, increased expense, and the difficulties of collecting material. She advised club subscriptions to the Bulletin for news purposes and the retention of the Arrow in its present form. Miss Turner spoke in favor of a monthly paper for the sake of the increased interest it would arouse. No decision was made or action taken. Mrs. Cook's absence prevented the discussion of Chapter Standards and the splendid conference closed with the report of the resolutions committee, Grace Hancher Beck, Chairman.

To the alumnae in attendance on these sessions, the Eastern Conference was, in many ways, a revelation. Although the conference was advisory and not legislative, everyone had the satisfactory feeling that discussions had resulted in clear-cut plans. Alumnae gained an added respect for national officers when they observed the speed and skill with which they led round table discussions and guided business. It was refreshing to see a Congress in session where things were accomplished. Alumnae

were impressed, also, with the national viewpoint. Voices from Texas, California, Massachusetts, showed how far-reaching the fraternity is. It was thrilling, too, to see the appreciation displayed of the women who were and are serving in so many capacities. The Eastern Conference sent those who attended, home with a knowledge that as alumnae they still have distinct obligations and a share in the growth and work of Π Β Φ.

The social functions of the conference included a reception by Π Φ members of the Congressional group on Friday, the tea at the National Women's Democratic Club, reunion luncheons, and dinners; parties of all kinds, and, of course, the presentation and the banquet.

The reception at the Congressional Club on Friday evening had a peculiar interest, for while the clubs of one city are more or less repetitions of the clubs of another, there is in the whole United States only one Congressional Club.

Pi Phis who are members of the Congressional Club were the hostesses of the conference on this occasion: Mrs. Wesley L. Jones, Mrs. William A. Ayres, Mrs. Israel M. Foster, Mrs. J. Banks Kurtz, Mrs. Ladislas Lazaro, Mrs. Allen F. Moore, Mrs. Cleveland A. Newton, Mrs. Thomas S. Williams, Mrs. Edward T. Taylor, Mrs. George M. Young, and Mrs. Ashton C. Shallenberger. The guests of honor were the Secretary of Agriculture and Mrs. Wallace, and Mr. and Mrs. Howard Chandler Christy. Also in line were Mrs. T. N. Alford, and Mr. and Mrs. Allen F. Moore.

An interesting feature was the radio program. A long-distance receiving set had been installed by courtesy of Mr. William P. Boyer, who has a broadcasting station in Washington.

The Chicago Alumnae Club and the Northwestern University chapter, Illinois E, presented a special radio program. The manager of Kathryn Browne, Illinois Z, set aside the ruling against broadcasting by Grand Opera stars, so that she might sing fraternity songs. From Station WNG Chicago, she sang "Speed Thee, My Arrow" and "The Pi Phi Anthem." Eight members of Illinois E joined in the chorus. Miss Brown wrote to Mrs. Coolidge that the words of her solo were greetings of the West to their sister, the First Lady.
THE EASTERN CONFERENCE

THE BANQUET

The fifty-seventh anniversary banquet which marked the close of the Eastern Conference in Washington will be remembered as the most wonderful Pi Beta Phi banquet any member has attended. It was held in the large ball room of the Willard Hotel at seven-thirty, Saturday evening, April 12, with 950 Pi Beta Phis as guests. Because the Willard limited the number to be served to 800, an overflow banquet was held simultaneously at the Raleigh Hotel for another 150. After dinner was served the guests at the Raleigh came to the Willard for the program. Preceding the dinner, May Brodhead Wallace, wife of the Secretary of Agriculture; Amy Onken, Grand President; Anna Nickerson, Grand Vice-President; Mrs. Carrie Chapman Catt, and Adele Taylor Alford, president of the Washington Alumnae Club, received.

The banquet opened with the singing of “Speed Thee, My Arrow,” led by Emilie Margaret White, Vice-President of Gamma Province, with Martha Waring of the Washington Alumnae Club at the piano. Mrs. Nickerson said the Pi Phi grace. Eight hundred swelled the chorus of Pi Phi songs between courses. Helen Harrington Compton read greetings sent to the Eastern Conference by Agnes Wright Spring, Sarah Pomeroy Rugg, Anna Lytle Brannon, Edith Rhoads Spiegel and by Phi Gamma Delta, President Coolidge’s fraternity “which claims to have the minor half of the White House affections, your own fraternity claiming the better half.” The guests at the second banquet which had been presided over by Flora Hull Mitchell, with Marian McCoy leading the music, now arrived from the Raleigh and a complete group picture was taken.

Mrs. Alford, in her address of welcome in the name of the Washington Alumnae Club, recounted how the Eastern Conference had been planned a year ago, when it was estimated that 300 might attend. Later, that estimate was raised to 600, because Emma Harper Turner kept insisting that there would be 1,000 Pi Phis in Washington. In truth, Miss Turner herself was conservative. At the reception held at the Congressional Club 1470 people were checked out, of whom only 200 were not Pi Phis. At the White House 1301 were counted, of whom possibly 100 were
Pi Phi mothers and patronesses. To the largest gathering ever known in all fraternity history, every one came voluntarily—not as a delegate sent by an active chapter or alumnae club. Mrs. Alford closed with a hearty invitation from the Washington Alumnae Club to come again. She introduced Anna Robinson Nickerson, Grand Vice-President, as the toastmistress of the evening.

Mrs. Nickerson beautifully stated the allegory of the “Pi Phi Tree,” and introduced first May Lansfield Keller, who paid tribute to the Founders as “The Heart.” Miss Keller, quoting Joyce Kilmer’s poem “Trees,” declared that the tree was sound at heart because the Founders have ever had in view the idea of service—service to the community, service to humanity. She proposed a toast to the Founders.

Amy Burnham Onken, Grand President, continued the allegory, saying that the “Elixir” by which the tree is nourished is the reverence with which all Pi Phis cherish the ideals of the Founders. Fifty-seven years ago twelve college girls founded the first fraternity for women. Today, 15,000 women turn to do them reverence. Miss Onken concluded, “Pi Beta Phi is what she is today because the women of 1867 have served her so continuously; what she is tomorrow, depends upon us.”

Anna Waring, president of Columbia A, responded, as a representative leaf upon the tree, to the toast, “The Whisperings of the Leaves.” A leaf owes its existence to the tree which bears it, but a leaf also owes its duty to the tree to perform certain reactions. The leaves should send back to the tree nourishment to furnish other leaves which are to come. Where there are imperfect leaves, they are more marked than the perfect leaves; therefore, there must be but one aim among the Pi Phi branches—to seek the highest and best for others as well as for themselves.

To Columbia A was presented by Elsa Schlicht Conners, for the Grand Council, a gift as a recognition on the part of the Conference of the hospitality extended in Washington. It was the beautiful wine-colored velvet curtains and the silver-blue cords that draped the portrait of Mrs. Coolidge in the White House, now to be preserved because of national historical interest. Mrs. Conners said that the ΠΦ colors had been seen in chapter halls
and banquet rooms, but never before draped over the portrait of a Pi Phi sister, now "First Lady of The Land." Anna Waring received the gift on behalf of Columbia A, after which that chapter sang its two songs in honor of the founding of Columbia A thirty-five years ago.

Grace Lass Sisson, former Grand President, resumed the tree allegory by responding to "In the Shade." She said that she could never fade away into the shade because the New York Alumnae Club had given her a diploma making her a life member. She spoke of Pi Phis who had achieved national recognition. She quoted Browning's poem, with the line "The star that dartles the red and the blue."

Mrs. Nickerson then introduced Emma Harper Turner, former Grand President and Honorary Chairman of the Eastern Conference Committee, as "Our Forester," explaining that a tree must have regular care, must have the soil enriched, must have growth assured. Miss Turner responded, saying that the forester knew that if the saplings were given tender care and careful pruning it would grow. Miss Turner said that the forester, like John on Patmos, could see the vision of the "Tree of Life whose leaves are for the healing of the nations."

As Miss Turner took her seat, Vibert Duncan, Convention Guide, presented to her a corsage bouquet as a token of love from the Washington Alumnae Club.

Mrs. Nickerson then proposed a toast to Pi Phi's loveliest blossom—Grace Coolidge, who had thought of so many kindly things to do for Pi Phis during their stay in Washington. Mrs. Nickerson announced that, according to custom, Mrs. Coolidge would present to the White House when she left its walls, the white satin gown which she had worn at her first official function there, and upon it would rest, like a drop of dew, the Pi Phi arrow which she has worn since she was a freshman in college. A group of Mrs. Coolidge's closest friends in the fraternity had presented to her a diamond set arrow for her own keeping, when they were received by her the day before the Conference. As a fitting sequel to this toast all sang "The Letters That Pleased
Her Best," with the opening line, "In Boston City there lived a maid."

Greetings from Canada were brought by seven girls from Ontario A. The lights in the banquet room were turned out while a spotlight was thrown on the balcony at the far end of the hall, where in front of a fluttering silk flag stood three girls from Columbia A, the one in the center holding high the colors of the wine-red and silver-blue. At her right were the stars and stripes, and at her left, the Union Jack. During this impressive picture seven Ontario girls sang a new song, "Coast to Coast;" the words by a member of Ontario A, and the music by a California B. A cheer was given for the University of Toronto.

Before the last toast Mrs. Nickerson read the names and expressed the thanks of the Conference to the Chairmen of the various Washington committees. Then Mrs. Alford presented to May Brodhead Wallace a silver mesh bag, given by the Washington Alumnae Club in appreciation of Mrs. Wallace's gracious help in arranging for the Conference. Mrs. Wallace's response
was: "I love you one and all and I thank you for your loving thought." It was Mrs. Wallace's generosity that furnished the great clusters of wine carnations and white tulips for the many tables.

As the final speaker on the "Crown" of the Pi Phi Tree, Mrs. Nickerson introduced Carrie Chapman Catt, Iowa, who succeeded Susan B. Anthony as president of the Woman's Suffrage League of America, and as a recent president of the International Woman's Suffrage Association, has spoken in every continent, except Australia. In opening her speech, Mrs. Catt said: "My subject has been announced as a message to college women. This is a mistake. It is a message to my sisters in II B Φ, whom I love." Mrs. Catt asked the assemblage to forget that they were trees and to remember that they were human beings. She remarked Victor Hugo had said that the Nineteenth Century was the century of women, but the Twentieth Century is preeminently woman's century, for this is the time she receives her reward in the work done by the pioneers. "Since everything is open to women, if you have an ambition, follow it; if you have a work to do, do it. Although sixty-seven nations have given votes to women, equal with men, there are twenty-four nations who granted the franchise before America responded."

This is the day of intelligence ratings. It is not yet known whether men or women have a greater number of A minds, but it is known that only those who have A minds or high B minds ever get through college. As college women Pi Phis have A minds. A woman with an A mind can keep house and do it well and yet have time for a career. She can bring up a large family and yet have time for a career. Every II Φ will vote, but she must know how to vote. Mrs. Catt said that she did not propose that Pi Phis become a political flock, but since they have inherited rights and privileges that other women have not had, the more responsibility rests upon them.

Referring to the 1200 present Mrs. Catt said that there were enough Pi Phis in the room to make over the world. Although she had spoken before large gatherings of women throughout the world she had never looked upon such a gathering of young women. "While we Pi Phis are all very nice and very wise," she
said, "it is not for us to congratulate ourselves, but we should go home with the thought that there is no escape from duty. We should go home with a purpose to leave the world better than we found it. What we do depends on conscience, trend, education and environment." Mrs. Catt declared that she had found members of Π Β Φ in every land, in South America, and in Asia, yet she had never heard a tale of any member that was not entirely creditable and honorable. She spoke her strong conviction that members of Π Φ are going to find work and are going to do it. Her parting words were "Blessings on you, one and all!"

Mrs. Nickerson bade all take the spirit of the Eastern Conference from the founders, the officers and honored guests. Then in symbolism of this she lighted a candle, and turning to those on her right and left, with their own candles lighted theirs in succession, and they in turn, passed on the flame down the long line. Then each drank from the silver loving cup and sent it on while all Pi Phis joined in the "Loving Cup Song."

"O sisters in the wine and blue
Sing soft, sing sweet, sing clear;
The while we pass our Pi Phi cup,
The cup of love and cheer."

The Pi Phi Anthem closed the most remarkable banquet ever known in Π Β Φ.

Every one at the banquet received a souvenir program with a picture of the Lincoln Memorial seen through the cherry blossoms, a song sheet, and a pamphlet of Settlement School information recently compiled by Mrs. Stark.

THE PRESENTATION OF THE PORTRAIT
OF MRS. COOLIDGE

In the fall of 1923, when in a letter to Anna Robinson Nickerson, Grand Vice-President, Katharine Tower Barnes, Michigan B, broached the idea of presenting to the White House a portrait of Mrs. Coolidge, there began a delightful new chapter in ΠΒΦ history. It culminated on April 11 in the now nation-heralded presentation to the White House of the beautiful portrait of our First Lady.

Mrs. Nickerson took up the idea with enthusiasm, presented it to the other members of the Grand Council who unanimously voted for it, and willingly accepted the responsibility of sponsoring the subject when asked by Miss Onken to do so. Because Mrs. Nickerson has long been a personal friend of Mrs. Coolidge, she was able to assist wonderfully in this fraternity project. She wrote to Mrs. Coolidge that Pi Beta Phi would be proud to present a portrait of the first wearer of the golden arrow to become the First Lady of the Land. Upon hearing that “Mrs. Coolidge would be deeply touched and greatly pleased to receive such a mark of affection and recognition from her college fraternity,” Mrs. Nickerson wrote immediately to May Brodhead Wallace for suggestions as to artists and other details.

Mrs. Wallace at once talked the matter over with Mrs. Coolidge and found that at that time Mr. and Mrs. Howard Chandler Christy were guests at the White House as he was painting portraits of the President and Mrs. Coolidge. Mrs. Wallace had a conference with Mrs. Christy who at once became heartily interested; and later with Mr. Christy and arrangements were made for ΠΒΦ to purchase the portrait of Mrs. Coolidge.

Information was prepared under the supervision of Mrs. Nickerson and sent to every club and chapter in order that every individual ΠΦ might have an opportunity to help in the purchase of the portrait.

Would that every member of ΠΒΦ might have assembled in famous Peacock Alley of the Willard Hotel at four on the afternoon of April 11, en route to the White House. The

procession was headed by the presentation group, made up of Amy Burnham Onken, Grand President; Anna Robinson Nickerson, Grand Vice-president; May Lansfield Keller, President Emeritus; Emma Harper Turner, Grace Lass Sissons, both former Grand Presidents; Frances Evans, Grand Secretary; Katherine Tower Barnes, originator of the idea; May Brodhead Wallace, wife of the Secretary of Agriculture; Adele Taylor Alford, president of the Washington Alumnae Club; Erminie Pollard, Vermont B, and Irma Kerr Norwald, Michigan B, active representatives who were to unveil the portrait; the artist, Howard Chandler Christy, and his wife; and a number of national officers.

The 1300 persons, including 100 Pi Beta Phi mothers and honor guests, were welcomed through the east entrance of the White House, passing on the way, the lawns of the White House, lovely with magnolias, pansies, jonquils, and crocus. They represented a far larger group, each of whom had a part in the gift.

The guests assembled in the historic East Room, forming a semi-circle about the panel on the west wall, where hung the curtains of wine red velvet, with cords of silver blue, which covered the portrait. The presentation party was assembled in the Green Room. Promptly at four-thirty a section of the Marine Band began to play, announcing the opening of the simple ceremony. The presentation group, led by Miss Onken and Mrs. Nickerson, came first from the Green Room, taking their places on the inner side of the circle, facing the portrait. On either side of the portrait stood the two active girls who were to draw the curtains.

Through the double doorway appeared the Army, Naval, and Marine Aides to the President. With the Senior Aids as escort, came Grace Coolidge, First Lady of the Land. She wore a soft grey georgette crepe afternoon dress trimmed with crystal, and, as jewels, a diamond eagle on her shoulder, a chain with a crystal pendant, a gold bracelet, her wedding ring, and the diamond studded arrow which had been presented the day before by a group of personal friends in Pi Beta Phi. Wonderfully slim and straight, with arms at her side, she stood very still through the
entire ceremony, except for a constant play of understanding appreciation, which lighted her expressive face.

Mrs. Nickerson, who had managed every detail of the presentation, introduced first, Miss Onken, who said:

"For the first time our Nation has as its First Lady a member of a national college fraternity. From the days of Martha Washington until now, never has it had as the wife of its President a woman more universally admired and loved. It seems distinctly fitting that to Pi Beta Phi, the first national college fraternity for women, the first to organize its alumnae, the first to adopt a big national altruistic work, and the first to instigate many of today's accepted standard lines of development, has come the signal honor of claiming as its own Grace Goodhue Coolidge, First Lady of the Land.

"To Katherine Tower Barnes, Michigan B, who conceived the idea that the Fraternity should express its keen appreciation of this honor by presenting to the White House a portrait of Mrs. Coolidge; to May Brodhead Wallace, Iowa I, and to Anna Robinson Nickerson, Massachusetts A, who have given invaluable service in directing the project, and to Mr. Howard Chandler Christy, renowned artist, whose interest and cooperation has made the portrait such a delight, the many Pi Beta Phis and the Settlement School teachers and pupils who have had the privilege of sharing in the gift express their appreciation and gratitude.

"As Grand President of Pi Beta Phi, it is an exceedingly great pleasure and privilege to present to the White House in the name of the Fraternity and as an expression of its pride and affection this beautiful portrait of Grace Goodhue Coolidge, Vermont B, who has brought honor to her fraternity, not only through the distinguished position which she now fills so graciously and so well, but also through her life which has ever made apparent her faithfulness to the pledges of loyalty, service, and noble womanhood made by her to Pi Beta Phi."

The representatives of Vermont B and Michigan B drew the silver blue cords, the heavy wine-red curtains parted, and the portrait was revealed.

Mrs. Coolidge stands on the White House lawn, with the White House Collie, Rob Roy, by her side, and the south front of the Executive Mansion in the background. The long line of her brilliant red velvet evening gown is unbroken from shoulder to hem, save by the golden arrow. About her shoulders floats a gauze scarf. The artist has caught in a most successful way the poise, youthfulness, and vivid personality of the First Lady of the Land.
An oblong brass plate at the base of the frame bears this inscription in black:

MRS. CALVIN COOLIDGE
WIFE OF THE 30TH PRESIDENT

Painted by Howard Chandler Christy
Presented by Pi Beta Phi Fraternity

The Army Aide, Colonel Clarence O. Sherrill, Superintendent of Public Buildings and Grounds and Custodian of the White House, received the picture for the United States. He said:

"The graceful act of Pi Beta Phi Fraternity commemorated here today in the presentation of this portrait of Mrs. Coolidge to the White House to remain here for all time, for the present and future generations to admire, is a fitting occasion for our gratification that the official collection of the White House is to be thus assured of a splendid portrait of Mrs. Coolidge to add to those that are now here.

"Unfortunately our forefathers, or rather our foremothers, have not been in all cases so thoughtful as are the members of your illustrious organization. In looking up the records of the portraits of the different first ladies of the land, we find that there are only seven of the entire number whose portraits now adorn the walls of the White House. It may interest those present to know which wives of the Presidents are included in this list. They are as follows: Martha Washington, by E. F. Andrews; Mrs. Van Buren, by Henry Inman, painted before 1842; Mrs. Tyler, by F. Aurelli, painted before 1846; Mrs. Polk, artist unknown; Mrs. Hayes, by Daniel Huntington; Mrs. Benjamin Harrison, by Daniel Huntington; Mrs. Theodore Roosevelt, by Theobald Chartran.

"It will occur to each of you, as it does to me, that it is most deplorable that a handsome portrait of each of the succeeding first ladies of the land has not been secured as a part of the permanent record of the various administrations which have controlled and have done so much in forming our American history.

"Now that women are taking such an active interest in politics, being equipped with the vote and all the other perquisites of this important duty, I feel sure that there will never again be a First Lady of the Land whose portrait is not secured for addition to the White House collection, but fortunately and most graciously the members of Pi Beta Phi have anticipated official action that undoubtedly would be taken later, and have as a loving tribute to their distinguished representative lost no time in making this splendid gift to Mrs. Coolidge and through her to the nation."
Then, as Mrs. Nickerson put it, to express a little of what was in their hearts, the whole assemblage, with Mrs. Coolidge joining as heartily as the rest, sang together the Pi Beta Phi Anthem, which will hold for every person present a new significance.

The Marine Band began to play again, while Mrs. Coolidge, accompanied by the ranking Aides, moved into the Blue Room. The guests formed in a single line and were presented by name to Mrs. Coolidge. To each one she gave a smile, an individual word of greeting, and a warm handclasp.

The lower floors were thrown open, so that every person there had an opportunity to see the state rooms. At the conclusion of the reception, the guests were welcomed in the gardens. Here the entire group, with Mrs. Coolidge the central figure, was photographed, as well as Vermont B, her own chapter.

Reluctantly ΠΒΦ went away, taking the memory of two pictures, one of the portrait, and the other the living, breathing original, whose spiritual beauty no artist can paint.

MR. CHRISTY AND THE PORTRAIT

Busy with a group portrait, at his interesting New York studio, Mr. Howard Chandler Christy stopped his brush to talk about his painting of the wife of the President. Beside him was his charming wife, about him flowers, birds, and all sorts of interesting objects of art, as well as many of his paintings.

"Photographs of Mrs. Coolidge seldom do her justice," he said, "for she has an alertness that the camera cannot often portray. She radiates energy. The difficult, yet interesting task of the artist is to delineate a person in repose, with the feeling of action in every line. This I really believe I have accomplished here; at least, I have done my best.

"The technical composition has been planned to aid this effect. The lines of tree and scarf, the upturned face of the collie, lead toward her face. I have not portrayed her, for the sake of effect, more or less slender than she seemed to me, but her slim straightness is just as I saw it.

"Her erectness and poise, her slender strong arm, her straightforward gaze, with a sparkle in her hazel eyes—these evi-
dences of youthfulness with which one is impressed on first meeting, I have endeavored to retain.

"Rob Roy? Yes, he was restless like all collies. He always seemed ready to spring. It was difficult to catch the cock of that ear, because he was always raising and lowering it. He did not relish the honor of sitting for his portrait; in fact, he had to be held down.

"I have been asked about the background. Other portraits of first ladies have the White House as a background. It is not only significant but also gives a feeling of depth by its perspective. As to the fountain, well, it gives a light setting for the white head of the collie. Had the background been too dark, the light collie against it would have made too sharp a point of interest, detracting from the real center of the picture.

"The vividness of the dress and its simplicity seem to suit admirably the character of Mrs. Coolidge.

"The whole occasion has been most delightful, and Mrs. Christy and I accounted it a privilege to be at the ceremony on the historic occasion of the presentation."

THE PORTRAIT IDEA

The thought of the portrait of Grace Goodhue Coolidge just drifted into my mind one day last summer. It lay tucked away until November, when a small group of scattered Pi Beta Phis held a cooky-shine with me in Concord, N. H. Their enthusiasm prompted a letter to Mrs. Nickerson, suggesting that we show our love and appreciation of the signal honor that had come to Mrs. Coolidge by keeping a portrait of our First Lady of the Land always in the White House, so surely does she stand for gracious American womanhood.

PI PHI MIRRORS OF WASHINGTON

Every ΠΦ carried away wonderful pictures of the beauty of the capital city—the opalescent corridors of the Library of Congress at night; the cool round contour of the Capitol dome silhouetted against a black velvet sky; the mist-veiled shaft of the Washington Monument; the Colonial dignity
The Eastern Conference

of Mount Vernon on its slopes above the Potomac; the soft green turf of the White House lawn, with giant magnolias in full bloom; the blue tidal basin framed by those exquisite cherry blossoms; and, rising above its mirror pool, the majesty of the Lincoln Memorial.

* * *

When the picture of the banquet was about to be taken, the calcium lights, flooding the great ball room, turned it into a scene of unearthly beauty, and an involuntary murmur arose.

* * *

Individual Washington hospitality meant unusual opportunity for visiting Pi Phis. For example, Vermont A, thirty strong, was entertained by the parents of two alumnae, Colonel and Mrs. John T. Axton. An empty apartment above theirs was turned into a dormitory, and their own apartment served as a tea room. Every visitor remembers similar experiences.

* * *

Said an observant freshman at Mt. Vernon, "There are arrows everywhere even in the sky. Look at the weather vane above George Washington's home."

* * *

As the First Lady of the Land left the White House grounds after the picture, she turned at the doorway, and said to the girls near her, "This is the loveliest thing I have seen here. I should like to keep you here always, to make beautiful the White House lawn."

* * *

By courtesy of the New York Alumnae Club, all guests at the speakers' table were presented with an autographed copy of the picture of Carrie Chapman Catt.

* * *

Seldom has a banquet among its speakers the most famous woman in the world, and also four Grand Presidents of Pi Beta Phi!

* * *

On the banner of Joan of Arc was written the one word "France." But on the banner of Carrie Chapman Catt is written that challenge to the spirit, "Freedom."
As the Conference closed, the pride of the city, its wonderful cherry blossoms, burst into bloom.

* * * *

Distinguished for its crystal clearness, the simple speech of our Grand President, Amy Onken, put into words what was swelling in the heart of every Pi Beta Phi present at the unveiling of the picture of Grace Coolidge, who stands for all that we hold most dear.

* * * *

“Oh, there’s May Keller!” A loving cry of recognition trailed the petite President Emeritus through the Conference, from even the privates in the ranks, who dare greet her thus familiarly.

* * * *

Some statistics:

There is not room to give even the names of chapters holding reunions. At least 70 did so.

There were at least 50 I. Cs. at the Conference.

Among large delegations were 16 from Oklahoma, 53 from Pittsburgh, 135 from Baltimore, 64 from Pennsylvania B, 68 from Ohio B, 76 from Cleveland, 290 from Washington, D. C., 100% from Maryland A, New York A, 30 from Massachusetts A, and of course, everybody from Vermont B!

500 persons were expected!
947 persons were actually at the banquet, the largest women’s group ever at the New Willard.

800 lunches for Mt. Vernon were put up by 30 Columbia A active members.

1487 at the Congressional Club—200 not Pi Phis.
1301 in the White House picture.
1200 Pi Phis gave Mrs. Coolidge the grip.

* * * *

An interested figure was Mrs. Howard Chandler Christy. She says that Mr. Christy accounts Mrs. Coolidge’s picture his most successful portrait.

* * * *

Just before the banquet, Mrs. Catt broadcasted from station WRC, Radio Corp. of America, her speech delivered again later in the evening.
Those who had to attend the overflow banquet at the Raleigh had an experience not enjoyed by those at the Willard. As they left one elevator, a figure in black entered the other, turned and smiled. It was Mrs. Florence Kling Harding.

* * *

And then everybody stayed after the three hour banquet, loathe to leave. Many drank from Mrs. Catt's cup. Many talked most of the night. One group is said to have organized a society, called "The Kittens."

* * *

The two most beautiful groups at the Conference were the Founders and the pledges of Columbia A.

* * *

The Pi Phis who left the White House by the front door brushed close to four men walking rapidly up the curving path to the north portico. So quickly did it happen that they were almost past before some one discovered that the President was returning from an afternoon walk.

* * *

Mrs. Nickerson claims she traveled the farthest to the Conference, 4000 miles, for she visited nine chapters, enroute, in North Carolina, Tennessee, Louisiana, Texas, Oklahoma, Arkansas and Missouri.

Many Pi Phis were glad to recognize Mr. Nickerson in the one who with Mrs. Allen had charge of the sale of the photographs.

* * *

AFTERWARDS

The week after the Eastern Conference the Washington Alumnae Club and Columbia A drew their breath and held a series of parties for visiting former Washingtonians. The first on Monday night at the A. A. U. W., arranged on the spur of the moment, brought together a large group. Three or four teas crowded each afternoon, and every evening had its party. From as far West as the Pacific coast old friends of Columbia A had returned. For the hostess of the week before, this week was theirs for play.
SPECIAL ANNOUNCEMENT

It has been the privilege of Pi Beta Phi to present to the White House the Howard Chandler Christy portrait of its present gracious and beloved mistress.

The Grand Council feels certain that every Pi Beta Phi will want to have a part in this tangible expression of the fraternity's pride in and affection for Mrs. Coolidge who has ever been a most loyal and actively interested member.

Information concerning the plan of purchase will be sent to chapters and clubs, but full details may be obtained by writing directly to the Grand Vice-President, the Province Vice-Presidents or the Province Presidents, who make up the Committee on Arrangements. These officers, whose names appear in each issue of the Arrow, are volunteer treasurers for this project.

ADVERTISING AS A PROFESSION FOR WOMEN

By Grace Shallenberger, Nebraska B

(Grace Shallenberger, Nebraska B, now secretary to her father, A. C. Shallenberger, who is a member of the House of Representatives at Washington, D. C., is a graduate of the University of Nebraska. Miss Shallenberger says:

"The year after graduation from the University of Nebraska I was inveigled into teaching a year in San Juan, Porto Rico by a group of Nebraska Pi Phis who lived down there in a cottage by the sea and were infatuated with the tropical moon. During the war period, I was in Washington serving as secretary to my father, a member of congress from the Fifth Nebraska District. In 1921 I went into the advertising department of The Brandeis Store in Omaha as copy writer. In 1923, I went to Thompson, Beldon & Company as director of advertising and then came on to Washington this winter, again acting as my father's secretary."—The Editor.)

I have never known anyone in advertising who did not like it. So if liking your work was all there was to think about, I would recommend advertising to everyone. But picking a job is like picking a husband. While it is essential to be fond of him, there are other things a prudent girl will consider.

When the advertising bee was first buzzing in my bonnet, a number of successful people in this alluring field were kind enough to advise with me about it. They were most gracious about talking but everyone wanted to expound the principles of the great art to me. Now I was already saturated with theories from the many good books to be found in any public library. But the thing I didn't find in books and hoped to get from
them was advertising in terms of personal experience. So I feel the best way to present advertising as a profession for women is to tell what happened to me and let others decide for themselves whether they could stand the gaff.

Without any selling experience, without any writing experience, I induced the advertising manager of a department store to hire me as a copy writer. The first morning when I punched the clock and took refuge behind my Underwood, advertising seemed to me the most mysterious and complex invention conceived by the mind of man. My kind hearted boss came around and said, “Now, just let things unfold!” He meant to soothe and quiet me but in reality he paralyzed me. However was this intricate mechanism to become comprehensible to me? I yearned for a guide thru these troublous uncharted seas that were threatened with tidal waves of temper and typhoons of wrath at any moment. But instead I was left to catch on as best I could. It is a hard way to learn but the quickest I believe.

Many people ask me about school courses in advertising. I didn’t take one because as I pointed out to the manager who tried to get rid of me by suggesting that I first take a course in advertising, at the end of the course I would have to start just where I would without the training, only I would have lost that much time. However, if you are still in school, take all the advertising courses you can because they are of value. I have been a diligent student of books on advertising. Some merit great devotion, others, are only worth flirting with. The big work of education in advertising is the study of the ads themselves. Constant reading and critical comparison of a few of the best craftsmen in your particular field is the most direct road to acquiring good taste and judgment in advertising. My first winter in advertising I never put out the light for the night until I had looked in the New York Times at that days ads. for the three or four stores I had chosen as my models.

The first eye opener I had was to learn that advertising is selling not writing. I want to make a big fuss over this because it is an illusion to which college girls will be particularly susceptible. No matter how scintillating your head line, how graphic the illustration, how gripping your clincher, if the merchandise doesn’t sell,
as an advertiser you are a dud. A department store is a place where you learn this with especial clarity because its results are more easily checked than many other kinds of advertising. An interview with the cash register each evening will sum up your success as an advertiser very neatly. Such interviews are very healthy for budding advertising genius.

Many people have ideas similar to my early notion that when there is a big day in blouses to beat, the ad writer sits down and invents some sort of a grammatical legerdemain for the evening paper that will throng the aisles the next morning with women eager to battle for the newest thing in tuck-ins and overblouses. While in reality the response depends on the price related to the style and quality of the garment, your competitors price, season-ability, previous sales, the weather on the day of the sale, whether suits are dead or not this spring and so on. It is easy to see that sentence rhythm is a minor matter compared with synchronizing all these elements to produce the maximum cash results.

You must have before you the constant study of what makes people buy and as you learn what these levers are, you press down on them in the copy you write. Walter Dill Scott says advertising is influencing people. That makes a fool proof definition for, in a sense, everything influences people, therefore everything is advertising. In a broad way this is true. But the space buyer who employs you as an advertiser is going to expect you to influence people so that 3% of his sales spent in advertising will increase the volume of his business 15%. There are many kinds of talent used in advertising—skill with words, with pictures and with typography but the thing for which real money will be paid is the ability to go into a business and increase its sales.

The next windy notion to be deflated is the widespread belief that people in advertising make big money. Most women of whom I know began as copy writers at about $18 a week. The best salary I have heard of for a copy writer was when Wana-makers tried to hire a talented writer from one of the State street stores in Chicago for $75 a week. On the average women in advertising are paid about the same as they are in teaching, secretarial or newspaper work. The fact that huge sums are spent in advertising whereby merchants and newspapers profit enormously is
confused with the rewards of those who create the advertising. The
latter you will find are only moderately paid. Like newspapers,
advertising seems to have a fascination which makes people who are
in it willing to accept smaller salaries. This is a bad thing both for
the individual and the profession.

I have always felt a woman is last handicapped by her sex
in retail advertising. If the manufacturer of tractors resists the
notion that the virile verbs from a female fountain pen may be
as deadly as the male, in heralding the charms of a Waterloo Boy,
your load is just that much heavier. But no one can dispute a
woman’s natural fitness for her merchandise and her market in
the department store field.

Although women are filling executive positions more and
more, the heads of the advertising departments in the big New
York and Chicago stores, with few exceptions, are men. They
will continue to be so for a long time in my opinion. On the
other hand, in Nebraska, my home state, the three largest stores
in both Omaha and Lincoln have women advertising managers
where a few years ago they had men.

Anyone who goes into advertising will soon find out it is
hard work. In the first six weeks after I became advertising
director, I never left the store before seven in the evening. Sun-
days, at home, I worked on my financial budget. Besides long
hours your work is a continual race against the great steel presses
that must have their copy with the setting of each sun. They
won’t wait for you, so if you get behind there is nothing to do but
press down on the accelerator that regulates the outpouring of
your own nervous energy. Evening must find the copy neatly
pinned in its envelope whether there is any juice left in the little
gray brain cells or not.

But getting your own genius in hand is the simplest part of
producing advertising. Each brain child has so many step-fathers
to satisfy. The president wants more white space around the sig
cut. The merchandise manager declares the price figures are too
small. The buyer thinks his ad should have had top position.
The artist sulks because the dark cuts are out of balance. The
printer curses because there is too much body copy. Changes must
be made to each conception. You battle bravely for your darling
with that fierce protective instinct of a mother but sometimes you scarcely recognize your offspring when you meet it face to face in the first edition.

Then why do people adore advertising if it is full of so much grief? Well, everybody likes to make things. We all get a swelling in the chest out of the feeling, “I did it.” I liked taking fifty or a hundred words and arranging them in a pattern that interested people enough to make them jump on the car and come down to our store the next morning. I liked to sit down in front of a layout board with my cuts and blocks of copy and push them around until they worked into a design that pleased a picture sense innate in the simplest of us. It is the response to a universal desire to make things—whether it be a paragraph, a double spread or a cathedral. No matter how many proof envelopes you have opened, each morning brings a renewed concern in seeing how your stuff looks in type.

If you are curious about men and their motives you will find advertising a great laboratory in human psychology where your experiments are conducted with real people, real money and real merchandise. The results, as shown in your office records, make a textbook more entertaining than any to be found in college. It affords a splendid schooling in business fundamentals. All the contacts scattered over the field of buying and selling have threads of interest that converge in the advertising office. Here with a bird’s eye view of the whole field, the advertiser is privileged to analyze the factors which net the best results.

Knowing how things are made, as a part of selling, opens up new worlds, some as fascinating as those in the tales of the Arabian nights. To know that live fish scales give the lovely opalescence of artificial pearls, that every knot in your hair net is tied by a Chinese girl’s deft fingers, how the camels hair for your sport coat is collected from the sand where the camel sheds his hair when he lies down for the night—all give glimpses of romantic lands where fancy may delight to travel.

An important phase of a profession are the people with whom it associates you. Advertising will introduce you to dynamic captains of industry and to dull directors of boards. It will show you amazingly ignorant men who sell thousands of dollars worth of
merchandise. It will acquaint you with newspaper men of capacity and some of decidedly small caliber. As to the advertising people themselves, there is of course some dead wood but among the live ones, you will meet some of the keenest minds in business today. It offers stimulating contact with minds that are flexible and sympathetic to all the new and interesting phenomenon going on in the world.

A good test for a college girl to apply in selecting her field of work is to look ahead ten years and see where her choice will put her. Advertising will put her in a field that is experiencing enormous expansion. Our national genius is for business in production, in buying and selling, the Yankee is second to none. Advertising as the tool of the producer and the seller is going to share in this great growth. If you are looking for a place in the business sun, go into advertising, but don't blame me if sometimes it gets too hot for you.

A COLOR FANTASY
By Lelah-Bell Davis, Illinois H
Pi Beta Phi Fellow, 1923-24

(By request Miss Davis has written of her impressions of Chicago University.—The Editor)

October!—drab and rainy with wailing notes of a dead winter near? Not at all—but October!—radiantly alive, bursting with melody and riotous autumn coloring. Everywhere the spirit of ambition seems to urge on the sun-burned co-ed and her following of golf-clad “play mates” who step about briskly in search of this dean or that to sign their bright yellow registration slips. Armenians and Japanese, South Africans and Spaniards, representatives from scores of other countries join the groups of grads and underlings whose destinies seem guided by artistic placards directing one to the Press Building, Ida Noyes Hall or Bartlett Gym. The efficiency of a large university is evidenced everywhere in these registration days. No long, tedious hours of waiting for a

conference only to find that you must advise with someone else in another building several blocks away. Result: the Pi Phi Fellow finds her disposition still intact at three p.m. with courses chosen, fees paid and an easy chair in her cozy room over-looking campus and Midway, where bright green and red buses slip by gaily while those who ride on top drink in the crisp, pure air of a gorgeous afternoon.

The days pass by as bright maple leaves—each different, and each richer in experience than the last. The deep satisfaction of work supervised by such efficient scholars is the under tone of all the brown and gold and crimson harmonies.

Everything seems to add its note to this landscape from the noisy, carefree crowd of smokers who block the traffic in front of Cobb Hall between classes, to the jolly, red-faced man, to be seen on any corner, selling hot dogs from his oil cloth covered box from which there waft strong odors of mustard and onions; or to "Mike" the lift-man who pilots the graduate students up to their library in "W. 41," and whose Russian accent seems to add a note of gaiety to the souls of those who have not completely passed the receptive stage in what we call "education." Yes, and walking down the Midway we pass the hockey players in their big white sweaters and green bloomers watched by interested spectators who sit in their cars enthusiastically admiring the fair maidens as they frisk about, yelling and laughing—sometimes rolling over on the bright green turf while the ball gets dangerously near the goal. Coming back past the Ed. building with its perky orange draperies peeping out from ivy-covered casements we face one of those marvelous sunsets with the tall, gray towers of Harper Memorial silhouetted against the sky—like some great giant of strength and courage.

—Saturday afternoons, with their thrills of football games give the "futurist" note to our picture. Mobs of people coming from every direction, and rushing violently to get thru the gates ahead of everyone else! Profuse array of fur coats and red chrysanthemums. —Fair-eyed freshmen selling balloons for the university settlement benefit. —Much shouting on the part of newsboys or other important personages. An then—inside the stadium, clear blue sky above, and thick, green sward below—
The “C” section, reserved for students who fairly burst their whole realm of super-glottal passages in response to the hypnotic contortions of the white flannel-clad cheer leaders. —The team, solemn and not too confident. The “Old Man” serious and non-committal. And then the maroon bedecked band, with the biggest college drum in the world, and a drum-major who prances about like the proudest pony in a circus—starts flamboyantly down the field while the crowds peal out words to “Wave the Flag of Old Chicago,” and Wisconsin joins the parade adding her contribution of little gray badgers to the red satin and brass horns of a noisy ensemble.

—And then, the end of the quarter. Much evidence of yellow exam. books and a pained expression on the brow of the busy student. But even at times like this one finds relief in something hopeful, and for us it is the municipal Christmas tree over on the Midway, where we stand and gaze in ecstasy upon the sparkling symbol—almost ethereal in its snow-white beauty—while joyous carols float thru the calm stillness of a “silent night.”

II.

Autumn has given way to winter. The crimson, orange and russet of the maple and the sumac, even the deeper, mellower browns and rose hues of the oaks seem to have been lost long since, and the only reminder of pumpkins and corn husks is in the bright spray of bitter-sweet in some girl’s room or on an office desk. So autumn really was only a forerunner of a dreary winter, after-all. Oh! can you call it dreary—snow covered buildings, a dark, smoky sky, with the glorious stars and stripes floating out in bright relief?

Surely you remember that it takes all colors to make gray; and the blending of many interests makes for a lovely harmony—of French lectures, symphony concerts, opera, the wonderful opportunities of library facilities, skating on the Midway—the surest cure for tired nerves, providing one knows how to skate—lectures by such men as Richard Le Gallienne, Fosdick, Hugh Black and many others; along with the cultural advantage which comes with the hospitality of La Maison Francaise, and everyday fun derived from life in a campus dormitory. And always a
thesis to call one back to the blues and grays of the library, and the inspiring work with favorite professors. Gray days, yes. but the gray of many colors, many experiences, many interests.

III.

Spring!
—Robbins, April showers, saucy daffodils, wriggling earth worms, and constant longing for the lake with its clean, blue loveliness calling us on to the dunes, away from the tall, gray towers, away with the friends we have made, to the blue of the sky and the water. The same lake that we saw last fall, heavenly on moonlight nights and wonderful when the white caps dashed about so boisterously on cold, winter days. Why then, this added charm in spring? It is the freshness of things that makes the blue even clearer than before.

The year's work is closing, and from all the melody of song and color there stands out this narrow strip of blue which will stay on after the soft shades have faded from the reflections of a vivid sunset. Call it what you will—the symbol of a friendship, a poem or a career. It remains that intangible something which endures long after books are closed and degrees are forgotten.

—Silver blue, whose complement is deep, deep wine.
Upon completing her preparatory education in her home town, Petrolea, Ontario, Canada, Jean C. McQueen, our new president of Alpha Province, entered the University of Toronto in the fall of 1916, enrolling in the modern language course. She became a wearer of the arrow during that semester.

Owing to a series of overwhelming and unfortunate events, however, she retired from college for the two succeeding years, reentering with the class of 1922. Throughout her course, Jean’s innate modesty and unassuming tendencies were ever apparent in her reluctance to be in the limelight. In her final year, as a member of her class executive and chairman of the social service committee (during the latter’s chaotic and experimental stage) she proved her intrinsic value in executive ability, judgment and the real qualities of leadership.

Subsequent to graduation, Jean has taken a short course in household science at Macdonald Hall, Guelph, Ont., and is at present dividing her time between the study of music, for which she has considerable talent, and her new duties as Province President.

It was also her good fortune to be one of the Pi Phis who accompanied Mrs. Rugg on her first Pi Beta Phi European Tour.
Beta Province

Edna Wood Miller, Beta Province President, attended the grade and preparatory schools in Chicago and entered Lombard College in 1910, being initiated into Illinois B in January, 1911.

She went as chapter delegate to the Evanston Convention and took the lead in the class play during her senior year. After receiving an A. B. degree in June, 1913, Edna Wood did some teaching and also did girls’ club work with the Western Electric Company in Chicago.

In 1917 she married Ben Warren Miller who was then a lieutenant in the army and they immediately went to Camp Funston where Mr. Miller was stationed.

While at Funston, Mrs. Miller took a short course in domestic science at Kansas State Agricultural College and enjoyed very much her association with the Kansas B chapter.

During the time that her husband was overseas with the A. E. F., Mrs. Miller lived in Chicago with her parents and did a great deal of war work. She was one of the state directors in the United War Work Drive and later did special finance work for the Central field of the Y. W. C. A.

For the past four years Mr. and Mrs. Miller have made their home in Parkersburg, West Virginia where Mr. Miller is engaged in the manufacture of steel castings.

When she is not busy with her three-year-old daughter, Jacqueline, Edna Wood Miller is giving her time to her fraternity work and as a member of the board of directors of the local Y. W. C. A. and as chairman of the Committee on Health and Recreation.

Mrs. Miller has been in close touch with the active girls of II B Φ since she has one younger sister who belonged to Illinois B and graduated in 1921, and another sister who is now a pledge.

Last year Mrs. Miller served as chairman of the Committee on Social Exchange and in September was appointed Beta Province President to take the place of Dorothy Woodward who resigned in order to accept a teaching fellowship at the University of Colorado.
Mary Rayner Brinkley was born in Anson, Tex. She graduated from Stamford Preparatory School, from which she entered Trinity University, Wayahachie, Tex. After one year at Trinity University, she transferred to Randolph-Macon, graduating from there in 1917.

At college Mary Rayner was interested in fraternity matters, serving as chapter corresponding secretary, Panhellenic representative and was on the committee that investigated Hollins and she also helped to install the chapter.

Mary divided her time between Virginia and Texas until the time of her marriage with Dr. Arthur S. Brinkley in 1919. Since that time she has been a most enthusiastic member of the Richmond alumnae club, of which she has been president, vice-president and chairman of several committees. She has served as vice-president and as a member of the executive board of the College Club in Richmond and also on the Y. W. C. A. Board.

Gamma Province is greatly to be congratulated on having a president who combines charm of manner with organizing ability.
Edith Rhoades Spiegel, Indiana, was a member of the class of 1913 of Butler College, but before graduation married John Emmett Spiegel, Δ Τ Δ, Butler College. They now have one daughter, Jeanne.

Although Mrs. Spiegel is very reticent to talk about her achievements she has always taken a very active part in both chapter and alumnae club affairs serving on the advisory board, on various committees and as treasurer of the alumnae club.

Mrs. Spiegel writes: “I am really quite an unimportant person. My occupation is home-keeper with its attendant duties of church, family, friends, clubs, golf and bridge. My life is a very happy and interesting one and during the past two years has been especially so because of my associations with the splendid active girls of Delta Province.”

Mrs. Spiegel inspected, indorsed and enthusiastically championed the cause of ΔΣΦ now Tennessee A. After being re-elected Delta Province President at the Estes Park Convention, it was her privilege to assist in installing this splendid new chapter at Chattanooga.

Epsilon Province

Re-elected Province President of Epsilon Province for the third time, Olive Keller Laurence, Minnesota A, brings to her fraternity work a broad national viewpoint, keen insight into
character understanding, splendid efficiency and the ability to meet and win the confidence of the active girls.

Olive Keller Laurence was born and raised in Minneapolis, Minn., where she attended grade school and high school. In the fall of 1912 she entered the University of Minnesota and was pledged to \( \Pi\beta\phi \) at once.

She was chapter delegate to the Berkeley Convention in 1915 and was president of local Panhellenic during her senior year. In 1916 she graduated with a B. S. degree in Home Economics and took up the profession of teaching and social service work for a year.

On April 28, 1917 she married Philip J. Laurence, \( \Xi\Phi\epsilon\), Two years later she was appointed by Grand Council to serve as Epsilon Province President to fill out the unexpired term of Mrs. Walter Spry. After serving for more than a year she gave up the work on account of the arrival of Marcia Jean Laurence. Later, however, she accepted election at the Charlevoix Convention in 1921 and also at Estes Park in 1923.

Mrs. Laurence writes: “Outside of my home, my \( \Pi\phi \) work has meant more to me than anything else. I consider it a great privilege to do fraternity work and to come into such close contact with so many fine girls. I feel that my fraternity work has been splendid training in learning to understand girls of college age and I know it will be a big help to me when my daughter reaches that age.

“I have made many wonderful friends among both the active chapters and the alumnae and have learned to know \( \Pi\beta\phi \) from a national viewpoint which I never could have done in any other way.”
Edith Curtiss Shugart, newly elected president of Zeta Province, is a native of Iowa and was brought up on the campus of Iowa State College at Ames, where her father is Dean of Agriculture.

She spent one year at Randolph-Macon Women's College in Virginia before entering college at Ames where she was initiated by Iowa I in 1915. In 1918 she graduated with the degree of Bachelor of Science in Animal Husbandry and was elected to ΦΚΦ and ΠΣΔ, honorary fraternities.

During the war she took the Civil Service examination and went to Washington, D.C., as a scientific assistant in beef cattle production in the Department of Agriculture.

In the spring of 1919 she married John Lodge Shugart. ΦΓΔ, of Council Bluffs, Iowa. They have a son, Philip, three years of age.

Mr. and Mrs. Shugart live at Edgewood Farm, Council Bluffs and are both active fraternity members.

Eta Province

Vivian White Scott (Mrs. John Terrell), Colorado A, who accepted appointment as Eta Province President in the spring of 1923, was elected to that office by the Estes Park Convention a few months later.

Mrs. Scott was graduated from the University of Colorado in 1917, after which she went to her home in Kansas City for a year. In June, 1922, she returned to Colorado and became the
bride of Dr. John Terrell Scott, ΦΔΘ, a graduate of Harvard, who is now on the staff of the Medical College of the University of Colorado.

After her initiation into Colorado A on February 14, 1916, Vivian White Scott became an enthusiastic and active supporter of all interests and in the four years of her fraternity life perhaps no figure stood out in the chapter so indicative of the force that personality can exert in the dominance of chapter policies. She was called upon constantly to serve on various committees and her unfailing good humor and total unselfishness made her a general favorite both upon the campus and in the fraternity.

She possessed an unusual gift for remembering names and faces and a happy faculty for putting everyone at ease by her sweet and gracious manner.

In 1918-19 she served on the Big Sister committee and later on the patriotic League committee and the following summer attended the convention at Charlevoix. Upon her return from convention she was elected president of the chapter in which position her tactful administration of affairs made her an acknowledged leader and won for her a wide circle of friends.

Her rare tact, her happy disposition and her genuine kindness of manner have given her a well deserved reputation for popularity.
THETA PROVINCE

Juanita Bass, Louisiana A., elected Province President of Theta Province in 1923, was born on March 16, 1902 at Columbia, Miss. Later her family moved to Baltimore, Md., and then to New Orleans. Juanita entered a private school, then attended public schools and the Newcomb High School where she was active in dramatics and had the lead in the annual play during the last two years.

She attended Newcomb College four years and graduated in June, 1922 with the degree B. A. In College Juanita was very active in athletics, taking part in annual Field Day, on basketball teams and on the Newcomb ball teams.

Her fraternity activities began in her sophomore year with the office of censor. As a junior she served on the scholarship committee and as vice-president. She was elected delegate to the Charlevoix Convention in 1921, and during her senior year efficiently served as chairman of the scholarship committee and president of the chapter. In the fall of 1921 she assisted at the installation of Florida B.

After graduation, Juanita Bass became secretary of the New Orleans alumnae club and was this year elected president. As a representative of that group she attended the Estes Park convention. She served on the Committee of Social Exchange from its organization until her election to the presidency of Theta Province.

Juanita has two younger sisters who are Pi Phis. Her father, Charles C. Bass, M. D., D. S., is Dean of the Medical School of Tulane University. He has been highly honored in medical circles for original work and discoveries along several lines, especially malaria and yellow fever. He is also the author of several books.
IOTA PROVINCE

Grace Hancher Beck, Iowa A, who has served the fraternity in the capacity of Iota Province President since 1918 gives of her time and strength without reserve in carrying on the work among her active chapters. She loves girls and finds great pleasure in working with them.

Grace Hancher Beck entered Iowa Wesleyan University, where her father was president, in 1901, and was initiated into Iowa A in November of that year. During her college years she was active in fraternity and college organizations. After graduating in 1904 she remained one year more to do special work.

Soon after, she was married to Burton B. Beck, and they went to Tacoma, Washington to live. While there, Mrs. Beck belonged to the Puget Sound alumnae club. Later Mexico City, Old Mexico, became their home for two years. During this period she was out of touch with the fraternity as there were no Pi Phis there, but she was secretary of a very active College Women's Club, composed of college women from every part of the United States.

From Mexico City the Becks moved to Chicago, where Mrs. Beck became a member of the Chicago alumnae club. From there she went to Portland, Oregon which is now her home. With her usual deep interest and enthusiasm in the fraternity, Mrs. Beck took a leading part in organizing the Portland alumnae club.

At the Berkeley convention, as a delegate from the Portland Club, Mrs. Beck presented the petition of the group which became Oregon A and later had a part in helping the Corvallis group become Oregon B. At the Estes Park convention she was successful
in helping to win a charter for Idaho A and assisted in installing that chapter as she had also done in the case of the Oregon groups.

Mrs. Beck served for several years as a member of the national examination committee and in 1917 became chairman, which position she held until elected Iota Province President.

Through her father, Dr. Hancher, head of the educational work of the Methodist Church, Mrs. Beck has traveled widely throughout the United States and has been unusually helpful to the fraternity in visiting many chapters and clubs. She chaperoned delegates from Iota Province to the Charlevoix Convention, 1923 and to Estes Park last June.

KAPPA PROVINCE

Due to illness and quarantine, Netta Lucile Young (Mrs. P. M.), Indiana B, Kappa Province President, was unable to send a photograph and information for this issue.—The Editor.

THE VICE-PRESIDENTS

ALPHA PROVINCE

Edith Moore Valet was born in Whitestome, Long Island, but at an early age moved to New York City where she attended Wadleigh High School and entered Barnard in 1908. At college Edith took a keen interest in everything; she was secretary of her class senior year and won the Earle prize in classics and was elected to Φ B K. In those days Barnard had sophomore pledging and Edith was initiated into New York B of Π B Φ in December 1909. That she is among the most deeply loyal girls of the chapter is well known to all her sisters. She was president of the chapter in her senior year.

From Edith's graduation in 1913—she also received an M. A. Until her marriage in 1918 her home in New York
was the home of New York B and no account of Edith must fail to record her mother's hospitality. During this time Edith served as president of the New York alumnae club and of the A. C. A. From teaching Latin and Greek in a private school she went into charity organization work and during the war helped to organize community councils and worked for a time with the Girl Scout organization.

In June, 1918, Edith became the wife of Doctor Robert Jay Cook, who was then stationed at Fort Oglethorpe, and a year later went to live in New Haven where her husband is in charge of orthopedic surgery in the Yale Medical School. Besides making a home for him Edith finds time to act as executive secretary for the Connecticut Child Welfare Association.

Her interest in II B Φ is as keen as ever. She was the first president of the Connecticut alumnae club and served for three years as chairman of the national extension committee until her election to the office of vice-president for Alpha Province.

**Beta Province**

Marion Baker, who has served as Beta Province Vice-president since 1918, was educated in the Lansdowne Public Schools, Friends Central School, Philadelphia, and graduated from Swarthmore College in 1914 with the A. B. degree. She has been a member of II B Φ since 1910 and in college took an active interest in the chapter affairs, holding various offices and serving as class president in her senior year. At present she is head of the French department, Lansdowne High School.

All Philadelphia alumnae club members know Marion and whenever we want to know anything about II B Φ matters, we are not disappointed if we go to her.

Aside from the duties of her national office, she always
finds time to help with the work of the alumnae club. She has attended the conventions at Charlevoix, 1918 and Estes Park 1923. At present she is a member of the Pennsylvania A advisory committee.

During the time that she has been in office a number of new alumnae clubs have been formed and all Settlement School contributions have greatly increased. The province is fortunate in having such a sincere and enthusiastic worker.

**Gamma Province**

Emilie Margaret White was re-elected vice-president of Gamma Province at Estes Park. "Peggy" White as she is known to the alumnae club of Washington, is a native Washingtonian with strong Vermont traditions and affiliations. After graduating from the city high school she matriculated at George Washington University and was initiated into Columbia A in the fall of 1904. She received the degree of A. B. (with distinction) in 1907, being one of few persons able to complete a four-year college course in three years. In 1910 she received the degree of A. M. Her college work has been supplemented by two trips to Europe for the purpose of study.

Soon after graduation, Miss White received by competitive examination a teaching position in the Central High School of Washington, D. C.

Last winter she was promoted, after examination, to "Group B," the upper salary group, in that institution where she teaches Latin and German.

As Miss White's mother is a teacher of singing, and since Miss White sings, they do a great deal of musical work together
Music with Emilie Margaret White is an avocation and for fourteen years she was organist of the P. E. Church of the Incarnation, a position which she resigned just last June.

ΠΒΦ has no more enthusiastic and loyal supporter than Margaret White as adjudged by those who worked with her when she was president of her chapter, president of the alumnae club, and alumnae delegate to Charlevoix and Estes Park. It is a great satisfaction to the Washington alumnae club and to Columbia A that her splendid scholarship, her noted efficiency, and her fine spirit have been recognized by the fraternity at large.

Miss White gave splendid assistance during the recent Eastern Conference.

**Delta Province**

When Gamma and Delta Province alumnae work was divided in 1923, the newly created office of vice-president of Delta Province was filled by the same chapter and originally of the same alumnae club as the former vice-president of the united provinces. Lulu Mignonne Zirpel graciously took up the divided work of her chapter sister, Emilie Margaret White.

Lulu Mignonne McCabe was initiated into Columbia A at George Washington University in 1910 and graduated from that institution in 1913 with the degree of A. B. "With Distinction." She was awarded the Cutter prize for general excellence in English Literature, the Thomas F. Walsh medal in history, and the Chi Omega Prize for the best essay in Philosophy. During the summer of 1913 she studied at the University of Virginia in Charlottesville, Virginia.
After leaving college she devoted herself to the study of voice under Douglass Gresham Miller and for several years was a member of the choir of the Church of the Ascension and was a member of the Rubinstein Club and the Music Study Club in Washington.

In 1915 and 1916 she taught in the high school in Topeka, Kans., her native city where she had earlier received her own high school training. During those years she was affiliated with the Topeka Alumnae Club and was present at the installation of Kansas B.

During the war Mignonne McCabe Zirpel held the position of assistant editor and writer of press bulletins in the Statistical Division of the Food Administration in Washington, D. C., working under Dr. Raymond Pearl at the beginning of the Food Administration and continuing in the same capacity until the bureau was disbanded at the close of the war. In 1919 she was appointed as special agent in the Census Bureau where she wrote press bulletins and assisted in preparing the text to accompany the 1920 Census of Agriculture.

On May 25, 1920 she married Walter C. Zirpel, ΣΦΣ, University of Pennsylvania and in 1921 they moved from Washington to Indianapolis where Mr. Zirpel is an architect associated with Robert Frost Daggett.

Mrs. Zirpel has for the past three years been an active member of the Indianapolis alumnae club where she has displayed as much enthusiasm for ΠΒΦ as she did as a delegate to the convention in Evanston, Illinois; in her chapter and in the Washington alumnae club.

**Epsilon Province**

Lealah-Bell Davis, Illinois H, was re-elected Vice-president of Epsilon Province and is this year holding the Pi Beta Phi Fellowship at Chicago University. (See December Arrow, 1923, page 353).
HELEN MCCARGO GEPPERT

ZETA PROVINCE

Helen McCargo Geppert, Zeta Province Vice-president was born in St. Louis, Mo., January 27, 1895. She entered Mary Institute in that city, at six years of age and remained there until her graduation in 1913. In the fall of that year she entered Washington University and was initiated into Missouri B in February, 1914. In 1917 she received her A. B. degree and a college graduate’s teaching certificate.

The fall following graduation, she worked in the public library of St. Louis preparing books to be sent to the soldiers. From January, 1918 until June, 1919, she taught history in Lenox Hall, in University City.

For the next three years she held a position as teacher of history and English at the Jennings High School, Jennings, Mo., and devoted much time to fraternity work. Helen McCargo was appointed to fill the vacancy made by Mary Robertson as province vice-president in 1920 and was re-elected to the position at the last Charlevoix convention and at Estes Park in 1923.

Helen Holman McCargo on November 29, 1922 married John W. Geppert, Σ X, Washington University.
The Grand Vice-president regrets exceedingly the Alumnae Department's loss of Sarella Herrick Brewer, whose return to health might be retarded by further responsibility as Eta Province Vice-president, but counts the department fortunate, indeed, in having Genevieve Herrick Smith (Mrs. Harry A.), Kansas A, of Meriden, Kansas, accept the office. Mrs. Smith is a sister of Mrs. Brewer and is already familiar with the work of Eta Province.

Lucile Shuttee Blair, (Mrs. James Malcolm Blair), elected Vice-president of Theta Province at the Estes Park convention, is a member of Oklahoma A. Her career as a Pi Beta Phi began when she was pledged in the fall of 1914 and initiated in the spring of 1915.

Her college life was marked by many honors, among which were her election to Kappa Delta Pi, honorary educational fraternity, to Owl and Triangle, senior woman's honor society and to Phi Beta Kappa.

Her three and a half years of fraternity life were equally as full and the respect and admiration which her chapter had for her capability were shown by the various offices she held, among which were chairman of the rushing committee, chairman of the scholarship committee, vice-president in her junior year and president in her senior year. This last office she filled most successfully and her high ideals of fraternity spirit and college usefulness proved a great inspiration to other members of the chapter. She was one of a committee to inspect the petitioning group.

LUCILLE SHUTTEE BLAIR
at Oklahoma A. and M. College in 1917 and later attended the installation of Oklahoma B.

Lucile left school at the middle of her senior year to teach history in the Medell, Okla., High School, finishing up a few remaining hours of college work by correspondence and graduating with her class in June, 1918. The next year she taught mathematics in the high school at Guthrie, Okla., and the year and a half following that in El Reno, her home.

From 1918-20, she was the Theta Province representative on the Committee on Fraternity Study and Examination.

On January 25, 1921, Lucile married James Malcolm Blair. She lived in Jacksonville, Florida, for two years during which time she acted as chapter advisor to Florida B, which had just been established.

Mr. and Mrs. Blair returned to Oklahoma in August, 1922 and are now living at Enid. They have one son, James Malcolm, Jr., who is now fifteen months old.

Mrs. Blair is a member of the Woman's Panhellenic Association of Enid. Her election to the Theta Province Vice-presidency is just one more step in a career of Pi Phi usefulness.

Theresa Graham.

IOTA PROVINCE

Harriet Rutherford Johnstone, newly elected Vice-president of Iota Province, was born in Ohio but has spent the greater part of her life in Seattle, Wash., where her parents moved when she was a child. Here she attended high school, later entering the University of Washington from which she took her A. B. degree in 1907. Since that time she has been engaged in teaching English, the greater part of the period in one of the high schools in Seattle.

During her attendance at the University she became affiliated with K. T. T., a local organization that was petitioning for a charter from ΠΒΦ. During her senior year the charter was granted and on January 12, 1907, when Washington A was installed, Harriet Johnstone became a ΠΒΦ. Through her experience, yet it was long enough to instill in her a deep and loyal devo-
tion to the fraternity, a devotion that has found expression in much unselfish service both for the active chapter and for the Seattle Alumnae Club, and has been an inspiration to others.

In 1915 she attended the convention held at Berkeley and was present at Estes Park this past summer. From 1921 to 1923 she filled the position of Supervisor of Fraternity Examinations for Iota Province. Perhaps her greatest service to Pi B.Phi however, has been her devoted interest in Washington A and her work in its behalf. For several years after her graduation from the University she kept in close touch with the chapter through two younger sisters each of whom, in her turn, became a wearer of the arrow. During the past several years she has been a member of the advisory committee, having served on this committee without a break ever since it has been in existence. A most charming personality, a quiet dignity, a delightful sense of humor, a broad sympathy and understanding of the active girl's viewpoint, together with absolute dependability—these qualities win for her the admiration, love and confidence of each succeeding chapter generation and cause them to welcome her suggestions and advice. In her they find exemplified the ideals of Pi B.Phi and it would be difficult to measure the full value of her unselfish service in this capacity.
Blanche Charlton Curtis prepared for college in the schools of Boston, Mass., and entered Boston University in September 1904. She was initiated into Massachusetts A in November of the same year, and has been an active worker in the fraternity ever since. She held various chapter and college offices during her undergraduate days, serving as proctor in her senior year, and was graduated with the B. A. degree and ΦΒΚ honors in 1908.

During the next two years she had a variety of experiences, working for a while with the Massachusetts Anti-Saloon League, and spending much energy in her work in the Daily Vacation Bible Schools, a form of settlement work which she found most absorbing.

In 1911 she journeyed to California where she was married in September of that year to Mr. Perce H. Curtis, of Boston. They have lived in the suburbs of Los Angeles ever since their marriage.

Mrs. Curtis has been closely identified with the Los Angeles alumnae club, serving as vice-president for two years. She was elected president of that club in March, 1918, but was obliged to resign the office during the war period. She has attended four conventions at Swarthmore, Berkeley, Charlevoix (in 1921), and Estes Park, and has a wide acquaintance among members of the fraternity in many states.

She has a thorough knowledge of the problems of her province and is most faithful in the performance of her duties.
A WESTERN CONFERENCE

The Western Conference of Associated Women Students, held at the University of Arizona, April 10-12, brought together forty girls, representing twenty-three western colleges and universities. Their purpose was to consider the problems of women students. Constructive criticism and valuable suggestions were given on questions of vital interest to every college woman.

At the same time, the Western Conference of Deans of Women was also held at Arizona. Many problems similar to those of the students were discussed by the Deans. A joint session of the Deans and the Associated Women Students' delegates was held, at which "Vocational Guidance," "Cooperation of Faculty and Students," and "The Honor System" were considered.

The way in which the various subjects were presented was immensely helpful. Each topic was assigned to a particular delegate, who gave a report on it. After her report, she led an open discussion upon the problem. Any delegate was free to present the particular questions of the Associated Women Students whom she represented, and other colleges contributed suggestions for its solution.

The entertainment given the visitors was typically Arizonian. A desert picnic on the first night and a banquet across the line in Nogales, Mexico, were especially enjoyed. The women's fraternities each gave some kind of a party for the delegates. Pi Beta Phi entertained at a buffet luncheon one noon between sessions.

The members of Arizona A were particularly happy to welcome three Pi Phis among the student delegates, and to find that Margaret Mack, secretary of the Deans' Conference, was a member of Nevada A. The other Pi Phis were Leila May De Mers, Washington B, Ruth Kimball, Wyoming A, and Florence Graves, Idaho A.

BOOK NOTES

By DOROTHY K. CLEAVELAND, NEW YORK Γ
11 University Avenue, Canton, N. Y.

Marion Wilder, North Dakota A, chairman of the national Scholarship Committee, is the author of one of the Dakota Playmaker Plays, First series, recently published by W. H. Baker. Her play, "Another Man's Place," won the second Arneberg prize in 1921. Like the others in the volume, it is based on an American Colonial theme. The setting is the home of a Pilgrim family in Holland the afternoon before the sailing of the Mayflower. In the original cast, Mildred Odell, North Dakota A, took the leading part. Since no royalty is charged for performance by amateurs, these plays should be popular with chapters and clubs which are interested in giving dramatic entertainments.

Woman suffrage and politics, by Mrs. Carrie Chapman Catt, Iowa Γ, and N. R. Shuler. Scribner, 1923. $3.00.

In this latest work of Mrs. Catt, the inner story of the woman suffrage movement in America from the first woman's rights convention in 1848 to the passage of the federal suffrage amendment in 1920 is told from the experience of the author's thirty years connection with the movement.

The Bookman for March, 1924 contains an article "A Conservatist Feminist," by Winifred Harper Cooley, California A.

William H. Lough, the author of "Giving the House a Personality," in Independent Management for January, 1924, is the husband of Elizabeth Shepard, Wisconsin A. Mr. Lough, formerly professor of finance and transportation in New York University, is a well known economist and writer on economic subjects.
Mary V. Kellogg, Kansas A, is author of a pamphlet "What Jury Service Means," published by the Woman's Community Council of Milwaukee.

Chapters and clubs who want to have "something different" in their Settlement School programs will be interested in some recent plays of Percy MacKay. A cycle of Kentucky mountain plays, of which "This Fine-Pretty World," produced in New York last winter, and "Napoleon Crossing the Rockies," in the Century magazine for April, 1924, are examples, is the literary result of a summer and autumn spent in the Kentucky mountains among the Southern Highlanders. An article, "Untamed America," by Mr. MacKay, in the Survey for January 1, 1924, tells of experiences and impressions gained during his stay. It would be well to add these to the bibliography published in the June 1923 Arrow.

In The Bookman for January, 1923, Alice Rohe, Kansas A, writes of "The New Italian Renaissance." Miss Rohe also has an article, "Only In America Could I Do It," in Collier's for January 26, 1924.

Educational Review for September, 1923, has a portrait of Grace Raymond Hebard, Ph. D., Iowa Z.

St. Nicholas for January, 1924, contains an article by Lewis E. Theiss, "On the Trail of the Lonesome Wolf." The Forecast for February, 1924, contains an article by Mr. Theiss on "Indoor Deserts," showing how colds and coal bills increase in winter because we live in overheated air which lacks moisture. The March Forecast contains an article by Mr. Theiss called "Building Your Life." The Youth's Companion for February 21 contains an article by Mr. Theiss, called "Propagating Shrubbery at Home," and the issue for March 6, prints another article by Mr. Theiss, entitled "Adventurous Gardening." With the issue of March 2 the Philadelphia Sunday North American began to serialize one of Mr. Theiss' books, "The Young Wireless Operator With the U. S. Secret Service." Scott, Foresman & Co., of Chicago have just published Book Six in William H. Elson's
series of Child-Library Readers. This volume contains reprints from an *Outlook* article by Mr. Theiss, entitled "Farming Three Fathoms Deep."

*The Forecast* for February, 1924, contains an article by Mary Bartol Theiss, Pennsylvania B and Michigan B, entitled "Spring Blooms in Summer."

*The Survey* for December 1, 1923, contains an article by H. L. Williams, entitled "The Come Back of Christy Mathewson." The article is illustrated by a portrait. Mrs. Mathewson is a patroness of Pennsylvania B.

An interesting article in the February *Journal of Social Hygiene* by Edith Hedges Matzke, New York Δ, shows what can be done through a voluntary health program on the part of undergraduates. Dr. Matzke stresses the need for the right attitude of mind towards the problem of health, as the fundamental basis for any health. Her experience at the University of Missouri with the various organized groups (sorority and other) plainly shows that, given an understanding of life and so obtaining the correct attitude towards health, the college woman will do everything in her power to follow the laws of health in order to make herself efficient. A glance through the rules made and kept by the different women's fraternities, shows how seriously the groups were considering health problems, and applying the remedies to their specific health needs. The results were gratifying in many instances.

Dr. Matzke has given us a new vision regarding the possibilities of our own health program among members of ΠΒΦ. The Health Committee of our fraternity hopes for as sincere cooperation among the active chapters as Dr. Matzke had from the organized groups of the University of Missouri.

Dr. Mary Lakeman of the Massachusetts Board of Health in commenting on Dr. Matzke's article says: "I have just been reading with great interest the story of the health service at the University of Missouri. I find a number of good ideas which we
may be able to act upon here in our Normal Schools. Nowhere has so much responsibility for the carrying out of a health program been taken by the students and I believe that is sound to the core."

WITH A PI PHI POET

(Jane O'Sullivan, Nevada A, has attracted much favorable comment for her poems which have been appearing in "Desert Dusk" published by the student body of the University of Nevada, Reno, Nevada.—The Editor).

DESER T DUSK

A sky of flaming beauty overhead.
Gray sagebrush, desert earth—a warm, rich red.
Mountains, blue, then rose, then amethyst.
Distance veiled, by dying sun rays kissed.

The first cool breath of night comes faint and fragrant.
One star with trembly light, a glimmering vagrant,
Poises in the smoky, purpling dusk
That folds the world in a deep-shadowed husk.

Faint and far, a lone coyote howls.
Soft-footed through the dark, a wildcat prowls.
Valley lights gleam promises of rest.
A prayer breathes from the quiet of the West.

—By Jane O'Sullivan.

FLAMES

A Sonnet

I watch my driftwood fire with drowsy eyes.
Swift tongues of flame leap high—to fade away—
Or fling bright shafts of color, as the day
Gloriously dying, streaks the skies.
Beneath them, warm as glowing jewels, lies
The bed of coals.—Like the flames we sway
Above the steady glow of life. We play
In sudden, brilliant beauty that swiftly dies.
May God stir up the fire of life for me
That I may leap high, passionately bright!
For just a moment, let me be a flame
Of vivid hue! The world will know my name
And see my light! And then, my soul set free
May vanish, smokelike, into quiet night.

—By Jane O'Sullivan.

THE SPIDER'S WEB

Frail, so frail and delicately spun,
All jeweled with pearl-like globes of mountain dew,
Softly gleaming in the rising sun.

The elfin beauty of your slender grace
A silken web of hidden might enfolds,
That wraps its prey in strands of gauzy lace.

And like a poem from a human heart,
That folds the mind in richly glowing thoughts,
Your filmy spell was wrought by mortal art.

—By Jane O'Sullivan.

WINNER OF SOCIAL EXCHANGE CUP

The cup offered by Grand Council to the chapter presenting the cleverest and most original stunt, party or other form of entertainment during the past year, has been won by Florida Alpha, Chapter of John B. Stetson University, DeLand, Florida, with their stunt called: "Santa's Wax Works."

Committee on Social Exchange.

Dr. Icie Macy
Kate Campbell
Kathryn Keown
Dorothy Kellar (Mrs. H. A.)
Ernestine Biby, Chairman

Setting:
Background—Left corner, Christmas tree decorated; middle back, fireplace and mantel. If no fireplace is in the room, place a mantel
in front of the open doorway and use red brick paper to cover the
space above mantel; arrange fire; close to the mantel is placed a
square box about four feet high and wide enough for a girl to
crouch into, covered with green crepe paper for Jack-in-the-box;
other dolls placed artistically about the Christmas tree.

**Characters:**
1. Santa Claus—large, good-natured person in Santa suit and
   spreads good nature all during the play.
2. Candy Doll—dressed in tight white suit with strips of red
   crepe paper wrapped around its body and legs to represent a
   peppermint stick.
4. Teddy Bears—two girls adorned in "teddies" (would suggest
   having them wrapped in coats until time for them to pull their joke).
5. Gold Dust Twins—costumes of black cambric, tight waists and
   full flaring skirts. Face and neck blackened. Ten cent black
   baseball cap is advisable. These dolls must move and act together.
6. Jack-in-the-box—tight, green suit of cambric, trimmed with
   bells; holds wand with bells on its tip.
7. Cat Doll—pattern may be obtained from any fashion magazine
   for a cat costume.
9. Rag Doll—short plump girl dressed in an old gingham dress
   and a round head gear of muslin and stuffed with paper to stand out
   on sides, with an angelic face drawn for face and holes cut for eyes.
   This completely covers the head.

**Suggestions:**
Pianist will be necessary.
Between each stunt Santa Claus spreads his good cheer in all direc-
tions.
Dolls are wound up and act as if mechanical.
For a doll to appear to run down and Santa to come to her help
adds to the fun of the party.

Santa winds up Candy Stick. It moves a little and says:

I'm just a "Piffie" candy stick
That Santa sent to you;
I'm all dressed up and fit to lick
And bring you greetings true."

She moves back into place.
Santa goes to the Japanese Doll and punches her vigorously. She
immediately begins to shuffle around the room in true Jap fashion,
using fan profusely. Then wends her way back to place.
Gold Dust Twins are wound up and they move forward together,
make a clever bow and return. (Any appropriate song might be
used here to advantage).
The cat is rather lazy but finally decides to perform, crawling to center of stage, then rises to hind feet and sings:

"Kitty Kittens, pretty Kit,
Tabby, sandy gray.
Where is our canary gone
Won't you tell me, pray?
Kittens hung their little heads,
Sitting in a row,
Licked their mouths and winked their eyes,
And said they didn't know."

(This song may be obtained from "Baby's Jingly Journey Through Alphabet Land," published by Marks Music Co., Chicago Ill.)

The Sailor Doll needs a punch to make it salute in jerks.

Santa Claus cranks the Rag Doll which murmurs:

I'm just a Rag Doll,
But I'll have you know
The kiddies all cry for me,
They love me so;
For I'm stuffed with cotton,
The best in the town;
And I close my eyes when e're
I lie down."

"I can say 'Mama,'
If you give me a squeeze;
I don't cry or act naughty
And do just as I please.
And Santa has sent me,
To the one who speaks first;
Please don't grab me too hard
For fear I might burst."

Teddy Bears are wound up; Santa throws off their wraps and they parade across the stage in full view.

Santa moves mysteriously to Jack-in-the-box, who when touched springs to her feet and exclaims:

"Merry Christmas to all, Merry Christmas to you;
Toylan sends you greetings so true."

All the dolls gather close and sing, (to the tune of Jingle Bells):

"We're the Xmas dolls that Santa sent to you,
We hope that you've enjoyed the stunts we've tried to do;
We're made of solid stuff,
That won't wear out or break,
We'll last a hundred years or more
If good care of us you take.

Chorus
Xmas dolls, Xmas dolls, Xmas dolls so new;
O, what fun it is to be a Xmas doll for you,
Xmas dolls, Xmas dolls, Xmas dolls so new;
O, what fun it is to be a Xmas doll for you.”

Repeat chorus

After this program was given, the “Piffles” presented the old girls with presents from the tree and to the fraternity room a pillow from each “Piffle.” Then a buffet luncheon was served and everyone had a genuine good time.

PI PHIS IN THE PUBLIC EYE

Katharine Tower Barnes

Katharine Tower Barnes who first thought of presenting the portrait of Mrs. Coolidge to the White House and who sent the suggestion to Mrs. Nickerson, was born in Boston, Mass., August 20, 1880, of New England ancestry, and spent her early years in the East. She entered the University of Michigan from the Detroit High School in 1899, and immediately was pledged to Pi Phi, in which she took an active part, being president of the chapter as a senior. She was graduated from Michigan with the degree A. B., '03. While in college, Katharine Tower was active in the college life at that time, playing on the Comedy Club, and, as a senior, helping start the various activities for women now so much a part of the girls’ life—senior breakfast, senior play, and reception, class song, and the announcement of engagements.

In 1904 she married Dr. Harry Ostrom Barnes, D. D. S., D. S. M., ’00, University of Michigan. Since then they have lived in many places.

For several years Mrs. Barnes taught in the high school at Lansing, Mich., always, however, keeping her home life intact.

Back again in Ann Arbor, she took a vital interest in the chapter, helping to rebuild the house for Michigan B, and assisted
in forming the alumnae club. Her daughter, Mary Tower Barnes, was born in Ann Arbor in 1914.

In Toledo, O., during the years of the war, Katherine Tower Barnes served in various capacities: Red Cross, D. A. R. vice-president of the college club, acting president of the Political Equality League, trustee Consumers League, speakers bureau, Council of National Defense, etc. Dr. Barnes served as Associate Director of the bureau of personnel, Red Cross, Paris, 1919-20. At the end of the war, for family reasons, Mrs. Barnes returned to the east and at present is occupied with the restoration of the old homestead outside Concord, N. H., and the education of her small daughter.

**HARRIETT MAXON THAYER**

In Milwaukee, Wis., lives Mrs. Gilbert Thayer (Harriet Maxon, Wisconsin A), who is a writer of most excellent stories. Although not a prolific writer, Mrs. Thayer produces literary work of superior quality. In selecting stories for his book: "The Best Stories of 1921," E. J. O'Brien published "Kindred" by this Pi Beta Phi author.

Harriet Maxon Thayer was born at Wauwatosa, Wis., a suburb of Milwaukee, later moving to Milwaukee where she attended Milwaukee-Downer Seminary and then the University of Wisconsin. While in college she belonged to Wisconsin A of Π β Φ, Red Domino, and Θ Σ Φ, journalistic fraternity; she was also a member of the *Lit Board*.

After graduation she taught in a private school for children and then went abroad to travel for a year.
In 1915-16 she attended the School of Journalism at Columbia University and returned to New York the next year to study. The spring that the war was declared she endeavored to go "overseas" but was delayed, so worked in the Ordinance Division of the War Department in Washington. It was not until the summer of 1918 that she received orders to go to France where for nine months she served with the American Red Cross canteen at the First Air Depot, Colombey-les-Belles, Meurthe et Moselle.

Upon her return to the United States she again took up work on the short story and in 1920 had several published. Her story "Kindred" was published by The Midland and later reprinted by O'Brien. Children's stories which were accepted by the Philadelphia North American were later published in book form under the title, "TheGen­ial Sultan."

Last winter The Midland printed three poems and The Measure, New York, printed one from Mrs. Thayer's pen.

On account of illness and other duties, Mrs. Thayer has not been able to devote as much time as she would like to her writing except to do a few children's stories.

In 1921 she married Gilbert Thayer and they now have a little daughter who will be two years old this June. They make their home at 366 Kane Place, Milwaukee, Wisconsin.

Elsa Kerkow

Elsa Kerkow, Nebraska B, who has distinguished herself in chemistry was born in West Point, Neb., September 12, 1906 and has spent her life there.

In high school she was very active. Interested in dramatics,
she took part in many school plays and operettas. She was captain of the basketball team for two years and for one year was business manager of both the men's and women's athletic organizations. She was also assistant editor of the school annual in her senior year, and graduated in 1923 as valedictorian of her class with an average of 95.01.

She entered the University of Nebraska last fall (1923) and was in college only a very short time before her ability became recognized. In her first semester she was named one of the nine best chemistry students from freshman to senior classes in the University and was given absolute freedom as to class attendance, work, examinations, etc.

Not only is she an able scholar, but she is still very interested in athletics, mainly basketball and swimming, and she has become well-known at the Y. W. C. A. offices as an efficient and willing worker. Nebraska B is proud to have been privileged to initiate such a capable girl into her chapter this year.
Dr. Dora Neill, Raymond

Dr. Dora Neill Raymond, Texas A, who held the Alice Freeman Palmer Fellowship at Columbia University, 1922-23 and was re-elected to hold it 1923-24, resigned the Fellowship last September because a position was offered to her at Smith College which she could not afford to refuse.

This year she is giving a course in English History from 1699 to the present and is conducting four sections of a course in Mediaeval and Modern History that is given by Professor Hildt.

Next year she is to be relieved of the sections and given another course of her own, one on Spain and Spanish America.

Holt and Company have announced Dr. Raymond’s book on “The Political Career of Lord Byron” for publication this spring and at present Dr. Raymond has begun research for a study of Milton.

Frances Elma Gillespie

Frances Elma Gillespie, Columbia A, Pi Beta Phi Fellow for 1921-22, was awarded her Ph. D. magna cum laude at the University of Chicago last December and is now an instructor in the history department and has been acting as one of the women deans of the undergraduates during the past semester. Miss Gillespie is also head of Kelly Hall, one of the Women’s dormitories at Chicago University.

Carrie E. Stroud

Carrie Estella Stroud, New York A, who owns and manages the Benjamin Franklin Hotel at North Asbury Park, New Jersey writes that she is planning to make a II B Φ room in the hotel for the exclusive use of members of the fraternity and one in which she will use articles made at the Settlement School. She is also planning to dispose of many of the Settlement School products to her guests during the summer.

Esther McDonald, Illinois E

The New York World of April 1, 1924, says:

Students of the country are to have a conference on law
enforcement next Saturday. Lawyers, Senators and Prohibition directors are going to tell them a lot of things.

But a blond, eager-eyed girl from Teachers' College is going to give them the women's point of view on the Eighteenth Amendment.

There will be delegates from women's as well as men's colleges and universities at the conference, but the only woman besides Mrs. Mabel Walker Willebrandt, Assistant Attorney General, who will speak, is Miss Esther McDonald, now busy getting her M. A. at Teachers' College.

Miss McDonald will tell them what the working girl thinks—she heard what it meant to do away with the corner saloon when she worked in a factory last summer. She's going to tell them why the "prom" girl likes to carry a flask, but how she'll get over that phase.

And she's going to tell them that women of education and intelligence believe in Prohibition because women have the psychological habit of thinking about people's futures. All this she's going to do in ten minutes—her time limit.

Miss McDonald was chosen to represent women students at the conference partly as a result of her position as Acting Chairman of the Executive Committee of the National Student Department of the Y. W. C. A.—the first student ever to head that department.

Ray Purdy of Princeton and Wendell Berge of Nebraska will speak for the men students.

Miss McDonald is a graduate of Northwestern University, and her home is in Evanston, Ill.

The conference is organized by the Committee of One Thousand and will be held "in behalf of the observance of law and citizenship," in the Hotel Raleigh, Washington, next Saturday and Sunday. Miss McDonald's speech will be made at a dinner Saturday night at which Senator Morris Sheppard of Texas will preside.

Other speakers will be the Rev. Daniel H. Poling of this city, Roy H. Haynes, Prohibition Commissioner; Representative M. Clyde Kelly of Pennsylvania, Chancellor Flint of Syracuse University, Senator Borah of Idaho and Senator Carter Glass of Virginia.

Patrick Murphy Malin of the University of Pennsylvania is Chairman of the conference.

Kathryn Brown

In a letter to Pi Beta Phi, Clarence E. Cramer, manager of Kathryn Browne, Illinois Z, Mezzo-Soprano, says:

"On the 10,000 mile coast-to-coast tour with the Chicago Civic Opera Co., Miss Browne was given such huge receptions
and special honors by her Pi Phi sisters, that she asked me to express her deepfelt appreciation to you. As you know, she appeared forty times last season with the Grand Opera, and forty-three, this current season. She has now started her concert tours and is winning some of the hugest ovations ever accorded an American artist.” Through Mr. Cramer’s courtesy, Miss Brown broadcasted from Chicago for the Eastern Conference.

IMPORTANT NOTICE!

Autographed photographs of the portrait of Mrs. Coolidge can be obtained from Mrs. Nickerson, the Grand Vice-president for $3.00. Unautographed, $2.00. Pi Phis may take orders for these from their friends.
NEWS FROM LITTLE PIGEON

ATHLETICS AT GATLINBURG

By D. C. Denton

One of the greatest needs of the average mountain girl or boy at the present time is supervised play. The girls and boys of the mountain sections are denied many pleasures that the city boys and girls enjoy.

As a general rule the mountain children have to work most of the time for the purpose of helping support the family. The average family is large and it takes nearly all its time to keep the wolf from the door. This being the condition in the mountains the boys and girls become stooped shouldered and out of proportion in many ways. Many are as old at eighteen as they should be at thirty. Now the best way to improve these conditions is by supervised play. The question is, how are we going to reach those who are not in school? Well, I think I can show you that we have discovered the key to the situation.

When I came to the Pi Beta Phi School to teach and have charge of the athletics, there had not been so very much stress put upon athletics. The boys had been playing base ball but they never had seen a game of basketball and very few of them knew there was a game of that name.

So early in the season of 1922-23, at one of our Hi-Y meetings I took the opportunity to explain to them the game in its different phases and how it developed the body, so the boys decided they would like to play basketball. The following day we all met on the field, selected a suitable place for our court and began clearing away the rocks. Two or three of the boys went to the woods for poles to put our baskets on. Everything moved along nicely. I never have seen a bunch of boys more willing to work. I already had a new ball and the baskets so we were in condition for playing by the following noon recess. Here is where the fun came, trying to teach those young men a game they had never seen and did not know anything about. I will admit we got along slowly but they were willing to learn. The greatest trouble
I had with the boys was their wanting to play individual ball—not being able to cooperate with the other players—wanting to throw all the baskets. Selfishness is the characteristic of the boy who has never had supervised play.

After we had practised two or three weeks the boys decided that they would like to play some outside school. I secured a game with one of the best teams in the county, Chilhowee, to be played on our court. My, but I wish you could have seen our boys coming out dressed in their new suits—jerseys of the Pi Phi colors. Everything was excitement. A large number of the community people were there to see the first game of basketball. The result of the game was an overwhelming victory for the visiting team. The thing that I admired in our boys was that they played hard until the end, even though they were being defeated. We only won one game the entire season but they never for one time became discouraged. They would only say, "We shall beat that team just as soon as we get a little better teamwork." The season ended with every boy determined to be in school the next year.

The boys were very eager to get into basketball this year, determined to win over the teams they had lost to the previous season. We were very much handicapped, however, by not having an indoor court. We began practicing early and played under these conditions until the new Pi Phi barn was completed. The boys helped work on the barn every chance they had so as to speed up its completion.

Miss Evelyn gave us the privilege of using the loft for a gymnasium. We marked off the court which we made sixty-five feet long and thirty-nine feet wide and it was twenty-four feet to the roof so you see we had a spacious place to play. We put up new goals and oiled the floor. These things done we had one of the best courts in the county. I have never seen a bunch of boys better pleased with anything than they were with the new indoor court.

The girls by this time decided they wanted to learn to play. Mr. Mattil consented to help me coach so we were able to begin regular practice periods for both boys and girls. I have never seen a team improve faster than those boys did. We played eight games
with the leading schools of the county, winning four. We won over Sevier County High School 8 to 24.

We did not confine the use of the court to the school alone but encouraged the boys of the community to use it when we could be there to supervise. They certainly did take advantage of the opportunity. The young men came for miles around to play and enjoyed it very much. They organized a team which they called the Gatlinburg Tigers. The school often played the Tigers for practice and these games were more exciting than those played with visiting teams.

I have never seen a bunch of boys improve as much physically as our boys have in the last two years and I believe I can say it was all due to playing basketball. Some of the boys smoked cigarettes at first but they found out at once they could not continue smoking and be able to endure as much as those who did not smoke so they quit.

Another great advantage of basketball is that you can get the boys who are out of school interested and they will come to school, otherwise you would not be able to get them.

We shall not be able to use the barn next year for a gym on account of putting feed in it so it will be impossible for us to go on with our present athletics without an indoor gym.
Sun-Up, one of the most successful plays that New York has had this last year, is a story of the life of the Southern Mountaineers. Lulu Vollmer, the author, and Lucille LaVerne, the star, are both southern women, and both understand and love the people whose lives are so truly and effectively set forth in this play.

The New York Alumnae Club of ΠΒΦ decided to have a benefit performance for the Settlement School, thinking that two most desirable results would be obtained; first, money, of course, for the school, and second, publicity. The latter, was I think, probably the thought uppermost in our minds. The conditions set
forth on the stage of The Princess Theater are strikingly like those found on Little Pigeon when Pi Beta Phi first went there, and Miss La Verne, as Ma Cagle, seems to me to be, a composite portrait of several of our best loved and strongest mountain women. Ma Cagle is a sturdy mountain woman whose husband has been killed in a feud many years before. She has nursed the feud and thinks that sometime Rufe, her only child, will avenge his father's death. He, however, has gone to the school set up in the valley and has learned a new law, the law of love. There is set forth most sympathetically the conflict between the old spirit of feud and the new spirit of love.

We put into the play, for the night of our performance, references to the Pi Beta Phi School. It was to the Pi Beta Phi School that Rufe and Emmy, his sweetheart, had gone, and where they had learned the new spirit.

The results of the benefit performance were all and more than we had hoped for. Mrs. William H. Lough, Mrs. Wayman Adams, Mrs. Stowell Stebbins, Mrs. Samuel McKeown, and Mrs. Paul V. Frary were the committee in charge. Mrs. Lough, as chairman, with the enthusiastic assistance of the committee and the whole club, managed the affair. We cleared $901, and Miss Vollmer, the author, was so much interested in our school as she heard us talk about it that she asked us if she could not make up the amount to $1,000. She was not satisfied with that, but is giving a scholarship in addition.

The play is still drawing such large houses in New York City that it will probably be sometime before it goes on the road. But when it does go, the management will be very glad to cooperate with Pi Beta Phi alumnae clubs in cities where the play is given if they would like to give benefits. Mrs. William H. Lough, 670 Pelham Road, New Rochelle, New York, will be very glad to write to any club interested and to give details of the management here with a copy of the publicity pamphlet.

* There are a number of plays based on the life of American Highlanders which are now running successfully. A play of this type is especially suited for a theatrical benefit for our school and Miss Miller has promised to write a review of them for a future issue of The Arrow.
IN MEMORIAM

Bibbins (Mrs. J. Rowland), Vivian Willard Linderman was born in Marengo, Ill., in December, 1892. She attended the public schools there and then entered Northwestern University, Evanston, Ill., where she was initiated into Ill. E of Pi Phi. She was an enthusiastic and loyal Pi Phi who believed in the fraternity creed and carried it out in her daily life. She was a careful student, and entered into the campus activities. She was popular with everyone who knew her.

She took a degree at the Chicago Musical College, and then after teaching for a year, went abroad to study, and was detained when the war broke out. Upon her return she was planning to go into professional work, but instead was married, in August, 1917, to J. Rowland Bibbins, who with her parents survives her. Her passing was very sudden, after an illness of only forty-eight hours, on Jan. 9, 1924, in Washington, D. C. There was a service at the Washington home and two services in Marengo. In the hearts of the friends she made, her bright spirit can never die.

She wrote some beautiful prose and some beautiful music. Upon her wedding day she wrote "The Beautiful Adventure," from which is taken this quotation: "We are to be partners at this great business of living worthy lives—lives that will make the world richer and sweeter. And we shall be successful, so that when the parting comes, we may be able to say; Life has been a beautiful adventure. I leave it, having done my best."
CARVER (MRS. CHAS. E.), Flora Sigler, Iowa B, died at her home in South Pasadena, Calif., Dec. 15, 1923. Indianola, Iowa was her home until her marriage to Charles Elliot Carver of Los Angeles in 1906. Her loss is keenly felt by Pi Phis of both cities.

The organization of the Los Angeles Alumnae Club of II B Phi in 1907 was due to her efforts and she was constantly devoted to its best interests. Since the installation of Calif. six years ago, she has served as chairman of the alumnae advisory committee and was greatly loved by the active girls.

She is survived by her husband, her daughter Catherine, her sister Hulda Sigler McCune (Iowa B) and her brother, Frederick Carl Sigler whose wife is Sarah Eikenberry Sigler (Iowa B), Pi Phi Historian.

For many years she was a devoted worker in the primary department of the Sunday school and when the need of the goodwill industries of southern California for a day nursery became apparent, this children's interest found in her an eager advocate. One of her last expressed wishes was for its realization. Her husband, her church, several P. E. O. chapters, active and alumnae members of Pi Beta Phi of southern California and other friends have helped to make a reality the Flora Sigler Carver Memorial Day Nursery of Los Angeles, which was dedicated on April 14. It is a fitting monument to a noble and inspiring life and an incentive to all who knew her to carry on this work she loved so well.

CLAYBERG (MRS.), ETHEL TOMPKINS, of Ill. B died Feb. 22, 1924 at her home at Avon, Ill.

She suffered a severe bronchial cold taken during her hurried
trip from California at the time of her husband's death three weeks previous and failed to rally.

She is survived by Sylvester, an only son, and Mrs. Nell Tompkins Ross, Ill. B, an only sister.

During her college life she was an active Pi Phi. She represented Ill. B at national convention, Lawrence, Kan., 1892; Chicago convention 1893 and was president of Beta province from 1893 to 1895.

Lombard owes to Mrs. Clayberg and her sister, Mrs. Ross, the Tompkins Science Hall. Two years ago the two sisters gave to Lombard a large sum to remodel one of the campus buildings into the modern science hall in honor of their parents.

Mrs. Clayberg was also a trustee of Lombard, a faithful worker in the Avon Universalist church and a most interested person in community work.

East, Eva, died July 10, 1923. The local chapter of Ind. B and the Bloomington alumnae club feels greatly the loss of her, who was such a valued member.

After attending the Boston Conservatory of Music, she came to Indiana University in 1898 and was initiated into II B Φ the same year. Again she took up her music at the Boston Conservatory. She was one of the sweetest singers we had and active in both university and municipal musical affairs until she was forced to give it up because of poor eyesight.

Eva was always interested in all of our Pi Phi activities. She took a special interest in getting subscriptions for the building of the present chapter house and it was through her generous loan that the house was first financed.

Last fall the club gave a rummage sale, realizing about fifty dollars, with which we established a memorial to our deceased Ind. B members to be known as the Eva East Memorial. Heavy white sateen curtains were purchased and hung in the chapter room for the initiation in March. The parents of each deceased girl of Ind. B have been asked to contribute to this memorial fund and we hope that it will grow to such an amount that we can make the chapter room the most attractive room in the house.
GODFREY (MRS. GEORGE H.), Margaret Bell, died very suddenly on April 14, 1924 in Washington, D. C. Mrs. Godfrey was initiated into Col. A on Feb. 14, 1914.

WATKINS (MRS. PAUL), ELIZABETH CRISSY, Ill. B, class of 1896, died at her home in Sharpes, Fla., of that dread disease, cancer, on Dec. 25, 1923. She leaves a husband, one daughter, her mother, and brother, who mourn her going.

EDITORIALS

FIFTY SEVEN YEARS of loyal service and interest in Pi Beta Phi came to a close with the passing of Ada Bruen Grier, one of the beloved Founders of our Fraternity. But the influence which she has had upon the progress of our organization will never die. We must carry onward and upward the noble ideals of which Mrs. Grier was a living example.

LOOKING BACK over the past year—what have you accomplished? LOOKING FORWARD—what do you intend to do? Have you by careful thought and selection put the most efficient officers in charge of your chapter? Have you striven to meet all of the requirements of our national organization? Have you been prompt in cooperating with local and national officers? In the months of rest which are stretching out before you and beckoning to you to come out into the great outdoors to relax and to prepare yourself for the work of the coming Fall, take an inventory of yourself and your chapter or club during the year that is closing. Outline what you intend to do for Pi Beta Phi during the coming year and make 1924-25 the most successful in fraternity history.

"FIDELIA" by Edwin Balmer, Phi Kappa Psi, has just come from the press of Dodd, Mead and Company, New York. It is a story of Northwestern University and has for its leading char-
acters Fidelia Netley, Alice Sothron and David Herrick, all members of national fraternities.

The author, who is a graduate of Northwestern University, and who later attended Harvard met his wife, Katharine Mac Harg, a Delta Gamma, on the campus beside Lake Michigan. He thoroughly understands college life and characters and has skillfully woven a story which holds the reader's interest from start to finish.

There is a "Fidelia" on almost every campus who possesses such a fascinating personality and impulsive nature that she is able to lure man from the beaten path into fields of romance such as David trod.

Many an Alice has suffered the bitterness of disappointment and has struggled to conceal her heartaches under a mantle of love and pride in much the same way as this Alice did as she built the character which proved strong enough for any test.

Such a picture of youth and love on a co-educational campus as Mr. Balmer has painted in words, brings forcefully to the minds of the present day college woman and man, the problems which they themselves are facing. The book is an accurate cross-section of college life and in addition to being fascinating as a story with plot and character development gives the reader many things to think upon and to consider carefully.

Dear Arrow Editor:

I wish to express my appreciation of the gracious words and beautiful flowers sent to me on my birthday and on Founders' Day from the kind and loyal, one and all, in the "wine and blue."

Gratefully,
Libbie Brook Gaddis,
Avon, Illinois.

ACCORDING TO A RECENT announcement, the $500 O. Henry Memorial Award for the best short story of 1923, was presented to Edgar Valentine Smith, a newspaper man of Atlanta, Georgia, for his story, "Prelude" in the May, 1923, issue of Harper's Magazine. This story depicts life in the Southern Mountains and portrays the character of "S'tiny Jo," a young mountain girl. It is well worth reading.
ANNOUNCEMENTS

ALPHA OMICRON PI has announced that a fellowship will be awarded by that organization in memory of Ruth Capen Farmer. This fellowship will be awarded to a college woman, and is to be devoted to graduate study in any accredited institution. The successful applicant will not be limited as to her field of work but preference will be given to women who are planning study or research in humanitarian lines with a view to practical service. The amount of the Fellowship is five hundred dollars. Application blanks may be obtained from Elizabeth Heywood Wyman, 456 Broad St., Bloomfield, N. J.

The spirit which prompts the giving of this fellowship is admirable since it offers opportunity to young women for advanced study regardless of whether they belong to a Greek letter organization. Such national projects most certainly justify the existence of fraternities.

ANNOUNCEMENTS

Photographs of the portrait of Grace Goodhue Coolidge are far lovelier than the print which appears in this issue of The Arrow. The photographs which are 13x7 inches can be procured from Mrs. David D. Nickerson, 74 Rockland Ave., Malden, 48, Mass., for $2.00 each. Autographed copies of the portrait photograph may be procured for $3.00.

The remarkable picture of the Conference banquet can be obtained through Helen Vincent, 901-20th St., N. W., Washington, D. C. Price $1.50.

Pictures of all other groups at the Conference, including the one on the White House lawn may be purchased from Tenschert & Flack, 802 F St., N. W., Rooms 39, 40, 41, Washington, D. C.

Any Pi Phi expecting to live in or around Boston during the coming summer and desiring to live at the Pi Phi chapter
house, should communicate with Louise Doore, 688 Boyleston St.,
Boston.

Chapter Scholarship Chairmen: Remember that by June
15, you should send the names, photographs, and brief typewritten
biographies of all honor students to the chairman of the scholar­
ship committee, Marion Wilder, 864 Belmont Ave., Grand Forks,
N. D. Chapter scholarship reports for this year not yet recorded
because of the insufficiency of blanks and inadequacy of the
present system will be due October 15. Further instructions will
be sent.

Attention is called to the fact that the correct addresses of
two of our Founders are: Libbie Brook Gaddis (Mrs. John H.),
2229 North 53rd St., Wynnewfield, Philadelphia, Penn.

Chances of Address should be noted for Mabel Scott
Brown (Mrs. R. D.), Cataloguer, 408 Farmington Ave., Hartford,
Conn.; and for Dr. Edith Hedges Matzke, 6806 Quincy St.,
Germantown, Philadelphia, Penn.

The Chicago Alumnae Club Pi Beta Phi Luncheon
will be held every Friday at twelve-thirty at the Hamilton Club,
20 South Dearborn St., Chicago, Ill. No reservations are neces­
sary. All Pi Beta Phis are welcome!

Correspondence Concerning the Settlement School slides
and the arrangement of dates for same should be directed to Mrs.
Arthur R. Curtis, 4118 Perkins Ave., Cleveland, Ohio. To write
direct to Mrs. Curtis will save much delay caused by the forward­
ing of letters.

Consult the list of new addresses in the Alumnae Personal
department and see if new Pi Phis have moved into your com­
munity.

In Addressing officers, use the addresses as they appear
in the JUNE Arrow directory.
CAMP KIMOHO

Camp KimoHo in the Colorado National Forest, owned and operated by Mrs. J. Wilson Currens, (Gertrude Fitz Randolph, Colorado A), 1445 Grandview Ave., Boulder, Colo., is just twenty-three miles from Boulder. It is an ideally located summer camp occupying a square mile of mountains and virgin forest, situated on the edge of beautiful Lake Minne, a mile and a half from Peaceful Valley, and in sight of perpetual snow.

The camp which is for girls includes in its program, nature study, dramatics, camp craft, swimming, riding, athletics, hikes, and gypsy trips to such points as Isabel Glacier, Estes Park, Buchanan Pass, etc. A counselor is provided for every four girls. A graduate nurse, dietician, and experienced guides are on the camp staff. A handsome illustrated booklet will be sent by Mrs. Currens upon request.

The object sought at Camp Kimoho is to utilize the precious weeks in camp with such a constructive and well-balanced schedule of activities that the girls return home with stronger bodies, keener minds, more skillful hands, a finer social spirit, strengthened patriotic sentiment and an all-around development that makes for self-reliance, consideration of others and appreciation of the beauties of nature.

THE HANOUNM CAMPS

Pi Phis in New England this summer will be welcome visitors at The Hanoum Camps at Thetford, Vermont—ten miles from Hanover, N. H., and just across the Connecticut River valley from the main Blue Book road to the White Mountains.

Hanoum started fifteen years ago when a group of girls in the Horace Mann School of Columbia University asked Mrs. Charles H. Farnsworth (Charlotte Joy Allen, Colorado A) to take them to her Vermont home for the summer. It has grown gradually into two separate camps, the Hill Camp for girls from eight to eleven and twelve to fourteen, and the Lake Camp for older girls. The numbers are now limited to sixty-five in each camp, and they come from twenty different states and even from Porto Rico and Canada. The Hill Camp entrance is shaded by a
double silver poplar planted many years ago by Professor Farnsworth's mother before she went as a missionary to Turkey. It is the gracious kindness for which that lady was loved that Hanoum seeks as its ideal. "Hanoum" stands for "lady" in Turkish.

As you cross the Connecticut, you may see a group of khaki-clad girls sturdily paddling Hanoum's red canoes. On the way up the hill you may meet a dozen horseback riders out to explore a new road; or a little band with knapsacks and blankets prepared to spend a night under the stars. In sight of the tents on the hillside, you may find dancers on the green, weavers in the craft room, or busy housekeepers getting their tents and shacks ready for inspection. If you arrive at swimming time, you will see red bathing suits and browned limbs flashing in the camp's own little lake, and you will marvel at their skill. In the evening you may hear an Uncle Remus story holding young and old alike breathless around the camp fire; or it may be the good night song.

This fall the Hanoum Lodge will be open until after Christmas for camping in the brilliant autumn and for winter sports. Perhaps you will be interested in this phase for yourself. Perhaps you will like to see the summer camps for your young sister or your daughter. Or you may enjoy seeing the celebrations, including a pageant, for Hanoum's fifteenth birthday, August 2-7. Booklets of the camps or announcements of the fifteenth anniversary will gladly be sent on application to Mrs. Farnsworth, Teachers' College, Columbia University, New York.

PERSONALS

Helen Spencer has just returned from Foochow, China, where she has been teaching for three years, and the home coming has been the occasion for many happy gatherings. In January she was the guest of honor of the Kansas City alumnae club, when she talked of her work and showed some beautiful laces, vases and jewelry, which she had collected in the Orient. She, with her two sisters, Mildred and Marjorie (Mrs. A. L. Frank), gave two splendid programs in January: one at the Athenaeum Forum before an audience of five hundred women, and one at the Woman's City Club. Mildred sang, Marjorie played on the violin and Helen talked on the customs of China; and all three dressed in Chinese costume. The programs were most successful and Pi Phi has reason to be proud of the Spencer sisters.

Ruth Graves is doing graduate work on the campus.

Ruth Anderson, Marlon Judson Daniels and Clara Cisma Metzger, attended the Pi Phi convention at Washington.

Esther McDonald was one of the speakers at the law enforcement and citizenship conference at Washington, D. C., April 4th and 5th.

Benlah Francoeur has graduated from Moser's Business College and is employed as a private secretary in a law office in Chicago.

Marlon Judson Daniels will go to Europe to the Olympic games this summer with her husband, who is on the Olympic swimming team of the Chicago Athletic Association.

Mrs. Earl P. Mallory has just returned from a three months' trip to Panama and Cuba.

NEW YORK BETA—BARNARD COLLEGE

PERSONALS
New York Betas welcomed the opportunity to attend a conference
in the East and the following went to Washington: Florence Hubbard,
Anna de Monsiegle, Beth Thomson, Adele McKeown, Johnnie Brown,
Margaret Wood, Jessie Fox, Ethel Leveridge, Regina Murnane, Helen
Kuzmier, Isabel Totten, Lillian Sullenburger, Lillian McElvare. Annie Van Buskirk was the guest of Mary Wilson, N. Y. B, and Colo. A and Sophie Woodman, who was down with a large high school party, managed to attend the evening affairs at least. It is interesting that of the eight members of 1911, seven were present, Levanchia Eaton being in California, and of the five girls in 1915, the last year of the active chapter, four were present. Sophie Woodman was asked to prepare a paper for the Conference.

Ethel Leveridge, who teaches physical training in one of the city high schools, just put on a very fine program of interpretative dancing.

Eleanor Murtha Pocock of Cleveland spent several winter months in Miami with her husband and children.

Edith Valet Cook is now executive secretary of the Connecticut Child Welfare Association with headquarters at 185 Church St., New Haven, Conn.

We sympathize with Harriet Wilmot Caldwell, whose mother passed away in December.

Alumnae day at Columbia University is Lincoln's Birthday. At Barnard several New York Betas took prominent parts in the plays presented by alumnae. Mary Kenny Allen was "Denis de Beaulieu" in a dramatization of "Le Sire de Maleroit's Door," and Christine Straitton and Peggy Schorr Meyer starred in "Married on Part Time." At the tea which followed it was good to see Anna Holm de Monseigle and little daughter who came in from Asbury Park.

While the Boston Alumnae Club has increased its membership somewhat this year, we would be very glad to have more of the members from other chapters become affiliated with us if they are in or near Boston.

Our work this year has centered on the Settlement School and as usual we sold Christmas cards, held a Salmagundi sale and as an innovation ran a Theater Party, when active and alumnae together sold the full quota allowed by the theater.

Our October meeting was devoted to getting acquainted with the active girls and we entertained them for the afternoon and a buffet supper at the home of one of our alumnae. We were very fortunate in having with us at this meeting Dr. May L. Keller, who talked with us.
informally about what had been accomplished at the National Panhellenic Congress and about health programs.

During December we had a meeting to study Pi Phi data and during the Christmas holidays a reunion, when several people whom we had not seen for a long time visited the club.

Our vital health meeting this year was held at the Lincoln House where we heard a very able and inspiring talk.

Founders' Day celebration was at the Twentieth Century Club as last year, with our active chapter. After the business meeting a splendid dinner was served, followed by a real Pi Phi sing and a novel entertainment.

Several active and alumnae attended the banquet of the National Panhellenic Congress and a large number of the alumnae joined with the actives in a unique rushing party. We have contributed to the active chapter and are in close touch with them as we always have some of them at every meeting as well as attending their meetings during the week. Our closing business meeting is to be held during May and our Young Folk's party is scheduled for June. During July we will have our annual outing at Mrs. Nickerson's home at the shore and we usually have good weather, a good crowd and a wonderful time.

Greetings and best wishes to all Pi Phis.

Our Burlington Club has been active throughout the year, holding meetings at the homes of the members.

We have cooperated closely with the active chapter and a most enjoyable spirit of friendliness exists between us.

We held an enthusiastic celebration of the 25th anniversary of the founding of Vt. B in the fall. We were very glad to have Jean McQueen, our Province President, with us, who at that time was making her annual visit to the chapter. Wine carnations, the gift of Grace Goodhue Coolidge, were the decorations used in the fraternity rooms and on the banquet tables. Best of all we received $221.25 in silver anniversary gifts. The money has been applied on the house fund and anyone giving $5.00 or a multiple thereof has been issued a corresponding number of shares of stock in the corporation.

The big interest in the last few weeks has been the Washington Conference and our share in the gift of Mrs. Coolidge's picture presented to the White House. Our peculiar pride in and our love for her as our own Grace Goodhue, is great indeed.

We are planning to celebrate Founders' Day by a picnic at "Interval Farms," Florence Arms' lovely home.

MIDDLEBURY ALUMNAE CLUB
Organized 1923—Chartered 1924

Corresponding Secretary—Theodora W. Crane, '15 Washington St.

The Middlebury Alumnae Club, which was first started at the Founders' Day celebration, 1923, with eleven members, now has thirty-five members. Meetings are held the first Friday of each month between September and June at the chapter rooms or at the homes of the members of the club.

On Founders' Day the club and the chapter will join in entertaining Vt. B and the Burlington Alumnae Club.

We are looking forward to our alumnae reunion at commencement time and to the tea or picnic which we give for the Pi Phis who attend the summer sessions of the college. We enjoyed greatly our Pi Phi sisters from Massachusetts, Colorado, and Pennsylvania chapters last year.

The year 1923-24 has been successful, both from the standpoint of interest taken by members; as well as by its accomplishments. Our plan in regard to meetings this past year, was to hold, as many as possible, at a central point and at a given hour. This was somewhat of a new departure, but it has proven very popular, and seemed to meet with great favor by all members. The initial meeting however, in charge of the Executive Committee, departed from this plan. This was held at the residence of Mrs. William H. Lough, New Rochelle, in October, and
as usual, after a meeting so delightfully entertained, an impetus was
given for a substantial year's work.

Regular monthly meetings have since been held, at the Allerton
House, 57th St. and Lexington Ave., New York City, on Saturday after-
noons at 2:30. These meetings have been in charge of the
various provinces, whose members acted as hostesses at their particular
meeting, and charming programs and entertainments have been fur-
nished.

Our President has been enthusiastic in her office, and indefatigable
in her work, to make this year a success. At our December meeting, at
which Mrs. Brown was chairman, we had the rare pleasure of being
entertained by Mrs. Ernest Stires, singer, and daughter of Madame
Homer. A delightful afternoon of song was enjoyed.

Another of the meetings which lingers in our memory was the
Founders' Day banquet, held early in April in order to enable us to have
our speaker. The chairman of the luncheon committee was Mrs. Horace
Snyder (Md. A.) and great credit is due her for her untiring effort with
the result of a wonderfully successful meeting. Mrs. Carrie Chapman
Catt, (Iowa 1) was the speaker, at this luncheon, and her words are
always of an inspirational character. We considered it particular good
fortune to have her with us.

The last meeting of the year was held at the home of Mrs. O. C.
Martin, Westfield, N. J., on May 10, when the Indiana chapters, acting as
hostesses entertained at luncheon.

Our Settlement School work in which we take such an interest,
was assisted in funds to the extent of $2304.42. The sale of Christmas
cards produced about $75; in February the club took over the Princess
theater, where “Sun Up” was playing, and conducted a very successful
theater party. The profit realized from this was $1,000 and to this Miss
Lola Vollmers, the authoress of the play, added $100 which is to be used
as a scholarship for one of our Settlement School children. We feel
that the Settlement School has made a real friend in Miss Vollmers,
and we feel greatly indebted to her for all she has done. A card party
held in March at the Waldorf Hotel, under the charge of Mrs. Ernest
Kingswell-Smith netted $256. The balance was raised by personal
subscriptions and donations. Our yearly rummage will be held shortly
and from this we hope to raise a goodly sum.

With most cordial greetings to our sister clubs and best wishes for
the coming year.

Though our paid membership is this year smaller than usual, due
to a falling off in the number of non-resident members, the work of
the club as conducted by the resident members has been satisfactory.
The regular meetings required by the constitution have all been held,
and in addition several social meetings. The first of these was a fare-
well party for Helen Hazen who was leaving to spend the winter in
Oklahoma. This took the form of a “kid party” and to it we invited the chapter patronesse and each member also invited a guest. In November, just before her departure for Florida for the winter, Mrs. Squires, “Aunt Jule,” to every N. Y. I. was our guest at dinner at the Silver Moon Tea Room. In January we had a supper to which the husbands were invited. At the time of Miss McQueens’ visit and later when Miss Onken visited the chapter, informal teas were held at the homes of the members, following the Advisory Committee meetings with the officers.

Our Christmas sale was well attended and as usual furnished us the funds for our contributions to the various Pi Phi activities, most important of which is, of course, the Settlement School.

Relations between alumnae and actives have been most cordial. Several joint meetings have been held—for the convention report, at the time of Miss Onken’s visit, a “dress-up” coo ky-shine for Miss McQueen, and another celebrating the tenth anniversary of the installation of N. Y. I. On the latter occasion the club presented the chapter with two dozen linen napkins for a birthday present.

During the summer, the club holds fortnightly meetings to make articles for the Christmas sale. The annual picnic last summer was held at the Rotary Beach near Ogdensburg. Between twenty and thirty alumnae and actives were present, including several of the girls who are away from us in the winter.

For Founders’ Day, we, as usual, join the active chapter. The freshmen are to furnish the program, the main part of which is to be an original musical comedy.

Two of our resident members attended the Washington Conference and we are anxiously awaiting a chance to hear all about it.

The Northern N. Y. Alumnae Club sends best wishes to all the clubs for the coming year.

Our club this year has been strengthened by the addition of a number of new members, and the average attendance at meetings has increased considerably. The spirit of cooperation shown in all the activities of the club has been splendid.

Meetings have been held monthly at the homes of different members. One meeting was devoted to the two nearest chapters, New York A at Syracuse and New York Δ at Cornell. A pair of polychrome candlesticks were presented to the Cornell chapter and table linen to the Syracuse chapter. We combined a coo ky-shine with a constitution meeting with great success. We are planning to celebrate Founders’ Day with a luncheon at a local tea room. At our Settlement School meeting we packed a Christmas gift box for the Settlement School.

The achievement of which we are most proud is the amount of our
contribution to the Settlement School. This was $200. This includes individual subscriptions, the proceeds from a benefit bridge party and from the sale of linen and baskets from the Settlement School at the bridge party.

In addition to the usual monthly meetings the club is making plans for its annual picnic in June. Four members of the club will attend the Eastern Conference in Washington April 11-12.

A Pan-hellenic Association is just being organized in the city, and Jane Bechtle Heston (Iowa I), one of our members, has been elected chairman.

The work of the Syracuse Club has been most successful this year. We gave our usual bridge party for the Settlement School and made $90. The Christmas card sale brought in $146. Next year we plan to double our sales. A week ago we held a food sale, the returns from which I have not heard, but we hoped to make more than last year. At that time we took in $64.

We were pleased to have had visits this year from our Grand President, Miss Onken, and our Province President, Miss McQueen.

Founders’ Day celebration will take place April 28 with the active girls at the chapter house.

We are waiting anxiously to hear the reports of our seventeen members who are attending the conference at Washington.

The Syracuse Alumnae Club takes this opportunity of sending greetings to all of the other clubs.

Toronto Alumnae Club has grown considerably in the last year; the number at meetings in fact has so increased that it is becoming difficult to find homes large enough to hold us all. The club has as usual been much interested in the activities of the chapter and the spirit of fellowship between actives and alumnae seems to grow
stronger each year. The cabaret dinner, the regular alumnae rushing party, was as popular as ever and several other of the rushing parties were held in homes of alumnae.

To celebrate the chapter birthday we invited the active chapter to a children's party at the home of Marjorie Fraser, and it was not only a splendid "get-together" party but was also the best fun we had had since our house party.

The initiation dinner which immediately followed the most beautiful initiation ceremony Ontario A has had, was especially enjoyable this year. Amongst other things it was the occasion of the first rendering of the new Pi Phi "Coast to Coast" alumnae song which owes its origin to Mary Herdman Scott, who composed the music and to Marjorie J. L. Fraser, who wrote the words.

The regular monthly meetings have been interesting. This is especially true of one meeting at which Anne Edgar, recently returned from medical missionary work in India, gave us a very vivid and interesting description of her life and work there.

One of our first meetings was a "Settlement School" meeting; another had as its main feature an old fashioned match on the fraternity Constitution. Then at our March meeting, Edith Gordon gave a brief but practical talk on the necessity for establishing health standards and regulations in high schools and collegiates as a preventive and protective measure. At our April meeting we held elections for the coming year. The celebration of Founders' Day has been left to the active chapter to decide, in order that it may be arranged with as much convenience to them as possible coming as it does when final exams are being written.

We intend to hold a May meeting and our June meeting, the last for the year, will take the form of a party to welcome the incoming seniors.

Besides our expenditures for the Alumnae rushing party, for remembrances to members who have been ill, gifts of spoons to Pi Phi brides and a birthday present of crystal candlesticks for initiation to the active chapter, our disbursements have consisted of contributions to the Fellowship Fund and to the Settlement School. For the Settlement School we hemmed surgical towels and by having everyone who did not contribute food, give twenty-five cents at the cooky-shine which preceded the meeting, we collected $28 for the Settlement School fund. To the Fellowship Fund, reckoning the amount at 50 cents a member, the sum given was approximately $20.

With best wishes from Toronto Alumnae Club to all Pi Phis.

The Western Massachusetts Club has had a very interesting year. For the first time we have had a prepared program for the year, with
Mrs. Lauffert, formerly of the Buffalo club, as chairman of the program committee.

Early in October a business meeting was held to discuss plans for the year. We were fortunate in having one of our members, Mrs. Selby, attend the convention at Eastes Park. She gave us a very enthusiastic report about it at our meeting held with Mrs. Robert McFall in Amherst. This was the only meeting held outside Springfield.

The cooky-shine in November at the home of Mrs. Otto was one of our most lively and enjoyable get-togethers. Mrs. Lauffert's Christmas party was also something new for our club and proved a lot of fun. At Miss Craighead's meeting in January we hemmed a dozen napkins for the Maine A girls. We have always considered Vt. A as our nearest chapter but this year they have an organized alumnae there so we felt our bit might be more helpful to the Maine girls.

In February Mrs. Selby entertained us for the Settlement School meeting. The latest Settlement School news and bulletins were read and each one told how she had raised her money for the school. $85 was raised of which we sent $75 to the School and contributed $10 to the Fellowship Fund.

Mrs. Miller's meeting in March was devoted to the constitution study and to talking plans for the Washington Conference. We are so glad to have four members, Mrs. Miller, Miss Wallon, Mrs. Dale and Mrs. Otto going to the Conference. At the Founders' Day luncheon held after their return we will hear about their good times and also elect officers for the coming year.

Aside from the regular meetings three luncheons were held during the year at the Highland Hotel.

May 17 we are planning a luncheon for Pi Phis attending the International Methodist Conference held in Springfield during May. Mrs. Rugg will talk to us while the new Settlement School slides are shown. Afterwards we are planning a sight-seeing tour for our guests.

The Akron Alumnae Club with its 26 active members has enjoyed a most successful year. Meetings have been held on the second Saturday of each month followed by tea.

Two hundred dollars was sent to the Settlement School, the proceeds from a rummage sale and Christmas cards.

Plans are now under way for the Founders' Day luncheon to be held at the Akron City Club with Canton and Massillon Pi Phis as guests. At that time Mrs. McCaughey, our delegate to the Eastern Conference,
will give an account of the conference. Mrs. Frank Johnson and Mrs. Russell Burt also attended the Washington convention.

Pi Phis and Delta Zetas were joint hostesses to all members of the Panhellenic association January first, when the new city Panhellenic Club House was formally opened.

We regret losing Miss Carolyn Steadman, who is now in Oneonta, N. Y. and Miss Ruth Laylin who has moved to Columbus.

With most cordial greetings to all sisters Pi Phi club.

The year 1923-24 has been a very enjoyable one for the members of Athens Alumnae Club of Pi Beta Phi. The meetings have been held monthly at the homes of the various members, with the exception of the March meeting which took place in the fraternity room of the active chapter.

We have been particularly interested in the reports of convention and have tried to study the changes made there. Interest was so keen that two alumnae and seven active Journeyed to the Washington Conference.

Money for the Settlement School was raised this year by selling Royce products on a commission—each member being responsible for a $5 order each month up to a certain time. $150 was made in this way.

The club entertained the Ohio A chapter, April 4, after the annual initiation, with a formal banquet given at the Berry Hotel, in honor of the eight initiates. The Founders' Day dinner will also be a joint affair.

Plans have not yet been made for Commencement Week but everyone is looking forward to that delightful time when so many Pi Phis return among other alumni, to Athens.

Our club seemed quite unfortunate this year in that the lack of a quorum at several meetings prevented us from conducting much official business.
We were delighted to have our Province-President Mrs. Miller visit us in January and found her visit very helpful as well as enjoyable. The club held a luncheon in her honor at the home of Grace Silser Drum (Mrs. M. L.), Lewisburg, followed by an informal meeting. We have also joined with the active chapter in various social affairs during the year.

We have ordered Mrs. Gutgessell's book so that next year we may sell Christmas cards for the Settlement School. This year up to the present time we have done regretfully little for that worthy cause.

At least ten, and probably more, of our members expect to attend the Pi Beta Phi Eastern Conference in Washington, D. C. That will of course prove a great inspiration to all of us.

In June we shall observe our annual custom of holding open house at the homes of our members for returning Pi Phis during commencement week. We shall also join with the active chapter and patronesses at our Annual Symposium at that time.

Best wishes to you all.

As in past years, the Cleveland Club continues its one o'clock luncheons the first Saturday of each month, five members assisting the hostess. Our business meeting always takes an hour or more because of the many ways and means we have of raising money for the Settlement School, and the reports of the various committees pertaining there-to. After that we have a special feature each time, planned and put through by an efficient program committee.

In October Mrs. Curtis gave us a most interesting convention report. The first Saturday in November was Constitution Day. The Committee passed out a paper to each one, having on it a question on the constitution. This was done before the meeting so each one had a little time to prepare her answer. Then, after the business was concluded, the chairman asked each question and received the correct reply. Then sides were chosen and, like an old fashioned "spell-down," we stood up
and had to answer any question put to us. This made a most successful Constitution Day program.

In December we had our customary Christmas party, each one bringing an inexpensive gift.

After the business in January, card tables appeared and we had several rounds of bridge.

February saw a model initiation, staged beautifully in every detail.

March first is always Settlement School Day, and the special entertainment was the showing of the slides, with a description of each by Mrs. Curtis. Another interesting feature that day is the receiving of voluntary contributions for the school. This year the basket contained almost $500.

In April, Mrs. Curtis, Mrs. Gibson and Mrs. Bayless put on the play "Fourteen," which was very cleverly done.

For Founders' Day there will be a cooky-shine, followed by a program given by three talented members, Mrs. Miller, Mrs. Allyn and Mrs. Mohler.

In June the Program Committee is to sit in judgment upon three stunts performed by members living in three different sections of the city. We expect much merriment and the discovery of much heretofore hidden talent.

If anyone thinks all the fun we have in Cleveland means that we only play, let her be under no such delusion. The fact that this year and last we have sent over $2100 to our school can mean only one thing—hard work. A rummage sale, for which we prepared for a year, netted us over $900; the sale of Royce's extracts, $115; Christmas cards, $300; a raffle of a walnut end table, made, carved and donated to us by Mr. Gibson, $94; card parties, $71; taxi fares, $12; and several lesser enterprises, smaller sums. Generous contributions were made by Mrs. E. H. Season, who is not a Pi Phi but is much interested in our school, Mr. B. G. Tremaine, Mr. Harry Gibson, Mr. C. J. Hayes and Mr. Warren S. Stone. Mr. Stone is a Pi Phi husband, and not only gives us $100 a year, but annually furnishes us our wine and blue programs, and printed lists of names and addresses of resident alumnae.

Twenty from our club leave this week for the Washington conference. Our enthusiasm over the meeting we feel sure cannot be exceeded by any delegation from elsewhere.

The Lancaster Alumnae Club of Pi Beta Phi has met regularly each month at the homes of various members and at the local Y. W. C. A. building. The plan of holding four business meetings annually and of making the other gatherings largely social seems to have appealed to the club, and has given us a better chance to know each other. Since we had planned to make the initiation robes for the Dickinson chapter in order to raise money for the Settlement School, a few of the social meetings and some intervening time, when we found we could assemble, were devoted to sewing. Although we have been unable to finish the garments in time for initiation, they will be ready for next year.

Again the selling of Christmas cards has proved to be the simplest method of raising money for the Settlement School. We have at least $136 to send to "Little Pigeon" and hope to increase the amount to $150. Miss Bishop’s letters, keeping us in close touch with the work in the Tennessee mountains, make us feel that we should make even greater effort to increase our contribution.

How fortunate we were to have Gladys Emrich, an alumna of Pa. B and Jane Haggerty, a member of the active chapter of Pa. I, visit us at different times and give us enthusiastic reports of convention! Their glowing accounts made each of us wish she had gone to Estes Park, to enjoy the beautiful scenery, to learn more of Pi Phi’s national outlook and her scholastic standing, and above all to associate with so many Pi Phis from different sections of the United States.

Since many of the members of the Lancaster Club and so many from the nearby active chapters are planning to attend the Eastern Conference in Washington, we decided to omit the annual banquet. How thrilled we were to see Mrs. Coolidge’s picture in color in the World’s Work for April, and to know that we shall see it presented to the First Lady of the Land in Washington! We can hardly wait to see it among the portraits of the other Presidents’ wives in the White House. To meet Mrs. Wallace and to hear Mrs. Catt will be a treat too. How we wish that all Pi Phis might make use of this glorious opportunity!

We extend a cordial invitation to Pi Phis to visit or join our Club.

There will be two more meetings for us, in May and in June, when all unfinished business will be completed, and plans made for our annual picnic held sometime during the summer.
We feel that our work this year has been quite successful, particularly the effort put forth in selling Christmas cards for Settlement School Fund.

New members are frequently entering the club, and with them more interest and enthusiasm. We aim to make each new year better than the past one—there is no limit to our hopes!

Our club year opened on Sept. 12, when we met at the home of Angie Friend Reeder and made plans for the coming year. The program committee got busy to have the year’s programs, typed and a copy ready for each member by next meeting.

We decided in order to promote a better feeling among active and alumnae members to invite two members of the local chapter to each regular meeting and one alumnae member appointed by the president would attend each regular meeting of the active chapter.

Four of our meetings this year have been devoted to study. One to Settlement School, one to History-Constiution, one to Examination and one to Founders’ Day.

On Dec. 12, at our alumnae club meeting Margaret Ford, Iowa I, made the motion that a loving cup be purchased upon which should be engraved the name of the pledge making the highest average. The advisor on Scholarship was appointed to purchase the cup.

In order to raise money for Settlement School we had a Christmas oazaar at the Singer Sewing Machine Shop on Dec. 15. The club made $30 in this way and later made $5 more making our fund for Settlement School $35. The secretary ordered baskets, linens, rugs, etc., from the Settlement School to the amount of $94.65 and we had a sale of these articles at the Swiss Cleaners and Dyers establishment at which time we sold many of the articles. We took orders from friends and sold many more things.

We decided to send $10 to Fellowship Fund. The club has given the local chapter $35 toward payments on their piano.

We had three social meetings this year, the first a bridge party at Della Warman’s, the second a party at Margaret Ford’s for the pledges and freshmen, and the third at the chapter house with LaVerne Blatchford-Davis as hostess, and the patronesses, chaperones, and representa­itives from the chapter as guests. At this meeting we had a most delightful program. Evelyn Dowling gave several humorous readings, Ruth Hines read Madame Butterfly, and Gall Muhlman gave us several piano solos.

On Feb. 25 Helen Bowers, our convention delegate, came down from Wheeling and gave a most interesting report of convention. Seven girls will go to the Washington Conference.

We have made plans for a dinner party at the Ortolon Tea room for Miss Onken, and for a cooky-shine for Founders’ Day to be held at
Helen Ambler's home. We are expecting all the alumnae and other Pi Beta Phis back at this time as it comes the week end of the Junior Prom. We will have a picnic in May at the home of Mildred Bizzell, Md. A and Wis. A.

The Northeastern Pennsylvania Alumnae Club met five times this year. As our fourteen members do not live near one another, the average attendance is only seven. With this limited number it is difficult to carry out elaborate programs; so we have merely followed the suggestions of Grand Council for Alumnae meetings. Our gift to Settlement School has necessarily been personal subscriptions. This year we have made an effort to increase membership and attendance, for we would like all Pi Phis in this locality to enjoy the meetings with us.

We are glad that some of our members are going to the Eastern Conference at Washington, so that our club may receive a full report of convention doings. Those who cannot attend are planning to hear Mrs. Catt's speech by radio.

In our meetings this year we have tried to establish more sociability. In a club in which the membership is so scattered, and new alumnae are joining ranks frequently, the need for this is very urgent. Consequently, we have permitted the Executive Committee to transact a great deal of the routine business, giving it to the club in the form of reports, thus allowing more time to "become acquainted" with each other.

Our first meeting, May, was a porch party given the club by Mrs. J. K. Evans (Marion Hallowell, Pa. A). The Estes Park convention was the topic of interest at that time.

In October, we had our regular luncheon at the College Club, followed by the convention report. The events were reviewed in three phases; Grace Filler, Alumnae Club delegate, gave a general report; Marlon Baker, Beta Province Vice-President, told of the matters that concerned alumnae clubs; and Dorothy MacLaren, Pa. A, chapter delegate, confined her report to those affairs of interest to active chapters. At this meeting a new constitution was adopted for our club.

Bridge was enjoyed in connection with the November meeting, and in December, we had an informal tea at the College Club, at which Isabel Jacobs, Pa. A, entertained us with readings.

On the occasion of the January meeting, the alumnae club entertained Pa. A chapter at a luncheon and bridge at Strath Haven Inn, Swarthmore. This was a survival of a custom discontinued during the war, but we hope to again make it an annual event.

In February, the main topic of conversation was the Washington Conference. The enthusiastic announcements we received foretold the wonderful time in store for us.

Our March business meeting was brief as it preceded the regular initiation ceremonies of Pa. A. Following a custom started a few years ago, a joint banquet was held, this year at Hotel Sylvania, after the initiation. We now look forward to this as one of the best events of the year.

We have one more meeting, April 26, a regular luncheon in lieu of a banquet, the conference banquet being considered our own celebration. On this occasion we will entertain the seniors of Pa. A who are so soon to become associated with us or groups like us, and as this is the last meeting of our year, the annual reports will be read.

Our contribution to the Settlement School this year we hope will total $1000. Almost half of this amount we received from the sale of Christmas cards. Our one big Settlement School function was a benefit card party, March 15, directed by Mrs. F. L. Nussbaum (Cecil Rigby, Ill. E), chairman of our Settlement School committee. At this party, the School basketry and weaving were on sale, and Mrs. Downs, Pa. B, gave a little talk, telling of the School and its accomplishments. This event did much to increase the knowledge and interest of our friends in the work we are doing. We are trying a sectional rummage sale, also, in the hope that in the future it may be attempted in a larger way and become a regular club event. In addition to our Settlement School contribution in money we sent a Christmas present of napkins to the
School, gave $10 to the Fellowship Fund, and more than $50 for the portrait of Mrs. Coolidge.

No resume of the Club's activities would be complete without mentioning the Washington Conference. We had talked of it and planned for it, sending out letters to all Pi Beta Phis in this vicinity, urging them to attend, and it was as a realization of fond hopes that we were represented 100 strong when the time came. The Philadelphia Club was honored in being able to have as its Conference guest our dear Founder, Mrs. Turnbull, a life member of the club.

We are sure the inspiration we received from those wonderful meetings will be a potent influence in the club for many years to come, and we heartily congratulate our Washington sisters who not only had the power to conceive, but the courage to execute.

It is with deep grief that we pause to note the passing of one of our life members, our beloved Founder, Mrs. Grier. We shall always be proud to have claimed her as our very own, and shall cherish the memory of the many times she was with us, and the inspiration she gave us.

Thus, as we look back over the year's activities, seeing both success and failure, joy and sorrow, may we determine to push steadily on, knowing that there is another year ahead and much to be done.

The Atlanta Alumnae Club has had a very interesting and successful year, although several enthusiastic members have moved to other cities. The meetings have been small as we have experienced great difficulty in getting together, and this year we hope to make our plans in such a way that there will not be so many conflicts between our meetings and other engagements.
During the past year, the club has held one meeting a month at the homes of the members. Most of the meetings were in the form of social teas, with a business meeting held first.

The December meeting was a cooky-shine at the home of Mrs. Paxton, and one of the most enjoyable meetings of the year. We hope to have more cooky-shines in the future, as they take us back to our Pi Phi memories in college.

The Atlanta Alumnae Club has missed visits from National Officers this year, and we hope to have some with us next year.

Our meeting in February at the home of Mrs. Crocker was followed by a lovely Valentine Tea.

In March we had a St. Patrick's party at the home of Mary Jimmie Pattillo.

The club always looks forward to the May meeting which is always a picnic at the lovely suburban home of Mrs. Burton overlooking East Lake.

The Atlanta Alumnae Club is a very unusual one; although consisting of only eighteen members, our interests are divided between nearly as many chapters.

There is no active chapter of Pi Phi near Atlanta, and the club is therefore not thrown in contact with active girls. We hope to have several members present at the Eastern Conference, and in this way our national interest, and interest in the active chapter will increase.

Little Pigeon is of course our first and largest interest. The sale of Christmas cards brought $60 for the Settlement School Fund. The club has had several small benefit bridge parties to increase our yearly amount. Ten cents is collected from each member at the meetings, and a "taxi" fee has also been paid, bringing our Settlement School money to almost $100.

We are now planning for our Founders' Day luncheon, which is always our largest meeting of the year, and we hope to have every member present.

The Atlanta Alumnae Club has enjoyed the meetings of the past year and we are looking forward to our plans for next year.

The Club year has been both social and effective, and with the added stimulation of the Eastern Conference to look forward to, an especially interesting one. We have found it well to make the most of the social side of our programs, since many of the girls are occupied in business all day and look forward to the relaxation and enjoyment of club meetings. The November meeting was as usual devoted to packing a Christmas box for Little Pigeon. In February we held a card party for Little Pigeon, and this together with individual subscriptions, enabled us to send in for the Settlement School about twice as much money as last
year. At the card party, handiwork of the mountaineers was on display and for sale. Besides the regular program a series of evenings of informal bridge has proved rather popular. Husbands and other interested Pi Phi gentlemen are included in these invitations. The Club has also entertained the active chapter several times during the year. At the present writing all our thoughts are upon the Conference in Washington. About thirty of us alumnae are going from Baltimore and our expectations and enthusiasm are high.

Our club was organized last summer on June 26, at the home of Mrs. Ray Jordan (Frances Gardner). We elected officers and planned dates for the four required meetings. In addition, we were to get together for luncheon, or for any other social meetings, as often as possible.

Our next meeting was a luncheon held at the “Bandbox Tea Room,” with twelve members present. Mrs. Boydston gave us a very interesting paper on the Settlement School, which we all enjoyed.

On February 9th, our Club motored to Daytona Beach, and had a luncheon in the form of a cooky-shine, with Mrs. A. J. Parkhurst (Virginia Morrow.) We had a regular reunion that day, for a large number of girls from the Orlando Club came up and also girls from other towns in the vicinity.

We helped the active chapter give a benefit bridge party at the College Arms Hotel, for the Settlement School, during the winter.

We are planning to celebrate Founders’ Day with the active chapter and invite as many of the girls to come up for that day as possible. Altogether, our first year has been a most successful and happy one.

The April meeting and Founders’ Day banquet were dispensed with this year in order to allow members to attend the Eastern Conference. About eight members of the Richmond Club were present at the meetings in Washington.
The club has given a card party this year on which it made approximately $50. Over $80 was made on the Christmas card book. Individual contributions were made to the Settlement School and $20 was given to the Fellowship Fund, and $10 to the Loan Fund.

The whole year has been very successful and our meetings entertaining and well attended.

The Eastern Conference with about 1200 in attendance seems to overshadow every other activity of this club this year and has been our chief aim and interest. It has served to unite and bring out the members of the club in a way that no former event has done. We are indebted to Miss Emma Harper Turner for this epoch-making event and to Mrs. Coolidge, Mrs. Wallace and many other official ladies connected with Pi Phi for our social program of the conference.

Our Founders’ Day banquet was merged with the Conference banquet as was that of the Baltimore, Richmond and Philadelphia Clubs. This banquet was not only a double celebration, but a triple celebration for many of us, since the 27th of April was the thirty-fifth anniversary of Columbia A, and we had an exceptionally large number of Columbia A members who had returned for the conference present.

While the Settlement School has taken rather a second place, we have been able to raise $900, through our Card Party, Christmas Card sale, rummage sale and individual subscriptions. When it is realized that this club gave a luncheon to the active chapter and their rushees at the Columbia Country Club and financed the Conference at an approximate cost of a thousand dollars, this amount does not seem so small, although it is less than we have sent for the last two years.

Since so large a number of the members of this club are from George Washington University the club has had an active interest in the University endowment Fund Drive and gave a benefit card party for this fund.

A memorial library has been started at Peck Chapel in memory of one of our most active and beloved members, Vivian Linderman Bibbins, (Ill. E), who died suddenly this winter.

Our meetings, held on the second Tuesday of each month, have been interesting each in its own program, which included, Lt. Com. T. N. Alford, who spoke on “Communications in the Navy”; Mr. Wilson Compton, who spoke on, “Our Economic System and How It Works,” and Mr. Paul Henderson, Assistant Postmaster General, who spoke on “New Developments in the Postal Service.”

Each year this club has believed the year just finished to be the
We wonder now what great event the next year can hold for us.

The Ann Arbor Alumnae Club has held three meetings thus far this year, each one preceded by a delightful pot luck luncheon.

We have raised money for the Settlement School and Fellowship funds by personal subscription.

A great deal of interest has been shown in the spring Conference. Although only one of our number has found it possible to attend the conference, many of the rest of us heartily wish that we might go too. We are looking forward with eagerness to the report which our representative will give to us at the May meeting.

Contrary to the custom in the past, the Ann Arbor club and Michigan B chapter are planning to celebrate Founders' Day by joining with the Detroit Alumnae Club in a luncheon to be held at the Whittier Hotel in Detroit.

As always the active chapter and the needs of the girls as well as the house find first place in our thoughts and hearts. We are very proud and happy to have so fine a chapter on which to lavish our devotion.

Next year is pretty far off yet but we are beginning to plan already the best ways of making our meetings beneficial as well as very enjoyable.

The Detroit Alumnae Club has tried out a new idea this year in holding of periodic meetings of the four groups into which the members were divided according to location of residence. This has been very successful in promoting friendship and understanding.

Most of the club meetings recently have been held in the homes and preceded by a luncheon, and the turn-out has been very satisfactory. Each group has taken its turn in planning and managing a meeting. The Valentine party was a bridge tea to which guests were invited, while the Ann Arbor Club and active chapter were our guests at the Founders' Day luncheon.

One group held a baked food sale at the Valentine party, the proceeds of which were sent to the Settlement School, along with the Christmas card sale returns, and some additional funds raised by subscription.

Several of the Detroit alumnae were able to take the trip to Washington, and have been most enthusiastic about it.

The officers for the year 1924-25 will be elected at the alumnae meeting next Saturday.

Although the Chattanooga Club has been organized only a short while, still everyone feels that a fair start has been made towards a real club.

A benefit bridge party was given during the winter at which $50 was cleared for the Settlement School. Every member of the club has contributed to the fund for the purchase of Mrs. Coolidge's portrait, feeling that the privilege of presenting this portrait to the White House carries with it great honor and distinction to Pi Beta Phi. Ten dollars has also been subscribed to the Fellowship Endowment Fund.

Gifts have been made to the active chapter; among them being a large electric arrow, the other a silver loving cup. The cup has an interesting history, as it is the same one used at our installation banquet, and was first used by our dear Miss Onken.

Our Club is planning to sponsor a trip to the Settlement School at some near date, subject to the convenience and approval of Miss Bishop. A number of the active girls and alumnae plan to make the trip, feeling that we need to know more of this great work at our door.

Last month the chapter and alumnae had the pleasure of meeting and knowing Mrs. Nickerson, when she made her visit here. She was
Indeed a help and inspiration to all who met her. During her stay some of the alumnae entertained at the home of Mrs. Stephens with a tea to which all the active chapter, the pledges and alumnae were invited.

May the Chattanooga Alumnae Club stand always ready to work for the best interest of Pi Beta Phi.

We have been very fortunate indeed, this year, in having forty members of our club, the largest number we have ever had.

The club has had a most profitable year, not so much in a mercenary way as in a fuller and better acquaintance with the active girls and pledges.

We have had a spread and a social hour every other month at the chapter house with the active girls, followed by our regular business meeting. During the social hour a program has always been given, and some speaker of local interest has talked to us on various subjects.

We have sent $50 to the Settlement School Fund, $10 to the Fellowship Endowment Fund, have purchased a rug for the chapter house, contributed to the Mrs. Coolidge portrait fund, and have raised a sum of about $150 as a start on our house furnishing fund for the chapter house.

In December we had a Settlement School program at the chapter house and all Pi Phi mothers and patronesses were our guests. The speaker for the afternoon was Dr. C. P. Gibbs, of the Grace Methodist Church, who is himself a Kentucky mountaineer. He told very interestingly of the conditions, and of the people in the region where he spent his youth, and said that the mountain regions of Kentucky and Tennessee are very similar. A free will offering was taken at this time and was sent to the Settlement School.

During the visit of Mrs. Spiegel, our Province President, in December, the club entertained informally for her with a spread at the home of Mrs. Sam Lanam.

On April 14, the alumnae club was hostess to a tea to the Pi Phi patronesses and all alumnae club members of ΔΔΑ, ΦΒΓ, and ΔΖ, at the home of Miss Ruth Graham. A musical program was given and a social get-together was enjoyed.

Founders' Day will be celebrated with a luncheon at the Claypool Hotel, Indianapolis, with Mrs. Demarchus Brown acting as toast mistress. The annual state dance will be given in the evening.

There will be one more meeting held at the chapter house in May, to which the Faculty Women's Club of the College and the Pi Phi Patronesses will be invited.

On May 27, during commencement week at the college, a spread will be given on the college campus at four-thirty. At this time all visiting Pi Phi alumnae will be our guests.

In reviewing the work of our club, I find that our aim has been to raise money for the beautiful new chapter house.

The chapter house was purchased by the college to be used as a dormitory for Pi Phis. It was in great need of repairs and the college provided a very small amount for this.

A generous gift from Mrs. Green (Anna Closson) encouraged the alumnae to have the house as it should be, and raise money for the debt as we could. Early in the summer, entire remodelling of the house began, under the supervision of a committee. Our patroness, Mrs. W. H. Sawyer and Mrs. Green, members of the committee, did much of the planning. Mrs. Green gave her entire time to the work for weeks. We owe a great deal to her for her untiring efforts.

Resident members of the club wrote to outside alumnae explaining the situation and asking for funds.

Two rummage sales and food sales added to our fund. We made curtains for college dormitories, being paid by the hour.

We managed the initiation banquet, with help from our splendid "Mothers' Club." Much of the food was donated and the money was paid the club instead of outside help.

A large bridge party was held in March at the house. Mildred Godfrey Hall, harpist, being an added attraction.

At Christmas time Mrs. E. T. Prideaux managed the Christmas card sale from which a goodly sum was realized.

Another rummage sale will be held just before Easter.

In spite of our desire to put our money into the house, we have not forgotten the Settlement School. We sent $75 and have set aside a Settlement School fund for next year.

The club entertained the chapter, faculty women, and Kappa chapter at a tea in January, to meet Mrs. Spiegel.

We feel that our year has been worth while when we look at our spacious colonial chapter house on the corner.

Life in the Lafayette Alumnae Club has been an exceedingly interesting one throughout the entire year. Although a number of last
year's members sought other sites for home and study, new Pi Phis came to fill their places making our work and play much the same as in former years.

The club has held regular meetings the first Thursday of every month at the home of its members using as nearly as possible the required program.

In December a "family" Yuletide party was held which proved such a success that it was voted an annual affair. The club presented the active chapter with a console table as a Christmas gift. Other social events of the year included a tea and luncheon given for rushees during the active chapter's membership campaign, cooky-shines with the chapter at Hallowe'en and other holidays, a dinner get-together for the pledges and later a "hope-chest" party for the seniors.

As the directors of the Indiana ∆ Pi Phi Association are from our club our interests have been with the active chapter and through the members of the advisory committee have been able to assist them in the formation of a new and successful budget, and in the inauguration of other plans toward the financing of their new chapter home which they hope to be able to build in the near future.

The club has been unusually fortunate in having among its active members representatives of two of the Standing committees, Fraternity Study and Examination and Fellowship, who helped to make the meetings pertaining to their respective offices both interesting and instructive.

The Settlement School and Fellowship funds were contributed to, the money being raised by donations at one of the regular meetings, and although the sum did not reach the hoped for goal, another year it is hoped will show better results.

No definite plans for the summer have been made but it is hoped that enough of us may be here to hold occasional picnics or "get-togethers."

There is no national Pan-hellenic in Beloit and we hope by getting together in this way to get the sentiment of members of other fraternities in the matter of starting such an organization.

The sympathy of the Beloit Club is extended to Elmar Frazer Bacon and Leila Frazer in the death of their father, to Bird Newton in the death of their father and to Gertrude Blazer and Margaret Blazer in the death of their mother.

Our little club of eight members has completed a very happy year. The usual business meetings have been held at the homes of the members. In August we again joined with Pi Phis from Quincy, Warsaw, Keokuk and Burlington in the annual picnic at the summer home of Mrs. Idele Egbers Parks on the Mississippi river just above Hamilton. In March Mrs. Katherine Johnstone McClure gave a very lovely tea for the Pi Beta Phis and the Beta Kappas, a group of girls in Carthage College.

From the proceeds of our Christmas card sale, we sent $50 to the Settlement School, $3.50 to the Fellowship fund, and made the second payment of $40 on our pledge to the Carthage College endowment fund.

Under the management of our President, Mrs. Ellen Scofield, baskets and towels from the Settlement School were on sale during December. The proceeds from the sale amounted to $49.55.

We regret losing one of our members, Mrs. Helen Durkee Ferris, who has moved to Chicago.

Mrs. McClure and Mrs. Mack attended the Eastern Conference in Washington, D. C., in April.

Pi Phi has had a rather unusual year in a number of ways. In the first place we felt rather proud of ourselves as we were able to start the school year free of debt. We are however, beginning to formulate plans for a larger chapter house as the present one is not exactly what we want, and is not large enough to accommodate the number of girls.

The new Dean of Women, Miss Maria Leonard, a Pi Phi from Ind. I, came to us in the fall from Coe College, Cedar Rapids, Iowa.

The active chapter has made us very proud this year by rising from the third from the lowest to the third from the highest in scholastic standing.

One of the most pleasant events of the year was our Settlement School meeting in October. Dr. Maude L. Etheridge who is assistant professor of Hygiene at the University, has had several years' experi-
ence working in the region of the Gatlinburg school. Her talk and the number of slides shown of the Settlement School gave one a fine idea of what the girls are accomplishing down there.

Early in the winter the Pi Phis were pleasantly visited by Miss Onken and Miss Lawrence whose messages are always inspiring to us.

The Pi Phis are planning to celebrate Founders' Day at the Southern Tea Room this year. At that time in addition to the usual talks and toasts we are looking forward to hearing about the Eastern Conference in Washington which five of our alumnae and four of the active chapter attended.

We began our year as usual by helping the actives with their rushing, as it is customary for the alumnae to have charge of the one formal party allowed during rushing season. This year it took the form of a progressive dinner party, each of the four courses representing a season of the year, ending with a veritable Christmas in the winter scene.

In November we entertained our patronesses at a luncheon at the Decatur Club and when they were through with their classes the actives came up and gave a little Japanese playlet.

We raised our money for Settlement School by selling Christmas cards and a basket sale, Indian baskets from Union, Miss., and baskets from Settlement School. These baskets are known all over Decatur as Pi Phi baskets and every so often we are asked to have a sale.

In January the actives had a shower for the house to which we contributed table linen. Our Founders' Day celebration is to be a meeting in the interest of a house for the active chapter at Millikin. We own a beautiful lot facing the campus, and hope to build on it a house suitable for sorority needs, in the very near future.

One of our most interesting meetings of the year was when Caroline Lutz told us of her visit this last summer to Settlement School. You can all read it in the March Arrow.

Another year of the Madison Alumnae Club is over, and while each year we do about the same things at our meetings we nevertheless enjoy them just as much.

This year we have been trying out a new idea on the alumnae and the actives getting better acquainted. Each alumnae entertains two actives once during the year at lunch, movie or the like. We still have an advisory board which is three alumnae that keeps us informed about the chapter. At one of our meetings we invited Mrs. Stites, the house chaperon and one of the chapter, Anita Haven. Anita told us a most interesting account of convention.

Many of the alumnae went to the bridge party the active chapter gave at the chapter house to raise money for the Settlement School. We alumnae raised our quota again by selling old clothes at the Service Shop to the poor.

The alumnae and actives are again celebrating Founders' Day together at the chapter house with a supper on April 23. We are having it on this date because Miss Evans, Grand Secretary, is going to be here at that time.

We were all very much interested in the conference at Washington and wished we could have sent a representative. No doubt several of us heard the Pi Phi songs and the speech of Mrs. Catt over the radio.

Six of the active chapter girls went, so we hope to hear about it from them.

Best wishes to our sister clubs.

The year 1923-24 has been an exceedingly pleasant and successful year for the Milwaukee Club. Instead of continuing our meetings at the College Club with a luncheon preceding, we have been holding them at the homes of members. We feel that the home meetings have enabled us to form closer friendships and a more efficient organization.

Our October and November meetings were devoted to the making of three dozen Italian hemstitched napkins for the chapter house at Wisconsin University.

At Christmas time, we again sold Mrs. Gutgesell’s Christmas cards and made almost $65 for the Settlement School fund. We hope to clear at least $100 more for the school by Pi Phi bridge parties before the end of the year.

The Milwaukee Pi Phis again took the initiative in regard to arranging the Pan-hellenic luncheon which was held March 29 at the Wisconsin Club. The program which was in the charge of Delta Gammas this year was very interesting and amusing.

Margaret Thomas Koch, who is in charge of our Founders’ Day meeting has promised us a real old-fashioned cooky-shine. We don’t know who our speaker is to be or what the program is, but we do know that we will have a very enjoyable afternoon.

We are looking forward to a picnic dinner in June to which our husbands and children will be invited. No definite plans for the summer months have been made, but we hope to continue having our Pi Phi picnics until fall.

We extend best wishes to our sister clubs.

The Alumnae Club under the leadership of Mrs. E. C. Carman has had a most successful year. She has been ably assisted by the other officers.

The activities of the year started with our annual rushing tea for the active chapter in the fall. A little later the club had a real rally at the home of Mrs. T. A. Peppard (Beth Schrader) which was at-
tended by about sixty Pi Phis representing several different chapters and all very enthusiastic for the year's work. Two other general meetings have been held, one at the home of Josephine Brynes Seiberlich and another at the home of Mrs. Frederick Bass. The last meeting of the year will be held early in May at which time officers will be elected for the coming year.

It was a very great privilege and pleasure for the club early in the year to give a tea at the chapter house for two well known Pi Phis: Mrs. Soule, one of our Founders to whom we all became very much attached, and Mrs. Carrie Chapman Catt. Our invitation was the only one Mrs. Catt would consider during her stay in Minneapolis. It was an inspiration for all of us to have her talk to us as she did and to meet her in such an informal way.

Our annual Christmas luncheon at the Maryland was a great success this year. There were about 75 present including many actives. After the luncheon bridge was played. The annual St. Patrick's party was given at the house for the active girls. Each alumna brought a piece of linen for the house and the club gave a check to the active girls for more linen which was very much needed.

The Founders' day banquet is to be held April 25 at the Dayton Tea Rooms. On April 30, a large bridge party will be given at the Oak Grove Hotel, the proceeds to go to the Settlement School. The proceeds from the bazaar last November were to go to the Settlement School also. It was quite a success financially but we have decided not to have one next year but to try various other ways to raise money for the Settlement School.

Several members of the alumnae club have been very prominent in the College Women's Club of Minneapolis. Mrs. Ruth Robbins Rodda has served as president for the last two years. Mrs. Sybil Bates Gutterson has served as treasurer for the same length of time. Mrs. Aimee Fisher Cates, Mrs. Nita Day Carman and Monica Langtry have all been very prominent in different activities of the club.

We would like all Pi Phis living in Minneapolis and St. Paul to make themselves known to us if they are strangers and become affiliated with us.

Our efforts this year, as last, have been directed toward making $100 for the Settlement School. We are making hand crocheted rag rugs. Our meetings begin in the morning, our hostess furnishes the luncheon and we stay until enough rags are sewed to keep the "crocheters" busy.

We are going to celebrate Founders' Day by having a luncheon party at the local Y. W. C. A. tea room. Officers will be elected at that time.

The sixth year of our existence was under the leadership of Mrs. J. F. Houghton (Ill., H) until January when she and her husband moved to Florida. The club greatly misses her but is very happy that Mrs. John Miller has taken the presidency for this coming year. Mrs. Miller has always been one of our most helpful members and the club is looking forward to a fine year with her as our head.

The summer meeting of this club was held at the Illini Country Club at which time twenty girls enjoyed a lovely luncheon. The meeting was of unusual interest in that Miss Amy Onken was present and she and Miss Elda Smith (Ill., E) gave the girls a very fine and interesting description of the convention at Estes Park.

In October the club was the guest of Miss Amy Onken and Mrs. Harry Onken at the home of Miss Onken in Chapin, Ill. After a delicious spread the afternoon was spent reading interesting letters from the Settlement School.

Our January meeting was held at the home of Misses Elda and Elberta Smith (Ill., E). A study of the constitution and history was given and election of officers took place as found above.

The club will celebrate Founders' Day with a luncheon April 26 at the Country Club. We are deeply interested in the Pi Beta Phi portrait of Mrs. Coolidge and are very sorry none of the club will be able to go to Washington at that time.

Our Alumnae Club has had a most delightful year thus far. Several groups were formed, each one entertaining the club at luncheon followed by a business meeting. At each of these meetings we have had at least one active girl present.

The first meeting of the year was held Oct. 6 at the home of our President, Mrs. Pattengill. This meeting was very interesting since we heard much about the convention at Estes Park and also initiated several new people into our club.
The latter part of October we entertained the active chapter and their rushes at a "Know Each Other" party at the home of Mrs. C. F. Curtiss.

In November the alumnae and actives enjoyed a cooky-shine at the chapter house. The Christmas box for the Settlement School was packed. The program was devoted entirely to the Settlement School and was of course very interesting.

The advisory committee had charge of the January meeting. At this time we studied the constitution and amendments and fraternity examination questions.

March 1 our Boone members entertained the alumnae and the senior actives. This was the annual business meeting and election of officers.

Founders' Day will be celebrated with the active chapter at the home of Mrs. J. S. Dodds.

The annual June breakfast will be June 9, Commencement Day. This is always given for all alumnae, senior actives and their mothers.

One meeting is planned for the summer, the date to be arranged later.

We enjoyed the visit of Francese Roma Evans, Grand Secretary, the first week in April.

Much interest has been shown in the Eastern Conference at Washington. Seven members of our club were in attendance, Mrs. Pattengill, Mrs. Curtiss, Mrs. Shaffer, Mrs. Cooper, Miss Herman, Mrs. Allstrand and Mrs. Mirick.

Our contribution to the Settlement School this year is $215. This money has been raised by pledges from each member, by magazine subscriptions and the sale of Royce goods.

We also contributed $10 to the Fellowship Fund.

The advisory committee has done a most commendable piece of work with the active chapter. By monthly meetings at the chapter house with members of the executive committee they have kept in close touch with the girls. A well planned study preparatory to the fraternity examination was conducted by Mrs. Shaffer of the advisory committee.

We feel that we have had a profitable year and most certainly an enjoyable one.

Best wishes to all Pi Phis

Our club has been quite active this winter due probably to the inspiration from the convention last June.

Our food sale in February netted us about $25 which will all go to the Settlement School.

An active member of Pi Beta Phi from Iowa A, attended our February meeting. We enjoyed hearing about active Pi Beta Phi work.
We have one more meeting of this year at which time we will elect officers and celebrate Founders' Day.

The Cedar Rapids Alumnae Club has held monthly meetings, the first Saturday of each month. With a number of our members teaching in the public schools and the college, we find this time gives everyone an opportunity to meet with us. These meetings are preceded by picnic luncheons at one o'clock. We have enjoyed these so much. In these busy days of varied interests, we take time over the tea cups to get better acquainted, and we never leave an alumnae meeting without being glad all over again for the tiny arrow that has brought us all together.

We had one little experience soon after we started having luncheons which caused us to wonder if they were really going to be a success. Every single "covered dish" proved to be scalloped potatoes. Can you imagine what a disappointment that was to appetites whetted by Saturday morning activities? One good Pi Phi husband was so concerned by it that he figured out mathematically how often that might happen with a club this size, and he assures us that it will never be repeated. So we look forward to each meeting with great anticipation.

We have followed no regular program this year, but have discussed matters of current and fraternal interest. Of most vital interest and importance to our club is the active chapter at the University of Iowa and the Settlement School. We are very happy to be able to occasionally send the girls at Iowa something for their house, and this spring we gave a very successful bridge benefit at the home of our president, Mrs. Reed, the proceeds of which went to the girls for their building fund. Our gift to the Settlement School is made by individual donations and that for the Fellowship Fund is taken from the treasury.

Two of our members attended the conference at Washington, and we are all eagerly looking forward to their report. We are happy to have added Mrs. E. S. Browning (Mary Remley, Iowa Z), to our number.

Our plans for Founders' Day have not been completed, but we expect to celebrate with a real old-fashioned cooky-shine.

We close our year with a family picnic in June.

The Cedar Rapids Alumnae Club sends greetings to her sister clubs.

Though Missouri Alpha Alumnae Club did not gain its charter until last year, it had met with some regularity and always aided the active chapter in every way possible. Since obtaining our charter we have tried to put organization in our work. We meet regularly the first Thursday in each month at the homes of the various members. We have a year book with a specially arranged program for each meeting.

Last June we gave a benefit bridge at the chapter house. The proceeds amounting to $88 we used to beautify the lawn of the chapter house.

We entertained one evening during rush week at the home of one of our members, Mrs. Berry McAlester's whose latch string always hangs on the outside to Pi Phis.

Our December meeting was a social one at which transfers attending the University from other schools were invited.

The active chapter entertained for the mothers the week-end of March 28-29-30. We gave a luncheon in honor of the mothers Saturday 29, at the home of Mrs. Barton Robnett. We were proud to have so many mothers in attendance, thirty-four mothers from town and eight visiting mothers.

Our donation to the Settlement School was twenty-five dollars, and a box which we voted to send each fall before Thanksgiving time to contain such articles as would be determined useful. We also sent $5 to the Fellowship Fund, and never were we prouder to send a contribution than we were the contribution we sent for the purchase of the picture of Mrs. Calvin Coolidge to be hung in the White House. We all felt that a great privilege.

We are now planning to join the chapter in the celebration of Founders' Day; and sorry too that we all can't attend the Washington Conference, though glad to have one of our members, Elizabeth Spencer, there.

With best wishes for some happy summer "get-togethers" like we are hoping for.

A most successful and interesting year has just been completed by the Des Moines Alumnae Club both socially and financially.

We have been trying a new plan during the last year of transacting a large part of our business by means of a committee appointed by the
president, thus giving more time for social affairs. It seems to have worked out well as we are having a larger attendance and more interest shown by members. Important business is discussed at meeting every two or three months. In September we gave a rushing tea at Mrs. Warren Garst's. The October meeting was of general business, getting ready for the coming year with committee reports and those of convention. In November we had just a social gathering. December was our annual Christmas party with games. January was a social gathering with several out of town guests home for the holidays. In February we had pot-luck luncheon followed by a bridge party. Our annual election of officers came in March with a general business meeting and committee reports, and our last meeting on April 5, was devoted to the Settlement School. We expected to have the pleasure of having Mrs. Dowell with us but she left the day before for California. This year we did not earn money for any definite object for the Settlement School but sent in $261.22 to be used as needed. We raised this by our jasmine sale which we held the last of May, and by selling Christmas cards and the stainless steel knives. To Mrs. Howe and Mrs. Graefe both we owe a great deal for they are devoted workers for the Pi Phi Settlement School fund. We are going to sell jasmines this year as usual at Decoration time and have each pledged to sell 100 so we expect a nice start on our Settlement School fund for next year. Just now we are all so interested in the Eastern Conference which is to be held this week in Washington. From Des Moines, have gone our president, Mrs. W. H. McHenry, Mrs. J. A. Howe and Mrs. L. W. Miller and in Washington we claim Mrs. Henry Wallace, wife of the Secretary of Agriculture. Mrs. Carrie Chapman Catt is of course from Iowa, so we feel well represented and are anxious to hear all of the delightful reports they will bring back. We have just closed a most successful year and extend greetings to all other alumnae clubs and welcome all Pi Phis in this vicinity to our meetings.

The Kansas City Alumnae Club of Pi Beta Phi, meeting on the first Saturday of each school month, ended its year on April 5, 1924, at the home of Mrs. Wood Tebbe (Gladys Craig, Kan. B), with an enthusiastic attendance. As is usual in any association the hard work through the year of raising money by food and rummage sales, dances, card parties, taking orders for Christmas cards and other articles, was done by a small group of Pi Phis, to whom the rest of us, including the writer,
take this opportunity of expressing appreciation: and the club gets the kudos.

We appropriated $500 for the Settlement School Fund, $10 for the Scholarship Fund, $25 each for the three nearest active chapters, Kan. A, Kan. B, and Mo. A; and contributed for the first time $120 to the local High School Scholarship Fund, financed through the Kansas City Branch of the American Association of University Women.

We had no formal celebration of Founders' Day this year; we are so near the active chapters that many of us go back to college for that occasion.

Throughout the year our organization has had what the present generation calls "a wonderful time," but we are ambitiously dissatisfied with results and expect to improve on ourselves.

Amongst our distinguished visitors this year we have had the honor of entertaining our Grand President, Amy Onken; Mary Copeland Reynolds Drybread (Mrs. Charles), former Grand Vice-President; Sarah Elkenberry Sigler (Mrs. F. C.); Helen McCargo Geppert (Mrs. John W.), our own (Zeta) Province Vice-President.

The St. Joseph Alumnae have held monthly meetings, beginning with October, 1923. The most important activity of the winter has been the sale of baskets, linens, and rugs from the Settlement School. Sales amounting to $108.70 have been made. The baskets and other wares were on display in one of the larger stores, and also at a bridge party, given for the benefit of the Settlement School. The attractive display caused much interest and favorable comment in St. Joseph. Funds were also raised by means of a food sale given in the early fall.

During the Christmas holidays, the club, through the local Welfare Board, gave its annual Christmas basket of food and toys to a poor family. For ourselves, we had a buffet supper at the home of Olive Hawkins, at which time we were happy to have several active Pi Phis from Mo. A with us.

At present we are making plans for the Founders' Day celebration and for a spring rushing party, before our members scatter for the summer vacation.

The time of meeting has been changed from the second Saturday afternoon to the second Tuesday of each month. The business meeting is held at four o'clock in the afternoon, and those who cannot come at that hour, arrive in time for the cooky-shine which follows. We have found this a more convenient time for everyone, and there is much more interest shown in the meetings this year than last year.

The Saint Louis Alumnae Club equalled its last year’s contribution of $1,000 to the Settlement School fund. The money was raised by means of the annual benefit bridge, selling tickets for one week’s performance at one of the largest picture houses in Saint Louis, selling Christmas cards, and personal donations.

There is an enthusiastic campaign on at Washington to raise funds for a Woman’s Building. We are greatly interested in the success of the project, because the building will provide rooms for the fraternity, and many advantages which the women of the college as a whole need.

We have followed our rule of meeting the first Tuesday of each month at the homes of the members, and have also held several luncheons. After our usual business meetings, we have interesting programs on subjects pertaining to Pi Phis, followed by a social hour.

Early in the year, the club gave a bridge benefit and cleared about $50. This month we are holding a rummage sale, and hope to add to our Settlement School Fund. Our gift to the Fellowship Fund this year, was $10.

We plan to celebrate Founders’ Day, with a luncheon and theater party. We expect several out of town Pi Phis to attend.

No plans have been made, but we look forward to a pleasant and profitable year.

REPORTS OF ALUMNAE CLUBS

The first meeting of our club this year was a cooky-shine held in the active chapter rooms, and the time was spent listening to the report of the Estes Park Convention, which our delegate, Mrs. Houston, gave us. All of us who were fortunate enough to have attended the Convention, and all others, received new inspiration as we listened to her tell of the wonderful sessions, and of the capable and charming women who are at the head of our fraternity; also of the lovely women and girls who were there as delegates and visitors, and last, but not least, of the beautiful hotel, where we lived during that week. To hear all this, made each one of us realize more than ever what a privilege it is to be a part of such an organization as Pi Beta Phi.

In December, the members of the club dressed 100 dolls for the Municipal Christmas tree, which was held at Convention Hall, Dec. 23. We sold Christmas cards to make money for the Settlement School, and also sold baskets and linens sent to us by Miss Bishop. A bake sale, held in March, proved to be very successful, and in this way we increased the funds in our treasury.

Mrs. Houston, who has served us so faithfully for several years as our president, has been seriously ill this winter, and has had to resign, and Mrs. W. H. Brunkhorst (Artemissa Page), has been elected to fill the unexpired term. We all hope that Caroline will soon be on the road to recovery.

This year we contributed $5 to the Loan Fund, $15 to the Fellowship Fund, and $25 to the Settlement School. This is not all of our Settlement School contribution, however, for we hope to send $50 more within the next few weeks.

The alumnae club and the active chapter celebrated Washington's birthday together with a luncheon at the Sansone Hotel. About 60 PIs attended. This month the club is planning to entertain the active chapter at a dinner which will be given at the James River Club, a beautiful club about five miles from town.

Mrs. Nickerson was here for a few days this past week visiting the active chapter, and we were most fortunate in being able to have her with us at alumnae meeting, April 7. She gave a most inspirational talk, telling us of two of our new chapters that she has visited just recently, and also telling us some interesting things of the Eastern Conference which is to be held in Washington. Her strong personality and pleasing manner caused us all to fall in love with her, and we hope that she will find time to visit us soon again.

Our year started well with a better return than ever on our rum-
mage sale for the Settlement School. The sale has become an annual affair and all save for it.

Although our election of officers has heretofore been in October, we are changing it to April in accordance with the Arrow suggestions, and our new officers will be elected at the next meeting, Apr. 24.

We are helping the actives in the redecorating of the chapter house and have somewhat increased the Settlement School check.

Tomorrow night we are meeting at the home of a Pi Phi relative to hear over the radio the Pi Phi songs which Kathryn Browne is singing for Mrs. Coolidge and the Eastern Conference.

Our club has enjoyed a most successful year under the capable leadership of Catherine Candor McRoberts. There has been a fine spirit in our meetings due largely to the inspiration which we gained through contact with Pi Phis from other parts of the country at convention.

This year we have followed our usual custom of holding a meeting each month, with the exception of December. Programs for the year, giving date and place of each meeting were sent to every alumnae with the notice of the first meeting. A luncheon preceded each meeting.

A new system of notifying members was adopted at the first meeting. The city was zoned and captains for each district were chosen. Each captain had a list containing about five names. The corresponding secretary sent cards out to the captains before each meeting and each captain called her group. This system has been most satisfactory, as fewer cards needed to be mailed and there was a personal invitation extended rather than just a written notice.

In October the club had its annual shower for the Settlement School. A large box containing sheets, pillow cases, towels, scrap books, etc., was sent in time to reach the school for Christmas. At this meeting the members also contributed to the Needlework Guild.

The January meeting was devoted to the Settlement School program. Some very interesting letters were read telling of the activities of the School and plans for the future. This year we sent $200 to the School.

During the year, the club has had a rummage sale, clearing over $100 and another one is to be held in April the proceeds of this one to help the active girls of Colorado A in furnishing their house. The club was discussed the organization of a Mothers' Club but decided now to organize at the present time. At each meeting ten cents is collected from each member present and makes up our contingent fund. This fund amounting to $14 was sent to the Fellowship fund.

We are indeed delighted that it has been the privilege of Pi BPhi to present the picture of Mrs. Coolidge to the White House. The idea met with much enthusiasm in our club.
Reports of Alumnae Clubs

Founders' Day will be celebrated in Denver with Colo. A and the Alumnae guests of Colo. B. In May, Mrs. L. Kent Robinson has invited the club to meet with her at her mountain home. At this meeting, we will have election of officers. We are going to have informal meetings during the summer months and hope to have Colo. A and B meet with us.

A cordial invitation is extended to all Pi Phis near Denver to join the alumnae club and make next season's work even more successful than that of the year just closed.

The Manhattan Alumnae Club has enjoyed a most interesting and happy year. Meetings are held at the homes of members on the fourth Monday afternoon of each month followed by a social hour and tea. Entertaining is done in alphabetical order. Two or more girls from the active chapter are always invited. Our chief interests are the Settlement School work and assisting the local chapter in their activities.

Helen Bishop who attended the Convention at Estes gave a most instructive review of the Alumnae Session of Convention at the November meeting. Other subjects which have been discussed at our meetings are: Recent Changes in the Constitution; Grading of Active Girls' Examination Papers; National Fraternity Health Program; and Review of the Settlement School Arrow.
Our Founders' Day banquet will be held Monday, April 28, at the Gillett Hotel. The active chapter entertained the alumnae with a dinner and program at the house in February.

As a small club we are rather proud of our contributions this year. From the sale of Christmas cards and novelties, we made $168.75 for the Settlement School. Besides this, $10 was sent to the Loan Fund, $5 to the Fellowship Fund, and each member gladly gave a dollar toward the portrait of Mrs. Coolidge.

Meetings are discontinued during the summer months, but each one looks forward to the renewing of friendships and activities in September.

During the past winter the Omaha and Council Bluffs Alumnae Club has had luncheons the last Saturday of every month. During Christmas vacation we had a Dutch Treat Luncheon at the Brandes Renaissance Room when 42 attended including many active members of the Neb. B chapter at Lincoln. We were all very proud to have with us our Omaha girls that were pledges to Neb. B at the University this last year.

We are all planning to have our annual rummage sale this spring to raise a fund for the Settlement School. Founders' Day this month will be our next luncheon which we usually convert into a cooky-shine in tribute to that day.

Our local newspapers have given us much publicity this spring with the detailed story of the alumnae clubs of Pi B Phi giving the beautiful portrait of Mrs. Coolidge to the White House. Much interest has been gained for Pi B Phi by many outside of fraternal organizations.

Our alumnae club always takes an active part in rushing during the summer, some of the Omaha girls who plan to attend colleges where there are chapters of Pi Phi.

The Pueblo Alumnae Club feels that it has finished a very happy and successful year.

Financially we are once more on our feet, due to the fact that we have raised our dues from $2 to $3 to meet current expenses, and to a rummage sale under the able leadership of Mrs. Dees which netted us nearly $150.

Our donations have been $50 to the Settlement School, $50 to the Boulder chapter's furniture fund and $5 to the Fellowship Fund.

A more cordial relationship between the club and Colo. A has been established and an active interest in visiting by Pueblo alumnae has met with success, as we have three charming new pledges this year.

Mrs. Frederick B. Haver attended the initiation ceremony in Boulder and extended our greetings to that chapter. An effort is to be made by the club in the following year to devote some of the meetings to sewing for Colo. A.

Monthly luncheons have been followed either by cards or by business meetings, or the reading of letters from the Settlement School. At a cooky-shine in November and a luncheon at the Congress Hotel we enjoyed having with us the Pueblo girls from the active chapter to celebrate with us; and we were royally entertained in return by them at a cooky-shine in March at the home of Frances Pattee.

Saturday, Apr. 12 we elected new officers for the coming year and plans were made for a supper at the Country Club on Founders' Day.

We are delighted to welcome three new members, Mrs. T. W. Rice, Miss Lynette Westfall (Iowa 7), and Mrs. J. A. Collins (Kate Marten, Tex. A).

Sheridan Alumnae Club has been the victim of numerous unfortunate circumstances; it seems this season. First the president, who was married in August, did not return until late; then her husband was transferred to Council Bluffs so that she moved away. The vice-president at that time was taken very seriously ill with an illness of several months' duration. This necessarily prevented meetings, and one other member has been ill for some time and unable to attend so that our work has been so broken up that nothing has been accomplished. I am very sorry for this sort of report to be the only one I can make but under existing conditions it is all that can be done. The girls are all hoping that another season we can make up for lost time. Our new officers are not yet elected.

During the summer one of our members, Miss Ernestine Biby, was appointed chairman of the National Committee on Social Exchange.

Our most successful meeting of the year was held April 10, when with visiting Pi Phis from several other towns our attendance numbered twenty. We had luncheon together at the University Club and then met at the beautiful new home of Mrs. Chester Woodward where we listened to a most interesting talk about the Settlement School by Miss Elva Plank who at one time was head teacher at the school and is at present house mother for Kan. A.

As our alumnae club is limited to about twenty-five members who have many outside and home duties we have not accomplished as much perhaps as last year, but with our limited opportunities we have tried to do something for the Settlement School.

We have had cake sales and rummage sales and during February gave a dance for the benefit of the Settlement School.

In March we gave a Pi Phi tea in honor of Miss Kathryn Brown who was here as a member of the Chicago Grand Opera Co. It was quite a pleasure to meet her as a Pi Phi and enjoy her charming personality.

We are now planning for our Founders’ Day cookie-shine in April.

Our year opened with all interest concentrated on helping the chapter pay for the house purchased a year ago. The Club and chapter each agreed to raise $1,000 before October 1925 to meet immediate obligations. This will enable the chapter to carry the remaining indebtedness. Approximately $600 of our pledge has been paid by the follow-
Reports of Alumnae Clubs

Letters were written by club members to all absent members of Wyo. A in order to obtain payments on house notes and other contributions to the house fund. The response was excellent. In December a Doll Bazaar netted us $15. December 27, a dance brought $42.50. A card party in February brought $34.30. Refreshments were dispensed with at the monthly meeting and the money thus saved, $15.75 to date, added to the house fund. $25 was sent to the Settlement School; $5 to the Fellowship Fund and $5 to the portrait fund.

Under the enthusiastic leadership of Mrs. Cady, the advisory board has learned its duties and taken active part in chapter affairs. The scholarship member has attended meetings when grades were read each period and the board endeavored to give constructive help to those whose grades were low.

On the evening of April 11, several alumnae and active members met at the Cathedral receiving station and heard the Pi Phi greetings to the Eastern Conference and the songs broadcasted by Katheryn Browne from Chicago.

The club is greatly indebted to the Cheyenne Club for an invitation to spend Founders' Day with them. Saturday, April 26 was found to be most convenient. Most of the active and alumnae members expect to drive over if the weather is favorable.

Ably assisted by the patronesses, the club gave a rushing party in October. On Feb. 12 the patronesses entertained the club at a delightful Kensington at the home of Mrs. Nydeggar.

At the invitation of Δ Δ Δ alumnae club, all resident alumnae of women's fraternities met at a tea, when plans were launched for the formation of a city Panhellenic.

We hope next year to complete our share of payments to the House Fund and thereafter devote our energies to the Settlement School which every year becomes a greater pride to ll B Φ.

The Ardmore Alumnae has pledged $100 to Okla. A, Norman, for their lot fund to be paid within sixty days, dating from Mar. 26. In order to raise the amount we gave an alumnae club benefit dance. Owing to many difficulties we made very little. The plan now is a donation of $10 from each member. We also pledged Okla. A $100 every year for five years. They are trying so hard to build a new home and we are doing everything possible to help.

Our club has held its regular meetings the second Saturday of each month at the homes of the different members. The meetings have been devoted to Settlement School, study of the Constitution, and in the interest of the nearest chapter, Ark. A.

The Pi Beta Phi State Convention was held in Fort Smith June 10 and 11, 1923, with 35 Pi Beta Phi present, who were entertained in the homes of the town Pi Phis. The convention was very successful in every respect. Dorothy Harris, Ark. A, was our Convention initiate. Our club had four members to attend the national convention at Estes Park in 1923.

We raised $50 for the Settlement School by selling Christmas cards. We donated $5 to the Fellowship Fund, $11 for Mrs. Coolidge's portrait, and $69.66 to the House Fund of the Ark. A; $32.46 of the house fund
was raised by donation and sales, and the rest by sending "The Samaritan Verse" to all Arkansas alumnæ.

One Pi Phi recognition pin was given by the club to the initiated girl making the best average for the first term, and another pin to the initiate or pledge making the most improvement the second term over the first term.

We celebrated Founders' Day with a luncheon at the Polly Tea Shoppe with Pi Phis from surrounding towns as guests.

The club has sent birthday greetings to the Founders of the fraternity.

The Fayetteville-Fort Smith Alumnae Club sends greetings and best wishes to all Pi Phis.

This year has been a very active year for the Houston Pi Phis. In the summer the alumnae gave a delightful rush party at the country club which inspired much enthusiasm for Pi Phi among the girls who were going to the University of Texas.

The first business meeting of the year was held in September at the home of Mrs. George Hill, Jr. Since then the meetings have been held regularly each month at the homes of members with two hostesses for each.

A club party for which each member pledged herself to sell four tables, was given for the Settlement School and netted a considerable sum. To increase the amount candy was sold during the party and the prizes, which were fancy candle sticks, were donated. The proceeds raised from the sale of a very attractive quilt, a block having been made by each member, will also go to swell our Settlement School gift.

Plans are under way for a delightful tea celebrating Founders' Day.

The Little Rock Alumnae Club meets every month at the home of one of its members. We usually meet at night so that all of the girls can come. Our main interest, this year, is the state convention which
is to be here this June. One of our most active members, Mrs. Walter Milliken, is the state president for this year.

We were very glad to have a visit from Miss Juanita Bass this fall. Her visit to us was her initial visit as Theta Province President.

A dance is to be given this month to raise funds for the Settlement School. We hope that this one will be as successful as the last one we gave, for we cleared $75 on it.

The New Orleans Alumnae Club meetings have been held on the second Saturday of each month at the homes of the members. A definite program was carried out at each meeting, for instance one meeting was devoted to the study of the constitution, one to the Settlement School and one to convention.

There is a great deal of interest centered upon methods for raising money for the Settlement School. In January a benefit bridge was held at the home of Mrs. Blanc Monroe, and by this means we raised $110 toward this fund.

Again we sold cards at Christmas time for the Settlement School contributions which amounted to $47.

We expect to have our usual rummage sale next month. These sales so far have been very profitable. A committee is appointed to collect the clothes and the girls are very enthusiastic workers on the day of the sale.

We will celebrate Founders’ Day with a large banquet held at the Country Club. This affair is usually very well attended. The alumnae will be entertained with clever stunts from the active chapter.

We had the pleasure of having Mrs. Nickerson with us for a few days in March. The club entertained at a large tea in her honor.

Altogether we feel that the past year has been a profitable one, and although our meetings are not largely attended as they should be, we are looking forward to next year to make it the best possible.

Best wishes to all Pi Phis.

The work of the Oklahoma City Alumnae Club for the year 1923-24 has been centered for the most part upon raising money for the Settlement School. Last fall a cedar chest was purchased and after each member had contributed something to put in the chest, it was raffled off and a neat sum was made. $125 of this money was sent to the Settlement School. $5.00 was also given to the scholarship Fund.

Selecting Okla. A as our nearest active chapter we helped them by hemming two linen tablecloths and four dozen napkins for their chapter house at Norman.

As a club we have also had a very pleasant social year, mingling our charity activities with bridges, cooky-shines and general good times. As the club adjourns in June for the summer months we feel we have laid a firm foundation and have a great incentive to carry on our work, next fall and the following year.

Our year began with a tea at which Mrs. Ralph H. Berry was hostess in her home in honor of girls who were soon leaving for schools and colleges. At that time Miss Golden Etter gave a very interesting account of convention.

In October Pi Phi husbands were honored with a Hallowee'en spread at the suburban home of Mr. and Mrs. W. B. Rennells.

In November our club was hostess to the Tulsa Panhellenic association at the home of Mrs. W. H. Pomeroy.

At the benefit dance on Dec. 1, the Tulsa Club made between $75 and $100 for the Settlement School.

We all greatly enjoyed a cooky-shine which we gave in February honoring Miss Elizabeth Estes, a Pi Phi from Mo. A. She has for the past year been secretary of the alumnae club at Columbia, Mo.

During these last months Pi Phi is entertaining with a series of informal teas, the first of which was given in the home of Mrs. Philip J. Kramer, and the second in the home of Mrs. Thomas I. Monroe.

Founders' Day will be celebrated with a banquet at the Tulsa. We expect to close this year's activities with a charity bridge.

Due to the fact that the Corvallis Alumnae Club has been organized such a short time our work for this year has consisted mainly in helping the local chapter raise their scholarship and in raising money for the Settlement School.

Working with the local chapter, Ore. B, our alumnae club gave a bridge tea. The afternoon resulted in $47 for the Settlement School.

Next year we are planning to do many more things than we were able to do this year due to the fact that our club was not chartered until late in February.

During the past year the Eugene Alumnae Club has held six regular business meetings on the second Saturday of each month beginning in October. It has had two social events, one a luncheon as a mere token of appreciation for the hard labor and devoted interest of Mrs. Harriet Benson, our chapter chaperone, and Ethel Gaylord, who gave all their summer to supervise the construction of our new chapter home. The other social was a Pi Phi covered dish supper for the husbands of the Pi Phi Alumnae. This was held at the most attractive country home of Edna Prescott Davis. This past year Edna presented us with a new Pi Phi husband, the Rev. Henry A. Davis, who is head of the religious instruction at Oregon and Y. M. C. A. secretary. After a most enjoyable supper the husbands and wives sat about the open fire-place and in the mellow light of the flames, with the lights of the city far below twinkling through the trees, we sang the songs of Pi Phi.

We plan on one more business meeting and a social meeting to entertain the seniors of Ore. A.

Our girls are living happily in a chapter home of their own and the alumnae now feel the health and the living conditions are such as to warrant success to the fraternity. Their needs are not all taken care of but we of the alumnae are strongly behind the girls and our occasional gifts are in the form of needed accessories to the house and its furnishings.
Our donation, $70.75, to the Settlement School was raised by the sale of Mrs. Gutgesell's Christmas cards. We feel that much credit for this project was due to the effort of Lillian Crosland who served faithfully as chairman of this work.

Founders' Day is to be celebrated with the active chapter and at present a committee is investigating the possibilities of a joint picnic with our sister chapter, Ore. B.

The university is about to launch a campaign for gifts to the amount of five million dollars in five years to help meet the needs of a rapidly growing student body. Members of the alumnæ club are trying to do their part in helping build a greater Oregon.

We were especially fortunate in having Miss Keller with us in July of this year, for her enthusiasm and help were just what we needed to start us on a most enjoyable and profitable year.

A picnic on the Columbia Highway and a very lovely supper party at the home of Mrs. Geo. B. Guthrie were given for Miss Keller who was here primarily to attend the A. A. U. W. convention.

In August, about 62 PI Phi mothers and children attended the picnic given for the kiddies in Laurelhurst Park.

In September and December we gave teas for the active girls and their guests. The first was at the home of Mrs. E. C. Sammons and the Christmas tea at the home of Mrs. Fletcher Linn.

We did have such a good time when 65 girls gathered at the home of Mrs. John R. Turner for a cooky-shine in October! There was so much "pep" and PI Phi spirit displayed that I'm sure most of us will remember it for a long time.

Our September, November, January and March meetings were business meetings held at the homes of various members, while we had luncheon at the University Club in December and June. At the January meeting the Misses Knee of the Stuart Walker Players were our guests.

The one other outstanding social event of our year, to date, was our series of bridge parties. These were held at the homes of Mrs. Turner, Mrs. Horton C. Brownell, Mrs. Rose L. Phillips and Mrs. Dean Vincent on February 16. Large committees assisted each hostess and the parties were a success both socially and financially.

As usual, our two major activities this year have been help for the active chapters and our Settlement School work, although we were able to give $10 each to the Fellowship, Scholarship and Student Loan Funds. We sent Ore. A and Ore. B each $100 for their birthdays. This money is applied toward their building funds.

Our check to the Settlement School was for $500. This is the best we have done yet, but we are hoping to do better next year.
We also gave $5.00 to the Portland Community Chest.

This money was raised through dues, personal subscriptions, a rummage sale in the fall, the bridge parties, Christmas cards, etc. Next year we plan to sell some Oregon made product on commission if plans work out.

Although this is really the end of the year, we still have a number of pleasant affairs ahead of us—Founders' Day Banquet at the Multnomah Hotel, a tea for our Mothers at Mrs. Guthrie's, a luncheon in June and the children's picnic in the summer.

We have made an earnest endeavor to become acquainted with all Pi Phis in the city and to urge them to join our club, but if for any reason we have missed any, or if any of you come to Portland, won't you please let us know how we can get in touch with you?

This year, as last, our club efforts have been directed mainly toward helping the building fund of the Wash. A chapter grow. In the fall plans were made for a bazaar, and the work was carried on by small neighborhood groups, each group being responsible for one table. We found this plan not only helped the fund, but helped us to know each other better. Mrs. Wilmot Lilly (Beulah Yerkes, Wash. A), was chairman of the bazaar and worked unceasingly toward its success. It was held just before Thanksgiving and the proceeds were about $700, so we felt our work had been worth while. We are now making plans for next fall's bazaar and hope to get a great deal of work done during the summer.

We had our annual Settlement School meeting in November at the home of Mrs. H. B. Wilbur (Leda Pinkham, Iowa Z). After a big cooky-shine we listened to reports on the School by Harriet Johnstone and Elizabeth Dearborn, who went to the convention at Estes Park last summer, and returned with new enthusiasm to inspire us. As all the proceeds of the bazaar were to be turned over to the building fund, it was necessary to raise money for the Settlement School in other ways. We had the Christmas card books again this year, making a nice sum in that way, and the balance of our $500 contribution has been made up through personal pledges.

In January we had a meeting at the chapter house, to get better acquainted with the active girls. Other meetings have been held at the homes of various members.

Our Founders' Day banquet is to be held on April 26 at the Women's University Club. The senior breakfast in honor of the 1924 graduates will be given on May 17, and our year will close with a picnic on June 21.
WASHINGTON A chapter is now assured of a house of their own for next year. The chapter has purchased the house which they have been renting the last two years and it will be remodeled and enlarged this summer to provide adequate space for their needs. They have been assisted in their efforts by an untiring advisory board and a very active Mother's Club—not forgetting generous fathers—and we will all be glad to celebrate with them when they go into their new home.

For the year 1923-24 the club has divided its interests between the intimate work of Π Β Φ and the outside local activities which are being considered necessary to acquaint us with unusual folk of Tacoma and give them the knowledge of our place in the community.

In the intimate interest of Π Β Φ exclusively, we started in Sept. 12-13, with a rummage sale, clearing $165. We considered it one of the most humane and absorbing activities we have accomplished, not only materially, but in the way of meeting original characters and in really knowing each other. At the September meeting we introduced the Gutegesell Christmas Book, our usual custom. This committee worked until Jan. 1, and cleared $65. During the month of November the local members of the University of Washington, met several times and prepared novelties which were sold at the annual bazaar of the chapter and alumnae at the Hotel Gowman in Seattle. In December we had a holiday tea. Several of the active chapter of the University of Washington came and we presented them with a check of $100, to be used in their proposed new house. In January one of our members told of the year's achievement at Little Pigeon. We sent $100 to the Settlement School. We have realized a good sum from the collection of 10 cents a member for every assembly and a 25 cent fare for those riding in Pi Phi cars to and from the meetings. In April we combine with the Seattle Alumnae and actives to celebrate Founders' Day. June is the month of the Strawberry Festival in the Puyallup valley when the members from Sumner are the hostess. The constitution and history will be reviewed.

During the year five minute talks have been given on the following well known Pi Phis: Dr. May L. Keller, Dr. Carrie Chapman Catt, Marguerite Linsey, Mary Shannon Snook, Elizabeth Helmick, Mrs. Calvin Coolidge, and Shirley Seifert.

The club has limited its outside activities to experiences participated in by local well known women. Their scope and type have been so diversified that there has been no monotony. This plan has interestingly brought to us intelligent women of the community who find us forcefully in back of their pursuits. In this way a reciprocal interest is established.
In October Mrs. Lola Friars, teacher of mathematics, read a paper on Amy Lowell, giving a keen insight into her spirit and sense of beauty. For the November Assembly the young woman who was a representative sent from the Hull Day Factory to the Bryn Mawr Industrial summer school, whom we had helped financially, told of the aims and accomplishments of the course. In February, Alma Wagen, a nationally known mountaineer, gave her experiences as a guide in Rainier National Park. At the March meeting Miss Helen Evans, who during her vacation "personally conducts" parties on European tours, spoke on "Touring England Char-a-banc." In May Miss Lois Hartman, a Spanish teacher, will give a talk "Travelling in Spain," which will end our list of speakers.

Under the leadership of our beloved Founder president, Mrs. Fannie Whittemack Libby, we have spent a busy and happy year. Our club has not grown in membership but we have had most interesting meetings at the homes of different members, and have also been of some service to our community.

At our first meeting in the fall we had as our guest Ora Shrader Hern (Colo, B) of Christoal, Canal Zone, who read for us in her old delightful manner.

Alice Berry (Minn. A) is general secretary of the Yakima Y. W. C. A.; for that reason we have had a deeper interest in helping make some much needed improvements in the Y. W. C. A. rooms. Early in the fall we held a rummage sale which netted us $45 with which we purchased window draperies and bedding for the Y. W. C. A. Our members contributed 12 pairs of pillow cases.

Mrs. J. S. Alexander (Anne McKay, III. A) also sent us money to buy a beautiful leather chair for the Y. W. C. A. rest room.

During the holidays we had a luncheon at the Commercial Hotel

We sent several articles of needlework for the annual bazaar of with the girls from the active chapters as our guests. We are now working up others to be given next fall to both Washington active chapters.

Our members were glad indeed to send $15.50 as our share in purchasing the Christy portrait of Mrs. Coolidge.

With a Founder in our midst, Founders' Day has a double significance to us and we are now planning a banquet to be held at the home of Marion Cameron, (Wash. A.)

The Long Beach Alumnae Club is about to close a most successful year, beginning the monthly meetings which are in the form of alternate bridges and luncheon in October when it was necessary to re-elect two officers since Mrs. Williams and Mrs. Barnes were leaving Long Beach.

Dec. 1 the club were hostesses at a very successful and profitable bridge tea and musicale at the Hotel Virginia as a benefit for the Settlement School. The club was able as the result of this bridge to send $125 to the School.

After our meetings devoted to the interest of the nearest active chapter we presented Calif. A with a mahogany windsor chair for their new house.

We plan to officially celebrate Founders' Day in conjunction with the Los Angeles Alumnae club at their annual banquet and also to have a special cooky-shine in honor of the day at the next regular meeting.

The last meeting of the year will be in the form of a picnic at Bixby Park which is becoming an annual affair.

We have all been pleased to be represented in our local Pan-hellenic this year first by Mrs. Herbert Waite (Thurlyne Buffum, Calif. A), and also by Josephine Kenkel (Minn. A), both serving as president of Pan-hellenic.

Since this has been our first year as an official alumnae club we all feel that we owe many thanks to our retiring officers in making our successes possible. They have built a strong organization whose increasing membership is ready to do even better work for next year.

We extend most hearty greetings to other alumnae clubs and hope that we may all have a most successful future.

The Los Angeles Alumnae Club is having a most successful year, with Mrs. Forker (Captola Breiley, Wis. A) as its efficient president. Of course we feel doubly fortunate in having both the president, Mrs. P. M. Young (Lucile Nixon, Ind. B) and the vice-president, Mrs. Perce H. Curtis (Blanche Charlton, Mass. A), of Kappa province, in our organization, and for their active interest in the club.

The Californian girls have at last had the deed to their house signed over to them, and at our annual bazaar in December, through the combined efforts of the active chapter and the alumnae club, and with Evelyn Griffith as our able chairman, over $800 was cleared, for our house fund. So far this year, we have helped the active girls buy two rugs for the house and have given the chapter some new china. Our contribution to the Settlement School will amount to over $500.

There is not a member of the alumnae club nor the active chapter, who has not felt keenly, the loss of one of our beloved as well as most untiring workers for Pi Phi, Mrs. Chas. E. Carver (Flora Sigler, Iowa B). Mrs. Carver gave unstintingly of her time and strength to Pi Phi, and her passing is a great loss to us, a well as a sorrow. Next to Pi Phi, the Goodwill Industries of Southern California, where they work to reclaim the discards of life, human as well as otherwise, was the organization in which Mrs. Carver was most actively interested. The establishing of a day nursery there, that the babies and small children of the mothers who go there to work may be cared for and have good wholesome food and clean beds during the day, was one of her dearest wishes. It is toward this end, that we as a club are giving sixteen little beds, in loving memory of our Mrs. Carver.

Our Founders' Day banquet is to be held on the evening of April 28, at the "Mary Louise" and promises to be the most successful as well as enthusiastic Founders' Day celebration we have ever had. All of the Pi Phi's from the surrounding towns are joining with the active chapter and us at this time.

The officers for 1924-25 have not been elected. We still have two more meetings, a regular monthly meeting in May, and the final affair of each Pi Phi year with us is a picnic held in June.

Altogether we feel that this has been a most successful year and we are looking forward to an equally good one during 1924-25.

We feel that we have accomplished a very worth while piece of work this year in securing most successful cooperation with the active chapter. We began this work by assuming the remaining debt on some furniture for the chapter house. This money was raised by increasing the membership dues to a dollar a month, the entire year's assessment being paid by the first of March. The alumnae club assisted the active girls, in giving their one rushing party—strictly for girls, according to Pan-hellenic decree. The party took the form of a Spanish cabaret.
Upon the cordial invitation of Nev. A., the Advisory Board and other alumnae have visited chapter meetings at frequent intervals during the year, thereby keeping in touch with campus problems.

As a Christmas gift, Nevada Alumnae presided over a miscellaneous shower for the chapter house.

Mrs. P. M. Young, Kappa Province President, visited our chapter in November, telling us of the work of neighboring alumnae clubs and giving us splendid ideas for more effective work.

Our contribution to the Settlement School was raised by the sale of Christmas cards. We had a successful exhibit of Settlement School baskets, creating in the community interest in Pi Beta Phi's national constructive program.

At the last regular monthly meeting, the chapter added two new officers to the list—one, a music leader, and the other, a custodian of supplies. The music leader was needed, we felt, in order that we might keep up with the chapter's new songs. The custodian of supplies is to take charge of all initiation properties and robes belonging to both active and alumnae chapters—a new president's robe is the gift of the alumnae to the active chapter.

Plans are well under way for the Founders' Day banquet. About forty active and alumnae members are expected. This celebration is always one of the year's real events for Nevada Pi Phis.

Along with our more serious plans of the year, we have crowded in some very jolly times together. As usual, our meetings next year will be held the third Tuesday of the month. All visiting Pi Phis are cordially invited to join us.

The Nevada Alumnae Club sends best wishes to all Pi Phis for the coming year.

The closing year, 1923-24, has been quite an active one for the Northern California Alumnae Club. Besides the regular monthly meetings, a number of additional functions were held, the first being a formal tea at Mrs. Harry Howard's (Daisy French, Calif. B) home. This was a tea given for the rushees, during rush week, and the fact that a large number of active Pi Phis and alumnae were present is a good indication of the success of the party as well as the interest of all Pi Phis in assisting to choose pledges.

In November, the annual Settlement School benefit card party was held at the chapter house, and under Mrs. B. C. Gerwick's (Bernice Coultrap, Colo. A) careful management the party proved to be a financial and a social success. About $80 was cleared at this time.

In December, we assisted the active chapter with their bazaar, and
again held another Settlement School benefit card party in March, clearing practically $100.

The last function of this year will be our annual Founders' Day luncheon, May 3, at the Whitcomb Hotel in San Francisco. Mrs. Wallace Campbell (Colo. A), and Mrs. Chas. Derlith (Emily Bush, Colo. A), were asked to be honor guests. Arrangements have been made for a good program during the luncheon and for an informal card party and reception afterward for those who care to attend.

The officers for 1924-25, having just been elected have not as yet made any definite plans for the coming year, although they are planning to change the usual program and have two Saturday meetings one in the fall and one in the spring at the chapter house at Stanford and Berkeley and have more or less of an open house day whereby they hope to bring the alumnae of each chapter closer together.

Keen enthusiasm and interest has been shown throughout the year by the club members in all national and local interests of Pi Phi as all calls for donation and assistance have been quickly answered.

One of the outstanding events of the year was the visit of Mrs. Young, our Province President. The alumnae club joined with the chapter in entertaining for Mrs. Young, and we feel that we derived fully as much benefit from her visit as the active girls did.

At the beginning of the fall term we presented the chapter with a set of wicker furniture for their living room. The advisory board has worked in very close cooperation with the active girls. The girls have been very willing to accept suggestions from the board and we feel that this phase of our alumnae work has been more satisfactory this year than ever before.

We have not had our entertainment for the Settlement School yet, but $25 has been sent through our club for Mildred Tate Milton.

We entertained the pledges with a buffet supper during January and are planning to have all the active girls as our guests at our Founders' Day banquet.

To begin with, this report is late due to my moving and so the letter followed me about town and then went to the post-office and was delayed there until they got my correct address. I am sorry and I hope this is not too late.

Our Club has had its last meeting of the year which has been a most successful and enthusiastic one. Several Pi Phis came here during the year to live and they were welcomed into the club and we hope that all Pi Phis who do come here will feel free to join our club, as they are always welcome.

We have now completed our second year of the Alumnae Club and it has been a very successful one. Our meetings are held the second Wednesday of each month at the homes of various members. Increasing enthusiasm has been shown by the improvement in attendance. At every second meeting the evening is spent at bridge.

During the year we were very sorry to lose one of our members, Lillian Davis McCracken, who with Mr. McCracken has moved to Washington, D. C., where they will be permanently located. Several new members have been added to our number, thus making our membership reach near twenty, which is very good we feel for our second year.

So far we have not been able to contribute to the Settlement School fund as we would like but if our plans for next year are carried out we shall be ready to do our part for Little Pigeon.

Founders’ Day was celebrated with a luncheon at the home of Meda Carley. We were very happy to have with us the Laramie alumnae and most of the active chapter.

The last meeting of the year was held in the form of a rushing party at an informal dinner. Cheyenne has quite a number of girls who plan to enter college next year and we are very anxious that they become Pi Phis. Until recently rushing has not been such an important factor as we have had little or no competition in Cheyenne itself. We have planned on at least two more parties for rushers during the summer. With best wishes to every Pi Phi.

Because of the fact that so many of our members were out of town and because we at all times have so transient a membership, it was impossible to have a meeting for the election of officers until May 3. That afternoon we assisted at a tea given by our local Panhellenic for the senior high school girls, and afterward we all went to Marjorie Jaillite's home for a cooky-shine. We followed this by a business session at which officers for the coming year were elected and several other matters of business transacted.

We think that our present membership will be permanent and we hope that we shall be able to be more active during the coming year.

CHAPTER LETTERS
Edited By Carolyn M. Reed,
Nebraska B
1251 South 27th St., Lincoln, Nebraska

These chapter letters, written as the college year was rushing to a close, can merely sketch the swirling events and overflowing days of every active Pi Phi. But in many of them appear the red letter days, the special joys and honors which betray long months of preparation, and must not, therefore, be passed by too lightly nor swiftly.

It is to award full recognition to these items that we are trying still a different way of attracting your attention. It may seem at first to suggest merely a hurried resume of all, but we feel certain that some of the items will prove so interesting that you will read on to find more for yourself.

We have tried to choose the most representative news of the active chapters. Some of it may not appeal to all of you, but certainly you will enjoy part of the features, and this seems a fairer way of giving credit to the large number of enthusiastic scribes who so loyally record the successes and achievements of their respective Pi Phi families and Alma Mater.

Initiation was held in the afternoon at the home of Mary Scott, followed by a short chapter meeting, and in the evening the initiation banquet at the Alexandra Hotel. The annual spring dance was held at the King Edward Hotel on February 29. At both of these festivities many of the alumnae were present.

The chapter was divided into several teams to raise money for the Settlement School and other altruistic purposes. The teams have worked faithfully and in addition to raising money have given the chapter and alumnae much pleasure by putting on a tea dance, a mothers' tea, an informal house dance, and a raffle.

Ontario A has been well represented in the various campus organizations and activities this year. Evelyn Willmott won the University Cup for swimming and diving.

The chapter held the Founders' Day celebration in the form of a banquet with the alumnae on April 28. In the interval between examinations and Convocation, June 6, comes the annual houseparty at Jackson's Point.

Spring has arrived here in Maine. Base ball practice is in full career—victrolas blare out from fraternity porches—and there is much study of astronomy!

Maine A has many happy memories of this new year. In March was held the initiation, banquet and dance. The wife of the Dean of the Arts and Science College offered her home, as there is no ΠΦ house here. The alumnae were well represented and the initiation seemed especially impressive. At the banquet, many alumni were welcomed home, and the Initiates spoke humorously, charmingly and with true ΠΦ spirit. Both the banquet and dance were carried out in a St. Patrick's Day color scheme with clever decorations.

The ΦΓΔ house was recently burned with quite a loss above insurance. The university has been busy with journalistic conventions, extension work, and many social affairs, including the recent sophomore hop.

Six of the Maine Pi Phis attended the Washington conference, the chapter's special representatives being Pearl Woodard and Margaret Boothby.

The chapter has recently pledged two freshmen, Bessie Muzzey and Mae Kirk.

Initiation and the banquet following in the evening were very successful and much was added by the large number of alumnae who
returned. Six members of the class of '23 were back, together with many of the older alumnae. It may be interesting to note that the first Pi Phi daughters to be initiated into Vermont A were Beatrice Winch and Rachel Poole.

Soon after Christmas a Red Cross membership drive was carried on on the campus. Ruth Cowles was at the head of the successful campaign.

A new honor came to Middlebury indirectly when her president, Paul D. Moody was elected to the Legion of Honor. This was deeply appreciated since President Moody has always been much attached to the French people and is very interested in the Maison Francaise of Middlebury's French department, which is so well known among all French students.

ΔΔΔ headed the scholarship list this past semester, having worked up from the foot. If Φ was third with an average of 85.47 which was only .27 of a point lower than the highest average. Four Pi Phi seniors, Margaret Brown, Norma Foster, Helen Field, and Anna Wilkinson were elected to Φ B K.

Pi Phis are taking an active part in making plans and arrangements for Junior Week. Margery Winter has the lead in the junior play and Dorothy Johnson has an important place in the cast. Margery Winter was also elected to be Junior Marshall of the Daisy Chain on Class Day. Middlebury recently presented a successful musical comedy, written and produced by the students. The Dramatic Club has been very active, using a new plan by which every member has a chance to take some part in a production during the year. This was done by dividing the club into small groups of about ten or a dozen members each. Each group had to produce a one-act play during the year, drawing its entire cast, stage manager, costumer, make-up man, electrician, etc., from the group. The last week in March a campaign was held on campus for money for the Student Friendship Fund, to which the women subscribed 100 per cent.

Fourteen Vermont A's attended the Washington conference. This chapter united with Vermont B, with the Middlebury Alumnae Club and the Burlington Alumnae Club at a big cooky-shine on Founders' Day.

This semester has been unusually busy for Vermont B on account of second semester rushing which has proved very satisfactory. The pledges were welcomed at initiation banquet which was held at the New Sherwood Hotel, February 23. Many alumnae were present and two delegates from Vermont A.

The college “Kake Walk” was the big mid-winter feature, in which the men put on stunts in competition for cups and couples walked for the “Kake.” The women of the university are making extensive plans for Sub-freshman Day, when girls from all the high schools in the state are entertained.

Josephine Halsey and Alma Tyler played on the championship basketball team while Mary Holman, Elizabeth Wilson, Frances Burdett, Anna Martin, Mabel Goodwin and Corrinna Somerville were on the other teams. In W. A. A., Corrina Somerville was made president and Elizabeth Wilson, treasurer. In Student Union, Frances Burdett was elected vice-president and Ruth Moody a member of Student Union Council. In Vermont’s Club, Florence Lewis was appointed vice-president, as well as being made manager of Glee Club.

Vermont B celebrated Founders’ Day with Vermont A at Middlebury.

Initiation was held at the home of Katherine Dickson in Brookline, followed by the annual banquet at the Boston Art Club. On March 12 the active chapter joined with the alumnae in a theater party, given for the benefit of the Settlement School. Although it turned out to be one of the stormiest nights of the year, a large number attended.

Two Pi Phis were soloists in the Annual Girls' Glee Club concert, and II B Ph has a clever side show in the "I. C. S. A. Circus" which took the place of the annual stunt night. These were closely followed by G. A. A. Frolic, Physical Culture Exhibition, Sophomore-Senior Masquerade, and a play by the Cercle Francais.

Athletics have played a large part in the girls' activities this year. Contests have been going on in tennis, volley-ball, basketball, base-ball, and swimming, keen class spirit being shown in all of them. Y. W. C. A. presented a new feature in conducting a Vocational Guidance Week. Every day there was a tea at which some well-known woman spoke on the large field of opportunities open to women.

Interesting lectures of educational value are frequently held. This week an elaborate program was arranged for Boston's celebration of the two hundredth anniversary of the birth of Immanuel
Kant, the philosopher. A number of prominent citizens discussed topics connected with the work of the philosopher.

Massachusetts A went to Washington with 75 per cent of its actives, and a large number of alumnae.

The spring sport season is in full swing at Syracuse University, and much enthusiasm is being shown for soccer, lacrosse, baseball, and crew. A women's swimming meet began the athletic activities for women. Then came the annual Women's Day and Moving-Up Day festivities.

Twenty-five of the active members attended Washington Conference, with about the same number of alumnae. On April 28 alumnae and actives held a joint celebration at the chapter house.

Spring elections have been held on the campus and ΠΒΦ is well represented in the new offices. Larry Lawrence was chosen basketball representative to the athletic governing board and also junior women's cheer leader; Thelma Herd, rifle representative to the athletic governing board; Marjorie Green, chairman of the
eligibility committee of W. S. G. A.; Grovène McLean has been initiated into ZΦH, honorary professional oratorical fraternity; Lucia Fry into ΠΛΣ, honorary library fraternity; and Della May Hancock into ΦΒΚ.

Helena Laidlaw, Canton, N. Y.
Joyce Taylor, Brooklyn, N. Y.

The basketball season was most satisfactory. On March 5, St. Lawrence scored its third victory over Clarkson School of Technology in the final game of the season. Now all efforts are being concentrated upon track and lacrosse, a sport newly introduced this spring.

St. Lawrence University is now recognized by the American Association of University Women which entitles the women graduates to membership in many women’s clubs in the cities and towns of the North Atlantic states.

St. Lawrence students were very fortunate in hearing Dr. S. Parks Caedmon of Brooklyn who addressed them on March 6, his subject being “What Will Be Our Contribution to Civilization?” Colonel Hugh L. Cooper, one of the world’s most distinguished engineers gave an illustrated lecture April 19 on the “Development of the St. Lawrence River.”

The installation of ΔΣ, a local organization, as the ΑΜ chapter of ΔΖ took place April 11 to 16. This is the fifth national women’s fraternity to establish a chapter on the Hill.

A visit by Miss Onken was the greatest inspiration of New York Γ during the year. She emphasized the responsibility not as an individual group but as a unit in a great national organization.

Grace Rodee was elected to ΦΒΚ with the highest average in the senior class. “Mummers,” the dramatic association has chosen “The Rivals,” by Sheridan for its spring production. Hester Cushing and Alice White are members of the cast.

The freshmen girls entertained the active chapter and alumnae on Founders’ Day with an original musical comedy. The final social event of the chapter for the year will be a dinner dance on May 31.

At the time of initiation, the chapter entertained the Grand President, Dr. Edith Gordon, Ontario A, who is the fairy godmother of New York A, and Dr. Edith H. Matzke, one of New York A charter members. This will always be remembered as one of the outstanding events in the history of New York A. The chapter also enjoyed a visit from the Province President in February. Plans are being made for the annual bridge party for the benefit of the Settlement School, and also for the annual spring formal. Seven members of this chapter attended the Founders' Day luncheon given by the New York Alumnae Club at the Hotel Astor on April 5.

New York A recently pledged Iva Pasco, and takes pleasure in announcing the affiliation of Dorothy Rogers, Maryland A.

Elinor Jennings was recently elected to the Women's Board of the "Cornell Daily Sun," as assistant editor. Frances Winney was elected to membership in the Cornell Women's Dramatic Club.

New York A is at present making plans for the purchase of a new chapter house and hopes to occupy it next fall.

The usual round of social activities have livened up the gloom cast upon the college by measles, mumps, and chicken pox. The Swarthmore-Haverford Glee Club concert was followed by a prom and the juniors held a delightful spring dance. The Pan-Hellenic tea with XΩ as hostess, was given April 24.

The Women's Glee Club, of which Mary Jones is president gave their annual concert the evening before "Somerville." It was acclaimed the most successful of any concert ever given.

"Somerville Day" was held April 12 under the leadership of Elizabeth Hamilton as president. The other two Pi Phis who remained in Swarthmore instead of attending the Washington Conference assisted in the program. Dorothy McClaren poured tea and Anne Hunt took a leading part in a play.

May Day festivities in the form of a Greek pageant will be held on May 10. Katherine Mode has been chosen Maid of Honor to the May Queen, and other Pi Phis will take part in the dances.

Initiation was held on March 14 at the Hotel Sylvania in Philadelphia. The ceremonies were unusually impressive and a formal
banquet was held afterwards. Dorothy McClaren was toastmistress, and Lois Thompson, Emile Speare, Gahrig Price, and Elizabeth Hamilton interpreted the pin-feathers, the shaft, the point, and the chain of the Arrow, respectively.

Twenty-five of the active chapter attended the Washington Conference. The banquet, the White House reception, the Congressional Club reception, and the trip to Mount Vernon were events never to be forgotten.

Alice Schrack took the lead in the "White Headed Boy" and as "Aunt Ellen," created an unforgettable character. She has been elected to membership in the Little Theater Club. Dorothy McClaren has been elected treasurer of the Swarthmore Democratic Club.

An enthusiastic representation of the chapter attended the Eastern Conference, where a good number of alumnae were also present. The girls were not only thrilled by the honor bestowed on them by Mrs. Calvin Coolidge but benefitted by the contact with their fraternity sisters, and strengthened by this association and interest.

Pennsylvania Γ held initiation on March 5, at the home of Elizabeth Filler. Several alumnae were back and remained for the cooky-shine afterwards. On March 8 was held the annual formal dance in the American Legion Hall.

Pennsylvania Gamma's scholastic standing is better than last year's with two "A" students, one of whom, Blanche Raine, has a straight "A" average.

The local Panhellenic has taken up for discussion subjects of vital importance to every college girl, such as vocations, scholarship, etiquette, and health. A week is devoted to each and the programs are planned to include all the women at Dickinson. To ΠΦ has been allotted the subject of "Health" both because of the national fraternity activities along that line and because Pennsylvania Γ has always ranked first in health. Dr. Matzke herself is to lecture to the girls and she plans to spend several days at Dickinson studying the special needs.

Dickinson is already laying plans for another big Commencement. Men and Women's Glee Clubs are going to give a joint concert and the Dickinson Players will present Ibsen's "Master Builder." Betty Chambers is a soloist in the Glee Club, to which nearly all the Pi Phis belong, and Sallie Sigmund has the leading role in the play. The Commencement banquet this year will also be Pennsylvania Gamma's twentieth anniversary banquet.

About twenty-five representatives from Pennsylvania Γ attended the conference at Washington. Every one returned with a greater realization of what Pi Phi really means and were convinced that this conference was the next best thing to convention.

Initiation was held in the Heinz House on February 22. The old custom of a formal initiation banquet was again revived and twenty alumnae united with the active chapter and its new initiates for the banquet at the Hotel Schenley. In addition to its new members, Pennsylvania Delta has two new pledges, Elizabeth Thomson and Margaret Hotham.

The chapter enjoyed a visit from Miss Onken early in March and although her stay was short, she endeared herself to everyone. During her visit the Pittsburgh alumnae club gave a luncheon in her honor at the College Club and the active chapter entertained at a tea in the Heinz House. Mrs. Graff, national president of AXΩ, who was in Pittsburgh at the time, was also a guest at the tea.

The new Pi Phis and pledges were given their first cooky-shine at the home of Mrs. Robson D. Brown, on March 10. This party was Mrs. Brown's farewell to the chapter, as she and Mr. Brown left April 1 to take up residence in Hartford, Conn.

A vocational conference, at which many prominent women were speakers, was conducted by W. S. G. A. Lysbeth Hamilton was in charge of a round-table discussion, and Doris Lindbom was a member of the general committee. The annual Panhellenic formal was held April 10, and the Panhellenic conference the first week of May.

Pennsylvania Gamma is trying hard to raise her scholarship, and evidence of progress is shown by the number of chapter girls on the freshman-sophomore honor roll. They were: Margaret McConahey, Nellie Hemple, Ferne Wein, Anne Barrett, Lysbeth Hamilton, Alice Fehr, Sylvia Hannan, and Sarah Hannan. Anne Barrett was the recipient of the recognition pin which Pennsylvania Delta awards to the pledge having the highest grades.

The active chapter and Pittsburgh Alumnae Club held the
Founders' Day banquet on May 2. The program included a stunt by the new initiates and pledges.

By virtue of her artistic ability, Ferne Wein has gained a reputation on the W. S. G. A. and Y. W. C. A. publicity committees and on the "Panther" staff. Lysbeth Hamilton was elected treasurer of the freshman class, and Alice Fehr was chosen as captain of the freshman girls' swimming team. Doris Lindbom and Ruth Johnston are members of the Unit Committee of W. S. G. A.

About thirty actives and alumnae represented this chapter at the Washington conference.

The beautiful initiation service the night before spring vacation added nine splendid girls to this chapter. Initiation was held at the home of one of the girls, and was followed by a dinner at the Hotel Berry, at which the alumnae were hostesses.

The active chapter entertained the alumnae at the annual Founders' Day dinner. The spring dance was held in the recently completed ballroom of the Hotel Berry.

Mrs. Miller, Beta Province President, visited the chapter in January and the Grand President, Miss Amy Onken, was with the girls in March. Their presence and messages were an inspiration to the members.

Several girls represented Ohio B at the Matrix Dinner given by Θ Σ Φ, honorary journalistic fraternity, in honor of Sophie Kerr, the well-known writer.

Catherine Price was elected the new treasurer of Y. W. C. A. Margaret Arnold and Dorothy Calkins will take part in the Browning Dramatic Society production this June. Phyllis Brook will be in the annual freshman class play and Ruth Lemley has been appointed a member of the senior memorial committee.

Y. W. C. A. conducted a drive for clothing for the European Students' Relief and Mildred Orwig acted as chairman of the women's fraternity group. Margaret Bazler and Mary Zoller enjoyed the hospitality of the girls of Indiana at the time of the ΦΔΘ state formal. There have been several dances at the chapter house, one given by the pledges for the actives when they surprised them with the gift of a beautiful Brunswick Console. The spring formal was held May 9 at the Columbus Country Club.

About fifty active and alumnae members of Ohio B were present at the Eastern Conference at Washington. The wonderful banquet at the New Willard Hotel will long be remembered by those present. Ohio B held a dinner at the New Willard Sunday noon following the conference in honor of Miss Onken.

At the beginning of the second semester, West Virginia A pledged three girls, Alice Baird, Wilkinsburg, Pa.; Nelle Phillips, Morgantown, W. Va., and Miriam Stultz, Huntington, W. Va.

The chapter held initiation on February 23, and the ceremony was followed by an elaborate banquet at the community building. A local orchestra played during the five-course dinner.

The Y. W. C. A. has just closed a campaign in which it raised $2600 to meet the requirements of its budget. Several of the girls took an active part in the campaign. Della Thompson Warman (Mrs. R. E.), headed the town committee, and Mrs. Wenger, chapter chaperone, served under her. Girls on other committees were Arline England, Dorothy Bone, Miriam Stultz and Mary Everly.

The University Dramatic Club will present in May, J. M. Barrie's "Alice-Sit-by-the-Fire," when Evelyn Dowling will have the leading role, Ruth Hines second lead and Gail Muhleman and Ruth Deffenbaugh parts.

Twelve West Virginia A Pi Phis attended the conference in Washington.

Maryland Alpha had the pleasure of entertaining Mrs. Arthur Brinkley, Gamma Province President, in March. She brought a real inspiration to the girls, and her advice and influence have been most helpful in college and fraternity problems. A tea was given in her honor, to which other fraternity and non-fraternity girls were invited.

The celebration of Founders’ Day with the Baltimore alumnae club with the usual banquet was given up this year in favor of the Washington Conference and the anniversary was celebrated by a joint supper in the fraternity rooms. Practically the entire chapter attended the conference.

In the most important of commencement activities, senior dramatics, the class of ’24 is attempting a difficult feat in the production of Sophocles’ “Antigone.” One Pi Phi is in the cast and Ruth Blakeslee is in charge of scenery. Elizabeth Gardiner was chairman of junior prom given April 26.

On February 21, seven girls were pledged. They are Joan Collins, Pauline Heitmiller, Dorothy Latimer, Evangelene Lovett, Katherine Shoemaker, Frances Walker and Roma Wornall. On March 21, Mildred Volandt was also pledged. The last rush party, a luncheon at the Columbia Country Club, was given by the alumnae, when Mrs. Wallace was the guest of honor.

The pledges gave an original musical comedy in honor of the chapter on March 26. It was repeated again on April 10 for the delegates to the big Eastern Conference.

Columbia A cannot express its good fortune in being able to benefit so greatly by the events of the conference. Meeting so many other Pi Phis was so worth while, so broadening our national aspect that it is hoped that such a gathering may be often held.

The chapter will also cherish the curtains that veiled the portrait of Mrs. Coolidge and which were presented at the banquet to Columbia A.

Bettie Holt, Elizabeth Link, Mary Stuart Maddox, Jean Mithoefer,
Katherine Rockefeller, Elizabeth Taliaferro, Elsie Townes, Eliza­
abeth Valentine, and Emma Page Wilder.
The girls here at Randolph-Macon have been very fortunate in
being able to attend splendid concerts, lectures, and recitals, given
in the college and in the city auditorium. Madame Galli Curci and
Jascha Heifitz were especially enjoyed.
Virginia A has had representatives on the Y. W. C. A. cabinet,
the student committee, the staffs of college publications and in all
athletic meets. Several members have taken leading parts in dra­
natic club plays.
The chapter house has been greatly improved this year by the
addition of new furniture, rugs and curtains. Never before have
the girls enjoyed the house and its homelike atmosphere as this year.
The endowment campaign was a splendid success and every Pi
Phi did her part in contributing to this fund. The new Smith Mem­

students. The new dormitory, Webb Hall, was occupied for the first
time this year. A new infirmary, separate from the dormitories is
the first new building planned.

Elizabeth Clack, B. A., Hanover Apts., Richmond, Va.
Helen French of Baltimore, Maryland, is a new pledge and Virginia Kunkle of Springfield, Ohio, who entered Hollins during the second semester as a junior, was pledged, and initiated on February 17.

"The Dover Road" was the play chosen by the Juniors this year, and in it Virginia Cody played a prominent and difficult part. The seniors gave "If" on March 4. Elizabeth Clack and Beulah Taylor were in the cast. Dramatics at Hollins are progressing rapidly with the new Little Theater which was formally opened with the presentation of the senior play.

Among Pi Phis holding offices for next year are—D. Louise Boyd, S. G. A. president; Virginia Cody, president of dramatics; Dorothy Griffis, treasurer of dramatics; Mary Ethel Prow, magazine staff; Lucy Poulnot, member of Executive Council.

Panhellenic has been having discussions as to whether or not fraternities justify their existence at Hollins and if not, what they can do to better conditions. The question was discussed by both fraternity and non-fraternity girls. No definite decisions were made but other discussions of this type will be held.

Six of Virginia B chapter attended the Eastern Conference. They were: Anne Milton, Anne Long, Virginia Kunkle, Mary Ethel Prow, Elizabeth Owens, and Lucy Poulnot. The three alumnae were Julia Smith, Judith Rhoads, and Mildred Bates.

The Grand President arrived here for a visit on April 15. That evening Virginia B gave the annual banquet at the Tea House with Miss Onken as guest of honor. The decorations were wine and silver blue, wisteria being used to carry out the scheme. Virginia Cody made a charming toastmistress. Silver bracelets with II P seals were presented as favors. On April 16 Mrs. W. R. Staples was hostess at a reception given at her home. In the evening the chapter held a meeting at which Miss Onken gave a most enjoyable talk.

The close of North Carolina Alpha's first year finds her stronger by ten new initiates, and busy with plans for the increasing development of chapter life. Inspiration and help towards this has been given by Mrs. Nickerson and Miss Keller, whose recent visits have been a rare privilege.

Miss Keller, during her stay in Chapel Hill, was instrumental in the organization of an alumnae Panhellenic club for the fraternity women of the town. It is composed of representatives of eight fraternities, including ΑΔΠ, ΚΚΓ, ΚΑΘ, and ΨΜ. The club is to act in an advisory capacity to the University Panhellenic, and is expected to be a valuable factor in the fraternity situation.

Plans for a new chapter house are under consideration, and it is hoped that next year will find ΠΦ established in a home which, if not so picturesque as the present "little old school house," will have more modern conveniences.

A new series of folk plays was recently produced by the Carolina Playmakers, with Pi Phis, as usual, taking an active part. Norma Connell and Margaret Jones won favorable notice as members of the cast, the latter acting in two plays, and Lucy Lay is to join the Playmaker Troupe for the state tour. A new feature of the tour is that it is to be made by bus, a large, handsome one having been chartered for the occasion. Erma Green's tragedy of farm life, "Fixin's," is among the most successful plays of the season, and is to be taken on the tour. Its author is the sister of Paul Green, a volume of whose plays is being published by Henry Holt.

Distinction in quite a different field has been won by Nan Smith, who is taking her M. S. in biology. Her name appeared recently in one of the journals of John Hopkins University as the discoverer of an amoeba.

In student activities Frances Venable as president of the Women's Student Government Association, and Norma Connell as a member of the Student Council, have represented ΠΦ most ably.

Elizabeth Branson, a former member of ΒΑΦ, returned recently from a year abroad, and received her arrow at the spring initiation. She is to take up her college work again next fall.

Florida A had a delightful visit from the Province President, Mary Rayner Brinkley in March. Her account of the Eastern Conference made every girl desire to attend it.

The chapter gave an April Fool’s Day party in the fraternity room for the mothers, alumnae and patronesses. Everyone wore gingham frocks and the games, contests and refreshments were carried out in true April Fool style. The annual initiation banquet was held in the new Putnam Hotel and several of the alumnae returned for it.

Stetson University is ending a very successful year. The enrollment of students is much larger and the school spirit has been splendid this year. The Art Department under the able direction of Professor and Mrs. Fluhart has accomplished many things. The Stetson Glee Club has finished a full season after giving several concerts in many parts of the state, and this club will become a permanent organization on the campus.

The elections on the campus have been held, and Charlotte Farrington is president of Y. W. C. A. and a member of Student Council. Lucille Newby is vice-president and Katherin Peters is treasurer of φ B.

The last three numbers of artists concert series for the year were Salvi, the world’s greatest harpist, Mr. Percy Hemus in Mozart’s Opera Comique, “The Impressario,” and Harold Bauer, master pianist.

The Junior Minstrel proved to be, according to popular opinion, the best ever given. Mary Clayton, Elizabeth Hargreaves, Margaret Brunson, Pauline Buhner, Mary Lane and Frances Gill took part and Juanita Andrick was pianist. Under the direction of Miss Mildred E. Harter, chapel choir presented a program of great variety. In the clever song burlesque on the story of “Hamlet,” Margaret Brunson had the role of Hamlet, while Florence Sorrick was one of the soloists of the evening.

A national record was broken on Field Day when Katherine Prime, a junior, threw the discus 102 feet 3 1/2 inches. Mary Lou Perkins received the much coveted F—taking second place in five events. Thelma Phillips and Pauline Buhner also won places. Having taken first place in the state water meet last year, Pauline Buhner gives promise of winning several places in swimming on Water Sports Day this year.

For the first time in three years Dr. Conradi spoke to open Panhellenic. His message brought the deep realization of the duty of fraternity girls to the college—spiritually, mentally, and morally.

The last half hour of the chapter meetings of Florida B are to be devoted to the discussion of present day problems. The roll call is answered with a current event.
Myra Burr and Lois Overstreet are now on smaller cabinet of Y. W. C. A. The former is head of the Social Department, the latter, of the Service Department. Edith Power, one of Florida Beta's alumnæ, was elected Spanish Queen in the Ponce de Leon Celebration at St. Augustine, Fla. One of her attendants was Rita Chambers, also an alumna.

Well! Half way down the page already and the letter just starting! The record above shows that after Commencement Michigan A will still be three young women to the good.

The scholarship record for the first semester shows hard work and honors won, for five pledges and four sophomores are on the Honor Roll, that is, in the highest ten per cent in their classes.

After initiation, which is in the morning, the chapter entertained the initiates, alumnæ, patronesses and mothers at a luncheon. Mrs. Drybread was a charming toastmistress and the program consisted of "Il B® songs," some musical and some not, but all delightful. Mrs. Kate King Bostwick was here, and had the unique privilege of seeing her two daughters initiated.

Fourteen excited actives from Michigan A boarded the train for
Washington in April, their eyes shining in anticipation of new scenes, new friendships, new ideas. They came back with their eyes still shining, and all of them fairly bubbling over with the thrill of their experience. Such things are real inspirations.

The college has started a campaign for a new gymnasium, to be financed by clubs, the members of which sign notes for $101.01, $505.05, or $1010.10, as their finances enable them. A great many students have signed notes for $101.01. These notes are payable in one year, giving opportunity to raise the money.

Spring elections have just been made, and Michigan B has been fortunate in having Helen Brown chosen as senior representative of the Women's League, Geraldine Truscott as treasurer of the Y. W. C. A., and Marguerite Ainsworth as junior representative of W. A. A.
The junior girls' play, given in honor of the senior girls, was voted even a greater success than in former years. Helen Brown was chairman of the play, and Olive McKay, Elizabeth Hulbert, and Martha Chase added to its charm by making extremely good looking men. Helen Porter and Dorothy Williams also had clever roles.

A mothers' house-party was held May 15-18, and they were entertained by a bridge tea, a formal dinner, and attendance at Cap Night Ceremonies.

The chapter house has been greatly beautified by the recent addition of five new oriental rugs, and a lovely console table as a gift from the pledges.

The campus is thrilling with the prospect of a million dollar Women's Building which it is hoped soon will materialize after an extensive spring drive. Michigan B has 100% membership, and is doing her bit to help.

Inter-sorority athletic teams have been formed, and Michigan B is anticipating as successful a season with her baseball team as she had with her hockey and basketball teams.

A great many of the alumni returned for initiation and also for a faculty reception given in honor of Mrs. Palmer Christian. The Detroit Alumnae Club has invited the chapter to celebrate Founders' Day with them in Detroit.

It seems very queer and unusual to announce no initiates in this letter, but due to the Panhellenic rules of this year, all fraternities on the campus will have second-year initiation. Thus far, everyone is pleased with the rule and feels that it will bring many helpful advantages both to pledges and actives. Indiana A announces a new pledge, Marjorie Johnson of Indianapolis, Ind.

On March 25, the college dinner, to which all students and faculty were invited, was held in honor of the basketball and football teams, which won fame for both themselves and for the college. All students were quite elated over the basketball success since only one game was lost and nineteen victories were gained.
On March 1, a delightful theater party was given by actives and pledges at Indianapolis. After an entertainment at the Murat Theater, Pi Phis and guests went to the Claypool Hotel for supper.

All Pi Phis in Franklin have reason to be happy since the report came that again Indiana A won in scholarship last semester, which makes the fifth consecutive semester this honor has been held by the chapter.

Mildred Sears has the lead in the second all-college play, "Tailor Made Man." Julia Faucett and Janice Jopling have parts in the operetta, "In India" to be given by the girls' glee club. Mary Covert and Louise Harris have been chosen as members of the Y. W. C. A. cabinet for next year.

The chapter entertained with a formal dance in the Trophy Room of the Men's Gymnasium. Many alumni were back for the dance. Silver match cases were given as favors to the men.

The annual "Show Down," a dramatic presentation fostered by Panhellenic in which each campus organization presents a stunt, was conducted with unusual success. Twenty-two Pi Phis composed the cast for a Dixie skit, "Pickaninnies Pickin,'" which received honorable mention.

Through hearty co-operation of the freshmen the memorial drive went over the top on March 5 with a grand total of $150,000. As a reward for the loyalty of the students the University granted a two days' vacation.
Dorothy Arndt was among those who made ΦΒΚ this year. Marijane Bowen and Janet Dean were in the cast of the "Gordon River Review," an all-campus musical production.

Six representatives of the active chapter and several alumnae attended the Washington Conference.

This year has been a very successful one for Butler College and for Indiana Γ. The college has made a fine record in athletics. The student body has increased in number and has become more progressive in many respects. The $50,000 Freshman Endowment drive will be launched very soon by an enthusiastic campaign of the freshman class. Susanne Kolhoff, II BΦ is a member of the committee of four which is planning the drive. Among the solicitors for the fund are two Pi Phi pledges, Billie Mae Krieder and Jeanne Bouslog.

Since the last issue of the Arrow, Pi Phis have been elected to
the following offices: Susanne Kolhoff, vice-president of the freshman Y. W. C. A. cabinet; Margaret Schoener, chairman of the social committee of Y. W. C. A.; Mildred Winship and Mareta Douglas on the Butler girl's varsity basketball team; Dorothy Ryker, secretary and treasurer of Panhellenic; Violet Henderson "Collegian" staff; and Georgia Osborne in the dramatic club play "The Boomerang."

At the beginning of the second semester three girls were pledged, Dorothy Drake, Violet Henderson, and Kathleen Hettel.

The annual senior Vadill stunts were presented in chapel February 29. II B Φ stunt "Three Bits" won second place.

On March 23, Indiana I entertained with a daffodil tea in honor of the alumnae and patronesses of the chapter.

Coming events are the Junior Prom, May Day, Geneva Stunt Day, annual Founders' Day state luncheon and dance, and Commencement. On May 24, Butler College will enjoy its first May Day festivity which will be sponsored by the Womans' League. Plans for this day include a May Day breakfast, athletic activities, a pageant and a dance in the evening. The name of the May Queen will be kept a secret until the day when she will be crowned. Many Pi Phis have parts in the pageant.

Indiana I was represented at the Eastern Conference in Washington by a delegation of sixteen girls from the active chapter and many alumnae.

Now that spring is here, the junior Prom and the Harlequin Club show attract most attention. This year the play is to be "Two Little Girls in Blue." Indiana Δ is represented in the cast by Louise Wolf, Florence Sanders, Virginia Rose, Ellen Hudson, and Stella Arkenburg.

The Alumnae Club is selling tickets for a hope chest, complete
in every detail, to be given away during Gala Week. The proceeds are to be given to the new house fund.

May 1, 2, and 3 was the time of the Purdue semi-centennial celebration. Indiana Δ gave a stunt as a part of one day's program and held the Mothers' house party at that time.

Seven of the active chapter attended the conference at Washington, and brought back reports of the White House reception, Congressional teas, and such. Those attending were Margaret Simminger, Leota McClure, Katherine Seed, Lois Wilson, Stella Arkenburg, Ellen Hudson, and Frances Henkle.

The annual formal dance was held Friday night, April 11, at the Lafayette Club. Several of this chapter also attended the annual state Founders' Day dance and luncheon in Indianapolis, April 26.

Initiation ceremony was held on April 4 in the fraternity rooms with the initiation banquet at the Patten Hotel on the following evening. Favors were corsage bouquets which were presented to each initiate by her sponsor.

Tennessee A had as guest Mrs. Nickerson, Grand Vice-President, over the week-end of March 29. The alumnae club entertained her at a reception at the home of Mrs. A. C. Stephenson on Missionary Ridge; the active chapter entertained her at a cooky-shine following the regular meeting on Tuesday evening, and also at Sunday night tea. Mrs. Nickerson's visit, being that of the first official visitor
the chapter has had since its installation, was the source of much inspiration to all members.

The chapter being such a new one, it was thought at first that it would be impossible to send delegates to the Eastern Conference in Washington. However, six delegates went, Estelle Reynolds, Mildred Garner, Elizabeth Charlton, Dorothy Ingram, Margaret Battle and Virginia Taylor. Mildred Garner spoke for the chapter at the round table discussion on entrance standards of the fraternity.

“Cap and Bells,” the university dramatic society, is presenting “The Charm School,” in which Dorothy Ingram is to play the leading role. Other important parts were given to Mary Bobo Gibson and Gwendolyn Roberts.

Elizabeth Sussdorff has been elected manager of the basketball team for the next season. Four Pi Phi girls made the university “C” in basketball, and were given gold basketballs: Courtney Jones, Nan Elberfeld, Dorothy Ingram and Elizabeth Sussdorff. Nan Elberfeld and Dorothy Ingram won places on the university tennis team for this spring.

In the contest held for honors to be announced in the “Moccasin,” the University annual, Gwendolyn Roberts was chosen the most popular, and Dorothy Ingram the best all-around girl in the college. Elizabeth Charlton is art editor of the “Moccasin.”

On April 8, II B Φ had charge of the chapel program, which consisted of readings by Mrs. Paul Sandefer, a friend of the chapter, and songs by Mrs. J. T. Jones, accompanied by her daughter, Courtney.

The honor roll for the mid-semester report was headed by II Φ as has been the case for years, with only one exception.

The newly created Ways and Means Committee advised that each girl earn one dollar before the meeting on April 23; various means were employed in the earning of this money, such as sewing, making candy, selling sandwiches on the campus, bobbing hair, permanent waving and a number of others, and the chapter is now the richer by twenty-one dollars, which will be applied to the various needs of the fraternity.

Minnesota has just held the spring elections and Lucile Sasse has been elected undergraduate representative for Y. W. C. A. W. S. G. A. has held only the primary elections as yet. Adelaide Stenhaug and Lucile Sasse emerged from the primary elections as candidates for the office of president and vice-president, respectively.

Θ Σ φ, honorary journalistic women's fraternity, held its annual Matrix banquet April 10, at the Town and Country Club. The most prominent young women of the campus and several members of the faculty are invited to this banquet to discuss current campus problems. Three Pi Phis were invited, Lenore Andrist, a member of Θ Σ φ, Lucile Sasse and Adelaide Stenhaug.

Much interest has been shown in the "Senior Circus" which is to be held in May. Each fraternity on the campus is to furnish a sideshow booth or some other sort of entertainment. The Junior Ball was held February 21 at the Radisson Hotel.

Sarah Chase of Minneapolis has been pledged.

The alumnae entertained the active chapter at a linen shower and tea at the chapter house March 15. The spring formal is to be held at the White Bear Yacht Club, June 19 and the annual spring house party will be held early in May at Lake Minnetonka.

Twelve fine girls have just been initiated. At the banquet following initiation, Della Mann presided as toastmistress. The recognition pin for the highest pledge grade was awarded to Claire Reinsch. The chapter was very fortunate in having Mrs. Abels, a Wisconsin alumna, present for initiation and banquet. Mrs. Abels gave an interesting talk on famous Pi Phis she knew, and told about the Pi Phis she had met in South America.

Rosamond Nolte, Florence Fox, Dorothy John, and Virginia Meade made hockey teams. Dorothy John, Florence Fox, Jane Trueball, Elizabeth Milne, Virginia Meade and Katherine Biggert are on in-door baseball teams. Rosamond Nolte and Marion Metcalf go as delegates to the Y. W. C. A. convention in New York. Edith Jorris was elected delegate to the W. A. A. convention in California.

The bridge party to raise funds for the Settlement School was very successful. There were thirty tables, and several Pi Phis stayed away to accommodate girls from other women's fraternities. Plans are now being made for the Founders' Day luncheon with the alumnae and the spring formal. The chapter is looking forward to a visit from Miss Evans, Grand Secretary, April 22-24.

Every student has been appealed to, and every one has done his part to raise money for the Student Friendship Fund. Every fraternity raised from sixty to one hundred dollars.

The Military Ball was held in the state capitol where the annual

The University of North Dakota is even stronger this year than last. A splendid new law building, of which the would-be lawyers have one floor, and artists and commercial students rule the other two, was opened for use last fall. Although money is scarce in the state, more students than ever before sought education here. Changes in government have been made. The girls have been granted more lenient rules while the men’s governing body has been divided into legislative and judiciary departments to insure better results.

Several honorary groups have been organized, including a biological, a social science national, a commerce professional, and a chapter of Φ Δ K, (honorary educational). A chapter of the Square Club (Masonic) will be installed soon; and a local woman’s academic group, K Φ Δ, has been organized. The paper “The Student” has grown from a weekly to three issues a week. The idea of inter-scholastic journalistic contests, carried on by visiting teams editing school papers was originated at North Dakota this year, and has been creating quite a bit of interest among other colleges.

The traditional “Campus Clean-Up” and “Campus Cut-Up” were both held. At the latter, North Dakota A, with the help of B Θ II, put on a “Carnival Side-Show,” and a dance-skit at the Main Show. The men’s and women’s fraternities have voted to give only informal parties this year in place of their usual formal dinner-dances.

At the beginning of second semester, North Dakota A pledged three girls, Lucile Urness, Helen Fadden and Beatrice McCarthy. To properly usher in the new semester, a slumber-party was given for all actives and pledges at the chapter-house. This one was taken charge of by the pledges, who provided a program and inedibles to make it a success. Weekly cooky-shines have been held all second semester.

Ella Berg is working on the senior prom committee, Helen Wilder is on the Class Day committee, is class historian, and has been elected to Φ B K. Gayle Pugh is now on the “Student” staff; Louise Page is going on the annual glee club trip; Hazel Larson is a member of the committee for the freshman-sophomore party. Ruth Wilder was center on the all-university basketball team, and is hiking manager of W. A. A., and Mildred Odell will attend the
Ξ A I convention at Decatur as national editor. The artists of the chapter have been busy tinting Π B Φ place-cards, to be sold among the other chapters. The design is the work of Marion Wilder, an alumna.

Lombard's football team won the state championship again and the basketball team was invited to participate in the A. A. U. meet at Kansas City, where they won fourth place.

A local fraternity on the campus won Π K A, and in a scholastic way two national fraternities were brought to Lombard—one, a debating fraternity, Π Κ Δ, and the other an honorary scholastic fraternity, Φ K Φ. Ferne Fennessey was initiated into this fraternity. Only six of the senior class won this honor.

The active chapter girls of Illinois B have been entertained several times this year at cooky-shines at the private homes. The chapter feels that an especially close relationship has been kept all year with the alumnae, particularly with the advisory board.

Several members of Illinois B are to be in a group of plays which is to be given the night of April 14, by Λ Φ Δ. Althea McConnell is the student director of the plays. Another Π B Φ senior, Thelma Rinke, has had charge of the expression department in the

Initiation was held at the home of Eleanor Franing, the alumnae giving a cooky-shine at the home of Mrs. Guy Temple following the ceremony. Illinois ∆ also announces the pledging of Roberta Scherer, of Granville, Ill.

Before initiation, the pledges entertained the active chapter at a mock rushing party at the home of Dorothy Dexter, and gave some clever stunts. Illinois ∆ has enjoyed several cooky-shines and an alumnae tea was given Sunday, April 6. Each girl in the chapter has chosen an alumna mother, similar to the chapter mother for pledges. The annual benefit dance for the Settlement School was held April 12. The chapter was very happy to entertain Miss Evans, Grand Secretary, April 15 and 16.

Under the auspices of Mortar Board, the Knox girls gave a tea for the senior girls of Galesburg High School on March 29. A short program was given in which several Pi Phis took part.

The chapter scholarship average, without the pledge grades, was above B. Two freshmen, Virginia Leonard and Margaret Whitney, were put on the honor roll, and Marjorie Lewis was elected to Φ B K.

Three girls are on the Y. W. C. A. cabinet, and Katherine Noble has charge of the “Bal Poudre,” the annual masked party of the

A women's life-saving corps, with a national Red Cross charter, has just been formed at Knox, of which Fayette Weinberg and Mary Griffith are members.

The Knox Players' Club recently presented "The Boomerang," with Katherine Noble and Fayette Weinberg in prominent parts. Dorothy Drake and Helen Christy took part in the girls' debates with Rockford and Beloit colleges. Katherine Noble and Helen Christy were recently initiated into Θ Σ Φ.

At the Knox Founders' Day, an alumnus, Mr. Edward Caldwell, presented the college with a collection of nearly 1000 books, to be known as the John Finley collection, on the discovery and settlement of the middle west.

Knox college had the pleasure of a two day visit from Dr. Charles Gilkey, under the auspices of the Y. M. C. A.; and other distinguished speakers have been Seumas McManus, Irish poet and story-teller, and Professor Bruno Rosselli of Vassar.

One of the most tremendous college affairs ever undertaken at Knox was staged April 1, when a mock Republican National Convention was held. The convention lasted all day, and was conducted exactly as a real one, with everyone in college participating. Governor Pinchot was nominated on the fourth ballot, and Constance Irwin of Illinois Δ was his campaign manager.

The girls of Northwestern University are putting forth every effort toward raising money for the sorority houses which are to be started in June, twelve houses to be built instead of six as first planned. A rummage sale, teas and afternoon bridge parties bring in quite a bit of profit. Working in floral shops, and so forth, during the Easter holidays, swelled the account considerably.

Northwestern had an interesting mock Republican Convention which was very educational as well as most novel. Ten Pi Phis acted as delegates from various states.

The very recent campus triumph has been the winning of the National Championship in swimming.

Helen Nash was elected president of W. S. G. A.; Margaret Shippen was elected vice-president of the Y. W. C. A.; Gail Hubbel is on the varsity basketball team. Illinois E also has two new pledges, Esther Folely and Juliet Allison.

Six girls went to the Washington Conference. Virginia Agar planned to go but decided to give her money to the House Fund instead. The Friday night of the banquet in Washington, eight active girls sang Pi Phi songs over the radio with Miss Katherine Brown, a ΠΦ who sings with the Civic Opera Company.

Illinois, after tying for first place in football, basketball, wrestling and swimming, has just sent her track team to California and her baseball team to the South, hoping to win similar honors in those fields.

Illinois campus is slowly moving southward. Since the dedication of the beautiful agricultural building, ground has been broken for four other buildings—a hospital in the forestry, a library and a commerce building on south campus, and next to the armory a large gymnasium for the men.

All seventeen of Illinois Zeta's freshmen made not only initiation average of 3.2 but the majority made over 4 or straight "B." This helped to put Pi B Phi second in scholarship on campus. Dorothy Burrows was one of three freshmen in school to make a straight "A" average. Pi B K also elected Carol McConnell to membership.

"If" was given in a very finished and excellent manner by Mask and Bauble. Alice Rawson, Alice Rock and Ellen Holton were in the cast. At the Y. W. C. A. stunt show given in interscholastic week-end, Carol McConnel and Alice Rawson gave a dancing stunt.

At the election of W. A. A., Eunice Webster was made swimming manager. Louise Bresee is president of "Orange Feathers," freshman organization. On May 1, Mortarboard pledges were announced and Florence King was one of seven girls to be chosen.

Miss Evans visited the chapter April 27-28 and was the honor guest at the Founders' Day Banquet.

Millikin has just successfully concluded her annual Gym Festival, taking the form this year of a “Medieval Tournament.” Six knights and six ladies were elected by popular vote, on the basis of representative, all round college men and women, to preside at the tournament. Thelma Scott, Idelia Davis, and Bernice Belden were three of the six girls chosen.

“Enter Madame” was presented on May 8 as the annual senior class play. Idelia Davis took the part of Madame and three of the four other girls in the cast were Twila Miller, Helen Crowder, and Helen Jones.

II M θ, girls’ senior honorary fraternity pledged Alsace Sullivan, Nellora Houghton is president for next year of LΦΔ, national Fine Arts sorority. Denise Brosseau is next year’s president of Le Cercle Français.

Nellora Houghton, Lucille Quickel, Catherine Englander, Marjorie Nielson, and Idelia Davis were prominent in athletics this year. Catherine Englander has the honor of being the only girl in college to win a sweater and an “M” for athletic achievement.

Illinois II has been working on a House Fund. A rummage sale, a bakery sale, and perhaps a movie are to be given before the close of the college year. The chapter owns a lot facing the campus, and hopes to build soon and be the first Greek letter organization to build. A new plan has also been adopted by which each new initiate coming into the chapter pays her house notes during her four years in college. This is very easily accomplished by paying one dollar more a month, in addition to regular dues.

Second semester pledging was very successful at Iowa Wesleyan this year, Iowa A pledging the following girls: Constance Chambers and Aileen Wheaton of Agency, Iowa; Regina Connor, Anna Dailey, Helen Hobbs, Ruth Holland and Jessie Wait of Mount Pleasant, Iowa; Arlene Edwards and Pauline Lutes of Packwood, Iowa; Lenora Hartman of Marengo, Iowa; Dorothy Harrison of Winfield, Iowa; and Ruth Redfern of New London, Iowa.

Pledging, which was held in the chapter rooms was followed by a cooky-shine at Florence Leist's home. A week later Florence changed her arrow head for the "shining arrow bright." The pledges had prepared a delicious dinner at the home of Mrs. E. L. McClure, a patroness.

Spring elections brought new honors to Iowa A. Lenora Hartman was elected president of the Y. W. C. A. This is the third consecutive year a Pi Phi has held that office. Edna Van Syoc was elected secretary of the English club and was re-elected to the W. A. A. Board of Control. Margaret Sisson is in the senior class play. The Glee Club tour in which Pi Phis played an important part was a great success.

The seniors entertained the under-classmen at a dinner April 26, at the home of Mrs. E. E. Phelps, a ΠΦ patroness. Founders' Day was celebrated with the alumnae club and the chapter also gave a formal dinner at the American Legion Hall on the evening of March 17.

In the past few months college interest has centered about debate and basketball. Both the men and women’s debate teams have done well and the basketball team has had a successful season. Much enthusiasm about track work is evinced and Simpson will enter a strong team in the Drake Relays.

During the Easter vacation the Simpson orchestra, the girls’ glee club and the male quartette toured the southern part of the state. Harriet Henderson and Mara Throckmorton are members of the girls’ glee club and Edith Bellman is accompanist.

Initiation was held at the home of Mrs. F. C. Sigler, followed by a dinner served by the alumnae. The active chapter and the alumnae celebrated Founders’ Day together, and the alumnae breakfast will be given during Commencement.

Iowa B has instituted something new in the fraternity life of Simpson—an informal party for each of the men’s fraternities. Clever programs have been put on by the girls and from all indications the parties have been unusually successful.

Though a great deal of attention has been paid to school work, outside activities have been and are receiving their full share of time. Several of the girls were in the “Miniature Orpheum,” a vaudeville, put on by W. A. A. Catharine Carpenter was elected by the student body as one of the three representative women of the school. Katherine Hilmer is vice-president of Y. W. C. A. Ruby Glascock, Catharine Carpenter and Gladys Evans are on the W. A. A. Board. Out of three girls’ parts in the Junior Class play, “Dulcile,” two are held by Pi Phis.

If B φ again led the campus in scholarship for the first semester. Panhellenic has purchased and awarded a beautiful loving cup to the fraternity ranking first. Iowa B is the first fraternity to receive this cup and every effort is being made to retain it. If any organiza-
tion succeeds in keeping this cup for three successive semesters it automatically becomes their property.

Iowa I has recently launched a campaign for increasing the Settlement School fund. For this purpose the chapter has purchased stationery of excellent quality and is selling it at $2.50 for one hundred sheets. Letterheads and return addresses are a feature of this paper.

In April, Francesce Evans paid the chapter a delightful visit, from which it received much inspiration. Active members entertained the alumnae and faculty members at a tea for Miss Evans, and the alumnae gave a dinner at which they had an opportunity of becoming acquainted with her.

During winter quarter discussion groups were held once a week with a faculty member as leader. This plan has been tried for some time, using a subject of current interest for discussion.

The pledges gave a bridge party for the actives at the Maples Tea Room, February 16. On February 9, the actives and pledges entertained at a formal dinner dance at the chapter house and an informal dance was held April 18 at the country club.

A special honor has come to Iowa I in the sending of Annette Adams by the Women’s Athletic Association as delegate to their national convention in California. Among other recent distinctions are the initiation of Ruth Mayerhoff into O N, national home economics fraternity; election of Katherine Goepplinger as secretary of the senior class; and the initiation of Dorothy Kenworthy into the order of the Goslings, a recognition of literary ability.

Nine Pi Phis participated in “Veishea,” the all-college spring festival held May 15-17, and Dorothy McCarroll was chairman of the open house of the Physical Education department held at that time. The chapter is represented by three girls on the “Iowa Homemaker” staff, several on the staff of “Green Gander,” and five on the college annual.

Phi II has recently installed a chapter at Iowa State, which makes the eighth national women’s fraternity to be established here.

ADA HAVNER
At last the dream of Iowa Z has been realized. A new lot has been purchased and the corner stone of the new house will be laid before the girls go home for summer vacation. The house will not be finished for rushing this fall, so the latter will probably be held at the home of a town girl. A very active campaign among the chapter alumnae, carried on both by mail and personal solicitors has proven successful. K K Γ is to break ground for a new house soon.

The ex-pledges presented the actives with a beautiful new overstuffed davenport before initiation.

Spring rushing during the past few weeks has been the center of interest. Iowa Z announces the pledging of Ione Haarstman, Mary Sigworth, Inez Krapfle, Margaret Jones, Catherine Thelian, Pearl Eikenberry, Dorothy Wilson, Marie Van Oosterhaut, and Marjory Bishard, Des Moines, Iowa.

Jeanette Selby, a member of the University Players, played the role of Marie in the Shakespearian production of “The Twelfth Night,” given recently by that organization.

All women's fraternities entertained delegates as house guests during the convention. The reception committee chairman for the convention was Parilee Stewart, and many other Missouri A girls worked on various committees.

Grades for the first semester have been computed and the chapter ranks fifth in a group of thirteen with a very high average. With no failing grades on the record II Φ ranks above all other major fraternities.

II Β Φ and Σ N entertained together with Mothers' house parties during the week end of March 25. This chapter entertained with a formal tea, and Σ N with a reception. Smaller parties were given by the alumnae club and by individuals.

Lesta Berry has been affiliated with Missouri A from Oklahoma A, and Frances Brewer from Maryland A.

This chapter was represented at Eastern Conference by Jane Spencer, Mary Virginia Doerschuk, and Dorothy Hudson of the active chapter, and by Frances Hudson and Elizabeth Spencer, alumnae members.

Missouri B, along with the other women's fraternities and organized groups of non-fraternity girls, is in the heat of a campaign for a Women's Building. The building is to cost $250,000. The women now in school have set $35,000 as their goal before they seek outside aid. $1,000 was cleared at a rummage sale, $500 at a jinney carnival, $500 at a bridge party, $500 from various other methods, and 200 girls have each pledged fifty dollars to be paid in five years. This building will be the girls' home for the next ten years or more, so everyone is interested.

Besides being active in this great campaign, II B Phi has made its influence felt in all the spheres of university life. Virginia Gorin was crowned "Hatchet Queen," the greatest honor of the year, at the Junior Promenade. Margaret Steele has a part in the "Thyrsus" annual "March Harres" given in April, and Carol Crowe had a part in one of the Thyrsus plays of last month.

No one from this chapter could go to the Eastern Conference, but this disappointment was to some degree compensated by the fact that Miss Onken was present for the Founders' Day Banquet, April 26.

The chapter was represented at the Eastern Conference by three active members, Helen Eakin, Lillian Oyster, and Mary Higginbotham. Five alumnae, Lillian O'Brien Buckley, Elizabeth Quinlan, Geraldine Hull, Jean Middleton, and Velva Rader Beaudette who are in the vicinity of Washington also attended.
"Aggie Orpheum," an annual event at the college, consists of stunts given by different organizations. A prize of twenty-five dollars offered for the best stunt was won by Π Β Φ. The chapter voted to give the money to the Settlement School.

To assist in the Near East Relief Drive, Kansas Β has adopted two war orphans, promising to pay their expenses for one year. Π Β Φ has the honor of being the first women's fraternity in the college to adopt orphans in the recent campaign.

Social events for the chapter this semester have been interesting and varied. Dinners were given for the alumnae, brothers, patronesses and mothers. Founders' Day was observed with a banquet at the Gillett Hotel on April 28. The chapter also entertained with the annual spring party on May 2, at Harrison's Hall.

The freshman gift to the chapter this year consisted of new curtains for the living rooms, and with the addition of new draperies and several pieces of new furniture the house is much more attractive and inviting.

Kathryn King has been initiated into Purple Masque, (dramatic fraternity), and Florence Barnhisel is to be Royal Purple treasurer for next year. Meridyth Hooper, Corinne Smith, Laureda Thompson, and Marybelle Sheetz have made swimming teams and five of the chapter are members of the Life Saving Corps. Laureda Thompson has recently been elected president of Women's Athletic Association and was one of the delegates to the national convention of that association at Berkeley, California. Florence Barnhisel and Laureda Thompson are members of Prix, a local junior political organization.

Kansas State Agricultural College has been advertising in two unique ways. First by radio—the college has been broadcasting "Aggie Campus Pep Programs" and Helen King, Alice Carney, and Jean Rankin took part in one of the musical programs. The second plan consists of sending out "Come to College Teams" to give playlets in various high schools of the state. Helen and Kathryn King, were members of these teams.

The construction of the east side of the Memorial Stadium has been started and the plan is to have it ready to use for the first football game next fall.

Wyoming University has just passed a most prosperous year. Her debate schedule is not 100% as last year, but out of twenty-three debates, she has lost only four. The new gymnasium, which is to be the third largest in the United States, is rapidly nearing completion. High School week, the week when all the representatives of the high schools over the state come to athletic and academic contests, was more successful this year than ever before with over 500 high school students attending.

Mrs. C. W. DeKay, an instructor in the English department and a patroness of Wyoming A, has completed and staged her pageant "Wyoming." Many Pi Phis were included in the cast and three of the girls were in charge of the costumes. On May 11 the patronesses entertained the chapter at a picnic in the natural amphitheater where the pageant was staged.

On May 23, the chapter entertained its friends at its traditional informal May dance. The Cheyenne alumnae were invited as special guests. Twenty Pi Phi mothers living in Laramie were entertained at a kensington during the latter part of March.

Two Pi Phis represented the University of Wyoming at annual conventions of the Women's Athletic Association and the Women's Self-Government Association. Nancy Jones went as representative of the former to Berkeley, California, and Ruth Kimball as representative of the latter to Tucson, Arizona.

The past year has produced for Colorado A a chapter with improved scholarship, increased campus activities, and better methods of rushing owing to chapter cooperation.

If BΦ is well represented in student activities. Dorothy Sweet was elected to "Hesperia," junior women's honorary society; Helen Taylor is secretary of Y. W. C. A. for 1924; Mary Larrick, Eleanor Daly, Margaret Newcomb, Frances Pattee, Helen Taylor and Ruth Bohn have met the requirements necessary for membership in W. A. A. During spring vacation several of the girls attended the Y. W. C. A. cabinet house-party at Gold Hill.

At the beginning of spring quarter II BΦ pledged two girls, Allyne Crawford of Boulder, and Frances Wiegel of Colorado Springs.

In February Colorado A made her first attempt at giving a waffle breakfast to raise money, and with such success that its repetition was urged by those who attended. In the dining room waffles, sausage and coffee were served at quartette tables, decorated with valentines, and an orchestra furnished music for dancing in the living room and den. II BΦ was hostess at a faculty tea in March, and also gave its house for the W. S. G. A. tea. Founders' Day was observed with Colorado B by a luncheon in Denver. Members of ΔΔΔ who attended the Tri Delta convention at Boulder during spring vacation were guests at the II BΦ house.

Another national woman's fraternity was added to the local Panhellenic organization when ΔΖ granted a charter to the local II Δ. The Boosters Club is preparing an operetta to be given by members of the university at the annual spring party in Denver.

So many have been the teas of late that the chapter has just about formed the habit of setting aside Mondays and Thursdays for issuing or accepting "at homes." Monday teas are extremely informal, after-school affairs for the purpose of creating a friendly spirit among all the fraternity girls on the campus, while the Thursday affairs are strictly for Pi Phi and her interests.

One Thursday Pi Phi entertained the faculty and their wives: at another time rushed some one-college-year-old non-fraternity girls; at one gave the annual high school tea with the intention of making the acquaintance of future Pi Phis; and at some time toward the end of May will entertain the Pi Phi Mothers at the bungalow.

The subscription dance was most successful since over two hundred dollars was cleared and everybody enjoyed himself in spite of the crowded floor. A clog-dancer was a special attraction. A dance was to have been held after the Founders' Day Banquet, but on account of the death of Ada Brue Grier, was cancelled and a luncheon substituted. The big spring party was a dinner dance at the Denver Motor Club, located just far enough in the mountains to claim their charm without requiring a long, tiresome drive as admission. To these dances are invited one representative from every fraternity, according to a plan adopted by the Panhellenic this semester.

Worthy of mention is the fact that in the University drama club plays this year, four Pi Phis have had important parts and a Pi Phi has been the president of the club all year.

During prayer week Dr. Henry Crane talked to the chapter for about an hour one day on the subject of the influence of young womanhood on the morale of a college campus. He left an impression never to be destroyed—this little stanza, by Coventry Patmore being one of his tools—

Oh! Wasteful woman!
She who may on her sweet self
Set her own price,
Knowing he cannot choose but pay
How she hath cheapened Paradise,
How spoiled the bread
How spilled the wine
How given naught her precious gift
That spent with due relentless thrift
Hath made brutish men, and men divine.

During April the chapter had a house party, inviting about forty girls who are intending to enter university next fall. Twenty accepted and a busy weekend followed.

The annual “Burlesque,” a take-off on the students who have been prominent or conspicuous during the last school year, was very successful. Four Pi Phis took part and were in the chorus.

Oklahoma A combined with the Norman Alumnae Club and the Oklahoma City Alumnae Club in celebrating Founder’s Day. Many alumnae over the state also attended and an intensive drive for money to pay for the lot for the new home was begun.

Oklahoma B has started the spring quarter with the goal of regaining the scholarship cup. The successful winner for the winter quarter was K A 0, with II B 4 second, although Pi Phi pledges
had the highest average on the campus. Frances Campbell is on the honor roll for students making highest grades during winter quarter in the School of Education, and Mary Watson is on the honor roll of the School of Science and Literature. Francis Campbell was elected to $\Phi K \Phi$, honorary scholastic fraternity and Dorothy Miles to $\Phi \Delta \Pi$, educational fraternity.

The college newspaper has been changed from a weekly to a semi-weekly and its name changed from the traditional "Orange and Black" to the "O'Collegian." The administration of the college has announced that two new dormitories will be built on the campus very soon, one for women and one for men, each to cost $\$150,000$. Also, under the direction of the athletic department, the student body has started a Stadium Drive, with the immediate goal of raising $\$50,000.

The principal affairs of the commencement season include the annual Junior-Senior Prom, President Knapp's reception for the seniors, Class Day, Baccalaureate day, Commencement Day, and Phi Kappa Phi day. The commencement speaker this year is Dr. H. J. Waters, managing editor of the "Kansas City Star."

Oklahoma B was very happy to have a visit from Anna Robinson Nickerson, Grand Vice-President during the first week in March. She was a great inspiration to every member of the chapter.

At the beginning of the spring quarter the chapter pledged Grace Miller, '27, of Stillwater. Edna Rouse, who has been teaching at Neologany, was married during Easter season to Edmund Schedler, A X A, and they sailed on April 29 for Philippine Islands, where they will teach in the government schools. Ina Mae Bakhaus, who has been attending Missouri University has entered here for the spring quarter.

On March 17, Mildred Austin, Mary Watson, Holeen Thomson, and Elizabeth Boyd went with the cast of "Charm School" to Chandler where the play was reproduced, Mildred Austin playing the leading role.
Arkansas A has enjoyed a visit with Mrs. Nickerson, Grand Vice-Presi dent, for several days. During her visit she was entertained at a luncheon at the home of H. D. Tovy, famous pianist, and a tea given by the ΠΦ mothers. The initiation cooky-shine was especially enjoyed.

The university has recently been elected to membership in the North Central Association of Universities, which will be decidedly advantageous to students who transfer to other colleges.

Elizabeth Paisley has been elected president of Y. W. C. A. for the coming year. Wealthy Johnson, Grayce Cronies, and Emily Russell are charter members of ΚΔΙΙ, Wealthy acting as secretary for the organization. Marcelline Campbell, who graduates in June, has received a scholarship from the University of Illinois and will continue her studies in Romance languages there next year.

The members of our chapter have become very proficient in moving out of the house, several dangerous fires having occurred recently in the immediate neighborhood.

For the first time Panhellenic gave a banquet on April 14. Doris Gladden gave one of the four toasts. W. A. A. gave a dance May 19, for girls only, some of the girls going dressed as boys.

Texas A enjoyed a visit from Mrs. Nickerson during the last of March. She described a little visit she had with Mrs. Coolidge and showed us a copy of the portrait that the Pi Phis presented to the White House.

Texas University recently put on a very successful drive to raise money for a stadium which is to be the largest in the South. Texas A pledged $350 to be paid within the next five years. Pi Phis through individual donations pledged over $3,000.

The next problem is to get a new chapter house. At present a committee is investigating the house question, and the chapter hopes to own a new one by next fall.

The alumnae gave the chapter and pledges the usual Founders' Day picnic. The chapter in turn gave a spring tea the last of April honoring the patronesses.

Spring is a very busy time at Newcomb for elections are held, nearly every organization puts on a show of some sort, and announcements of honorary fraternities keep the college keyed up to a high pitch of excitement. Α Σ Ζ, Newcomb’s honorary senior society, has announced the election of eight juniors, of whom Beatrice Adams and Helen Hughes are from Louisiana A. Beatrice Adams is also
student body president for next year. This is the third consecutive year that the chapter has had one of its members in this office.

Mrs. Nickerson paid a delightful visit to the chapter. For her entertainment, the Pi Phis of New Orleans gave a tea, an informal cooky shine, and a small luncheon. She was taken to hear both the French Circle Plays and the Varsity Debate. Several Pi Phis held important roles in the plays and one member of Louisiana A was on the debating team.

Besides the cooky-shine given during the Grand Vice-President's stay, there was another one when the chapter gathered to practice songs for Founders' Day Banquet. The alumnae were honor guests at a tea given recently by the chapter.

The University set aside a holiday during the last of March as Realization Day for money for a new Music Building for Newcomb. Every student worked that day and turned over the proceeds to the fund. More than $10,000 was realized.

The Dramatic Club gave two plays recently, "The Dark Lady of the Sonnets" and "My Dear."

The II U Easter houseparty was at Bay Saint Louis. Four days of camping, swimming, and being generally lazy and happy made the last month of school pass even more quickly.

The University of Idaho has passed a year noteworthy for its growth and development. The enrollment has increased steadily and plans for new buildings have been made to meet the increase. The contract for a new $200,000 science hall has been awarded and the building is expected to be ready for occupancy by January, 1926. Several new courses are to be announced in the new catalog includ-
ing a two-year course in mechanic arts, courses leading to a degree of bachelor of architecture, and a bachelor's degree in pre-nursing.

The remodified constitution of the associated students makes some radical changes that have long been needed. The executive board now includes representatives of all organizations under the control of the A. S. U. I. and a financial manager is appointed by this board who has control of all finances and is directly responsible to the executive board.

Efforts have been made this year to make permanent all Idaho traditions. A new tradition is Junior Week, which hereafter will be an impressive contribution to the college year. This year it began April 24 with the presentation of the play "Way Faring Men," a production of a university student, Talbot Jennings, and closed April 26 with a tea dance at Ridenbaugh Hall. It included the Junior Prom, which was given added impressiveness due to its connection with Junior Week.

The installation of Σ X in March makes the Miami Triad complete on the Idaho campus. Α X Ω was installed in May. A new women's local fraternity has been formed, Π Σ Ρ, and a men's local, BX.

The past year has been a successful one for Idaho A in campus life and in internal development. A plan has been adopted for the establishment of a building fund, providing that every girl initiated into Π Β Φ pay fifty dollars within five years after her initiation, to be used as a sinking fund. The scholarship committee has made a new ruling by which every girl who is not making a B average, whether pledge or member, will study under supervision.

The first marriage of an Idaho A Pi Phi took place at the chapter house in May when May Anderson married Lee Dunbar of Boise.

Idaho Pi Phis are not neglecting to make provision for a joyous summer together. Northern Idaho Pi Phis will have a summer camp at Vivienne Beardmore's summer home at Priest Lake, and the Pi Phis of southern Idaho will camp at Margaret Kinyon's summer home at Payette Lakes. Fishing, hunting, swimming, and canoeing will be the order of every day for the Pi Phis at camp.

Florence Graves attended the Western Conference of Women's League Presidents and Deans at Tucson, Arizona, in April. Florence was also treasurer of the senior class and was elected to Alpha society which is petitioning Φ Β Κ. Marie Johnson was one of the three women chosen for the all-college play given during Junior Week and Eva Jane Wilson was property manager for it. Margaret Springer was elected to the executive board of the A. S. U. I. as Junior representative and Margaret Kinyon was elected vice-president of Y. W. C. A.; Eva Jane Wilson was pledged to W. A. A.
Idaho A announces the pledging of Helen Green of Los Angeles, Calif.; Wilma Keel of Twin Falls, Idaho; Opal Hunt of Lincoln, Nebr., and Margaret Schick of Moscow, Idaho.

After a wonderful scholarship number of the Arrow, Montana A was hoping to lead in scholarship last quarter, but in that was disappointed though the average was raised over one point.

Of only four girls initiated into Φ K Φ, two were of Π Β Φ, Kathleen Cameron and Ruth Davidson.

The fraternity group was greatly strengthened by the installation of Z K into Α Γ Δ on March 15. A reception was given them by their patronesses that night at the Elks Home, to which many faculty members, town people and representatives of the various fraternities were invited.

This spring "The Looters" are putting on a musical comedy "The Prince of Tonight." Π Φ has one in the cast and three in the chorus. Θ Α Φ presented "The Unchastened Woman" in May.

Montana A gave the annual Mothers’ Day chocolate and a dinner party for the Π Φ fathers. May 9th was the date of the spring party, a gingham party at Three Bears Inn.

"Kwama," the sophomore honor group has just pledged two II φ freshmen, Dorothy Delzell and Katherine Ulrich. This organization selects nineteen of the best all around freshmen each year.

The spring tour of the university orchestra was through central Oregon this year. Flora Edwards, a II φ pledge, has the distinction of becoming a member of that organization in her freshman year.

The campaign for the Student Union Fund is well under way. Dorothy Ostrander was appointed a member of the committee seeking special donations. The Gift Campaign funds are increasing and construction on some of the buildings will be begun soon. The first of these will be the University Auditorium, funds for which were contributed by the Eugene business men.

April Frolic week-end was very successful this year. Only one-half of the girls houses presented stunts, and dancing and refreshments were enjoyed by all the girls after the program. II B φ entertained four sisters and two cousins who are planning to enter college next year.

Oregon B and Oregon A, with the Alumnae Clubs of Corvallis and Eugene met together on Founders' Day for a picnic supper.

Oregon B enjoyed a very pleasant visit this spring from Mrs. Burton Beck, Iota Province President. She gave many helpful suggestions and of particular interest were the discussions concerning a new house.

During last term, the chapter gave a bridge tea and raised fifty dollars for the Settlement School. The mothers' club in Portland, Oregon, has shown an active interest in the chapter and recently raised $100 by a rummage sale for the use of Oregon B.
A new event of the campus was Mothers' Day early in May when the entire day was given over to women students and their mothers. The new pharmacy building which will be ready for use next fall is an addition of which everyone is proud. The college expects also to build a new women's gymnasium and science hall.

O. A. C. has been fortunate in having well known artists visit the campus. Among these are Pablo Cassals, Harold Bauer and the Stuart Walker players.

Oregon B regrets deeply the death of Mrs. Minnie P. Amick, a IIΦ mother.

The sophomores have been particularly active in college activities this term. Frances Mills and Myrtle Logen won journalistic honors by being appointed on the "Barometer" staff. Myrtle also won a silver loving cup for high jumping in the horse show and contest, and Lydia Deane has been pledged to the National Associated Inter-collegiate Players.

According to the year-rushing system bidding comes this quarter. The plan has been changed this year so that very little entertaining is done. Each house may give one tea a quarter for the entertaining of women, and there are about two weeks of formal rushing. Aside from that there may be no intercourse between the fraternity members and new women except on Quad.

The women of Stanford will all take part this quarter in a "Spring Pageant." Marcia Morton and Daphne Hodgson have the leading roles in it, and several of the girls will be in dances and choruses. Dorothy Pitts and Marcia Morton are also in the "Junior Opera."

Virginia Doyle
The chapter gave one large informal dance for the freshmen, and has had a number of exchange dances with fraternities. Panhellenic has instituted a series of exchange dinners between women's fraternities, with the purpose of encouraging friendship among girls in different houses. These have proved very successful and are to be continued next semester. Rush parties, and the annual dinner for the Senior class come next. This dinner takes place the night of the last meeting, and is the last function in which the Seniors can join as active girls. Founders' Day luncheon was held in San Francisco on May 3. Members of the faculty were entertained at an informal tea, in place of the customary faculty dinner.

Margaret Rohe has been elected a member of Prytanean and Torch and Shield, two of the women's honor societies. She is also to be president of Panhellenic and vice-president of Prytanean next semester. Marion Coe is a member of the history honor society, Σ K A.

Commencement exercises are to be held in the new stadium this year, for there are so many graduates that the Greek Theater will not accommodate the spectators.

The Pi Phi house will be open for boarders during summer school intersession this year. This was tried last year with very satisfactory results, several Pi Phis from other colleges staying at the house.

INITIATES
(Initiated March 15, 1924)
Jean Hale, '28, 532 So. Manhattan Pl., Los Angeles, Calif.
Edna Marie Hoen, '28, 704 Rand Ave., Oakland, Calif.
Ruth Loftus, '28, 1315 Marengo Ave., South Pasadena, Calif.

Caroline Tucker, '28, 1745 E. Ocean Ave., Long Beach, Calif.
Barbara Wilson, '28, 1521 Hayworth Ave., Los Angeles, Calif.

The spring semester was successfully begun by the pledging of
four girls: Jean Wilson, Doris Dunsmoor, Marie Louise Docker and Betty Squires.

This semester the chapter decided to print a circular letter to be written by the vice-president and corresponding secretary with the help of the president of the alumnae club. The letter is to be printed twice a year, in February and in June. It is to contain personal news of the chapter and of the alumnae, and is to be sent to all California I alumnae and paid members of Los Angeles Alumnae Club. It is hoped by means of this letter to bring the alumnae into more intimate contact with the interests and activities of the active chapter.

As the new girls each semester have composed a song to II Φ, the chapter has decided to compile a song book of California I songs. Eugenia McQuatters has been elected song chairman, and is now working on the new book.

Last semester the chapter organized a Mother's Club and Mrs. Wheat was elected president. They voted to meet at the house about once a month. It has proved a delightful way for the mothers to become acquainted with each other and the girls, and with the interests of the girls.

The freshmen are busy collecting a scrap book which is to contain the programs and favors of the various formals, rushing parties, and all items of interest to the chapter.

California I ranks fourth in scholarship for all fraternities for last semester, and second among national organizations.

In the recent "Extravaganza" which was given at the university, two II Φ freshmen had prominent parts, Barbara Wilson and Katherine Smith. They were also in the Senior Road Show.

Helen Dosh has been elected president of MΦΕ, an honorary organization at the college of music. Evalyn Ross has been elected secretary of the sophomore class, and will be in the May pageant which is to be given soon.

Founder's Day was celebrated at the university April 3. Elaborate exercises were held in chapel in the morning, and in the afternoon an interfraternity track meet took place. Each fraternity wore the colors of some women's fraternity. The day was a great success and a great deal of college spirit was displayed.

The chapter voted forty-two dollars to the Goodwill Industries Nursery, a local charity organization dedicated to Mrs. Carver, former president of the II Φ advisory board.

Mrs. Stanley, II Φ house-mother, has done much to make this
semester a happy one for the girls. She is the mother of Edith
Stanley, a charter member of Montana A, and takes a vital interest
in the work of the chapter.

Work on the new University Library is proceeding rapidly and
the old Library will be turned over to the Law School. The
students are now at work to raise money for a Student Union
Building. Proceeds from nearly all campus entertainments are this
year being used for a building fund.

During University Week several high school senior girls were
guests at the house. They were also invited to the formal dance
on May 1, at the Santa Rita Hotel.

Catherine Fowler is vice-president of W. A. A. and has been
awarded her athletic "A." Doris Gustetter and Ella Hegelund
have recently been elected to Φ Λ II, a local women's honorary
educational society. Ella Hegelund has been elected senior repre­
sentative for next year. Nancy Jane Myers, Eleanor Parsons, and
Dorothy Kerley, are on the staff of the annual, and Ruth Benzie
and Katherine Hoppaugh are reporting on the college weekly.
Helen McDonald took the leading part in the Junior play, "Dulcy."

At the first ΦΚΦ election for the year Mary Franklin and Catherine Fowler were elected.

Helen Robison, B. A., Sparks, Nev.
Nevada Semenza, B. A., Reno, Nev.

Second semester rushing was more spirited than usual this year, and Nevada A pledged four freshmen, Theresa Chambers, Edith Martin, Grace McNeill, and Doris Misner.

For the third consecutive semester, Nevada A led all campus organizations with an unusually high average of 1.88. Alice Norcross had the highest average attained by any woman in the University, while Louise Grubnau, Leota Maestretti, Nevada Semenza and Rena Semenza were also on the honor roll. Three of five senior women elected to ΦΚΦ, national honor society, were Pi Phis. They are Nevada Semenza, Helen Robison and Louise Grubnau.

The University of Nevada recently celebrated Mackay Day in honor of Clarence Mackay, who donated to the University the famous Mackay School of Mines, and also the athletic field. On this day it is customary for the men to work on the campus, while the women prepare a lunch which is served to the entire student body in the gymnasium. At this time student body officers are nominated for the coming year, W. A. A. awards are presented to women who have earned the specified number of points, and in the afternoon, an interclass track meet is held.

Jeanne Misner took the leading woman's part in "The Ghost Story" by Booth Tarkington, while Phyllis Poulin had an important
role in "The Trysting Place" by the same author. Both plays were recently given by Campus Players, the dramatic organization of the university. Marie Grubnau and Ethel Lunsford were on the art staff of the "Artemisia," the college yearbook. Marie Grubnau, Alice Norcross and Eleanor Siebert were on the varsity rifle team.

Early in the semester, II B Φ entertained the campus at a very successful "Jitney Crawl." A St. Patrick's Day dance was given at the home of Alice Norcross in honor of the initiates. The annual waffle breakfast was given recently for the benefit of the Settlement School.

Nevada A regrets very much that Anna Watson was forced to take a leave of absence because of a severe illness.

Every student is looking forward to the celebration of the fiftieth anniversary of the University of Nevada which will take place during Commencement Week.

EXCHANGES AND COLLEGE NOTES

FARDEST NORTH COLLEGE

The Alaska Agricultural College and School of Mines, believed to be the farthest north college in the world, has re-elected Charles Ernest Bunnell president. Mr. Bunnell, former federal judge there, founded the institution 16 months ago. It has an enrollment of 69 students.

The suggestion of vocations as the result of psychological tests is to be tried at Nevada according to a statement which says:

It is planned to have a faculty vocational committee at the University of Nevada to conduct psychological tests with a view of suggesting to students the vocations for which they seem best fitted.

Since students often come to college without a definite career in view, it is believed that the scheme will be helpful.

Freshmen students then will be offered the courses of studies considered most helpful to the business or profession favored. The plan was proposed by Dr. J. R. Young, professor of psychology.

FASTING TO RAISE MONEY

A note from the Wabash College News Bureau, sent out in the closing week in March, said: "Breakfasts have been suspended at
the Beta Theta Pi fraternity house at Wabash College for an entire month so that the cost of 30 daily house breakfasts may be turned into the student friendship fund being raised on the campus for the assistance of students in countries stricken by the war. Collection of funds at Wabash is under the supervision of Dr. L. H. Gipson of the faculty. Every fraternity made pledges a chapter matter, eight houses already having reported 100 per cent subscriptions."

TWO BRANCHES IN ONE COLLEGE

Did you know that Phi Sigma Kappa (it is said) is the only fraternity having two branches operating under one charter, but maintaining separate houses in different departments of the same institutions? Such is the case at Union College and University of Maryland. One scheme that has been suggested for solving the need for more fraternity opportunities is for the establishment of a second chapter of an organization in each of a number of large universities.

PROFESSOR DUANE OF HARVARD WINS THIRD X-RAY PRIZE

The Leonard prize for $500 for research work in X-Rays has been awarded by the American Rontgen Ray Society to William Duane, professor of bio-physics at Harvard, for his researches in X-ray spectra and methods of estimating the dosage of X-rays to be used in treating diseases, it was announced to-day. It is the third time within a year and one-half that Professor Duane has won such an honor for his work and discoveries in connection with X-rays and radium. He worked for many years in the Curie Radium Laboratory in Paris before coming to Harvard in 1913 as assistant professor of physics and research fellow of the cancer commission.

PLEDGING

Pledge men only with utmost care. When you have done so, remove the pledge button only for real cause. A man pledged and not initiated has something to explain to his collegemates the rest of his college days; if the fault is the chapter's and not his, he has been done a very grave injustice. We must, in all that we do, remember the other fellow; no man once pledged should be denied initiation except by a vote of the chapter of sufficient size to equal that required for expulsion were he a member.

Through the Key of Kappa Kappa Gamma we quote:

We are all blind until we see

Nothing is worth the making if
It does not make the man
Why build these cities glorious
If man unbuilted goes?
In vain we build the world unless
The builder also grows.

FIVE HALL-MARKS OF THE EDUCATED MAN

By President Nicholas Murray Butler of Columbia University

(1) Correctness and precision in the use of the mother tongue.
(2) Refined and gentle manners, which are the result of fixed habits of thought and action.
(3) Sound standards of appreciation of beauty and of worth, and a character based on these standards.
(4) The power and habit of reflection.
(5) Efficiency, or the power "to do."

GREEK GOSSIP

Phi Gamma Delta has sworn off expansion for three years. Acacia held its recent conclave at Plum Lake, Wisconsin. Alpha Phi will hold its convention this year at Glacier Park, Montana.

Delta Upsilon intends hereafter to hold its general conventions in September, just prior to the opening of college, in order that they may be held on a college campus where dormitories may be used for the lodging of delegates, and the general university atmosphere pervade the gathering.

The Delta Kappa Epsilon directory still carries the names of the six former members of that fraternity who founded the Sigma Chi Fraternity at Miami in 1855.—Sigma Chi Quarterly.

Dean Thomas Arkle Clark has resigned as Worthy Grand Chief of Alpha Tau Omega because of the increasing burden of his work at Illinois. He is one of the outstanding men of the Interfraternity Conference, and will continue to act as its Educational Adviser.—Sigma Chi Quarterly.

TWIN PHI BETA KAPPAS

NEW YORK, April 11.—The feat of distinguishing between Jacob and Edward Friend of East Orange, N. J., twins and students at Columbia University, was made no easier Friday with the announcement that they both had been awarded Pi Beta Kappa keys.

They look alike, dress alike, sing in the glee club together, go to the same classes and for four years have received identical marks. In receiving the keys, they become the first twins to be elected to Phi Beta Kappa. The only difference in the keys is the first name on the back of each.
In the Garnet and White of Alpha Chi Rho we find:

COLLEGE ATTENDANCE INCREASES 442 PER CENT

Attendance at colleges and universities in the United States increased 442 per cent in the thirty years between 1890 and 1920, while the population increased only sixty-nine per cent, according to figures quoted by educators. In 1890 there were 65,800 men and women in institutions of higher learning; in 1920 there were 356,700. In other words, there was one college student for every 952 persons in the nation in 1890, while there was one for each group of 296 persons in 1920.

A newspaper report from Galesburg, Illinois, states that:

Completion of a five-year search of the book shops of Paris, London, Edinburgh, New York and elsewhere has resulted in the gift to Knox College of 900 volumes in French and English giving new and hitherto unassembled facts on the history of the northwest.

Edward Caldwell, New York, an officer of a large publishing house, is the donor. The collection contains first editions of Samuel Champlain, published in 1632, Father Marquette Nicolet, and other early explorers. Long forgotten chapters in the history of Illinois, Wisconsin, Iowa, Minnesota, Missouri, Kentucky, Florida, Louisiana, Indiana, Kansas, Nebraska, Ohio and Canada, are recalled by the histories and journals of the collection.

NEBRASKA DAD’S DAY

By Edward J. Kuhat, “E”

Nebraska Chapter, Lincoln, Neb.—After the customary Founders’ Day banquet, the next social function was Dads’ Day. This event, named in honor of the check-providing parent, takes place at the end of the football season and consists of a university luncheon attended by the dads and their sons. In the afternoon, a football game furnishes the entertainment. In the evening the fraternity men give banquets at the chapter houses for the fathers. Nebraska was visited by fifteen out-of-town dads and five alumni, tables being set in the chapter house and entertainment furnished by the pledges.

Friendship

To express Friendship we search for gifts with special meaning. Sentiment is simple, going from one heart to another, and the gift which bears it, costing little or much, must express a sympathetic understanding of the tastes of the friend who receives it.

For Fraternity men and women what more expressive gift could be chosen than some article bearing the fraternal insignia. This would carry an even deeper significance than Friendship.

Such gifts of individuality may be had from the L. G. Balfour Company and are illustrated in their current BLUE BOOK.
