A Word to the Wise

Whenever old subscriptions to magazines are due for renewal, the publishers send out little reminders. That should make every Pi Phi sit up and listen.

DON'T send your checks to the publishers—send each notice with your check pinned to it, to the magazine chairman of your alumnae club, or direct to Pi Beta Phi Magazine Agency. Just as easy!

All commissions on magazines go to the Settlement School. We have set a high goal for this year. Help us reach it!

Announcements

Grand Council announces the following National Awards:

The Balfour Cup, jointly to Michigan B and Arkansas A
The Stoolman Vase, jointly to Kansas A and Ontario A
The Philadelphia Vase, jointly to Kansas B and Maine A

These awards represent the outcome of one of the most difficult decisions ever to be made by Grand Council, in that more chapters than ever before had outstanding records, and the basis of choice was so close that the tie votes represent the true situation of impossibility of decision between records of practically identical achievement. In each case the cup will be held by the chapter first named for the first semester of the college year, and by the chapter named second for the second semester; where a three semester system is in use, the division will be at the actual middle of the year.

The National Amy B. Onken Award was given to Harriette Rhawn, Illinois E—she will be remembered as the girl who wrote the poem of chapter life which appeared in the May ARRow. Province awards appear elsewhere in this issue.

Convention

Grand Council announces that Convention will be held at French Lick Springs, Hotel Indiana, June 27-July 3, 1948—a choice which will give to Pi Phis of the middle section of the country their chance to attend. The Convention Guide will be Virginia Brackett Green (Mrs. C. Norman), Indiana T.

Further information as to Convention plans and program will appear in the December ARRow.

Pi Beta Phi Fellowship

For the year 1948-49 the Fraternity will offer one graduate fellowship with a value of $500. The fellowship is open to any member of the Fraternity who has received her bachelor's degree, and it may be used at any university which offers special opportunities in graduate work along the line desired by its holder.

Two points will be considered by the Grand Council in awarding the fellowship: scholastic standing and all-around development of character with its resultant ability worthily to represent the Fraternity. Each applicant must state definitely the university she wishes to enter, the courses which she desires to pursue, and the ultimate aim of her graduate study.

Applications accompanied by photographs of applicants, transcripts of college grades, credentials from college professors, and other recommendations, must be in the hands of the Grand President not later than January 1, 1948.

All material must be collected by the applicant and submitted as a whole. Blank forms for application for the fellowship may be obtained from the Grand President at any time. If she so desires, any applicant of former years who has not received the fellowship may make a new application.

Some ARRow announcements

1. The editor of the "From Pi Phi Pens" section has moved—her address appears on the staff page of this issue. Please keep her informed as to books by Pi Phi authors, also magazine articles—and she will also be glad to hear of books or articles written by Pi Phi relatives.
2. Hereafter the yearly alumnae club reports, due from clubs June 10 each year, will not be printed in the September Arrow.

3. Notices of the death of relatives of Pi Beta Phis, until now listed under sympathy personals, will no longer be used, beginning with this issue.

4. Delegates' reports after Convention will no longer be printed in the Arrow for September—hereafter, they will instead be printed for distribution at Convention.

5. Attention is again called to the correct destination of material for the Arrow:
   - Chapter letters, to the chapter letter editor;
   - Alumnae club letters, to the alumnae club editor;
   - Personals, to Pi Beta Phi Central Office.

It scarcely seems necessary to repeat that all material should be typewritten and double spaced—but some hand-written material does continue to come in.

6. The Arrow welcomes a new director to the Central Office—Glady Scivally, Oklahoma A.

There are several new names among the province officers—consult directory pages in this issue to find them.

Contributions

The paper shortage continues, and the Editor of the Arrow will more than appreciate brevity in all contributions—yet she urges that Pi Phis continue their fine interest in the magazine as shown in their contributions. The Arrow wants most of all to know what Pi Phis are doing everywhere, and pictures are always welcomed, even in these days of shortages when it may not be possible to use all that are sent in. Pictures will be returned on request, except in the case of pictures sent in for the picture sections of the Arrow, such as the Mortar Boards and other honor girls—those cannot be returned, so valuable portrait style pictures should never be sent for those sections—and always, glossy prints, please!

Of the Golden Arrow

Last Spring Founder's Day celebrations over the country delighted to honor their fifty year members who had become eligible for the Order of the Golden Arrow, and from many of those devoted women have come letters to Central Office with thanks for the lovely gold engraved certificates which had come to them. Of these letters, one seemed so outstanding that it is with pleasure that we give it here:

"The years leading up to this honor have brought me several special times of real happiness, because my own initiation was followed by that of my three sisters, my three daughters, 2 of my nieces and my granddaughter. Besides, there were cousins and "in-laws" numbering 8, and making a total of 18 Pi Phis in the family. I feel very unworthy of it all. Please accept my thanks and my gratitude to Iowa Beta and others, who helped to establish the Order of the Golden Arrow... Ada Mills Dewell (Mrs. W. C.) Iowa Gamma."

Of Honors

From the chapter reports we have gleaned some interesting figures: Sixty Pi Phis were chosen for Phi Beta Kappa; 152 girls made Mortar Board or its equivalent organization; of these three chapters had six members, Maine A, Oklahoma A, and Vermont B; four chapters had five members each, Connecticut A, South Carolina A, Colorado B and Texas B; 6 had four members each, Vermont A, District of Columbia A, Alabama A, Wyoming A, Montana A, and Oregon A; six chapters had 3 members each. Ohio A, Florida A, Wisconsin A, Kansas B, Texas A, and Arkansas A.

Truly a remarkable record, and the Arrow congratulates all these girls!

Come to Convention!
Report of Grand Council Meeting

The annual meeting of the Grand Council of Pi Beta Phi was held at the Mountain View Hotel, Gatlinburg, Tennessee, with all members present. The meeting was held June 19 to July 3 inclusive and included the conference of province officers, June 23-27, authorized by the 1946 Convention. Grand Council was able to attend the first sessions of the annual meeting of the Settlement School Committee and, in a brief concluding session of its own, took action upon the recommendations of these two important working units of the Fraternity.

The first business of the Council meeting was to complete the final arrangements for the Province Officers' Conference. The Director of Rushing and Pledge Training outlined the program of discussion topics for the province presidents and the Grand Vice-President, for the province vice-presidents. Both programs were built upon suggestions of the province officers in correspondence throughout the year.

Continuing with the regular business of the annual meeting, Grand Council reviewed the annual reports of the national officers and chairman of the Fraternity. These reports gave evidence of hours of loyal and effective service on the part of some eighty alumnae of Pi Beta Phi. Careful consideration of the information and recommendations contained in these reports resulted in the following regulations:

That each chapter treasurer be required to issue chapter bills upon the basis of a definite number of equal payments annually.

That each chapter treasurer be required to issue chapter bills on the bill and receipt forms, exactly as outlined.

That each chapter treasurer be required to enter all monies received for both local and national initiation fees under the chapter department and all monies paid out for national initiation fees under the same department.

That each chapter treasurer be required to enter all monies received and paid out for badges under the special assessment department.

That each chapter treasurer be required to have in her notebook, which shall be passed on to her successor, a statement explaining in detail all financial arrangements between the House Corporation or landlord and the chapter, including those covering responsibility for upkeep and repairs.

That each chapter treasurer be required to see that there is an actively working chapter finance committee, composed of the alumnae financial adviser, the assistant treasurer, the house manager or a similarly responsible officer when there is no house, and herself; which committee shall meet at the beginning of the college year to prepare the annual budget and in the middle of the year to check upon its accuracy and make any necessary changes.

That each chapter treasurer be required to make a monthly report to the chapter which will show clearly its financial position.

That the Counselor for Chapter House Corporations be asked strongly to urge that each House Corporation make an annual report to its chapter on the current status of the financial affairs of the Corporation, based upon the required annual report which they make to her.

That the Grand Treasurer prepare a letter to be sent to the parents of all actives and pledges and copies to all alumnae financial advisers. This letter shall explain the plan of the Fraternity for financial payments.

That the chapter pledge supervisors shall be the ones responsible for seeing that the sponsor's letter, the regular fraternity letter, and the letter from the General Treasurer are sent to the parents of all pledges.

That a list of required duties be provided for the alumnae financial adviser to assist her in checking the work of the chapter treasurer.

That the Fraternity supply all alumnae financial advisers, chapter treasurers, province presidents and Grand Council members with the 1946 Busey "Manual of Instructions for Treasurers and Financial Advisers."

That chapters be advised that any surplus in the treasury at the end of the year belongs to the chapter after it has met its stated obligations to the House Corporation.

That chapters be asked definitely to plan with the auditors so that their books will be available at the time of official visits.

That the Grand Treasurer prepare a list of suggestions for a notebook to be kept by chapter treasurers, adapting the manual to the local situation; this notebook to become a permanent reference book for the treasurers of the particular chapter.

That each chapter Rush Captain be required to file with the Director of Rushing and Pledge Training, within five days after formal pledging, the required recommendation and consent to bid as completed on the regular forms.

That the chapter roll in the pledge examination be taken by provinces, the papers to be held by the alumnae supervisor until the entire roll has been completed and then sent to the province supervisor of fraternity examinations.

That, due to scarcity of space, expressions of sympathy upon the death of Pi Beta Phi relatives be omitted from the obituary news section of THE ARROW; that alumnae club reports be omitted in the Information Arrow; that alumnae club letters appear in the March and May issues only; and that the reports of chapter delegates be omitted from the Information Arrow. The delegates' reports shall be printed for distribution at Convention, with copies sent to all officers, chapters, and alumnae clubs.

That, for the college year of 1947-48, the Fraternity grant in each province a $25.00 award to the girl in the chapter who has made the greatest improvement, in the chapter in the province whose average is the greatest percentage above the all-women's average on its campus.

That, in their first letter in the fall, the province presidents be asked to advise their chapters to design original and graphic scholarship charts, from which the most outstanding will be chosen for an exhibit at Convention.

That chapter scholarship chairmen be required to keep a permanent scholastic record for every member of the chapter, from which the chairmen can keep alert to variations and difficulties.

That the final date for the application for the scholarship ring be changed from April 15 to May 1.

That Grand Council recommend to Convention that the Holt House Committee be authorized to hold an organizational meeting at Holt House immediately following the appointment of its members; that this meeting be held at the expense of the committee funds.
That the Grand Council approve the request of the National Historian for an assistant whose duty shall be the supervision of all work connected with active chapter histories.

That details for the colonization of a chapter at the University of Tennessee be completed; that the required province visits for Kappa Sigma Theta of the College of Puget Sound, which desires to petition for a charter, be approved; that further information regarding the interested group at Kent State University be secured; and that groups at Arkansas State College, Creighton University, and Carroll College be discouraged.

That the Music Committee be commended for the high quality of the new book, Songs of Pi Beta Phi.

That a committee be appointed to investigate the possibility of a national alumnae award for service; this committee to be instructed to submit a report to Convention.

The next order of business was a review of the annual reports of the province vice-presidents which provided a comprehensive record of the alumnae clubs of Pi Beta Phi and of alumnae club work. A study of the active chapters followed, based upon the annual reports of the province presidents. Recommendations for the Balfour Cup, made by each province president, were considered and checked with the Standardization and Survey report to determine the eligibility of chapters for the highest awards of the Fraternity.

The unanimous decision of the Grand Council awarded:

- The Balfour Cup to Michigan Beta and Arkansas Alpha, jointly.
- The Stoolman Vase jointly to Kansas Alpha and Ontario Beta.
- The Philadelphia Vase jointly to Kansas Beta and Maine Alpha.

The divided honors in each of the awards prove the high quality of the competing chapters and the obvious difficulty in making a decision.

By another unanimous vote of the Grand Council, Harriette Rhawn, Illinois E, was awarded the National Amy Burnham Onken award.

The following recommendations made by the Province Presidents in the current conference were considered and acted upon by Grand Council:

That a change in the procedure for sending chapter contributions be authorized to allow such checks to go directly, to the treasurers of the Holt House and the Settlement School Committees and to the Chairman of the Loan Fund Committee rather than first to the province presidents.

That an official form be adopted to be used by all chapters in making activity reports required by the province presidents and/or the visiting officer; the form to be that drafted by the province presidents in their meeting.

That a blank for a chapter statistical report and a recommended chapter-analysis outline be adopted for use by all fraternity officers who make reports of official visits; the form to be that recommended by the province presidents in their meeting.

That the Fraternity require each chapter to follow exactly the program outline prepared by the Director of Rushing and Pledge Training and distributed in the fall of 1946; that each chapter be required to appoint a program chairman to be responsible for carrying out the required program outline for chapter meetings and for directing chapter "Pi Phi Nights"; that each chapter be required to have six "Pi Phi Nights" each year, planned to agree in general character with the suggestions given in the Manual of the Program Chairman; and, that the Alumnae Advisory Committee member on Social Conduct be asked to serve as the alumnae contact for the chapter Program Chairman.

That the chapter vice president be required to send out return postal cards to chapter graduates for the first two years after they have left school; these cards to contain desired contact information and to be forwarded to the Central Office after the information is recorded by the vice president.

Upon recommendation of the province vice presidents in conference, the following change in the Statutes was authorized:

That Statutes VIII, Section 2, a, be amended by striking out, "to the interest of the nearest active chapter” and inserting, "to active chapter interests.”

That chapters and alumnae clubs be contacted to learn whether the interest within the fraternity in the "Save the Children Foundation" is sufficient to warrant the appointment of a national chairman. If so, she would become the fraternity center through whom chapters and alumnae clubs could work further in the project which has already benefited from the balance left in the Physiotherapy Fund, by action of the 1946 Convention.

That the Grand Vice-President and the Director of Rushing and Pledge Training be asked to keep in touch with the experience of the Oklahoma State Chairman of Rushing, with the idea of considering a similar all-fraternity set-up for rushing recommendations.

That all chapters be instructed that, when a chap­ eron is to be released, notification must be given in person by the chapter president and the chairman of the Alumnae Advisory Committee.

The two final items of business were the considera­tion of the preliminary plans for the 1948 Conven­tion and the assignment of the 1947-48 chapter visits. It was decided that the Convention of 1948 be held at French Lick Springs, Indiana, at the latest date in June available for reservation. A tentative program was outlined and initial organization plans made.

The meeting of Grand Council was then adjourned.

LUCILE DOUGLAS CARSON
Grand Secretary
PROVINCE PRESIDENTS CONFERENCE, MOUNTAIN VIEW HOTEL, GATLINBURG, TENNESSEE, JUNE 22-25, 1947

As we drove to the Mountain View Hotel, whose proprietor is Andy Huff, we were greeted by a rustic and most appropriate sign, "Pi Beta Phi Settlement School," which stands on our property adjoining the hotel. We had arrived in Gatlinburg, for many of us a first time, for others a delightful return.

We had come for the conference of province officers with Grand Council, as the result of an idea and decision made at the Province Presidents' meeting last summer. There had been doubt expressed then as to how valuable such a meeting would be, but one's doubts were soon allayed as one listened to the enthusiasm both in and out of the meetings.

Mrs. Sale, outgoing Settlement School Chairman, started our conference by her carefully planned tour of the School. A walk through the hayfield brought us to the Health Centre where we visited with our nurse, Marjorie Chalmers, and heard something of her work. This walk and the path through the pasture which leads from the Health Centre to Pollard and Teachers' Cottage became very familiar to us, as our walk to and from meetings which were held at Teachers' Cottage took us that same way unless we managed to leave the hotel in time to stop by Arrowcraft Shop. Our tour that morning took us to the Shop, too, and all the places so familiar to us by name, and when it was all over one found it difficult to realize that three whole hours had elapsed en route.

Province officers as well as chapter treasurers find their difficulties in remembering all the details of the Busey System, and therefore, the first afternoon with the Province Presidents was profitably spent with the Busey staff on an interpretation of this system. It soon became quite intelligible under Mrs. Prouty's able guidance.

Up until evening of the first day the Province Presi-
dents and Province Vice-Presidents had been meeting separately with various members of Grand Council present, the former group being under the direction of the Director of Rushing and Pledge Training, and the latter under that of the Director of Alumni Extension. However, before closing the first evening there was a joint meeting of the two groups to discuss rushing and recommendations. On all other occasions the two groups met apart, meeting regularly morning, afternoon, and evening for three days and until noon of the fourth day.

Discussion ranged over every subject of chapter life and organization along a program outline drawn up from suggestions submitted beforehand. A report of the discussions cannot be included here, but any decisions reached or action taken will be found in the minutes of the Grand Secretary.

We met in the beautiful Smoky Mountains country to work and not play. We parted with only joy in our hearts over meeting our fellow officers and over having shared ideas during our days together. There was relaxation at mealtime, and one short period of recreation when the Settlement School staff and Workshop students entertained us at a delightful picnic in the mountains followed by the lovely colored movies showing the St. Louis Fashion Show in aid of the School.

The days went all too quickly and it was with sadness we said farewell—to Miss Onken and the other Grand Council officers, to Miss Dyer, Director of Settlement School, to each other, and to the many friends made during our stay in Gatlinburg. We had renewed our faith in fraternity; we had exchanged thoughts; and we left inspired to serve to the best of our ability our great Pi Beta Phi.

ISABEL CLARK WINKLER

REPORT OF CONFERENCE OF PROVINCE VICE-PRESIDENTS AT GATLINBURG, JUNE 23-26, 1947

On Tuesday the topic for the entire day and evening was "Organization," which covered a multitude of minor problems. Among them were:

1. Functioning of Executive Committees
2. Importance of Officer Training
3. Letters between PVP and club president
4. Annual Reports
5. Required meetings
6. Junior groups
7. Use of rituals and ceremonies
8. Material in club files
9. Workshop for officers—province conferences
10. Educational programs giving more information about the Fraternity's prestige and achievements.
11. Problems of various types of clubs
12. Local projects
13. Waves and Means

Out of this day's discussion came three recommendations to Grand Council, namely:

1. That there be made a set of Kodachrome slides of Holt House, including particularly the figures of the Founders, and that narrative material accompany the slides.
2. That Statutes VIII, Section 3, Requirements for Chartered Alumnae Clubs, be changed from "devoted to the interests of the nearest active chapter" to "devoted to active chapter interests."
3. That material for the four required meetings be especially prepared with an introduction of an inspirational nature, and sent out under separate cover in the fall to the clubs.

On Wednesday morning were taken up the subjects of club visits, and preparation for alumna delegates to convention. The afternoon was given up to the topics of Panhellenic cooperation, publicity, and future of province conferences. In the evening there was a joint meeting with the Province Presidents to discuss convention program and procedure for 1948.

Thursday there was a morning meeting in which was finished the revision of the PVP manual, and the revision of the Club President’s Notebook. By evening almost all of the PPs and PVPs had departed by bus or car, a group of alert, interested officers working hard and intelligently for Pi Beta Phi.  

MARIE BACON HAGEE

Some pay their dues when due
Some pay their dues when over due
Some never do
How do you do?
THE success of the 1946 Convention which brought Pi Beta Phi together for the first time in many years and gave them an opportunity to evaluate the work done by the Fraternity and to plan for its future is even more evident now than it was when convention sessions ended, a year ago. Now it can definitely be known both that the planning was wise and that the inspiration of Convention has been translated into constructive service to chapters and alumnae clubs and so into new strength and added prestige for Pi Beta Phi. To work with and for a Fraternity whose organization and personnel mean that there can be constant progress towards an ever-advancing goal of the highest standards of living and serving is a privilege for which the Grand President can never adequately express her gratitude.

The reports of officers and committee chairmen do in fact show a high achievement. Study them in order that your pride in Pi Beta Phi may have the firm foundation which accurate knowledge lays. Although the return of men students to campuses, in large numbers, created many conditions which worked against women students and brought with them the problems of adjustment of young womanhood has not-for this reason been made the fuel of college fraternity, in these years and it will then award twenty-five dollars to the member of that chapter who has improved her personal record the most over that of the preceding year. In this way, the Fraternity will honor both high averages and successful efforts to improve. The influence of Pi Beta Phi for the things which make for the highest and finest type of young womanhood has been most gratifyingly evident during a year when college administrators have been greatly concerned at the many influences at work to make the cheap, common, and not-pretty thing the accepted one. If the college showed a year of high achievement of adjustment throughout the world, does nothing more than guide college women towards goals of lastingly worthy and beautiful living, it can continue to face all criticism directed towards it because it can be confident of its invaluable service in the field of education.

A most interesting experience came to the Eugene Alumnae Club when, in answer to a newspaper appeal for help in writing its little Finnish boy, it received sixteen telephone offers of assistance! Grand Council believes that many alumnae clubs and chapters will be too interested in their "children" to be willing to lose the contacts with them at the end of the year, for which the fraternity's funds provided. If individual chapters and clubs wish to take care of continued support for a few months or for another full year, the Fraternity will set up machinery to arrange for this. It has not seemed wise, however, to attempt any campaign for funds for a general renewal of the fraternity's aid as such. It will only be in line with the general women's fraternity picture, however, if Pi Beta Phi continue to make life easier and happier for children whose lives have been so desolated by a war for which they had no responsibility and from which they had no escape.

Holt House, under the able chairmanship of Gladys Stump Nall, has had a most successful year as a memorial of which the fraternity can feel increasingly proud, and its place in the hearts of Pi Beta Phi grows deeper each year. Architect's plans for constructing at Holt House a fire-and-moisture-proof room in which the fraternity's invaluable store of articles of historic interest may be housed are now at the point where contractors' bids can be called for.

During the year, Grand Council has accepted with regret the resignations of the following Province Presidents who have been forced for personal reasons to resign after having given fine service: Katherine Black Massenburg, Gamma Province, succeeded by Jacqueline Fowlkes Herod; Gertrude Scanlon Burley, Eta Province, whose successor is still to be appointed; and Margaret Jacoway, Kappa Province, whose successor is Mildred Odell Sale. Officers elected by Convention but unable to serve were Betty Wood Weir, Margaret Ann Twyman, Ellen Cross Vaupell, and Mary Jane Nichols whose successors were Vera Lee Moss, Margaret Jacoway, Emily Babcock Draper, and Olga Charles Siburg, respectively.

This year marked the end of the period of Settlement School Committee membership for two of the most constructive and valuable members which the Committee has ever had—Mildred Odell Sale, chairman, and Ann Leichliter Munn, secretary and contact regular part of its program, there can be no question of the concrete help and the lasting inspiration which came from those days of study and cooperative planning by the officers upon whom such heavy responsibility lies for the future of the fraternity. The value of the Province workshops for chapter presidents and pledge supervisors is again being proved by this summer's meetings.

Convention action assigning the $4,300 remaining in the Physiotherapy Fund to work with the children of the war-torn European countries has meant that forty-three children have had a full year of special food, clothing, and other assistance because of Pi Beta Phi. The plan worked out so successfully by Ruth Barrett Smith, special chairman for the work with the Save the Children Foundation, meant that each chapter and club knew its special protege by name, heard from it direct, and sent to it money, making it possible to give gifts to it. A most interesting experience came to the Eugene Alumnae Club when, in answer to a newspaper appeal for help in writing its little Finnish boy, it received six telephone offers of assistance!
member for Arts and Crafts. It is impossible to express the appreciation which the Fraternity feels for each or the joy which working with them has meant for other officers and for the Staff at the School. The many problems brought on by constantly changing conditions in Gatlinburg have been met wisely and efficiently under the exceptionally able leadership of Mildred Sale whose influence and whose place in the esteem of the entire community and of University of Tennessee, County, and State administrative officers reflects high honor upon the Fraternity. Her report will tell of the wonderful way in which Pi Beta Phi continues its high service to Gatlinburg and, through the successful summer session, to handicraft leaders throughout the entire nation. The fraternity welcomes Ruth Barrett Smith as incoming chairman of the Settlement School Committee, and Olivia Smith Moore and Harriet Goodsell Rauch as new members whose value is already clearly evident.

It is with gratitude for the return of conditions which make biennial conventions again possible that Grand Council announces that the 1948 Convention will be held at French Lick Springs, Indiana, June 27 to July 3. No Pi Beta Phi can afford to miss the privilege of fraternity associations which convention will bring! Begin now to plan to be at French Lick Springs whose adequate facilities and beautiful setting offer so much in themselves. Help make the next convention a true inspiration and one marking another long step forward for Pi Beta Phi.

The annual meeting of Grand Council was held at Gatlinburg, immediately before and after the meeting with Province officers and concurrently with the meeting of the Settlement School Committee with whom several joint sessions were held. Since Pi Beta Phi now holds the chairmanship of National Panhellenic Conference, it will be the hostess fraternity for the coming conference to be held at the Broadmoor, Colorado Springs, November 10-14, 1947. All Grand Council members will attend, so the Fraternity may be sure that its responsibilities as hostess will be fully met. May the Grand President express her deep appreciation for the way in which individual Pi Phis, alumnae club and local groups have given their support for her as NPC Chairman evident through increased contributions to the success of both college and city Panhellenics? She has given her best to make her term of office a constructive one for fraternities. In addition to routine office work, she has, during the past year, attended as NPC chairman a meeting of the Advisory Council of the Women's Interest Section of the Public Relations Division of the War Department and will, in September, serve as NPC representative at the Triennial of the International Council of Women, to be held in Philadelphia. She has also been the guest speaker at Panhellenic Workshops at Michigan State College and George Washington University; and has been the speaker at Panhellenic meetings at the University of North Carolina and Duke University, at a joint meeting of the city and college Panhellenic in Knoxville; and she is to be speaker at a fall meeting of the North Shore Panhellenic.

The Pi Beta Phi Fellowship for 1947-48 has been awarded to Millicent Mars, Oklahoma A, who will continue her work towards her degree of Doctor of Medicine at the University of Oklahoma. Applications for the 1948-49 Fellowship should reach the Grand President by January 1, 1948. Application blanks and full information will be sent by her at any time upon request. The Fellowship is open to any graduate Pi Beta Phi and it may be used at any accredited University here or abroad.

As always the task of making the Fraternity's awards has been a most difficult one. The high standards of achievement set by chapters and individual actives as a whole make the receipt of any special award recognition whose importance cannot be over-emphasized. It was with deep pride in all chapters and all seniors that Grand Council awarded the Balfour Cup jointly to Arkansas A and Michigan B; the Stoolman Vase jointly to Kansas A and Ontario A; the Philadelphia Cup jointly to Maine A and Kansas B; and the national Amy Burnham Onken award to Harriette Rhawn, Illinois E. The Province Amy Burnham Onken award winners, each of whom had an amazing record for recognition for campus service, personality, scholarship, and character are:

**Alpha East—Edith Gordon, Vermont A**
**Alpha West—Ruth McDougald, Ontario A**
**Beta—Jeanne Reinhardt, Ohio A**
**Gamma—Margaret Taylor, North Carolina B**
**Delta—Jean Louise Hole, Michigan B**
**Epsilon—Martha Dunias, Missouri B**
**Zeta—Robin Hill, Florida B**
**Eta—Harriette Rhawn, Illinois E**
**Theta—Laura Ann Reynolds, Iowa B**
**Iota—Ruth Ann Hodgson, Kansas B**
**Kappa—Jean Marie Kearns, Oklahoma B**
**Lambda—Betty Ann Crages, Idaho A**
**Mu—Ann Pearce, California G**

During the just-ended fraternity year, the Grand President had the privilege of serving as installing officer for New Mexico A at the University of New Mexico, a organized group fostered and lovingly served by the Albuquerque Alumnae Club, and for Illinois O, at Bradley University, formed from the almost fifty-year old local group, Lambda Phi; of visiting Maryland A and B, D. C. A, North Carolina A and B, and South Carolina A; and of enjoying the delightful hospitality of the Washington, Chapel Hill, Columbia, East Lansing, Des Moines, Albuquerque, Peoria, and Springfield Alumnae Clubs.

The warmth at her heart, which Convention placed there by its expressions of confidence, appreciation, and affection, continues to mean an inexpressible happiness for the Grand President. Although she cannot find words, she hopes that she may find ways to express her deep gratitude in worthy service.

Respectfully submitted,

**AMY BURNHAM ONKEN**

MESSAGE OF THE GRAND VICE-PRESIDENT

To the Alumnae of Pi Beta Phi:

The leadership of the Alumnae Department of the fraternity was taken over from the able hands of Ruth Barrett Smith with a deep sense of humility. As this first year draws to a close, we have an increased knowledge of, and an appreciation for the efforts of Pi Phis everywhere. In the fall we suggested to the alumnae clubs twelve points, which translated into action could mean progress. Some of them are intangibles—things of the spirit, yet others used as a yardstick do give us the measure of our progress.

Summed up these twelve points fall under the general headings of Membership, Attendance, Study, and Effort. During the past year over fifteen hundred more alumnae paid national dues than during the previous year. Every province showed a gain in membership. A part of that is accounted for in the chartering of eight new alumnae clubs. Gamma Province takes the lead in alumnae extension with three new clubs; Raleigh, North Carolina, Washington, D.C. Junior Club, and Knoxville, Tennessee, Province has two new clubs; Epsilon, Knoxville, and Rio Grande Province has two new clubs; McAlester, Oklahoma, and Rio Grande Valley (Texas) Club; with one each in the following provinces; Alpha East, Stamford, Connecticut, Alpha West, Ithaca, New York; and Epson, Knoxville, Tennessee. Other factors contributing to this increased membership are; enthusiasm brought back from Swampscott by alumnae delegates, hard working membership chairmen, and with the end of war more time available generally for fraternity activities.

And with this fine record there are still some thirty thousand alumnae who do not pay their national alumnae dues. Many of those thousands live in communities where there are charterd alumnae clubs. There lies a real challenge to the club which has enrolled only one fifth, one third, or one half of the resident alumnae. Special congratulations go to those, to the fourteen clubs having every resident member a paid member of the club. Some of them even had more paid members than resident members! Quite a number of these clubs have had this fine record year after year. Many more clubs came within two or three of attaining that 100% goal in membership. Those clubs having 100% membership this year are: Buffalo, New York, Poughkeepsie, New York, Oxford, Ohio, Central Pennsylvania, Jefferson City, Missouri, Little Pigeon, Tennessee, Lakeland, Florida, Cartaghe, Illinois, Joliet, Illinois, Hutchinson, Kansas, Manhattan, Kansas, Vermillion, South Dakota, Norman, Oklahoma, and Wenatchee, Washington. Orchids to Iota Province for three such clubs!

Little Pigeon, Tennessee, St. Petersburg, Florida, Billings, Montana, and Berkeley, California clubs have revived after periods of inactivity. Bloomington—Normal, Illinois must regretfully be asked for its charter after the two years of inactivity allowed by the constitution. Raleigh, North Carolina has surrendered its charter, and Carlisle, Pennsylvania has once again combined with the Harrisburg, Pennsylvania Club, so that the year ends with 213 active clubs on the fraternity roll.

This year 883 seniors paid alumnae dues. It is hoped that many of them will become active members of the various alumnae clubs along with those actives who have dropped out of school before graduation. Special letters of welcome were sent this year to readers to graduating seniors after the Senior Farewell Ceremony.

Membership and attendance go hand in hand. Clubs must have attendance to gain members, and once paid, members regular attendance is necessary for the satisfactory functioning of the club. It was a joy to know of the large number of clubs reporting increased attendance. The secret of their success was attributed to good programs, a friendly spirit within the club, as many members as possible with definite responsibilities, and, of course, a lessening of the press of outside civic duties.

In an effort to attain greater understanding of the fraternity, Province Vice-Presidents have laid stress on studying the duties of alumnae club officers so that they would be chosen specifically and with a review of local constitutions so that they might be brought up to date, and provisions possibly forgotten or overlooked enforced or changed; on a study of the national constitution and statutes, and fraternity manuals so that clubs would gain a national viewpoint and understanding.

In work for the fraternity there is a fine record of achievement. The great interest for Pi Beta Phis everywhere is, of course, our Settlement School. One cannot know of the School, or see it in its beautiful setting on the edge of the Great Smoky Mountain National Park without having a deep sense of pride, and of gratefulness to the various committees which have guided its destiny—the first committees that selected the site, set the pattern of work, and made friends in the community for the fraternity; the following committees down to the present one have seen changes come and have developed our program to fit the needs, found new opportunities for service to the old, the middle aged, and the young. For the last three years the School buildings and facilities have not been idle during the summer months. A Summer Workshop sponsored by the University of Tennessee has been most successful. This year alone seventy-two students from over thirty of our States will come for a three or six weeks session studying Weaving, Jewelry, Recreational Crafts, Textile Design, and Community Recreation under skilled leaders, and will take back to their communities new skills for their people that may be either of therapeutic or occupational value. Credit for this work is given by the University for graduate or undergraduate degrees.

Of our 213 clubs 15 failed to contribute to the School. In addition to special gifts or contributions to the Memorial Fund, clubs contributed $10,685.77. Those provinces 100% in their contributions to the School are: Beta, Epsilon, Eta, and Iota. These figures represent an increase in both total amount and number of clubs contributing. No matter what the amount contributed each one helps to make possible our project in Gatlinsburg. Special thanks, however, go to those fourteen clubs—two more than last year—contributing $200.00 or more.

The work of the Settlement School is also helped by the sale of Arrowcraft products. Over one hundred families are on the weavers' payroll. Excellent publicity is derived by clubs in announcing Arrowcraft sales and teas, and by the display of the lovely articles given by these looms in Galena and Galesburg. More articles were available this year, and still many clubs were disappointed in not getting desired amounts. Every effort is being made to see that supply for next year will be available to meet the anticipated increase in demand. This point is emphasized by the fact that last year thirteen clubs were able to obtain and sell over $500.00 worth of Arrowcraft, while this year twenty-nine clubs fall within that figure. The top three are: Champaign-Urbana with a membership of 64 ($1,500.00), Lawrence, Kansas with a membership of 42 ($1,200.00), and Milwaukee, Wisconsin with a membership of 71 ($1,145.95). The other clubs selling over $600.00 are: Albany, New York, Albuquerque, New Mexico, Berkeley, California, Bloomfield Hills, Michigan, Chicago, North, Illinois, Cleveland, East, Ohio, Dallas, Texas, Denver, Colorado, Houston Texas, Kansas City, Missouri, Lafayette, Indiana, Los Angeles, California, Louisville, Kentucky, Madison, Wisconsin, N. S. J., Jersey, Omaha, Nebraska, Philadelphia, Pennsylvania, Portland, Oregon St. Louis, Missouri, Salem, Oregon, San Diego, California, San Francisco, California, Springfield, Missouri, Tacoma, Washington, Tulsa, Oklahoma, and the Washington, D.C., Senior and Junior Clubs jointly.

Still another way of contributing to the School is by supporting the Magazine Agency. The fact that last year many subscriptions had, by requirement of publishing houses, been two year subscriptions, plus the increased subscription rates of a number of magazines made total commissions earned this year less than last year. Nevertheless, the handsome sum of $6,836.12 was earned by the clubs this year ending May 19th. Congratulations go to the prize winning clubs.

Denver, Colorado, with Mrs. Ellis Gilchrist, Chairman, for making the highest total commissions, $300.00 wins $10.00.

Bloomfield Hills, Michigan, with Mrs. H. Walsley, for making the highest per-capita commissions, $7.18, wins $10.00.

Austin, Texas, with Mrs. Raymond Hill, Chairman, for making the greatest percentage increase, 13,233% wins $5.00.

Iota Province again led all other provinces in total commissions.

Holt House, the birthplace of the fraternity, continues to grow in the hearts of the members of Pi Beta Phi. The development and maintenance of the house has been in the hands of a new committee this year, the last convention having voted that a representative of the Mommouth, Illinois, Beloit, Wisconsin, Galesburg, Illinois, Springfield, Missouri, and Iowa City, Iowa, clubs should compose the membership of the Committee. The work has been made easier for them by the increasing number of clubs making contributions for that purpose. One hundred ninety-three clubs contributed a total of $1,290.75. Kappa Province clubs were the largest total contributors with $186.25. Epsilon Province is planning a prewar silver service for the near future, which is to be in addition to the regular club contributions. The Tacoma Club known as the Inez Smith Soule Alumnae Club gave a special gift of $25.00 in memory of Mrs. Soule in addition to their regular amount. Kansas City, Missouri gave the largest amount of $100.00 with Dallas, Texas second with $50.00, and Galesburg, Illinois, Manhattan, Kansas, Monmouth, Illinois, Oklahoma City, Oklahoma, and Pittsburgh, Pennsylvania each giving $25.00.

The response to the Loan Fund was not quite as great this year as last, while on the other hand there was a slight increase in the number of applications for loans. This year there were seven loans made, including one graduate loan. The feeling is rather general that there will be a greater demand upon the fund in the next few years so that our interest in supporting it should not slacken. One hundred ninety-two clubs contributed $1,016.00. Mu Province was first in such contributions with the largest single contributions coming from Austin, Texas, and Madison, Wisconsin with $25.00 each.

These three projects then, Settlement School, Holt House, and Loan Fund, are those considered in recording clubs 100% in their contributions to fraternity projects. It is with great pride that we note that one hundred ninety clubs achieved that goal with Beta, Epsilon, Zeta, and Theta Provinces being 100% in contributions. In several other provinces this goal was missed by one or two clubs. It is hoped that next year we may make this report it may be said that every club was a 100% club!

This record is especially commendable in view of the added financial responsibility of clubs in meeting their Convention Tax Fund obligations. While not a unanimously popular innovation, the Convention Tax Fund seems the best solution to the feeling of need for fraternity assistance in financing Alumnae delegates to conventions. It was interesting indeed to read in an Information ARROW of some years ago that when national alumnae dues were raised from fifty cents to one dollar that that was not unanimously popular either. It now appears that clubs will receive as their portions slightly over sixty dollars toward sending their delegate to convention in 1948. In anticipation of this allotment many more clubs than before have funds set up in their local budgets to add to that amount—and it is hoped still others will do so this coming year—so we anticipate that a greater number of clubs than in previous years will be represented here.

The work of the various clubs does not stop with their contributions to the three projects. Assistance to active chapters is certainly a major consideration in the plans of every club even though they may not be so fortunate as to have a chapter in the same city. Alumnae clubs gave in actual cash $4,488.98 to chapters. This figure is augmented by gifts presented for which no amount was reported, by assistance in decorating plans, by giving rushing teas, and by annual awards for a designated distinguished chapter service—such as the Alpha East Province Sophomore Award. Then there are parties for actives home for the holidays, and there are meetings where actives are entertained at luncheon or dinner. Finally there are the many hours of loyal and devoted service to chapters by members of Alumnae Advisory Committees, not to speak of the time given by Rushing Recommendations Committees in securing information concerning prospective candidates for membership. The club not having a chapter is not at a disadvantage in any cases "adopted" one, with their contact established by correspondence or occasional visits back and forth.

As was voted by convention, the unexpended balance in the Physio-Therapy Fund was given to the Save The Children Foundation for the sponsorship by Pi Beta Phi of 43 children in the war torn countries

\[ \text{Total} = $1,290.75 + $1,016.00 + \ldots \]
of Europe. Each province was assigned two children, one for the active chapters, and one for the alumnae clubs. There were eight chapters and the eight clubs giving the largest contributions to the original fund and one to Kappa Province because of size. The province officer picked the sex and nationality of the child. Clubs were delighted with the opportunity for service to others, and they were told to send children by sending boxes of clothing, food, some of the necessities of life so hard for the Europeans to obtain, a few games, crayons, and books. One province assigned one club a month to send a box, keeping a list of articles sent, and mailing it on to the next club so that the contents would not be so nearly duplicated. Letters went back and forth between these children, their parents, and the clubs. A few clubs were able to have the films prepared by the Foundation at one of their regular meetings. Some very fine publicity resulted from these activities. Of particular interest was the human interest story which appeared in the Eugene, Oregon, paper asking for the cooperation of local clubs will be able to help. Publicity were extended for the province loyal to her choice. The New York City Club was fortunate in having Mrs. Catt as an honored guest. All rejoice that our first Chapter Loyalty Day could be celebrated while Mrs. Catt could participate with us in it.

Founders' Day this year took on added significance as clubs paid special tribute to their members who had become members of the national Order of the Golden Arrow created at last convention to honor those members initiated fifty years or more.

More and more clubs are sponsoring a local project of service to others. These offer not only the opportunity for good publicity for the club, but of creating an awareness of Pi Beta Phi in the minds of the community, proving fraternities are not mere social organizations established for purely personal pleasures. Most of all they bring joy to Pi Phis in being able to work together making life happier and easier for others less fortunate. It is not possible to give the number of hours so spent, the dollars invested, or even a partial list of the projects, but it goes without saying the fraternity takes pride in the places Pi Phis have made for themselves and the fraternity in community affairs.

Questionnaires have been received from one hundred ninety-two clubs. These are used to evaluate the work of the Alumnae Department in general, and of the individual clubs in particular. Program suggestions are especially noted and new ideas passed along for those who wish to use them. Suggestions for the improvement of the functioning of the Alumnae Department are always solicited, and these ideas when feasible are incorporated into the planning for the future. Because of the requests from clubs for new program material, and because of the widespread use of the Statement of Major Holt which was sent to clubs this year, it is hoped that other such material of interest to the Fraternity may continue to be made available to clubs.

During the course of the year it was the pleasure of your Grand Vice-president to visit with a number of clubs. Those visited were: Richmond, Indiana and Oxford, Ohio jointly, Chicago Business Women's Club, New York, St. Louis, Missouri, Golden City, Missouri, Kansas City, Missouri, Kansas City, Kansas, Omaha, Nebraska, Vermillion, South Dakota, Manhattan, Kansas, Peoria, Illinois and informally with Denver, Colorado. It was with regret that we could not accept the invitation from Louisville, Kentucky, and Washington, D.C. to celebrate Founders' Day with them. We attended the Indiana State Founders' Day Luncheon in Indianapolis along with 503 other members of Pi Beta Phi. Chapters visited were Missouri A and B, and South Dakota A. We had the privilege of unofficial visits with Colorado B, Indiana E, and E. We inspected the petitioning group, Lambda Phi, Bradley University, Peoria, Illinois, and were privileged to return to assist in the installation of that chapter at Illinois 0 of Pi Beta Phi. No matter how frequent the contact by correspondence nothing quite equals the personal touch for the story working together. To those alumnae and actives — where names became people — we wish to express our appreciation for hospitality, and the privilege of friendship.

We have enjoyed working with the Province Vice-Presidents in the past, but this year has brought even closer and more frequent contacts. To them we give tribute for their fine work and the splendid record of achievement and progress for the Alumnae Department. It was with regret that the resignation of Jean Pickard Stallings, Zeta Province Vice-President, was accepted last fall. Welcomed in her place was Lillian Ellion Lindley. At the end of this year's suggestions were tendered and regretfully accepted from Jean Padden Johnston, Theta Province Vice-President, and Virginia Miller Tatam, Mu Province Vice-President.

We are pleased to announce as their successors Helen Wright Grant, and Louise Rossiter Kemp respectively.

As we bring this report to a close we look forward to the meeting with the province officers at the Settlement School for the four day meeting authorized by the Alumnae Sessions of Convention.

It has been a great joy to thus serve the fraternity. The contacts with the other members of Grand Council have been a privilege. We wish to thank especially Miss Onken for her patience and helpfulness in assisting us through this first year as Grand Vice-President. To Marie Bacon Hagee, Director of Alumnae Extension, our deepest thanks for her ever ready assistance, and cooperation in working for the Alumnae Department. Beatrice Stephenson Felmley has been a constant source of help. For alumna everywhere we say a fond farewell to "Bede" as she leaves Central Office, and extend a cordial welcome to her successor Gladys Sciavly.

In concluding her report to convention last year, Ruth Barrett Smith gave us a quotation "The ARROW will mount as high as the strength of the Archer sends it," and expressed the hope that convention would send out Archers strengthened and inspired to send their Arrows higher and farther than ever before. It can honestly be said that her hope has been realized. My hope for next year is that the flight of the Arrows may continue onward and upward. Respectfully submitted,

MARIANNE REID WILD
GRAND SECRETARY

The time for an annual report is an occasion when the work of the year is brought into review, in a fashion which is good for all concerned. The report becomes experience, voiced, out of which we can evaluate work done and upon which we can build. The ideals of the Fraternity stand, but the methods of organization are never fixed—continually changing to meet the changing opportunities and demands.

The first responsibility of the Grand Secretary in the year just ending with the completion of post-Convention work. This included the compiling of the reports of the meetings of Grand Council and of the minutes of the Convention, for publication in The Arrow. Courtesy notes were written as directed by the Resolutions Committee and Grand Council.

In the early fall, contacts were made in the various phases of work assigned to this office for supervision. A letter was written to all Alumnae Advisory Committees explaining changes made by Convention which concerned the active chapters under their supervision. Suggestions were made for the organization of chapter work in the fall. A second letter and a questionnaire were sent in January. About half of these questionnaire came back very promptly; a few, as late as May. The September letter of this year will include the findings which are evident from comments made by the Alumnae Advisers in the returned papers. This group of four hundred and fifty-five alumnae forms one of the great bulwarks of the Fraternity and provides the essential continuity of each chapter.

Chapters which are under the supervision of the Grand Secretary were contacted regularly. Three chapters have completed the two-year term of special supervision designed to aid new chapters. They are Michigan I, Ohio E, and Ohio Z; two remain—New Mexico A and Illinois O, just installed. The Fraternity has reason for great pride in the performance of its youngest chapters.

The Grand Secretary corresponds with the chairmen of all national committees not otherwise assigned. It is her duty to know their plans and procedures and to assist them in every way possible. She becomes their contact with other fraternity workers and with the Grand Council. This was done by letter, frequent or non-frequent, according to the nature of the work. Here again one is impressed by Pi Beta Phi loyalty and ability.

Another special duty of this year was the preparation of a manual for the chapter chairmen of Extra-curricular Activities. Routine secretarial duties have been performed throughout the year as required.

It was a happy privilege to visit the following chapters—New York A, New York A, New York I, Ontario A, Ontario B, and Illinois A. This year also brought the privilege of being the guest of the Syracuse, Toronto, and Monmouth Alumnae Clubs and of being active once more in the Pittsburgh Alumnae Club after an absence of four years.

One cannot think of these things without renewed gratitude to the Alumnae Advisory Committee chairmen, the presidents and the supervisors of chapters under supervision, the national committee chairmen, and the presidents of chapters visited, all of whom have corresponded faithfully and encouraged this Pi Beta Phi officer by their interested and cordial response.

To feel the pulse of a great organization, in whose origins and ideals we find congenial aspiration, is a thrilling experience. My gratitude for the privilege of serving the Fraternity lies in this, and, in the satisfying and happy associations which it brings. One cannot touch the lives of all of the Pi Beta Phis brought near by this work without believing in the value of fraternity friendship and inspiration.

Lucile Douglas Carson

ARROW EDITOR

The year 1946-47 has been far from one of simple routine for The Arrow Editor. It began with the monumentally weighty September issue following Convention—an issue which we might say was heavy with facts, since many of its reports covered a six year interim of operations, and since the increasing number and length of the reports of chapter delegates to Convention made by themselves more than enough material for an ordinary issue.

Luckily, that issue was complete and had been for some time in the hands of the publishers when the office of the Editor was burned out on August 15. The Arrow file and most of the old records were saved, but recent correspondence and a mass of new material was lost, especially that for the December Arrow, on which the Editor had been working the very day of the fire. Some of this was replaced in time for that number, but much could never be replaced. Other material was substituted, however, and the Convention issue went to press on time. That was also a very large issue, and justifiably so, since Convention had not been held for six years and a review of its activities was necessary for the thousands of Pi Phis who had never had the opportunity of Convention attendance.

With the end of the war, we had thought that our troubles were over as far as paper shortages were concerned. We were wrong! Paper has been harder to get than at any previous time this year, and the last two issues of the year had to be drastically cut, as did those of the other fraternity magazines of large circulation—in our case this was especially true because the plant of the company from whom we have bought our paper had to be partially shut down on account of reconstruction which promises to increase greatly their capacity for output for the future—it was at the same time impossible to get paper from other sources in the open market, because many of the publishers of national magazines had either purchased paper mills or had acquired control of them. For the future, nothing can be predicted as to increased supply. The country as a whole is still underproducing by millions of tons annually, with demand far exceeding supply. As a consequence, there have been great increases in paper prices, with paper worth in other times eight or nine cents a pound now bringing fifteen or sixteen cents.

For the immediate future, there is every prospect of an increase in the cost of paper, until such time as production returns to normal, and we can only keep our costs down as far as possible from issue to issue. It will certainly not be possible to plan for any such expansion of our work as the publication of a Directory—although a new one is so badly needed that it must be kept in mind as a project of first priority on our list. We might be considering whether or not
Following another Convention we would like to recommend a radical change in the Information Arrow. The one for last year cost entirely too much for the benefits gained, in spite of being printed in the cheapest possible way, on decidedly inferior paper.

For the future, the Editor would like to recommend:
1. That all officers' reports, excepting those of the Grand President, the Grand Vice-President, and the Settlement School Committee, be drastically limited in length.

2. That the reports of chapter delegates be mimeographed (or printed, if that should turn out to be better) for distribution at Convention, with enough copies for all chapters and alumni clubs in addition.

3. That reports of Grand Council and other national officers be also mimeographed for Convention distribution, as well as later publication in The Arrow.

It has been the privilege of the Editor to have the usual contacts with the National Historian, and it is a pleasure to record that Mrs. Simmons has taken over her work in fine fashion. Her task of receiving and assembling the material has been a heavy one; and she has besides been authorized by Grand Council to accept invitations to be guest speaker with several alumnae club gatherings, where she has spoken delightfully of the historical aspect of the Fraternity. The Editor strongly recommends that this policy be continued.

The publicity committee has been at work too, as will be shown in Mrs. Cowan's report.

The Song Book came out in May, even earlier than we had hoped, and it does credit to its compiler, Dorothy Vale Durand, to whom goes credit also for many of the fine part arrangements of songs which are included. Its format is pleasing, and usable, and it should add much to the charm of our chapter singing. It was a matter of regret that its paper was of an inferior quality, but it was the best available, and since only an edition of 3000 was ordered, it is hoped that for a second printing a better grade of paper may be available.

During the Spring, the Editor was privileged to make chapter visits to Arizona A, New Mexico A, California B, T, and Æ and Nevada A; to visit alumnae clubs at Tucson, Albuquerque, South Coast, and Glendale; and to speak at Founders' Day celebrations with the alumnae around San Francisco Bay and California Beta at the Officers' Club at Moffett Field; with Los Angeles and Santa Monica at a luncheon at the Hollywood Roosevelt Hotel; with Pasadena at a banquet at the South Pasadena Woman's Club; with South Coast at a luncheon meeting at the home of three sisters, all Wisconsin A, Mrs. Bigelow, Mrs. Gillis, and Miss Iva Welsh; and with San Diego, at a dinner meeting at the new home of Maxine Harris Stanford. To all these wonderful Pi Phis, the Editor gives grateful appreciation.

The editor cannot be sufficiently grateful enough to the faithful Arrow staff who make possible the finished magazine; and to her contact members in the George Banta Publishing Company, especially to Mr. Harold Bachmann, who works so hard for The Arrow and has such interest in its production.

Many Pi Phis have helped in the production of The Arrow by sending contributions and clippings; these have come specially from Grand Council, with Miss Onken as always our best source of material, and from the contributors staff, to which we have recently welcomed two new members, Martha Gittins Bricker, of Oak Ridge, Tennessee, and Georgia Guback Siderius, of Connecticut.

It has been a matter of real regret this year that the necessity for cutting the magazine to 88 pages for the last two issues has meant omission of most of this fine material.

It has been as always a great privilege to serve the Fraternity, especially in the delightful meetings with Pi Phis the country over.

REPORT OF THE GRAND TREASURER

September 3, 1947

Grand Council
Pi Beta Phi Fraternity
Office of Grand Treasurer
Denver, Colorado

We have examined the balance sheet of Pi Beta Phi Fraternity as of July 31, 1947, and, except as stated in the following paragraph, the statements of fund transactions for the year then ended, have reviewed the system of internal control and the accounting procedures of the Fraternity, and, without making a detailed audit of the transactions, have examined or tested accounting records of the Fraternity and other supporting evidence by methods and to the extent we deemed appropriate. Our examination was made in accordance with generally accepted auditing standards applicable in the circumstances and included all procedures which we considered necessary.

We did not examine the cash transactions of the general funds for the period August 1, 1946 to October 31, 1946, inclusive, but understand that such transactions were examined by Edward W. Mason, Public Accountant, Champaign, Illinois. The transactions for that period are included in the statements of the various funds presented herein for the purpose of presenting the changes in the funds during the entire fiscal year.

OPINION

In our opinion, the accompanying balance sheet and, subject to the limitation of the scope of our examination as set forth above, the related statements of fund transactions present fairly the position of Pi Beta Phi Fraternity at July 31, 1947 and the changes in fund balances during the year then ended, in conformity with generally accepted accounting principles.

United States Government obligations:

My first year as Grand Treasurer has been one of learning, and I owe much to the patience and help of my predecessor, Lois Stoolman, and to the advice and inspiration of the Grand President, Amy Burnham Onken. It is a joy to work with the members of Grand Council, the officers, alumnae, and members of active chapters and I hope with the experience I have gained the past year, I may serve Pi Beta Phi more efficiently and effectively during the coming year.

Respectfully submitted,

LOLITA S. PROUTY,
Grand Treasurer and Chairman of the Board of Trustee Funds

DIRECTOR OF RUSHING AND PLEDGE TRAINING

Convention changed the title of this office from Assistant to the Grand President to Director of Rushing and Pledge Training and made it a member of Grand Council. It has been a real inspiration to have become a member of this executive body and to have the privilege of working closely with such fine women as make up our Grand Council.

The responsibility of this office has increased but its duties remain more or less the same as under the office of Assistant to the Grand President. It has meant much to have continued to work closely with Miss Onken, and there are not words to express true appreciation of her wonderful understanding and assistance, and admiration for her great ability.

The Director of Rushing and Pledge Training sent out two questionnaires to rush captains and two to pledge supervisors in the course of the last college year. Through them she was able to follow the work of these officers and at the same time ask their advice about desired changes in their manuals, in the outline for pledge training, and so on. From the splendid cooperation from these officers it is hoped much can be accomplished through their suggestions.

It is hoped, too, that from answers contained on the questionnaires to chapter delegates after the last convention, plans for improvement in the manual and in organization, can be developed along some of the lines suggested. Many valuable suggestions were received and a survey of these suggestions has been compiled by the Director of Rushing and Pledge Training.

At Convention it was decided to do away with the annual fraternity examination. However, it was felt that some program must be followed and at the end an outline was prepared by this office which if completely followed, would cover the reading of the Constitution, the Chapter Manual, the required meetings, and so on. These programs were placed in the hands of the censors under the direction of the chapter president. It was an added pleasure to visit the Grand President and, also, the Director of Central Office, whose invaluable help can never be measured.

A very happy occasion was this officer's informal visit to Indiana B. She wishes more chapter visits could be of that kind.

Founders' Day was spent unofficially and very happily with Ontario B and the London Alumnae Club at the kind invitation of Clara Sipherd, Alpha West Province President. It has been a wonderful year, and I wish to express my heartfelt thanks for this privilege of serving our fraternity.

Respectfully submitted,

Isabel Clark Winkler

REPORT OF DIRECTOR OF ALUMNAE EXTENSION

This year to the deep satisfaction of again working for the Fraternity nationally, has been added the pleasure of being closely associated with the members of Grand Council. Each one's patience with the ignorance of a newly elected officer in a newly created office has been boundless, and the Director of Alumnae Extension is most appreciative.

Although the duties of this office are those performed heretofore by the Assistant to the Grand Vice-President, chiefly fostering new clubs, supervising mothers' clubs, and assisting the Grand Vice-President in annual work, there was the duty of checking on members delinquent in meeting their financial obligations.

Eight new clubs werechartered this year, of which three are in Gamma Province. These are Raleigh, N.C., Washington, D.C. Junior, and Durham, N.C. The five five-year clubs in Alden, Me.; Corps Christi, Danville, Ill.; McAlester, Okla.; and Rio Grande Valley, Tex. This is not the greatest number to organize in one year, and while it is a satisfactory one, we hope that next year will produce still more.

Questionnaires were mailed to the forty-seven Mother's Clubs in the fall, and twenty-eight were returned filled with the information requested. A few were accompanied by letters, and I was impressed by the appreciation voiced in them for the attention given them by the fraternity.

Chapter visits were frightening to contemplate but an immense privilege to make. Theta Province chapters were gracious hostesses, varying in type, but never in quality, of their courtesy. Four were first on their campuses in scholarship, and only one was far below them.

It was an unusual pleasure to celebrate Founders' Day — successively — with four different chapters and an even greater number of clubs, as two additional clubs, Minneapolis Junior and St. Paul, joined Minnesota A and Minneapolis Alumnae Club in their banquet. As in me let me say how much I have enjoyed being Director of Alumnae Extension, but as always I have received far more benefit than I have given.

COUNSELOR FOR CHAPTER HOUSE CORPORATIONS

There are at present 54 chapter house corporations. The treasurer of each corporation reports on January 15 on the finances for the last fiscal year. Each corporation is bonded for $2,000.00, the bonds being purchased through the Fraternity for $5.00 each. All reports and bond fees due Jan. 1, 1947 have been received. The finances of all corporations are in good condition.

The alumni officers of the chapter house corporations give unflinchingly of their time and energy that our chapters may have adequate and attractive homes. The cooperation of the treasurers of these corporations in sending reports is especially appreciated. They have not only sent reports on finance but have answered questionnaires on equipment and furnishings.

Four new corporations have been organized during the past year. Massachusetts B, Indiana E, and Ohio E have organized corporations and bought houses. Florida A's new corporation is building a unit of a Panhellenic group.

Correspondence is being carried on with New Mexico A, New York T, and Montana A concerning future housing plans.

Almost all of the chapter houses are over crowded but this seems necessary at this time of great housing need on all campuses. It means that more must be spent on repair and up-keep and our corporations are seeing that houses and furnishings are in as good repair as possible.

It is interesting and gratifying to watch mortgages decrease in size each year and finally disappear. There are now 17 houses free from debt, Nebraska B, California A and Ohio A being added to the list. Mortgages on other houses have been decreased in amount, thus making the year a successful one financially for all chapter house corporations.

The National Historian

After reading and grading all semester histories, written by the active chapters of the fraternity for the year 1946-47, the National Historian announces the award of the Nita Hill Stark Vase to Kansas A chapter for the history written by Joan Gardner and Barbara Humge. The award was made on the basis of: (1) diligence in following all manual requirements as to form, content, deadlines, and carbon copies, (2) alertness in preserving the greatest quantity of interesting items, and (3) discernment in presenting the above material in such a way as to record the most significant phases of chapter and campus life.

Honorable mention goes to the Kansas B and Illinois B-A histories, prepared by Doris Brewer and Theo Housh, respectively, for the most artistic presentation of material; and to the New Mexico A and Connecticut A histories for good general presentation of material.

A number of chapter histories were ineligible for competition because of failure to follow manual requirements.

This report covers only a few months, since the National Historian continued to serve as Holt House committee chairman until the new committee was formed on February first. She did not take over the files, or begin the duties of Historian until the month of February.

Since February first she has devoted most of her time to the task of sorting and inventorying the chapter semester histories submitted from 1938 until the present time. The permanent files now contain 1150 carbon copies of these histories. Approximately 262 histories, belonging in chapter archives, are ready for mailing and will be returned to chapter historians as soon as houses are reopened and new officer lists are available. Fifty-five histories had already been returned to chapters before colleges closed in June.

A number of clippings concerning the life of Carrie Chapman Catt have been received from Sophie Parsons Woodman, New York A, and from other members of the fraternity.

In response to the requests of various alumni club members, the National Historian has been pleased to assemble data from the History, to be used in the preparation of alumni club programs.

It was a very great privilege to attend the March meetings of both the Tulsa and Muskogee alumni clubs, where talks were given on the lives of the Founders. At that time it was possible to have a most helpful interview with Frances Rosser Brown, former National Historian, whose great love for the fraternity is at all times inspiring.

The National Historian is grateful to Grand Council and to the alumni clubs for the honor of attending five Founders' Day dinners and luncheons during the month of April. The large Indianapolis State Day luncheon, attended by five hundred actives and alumnae, was almost as impressive as a convention banquet. While in Indianapolis, the opportunity to renew acquaintance and to discuss fraternity duties with Mrs. Wild, the Grand Vice-President, was most helpful. The large and beautiful Evanston luncheon of the Chicago area council and Illinois Epsilon Chapter will be long remembered. The Historian enjoyed her visit to the house on the Northwestern campus. The beautiful dinners at Manhattan and Lawrence, Kansas, offered an opportunity to renew old friendships and to note the achievements of those two fine chapters. Along with the above visits, the National Historian was able to attend a cooky-shine with the members of her own Kansas City alumni club for the fifteenth successive year.

The office of National Historian offers an opportunity to observe the loyal and untiring efforts of Phi Phis, young and old, in every year, from the date of the Founding to the present time. The record of their accomplishments is truly an incentive. So worthwhile and interesting are the duties of her office, that the National Historian regrets that there is not more time in each day to give to the work.

To all the members of Grand Council, whose loyalty and cooperation are a source of strength to each officer of the fraternity; and especially to Miss Onken, Mrs. Wild, and Mrs. Alford, for their encouragement and assistance, the National Historian expresses her sincere appreciation. She will not soon forget the many favors extended by the Director of Central Office, Beatrice Purdum Felmley, in the mimeographing and mailing of certain documents.

JEWELRY REPORT

PREVIOUSLY a separate banking account was kept for the Jewelry Account, but in 1946-47 the account was combined with the Central Office Account at the National Bank of Decatur. Jewelry sales amounted to $39,221.09 this year. Commissions on novelty jewelry from L. G. Balfour Company amounted to $1,123.81.

A new price list was issued to all chapters with the fall supplies giving increases in prices on precious stones. Opals and amethysts are still not available for Pi Beta Phi badge settings.

The 1946 Convention authorized new designs for the Mothers' pin and the Scholarship ring, which are very attractive.

Scholarship rings were ordered for all chapters except, Alberta A, California B, Florida T, Idaho A, Manitoba A, North Dakota A, Ontario B, and West Virginia A. Some of these orders will be entered in the summer.

Delivery time on jewelry was speeded up this year and we are grateful to L. G. Balfour Company for the fine service which it gave.

With the excellent help of my predecessor, Hazel Everett's records and explanations and the prompt responses to my S.O.S requests of Miss Onken and Mrs. Pellem, the year's work with Alpha East Province has been pleasant and, I hope, profitable. Our two goals have been (1) improving scholarship and (2) attaining the standards set for the Balfour Cup; these in turn aiding individual members as they leave college, to assure the responsibilities of educated women, equipped with knowledge, executive ability, and social adequacy.

The scholarship of every chapter except one has been raised, and that one is close to the top. Nova Scotia A has no official rating yet, but tactful inquiry indicates that it is still above Alpha Gamma Delta, its only rival on the Dalhousie campus. Maine A has first place on its campus, having won the Panhellenic Scholarship Cup for the year and having an average just below the honor societies and above all men's and women's groups. Vermont A, Vermont B, and Connecticut A are all in third place on their respective campuses. Massachusetts A has no official rating yet, but individual marks have risen. Massachusetts B has risen from sixth to fifth place at the University of Massachusetts, (the new title proudly acquired by Massachusetts State College). The province has purchased a scholarship plaque to be awarded annually to the chapter highest on its campus each year, according to the Pi Beta Phi formula. Nova Scotia A is the first winner. Connecticut A has 7 Γ Χ E (similar to Φ Β K) including president and vice president; Maine A and Vermont B each have one Φ Β K. Maine A has 5 Φ Κ Φ, Massachusetts B 1. Connecticut A and Vermont B each have one Σ X. Vermont B has one Magna Cum Laude, 1 Cum Laude.

My visits to the chapters started in October and finished in March. This trip taught me something new, and added to my pride in our fine members. For the interested alumni and particularly the Advisory Committees, I have great admiration and praise. We owe them much; yet I suspect their greatest reward is in seeing their chapters grow and prosper under their wise guidance. I am looking forward to the conference at Gatlinburg, and the chapter presidents' conference in Boston in September to bring us all added pleasure and benefit.

Elizabeth Newberry Motycka

ALPHA PROVINCE

WEST PRESIDENT

T

his past year has been a most happy and gratifying one in this Province. I feel that there have been many fine accomplishments in the chapters. It is hard to believe that the year is at an end and that it is now time to review the fine progress made. Nearly all of the chapters have returned themselves back to a normal schedule, but all report an abnormally high registration and very crowded classrooms and living conditions.

All of my visits were completed before the Christmas holidays. It was indeed a pleasure to have met all of the members of the five chapters and their alumnae advisory committees and chaperones. I returned home with a real sense of pride in what they are all doing and in the loyalty and pride in the fraternity which was so evident.

The Province boasts of one first place on its campus in scholarship, Ontario A., and one second place on campus, New York I. I feel that all chapters are striving hard to raise their scholarship standing and that definite gains have been made this year.

The Amy Burnham Onken Award for the Province went to Ruth McDougald of Ontario A.

The active chapters of the Province are very happy to have a share in the work of the Save the Child Federation. Letters have been going to our little French boy, Marc Berthier, and the chapters are planning to send parcels of much needed articles and clothing soon.

All of the five chapters own their own houses and a total of 94 girls make the Pi Beta Phi House their home. The chaperons are fine efficient women. We are very sorry to lose Mrs. Anita Eastwood from New York I; she is retiring after ten years of splendid service and devotion to that Chapter. Last winter, Mrs. Eastwood was given membership in Pi Beta Phi.

We are losing another very fine chaperon at New York D.; she has been with us only one year, but has endeared herself to the girls in the chapter. Both vacancies have already been filled by women who have come very highly recommended.

Membership in seven honors has been reported by New York I, one by New York D., and ten by New York A. There are no honoraries at either the University of Toronto or University of Western Ontario.

The extra-curricular achievements in the Province have been outstanding. New York Alpha has the President of Student Union, President of University Chorus, Secretary of W.A.A., 2 junior and 4 senior guides in the Women's Student Government. The chapter holds 29 executive positions on campus.

New York Gamma has done some outstanding work in dramatics this year. Three girls have had leads and four have had minor roles in campus productions. Two Pi Phis have been chosen for the St. Lawrence University Summer Theatre. Three are cheer leaders.

They have the Secretary of W.A.A. Twenty-five girls are active in both W.A.A. and in sport activities.

Twenty-one girls are active in publications. A member of the chapter is Business Manager of "Scarlet Saint," and two others hold offices on the same publication. One member was tapped for Kalon this Spring.

New York Delta holds 13 offices in Women's Self-Governing Association, Art Editor and Assistant Women's Business Manager of the Year Book "Cornelian," and one member on the Editorial Board.

Three are on Student Government. The girls are active in sports and dramatics. Ontario Alpha has the President of the Women's Undergraduate Association, two year presidents in the same organization, as well as three on the W.U.A. executive. Thirteen are active in dramatics. Four have carried leading roles in University productions and a large number have participated in productions. The chapter has the treasurer and second year president of Medical W.U.A., and the treasurer of W.A.A. Twenty girls have played on teams and there is a great deal of interest in sports. Seven are active in publications. Twenty-five are active in campus clubs. Four girls have received Honour Crests from the University this Spring. The Mademoiselle Magazine representative for the University of Toronto campus this year is a Pi Beta Phi. Ontario Beta has the sub-prefect, highest office for a woman on the campus, President of Women's Council, President and Vice-President of W.A.A. They have the Captain of the Inter-Collegiate Swimming team.

In a recent and successful water follies, 75% of the participants were Pi Beta Phis. The girls hold 23 executive positions on campus.

The Province was honored and greatly assisted by visits from Lucile Carson, our Grand Secretary. She visited all the chapters in March and each chapter has written to tell me how much her visit meant to them in inspiration, in helpful advice, and in deepened understanding of our fraternity. We were delighted to have her with us.

I wish to express my appreciation for the fine work by the Advisory Committees in the Province, and for the excellent service which the chaperons are rendering in the Chapters. Without the services of these two groups of women and their fine cooperation with the chapters, the Province could never have had such a successful year. Praise and thanks go to the many fine officers in the chapters.
To Miss Onken and the members of Grand Council, as always, I feel deep gratitude for the support and encouragement which they give at all times.

May the Summer bring to all Pi Beta Phi much happiness and a bright hope for the new year ahead of us.

Respectfully submitted,

CLARA HALL SIEPHERD

BETA PROVINCE PRESIDENT

SINCE Mrs. Carson's resignation as Beta Province President the active chapters have been under the supervision of two Province Presidents who were inexperienced in this particular phase of fraternity work and I think that the girls should be commended for the way in which they have adjusted themselves to two new personalities and have given the best cooperation possible under any circumstances. This has been a good year for the chapters and they have expressed themselves as pleased with the accomplishments it has brought as well as stimulated to do even better next year.

It took months from November to April to complete these chapter visits, and in each case I left the girls feeling that Pi Beta Phi had given me a great privilege as well as a responsibility. It was indeed stimulating to meet the many different types of girls as well as the interested and faithful Alumnae who give so much of their time and enthusiasm so that the chapters may continue to hold a high place on the campuses. I sincerely appreciate the many courtesies extended to me and the devotion to Pi Beta Phi which I encountered everywhere.

Pi Phis are active on all of the campuses and it would be impossible to give credit for every activity and honor in which the girls are represented. The following will serve, I hope, to indicate the type of representation which they have. "Pennsylvania" Beta has two in Mortar Board and the same two will live in Honor House next year. Two girls were section editors for the year book, the Women's Student Gov't Social Chairman, three were named to Who's Who, one was President of the Women's Athletic Association, also Chairman of May Day, two are in Pi Delta Epsilon, five were candidates for Beauty Queen, with one girl being crowned May Queen. One girl was President of the Student Faculty Congress, while others were active in preparing Radio programs and assisting in the advertising division of the station.

"Pennsylvania" Gamma had the Queen of the Midwinter Ball, the Sec'y of the Women's Athletic Association, pianist for the Choral Club, Co-Editor of the Microcosm, Sec'y-Treasurer of the Spanish Club, a class treasurer, the Sec'y of the Student Senate, President of the Little Theater, Vice-President and Treasurer of T Α II, Members in Wheel and Chain, senior honorary.

"Ohio" Alpha had three Mortar Boards, three in Phoenix, and two Φ Β Κs, three in A K Δ, one in A Α Δ; the President of the Y.W.C.A. two on Student Council, one in Who's Who, the Vice-president and Treasurer of the Red Cross, the President of Modern Dance Club Reserve, and sixteen in Women's Recreation Assoc., one Varsity 'O,' and representatives in departmental clubs and musical organizations.

"Ohio" Beta had two girls on the Mirror Staff, six in departmental honors, four in A Α Δ, six on Student Senate, one a Vice-president, five on the W.S.G.A. Board, two on the W.R.A. Board, and the Vice-president, eighteen in Strollers, two in Orchesis, six in Physical Ed. clubs, one on the Sundial staff and four on the Lantern staff, three on the College Council.

cil, six on the Pomerene Hall Board of Control, one in the University Chorus, one in the Glee Club, seven in Women's Ohio, including the Vice-president, two on Freshman Activities (one a Vice-Pres.), two on Student Radio Production and fifteen on mini-Mirrors.

"Ohio" Epsilon has the Treasurer of the Y.W.C.A., eight in Century Club, three on the Board and the Sec'y of the W.A.A., four in A Cappella Choir, three in Singers Club, two in the Band, the Executive President, Executive Sec'y and Judicial President of the Women's Student Gov't Association (1); two on the Student Council, five on the Bijou staff, four on the Transcript staff, the Chairman of the Camp and Hospital Comm. of the Red Cross, three in Swimmers, two in Physical Ed. Club, the Sec'y of the Business Administration Club, two in Debate, three in M Φ E, one in K Α II, three on the Dean's list, one in Mortar Board, the Sec'y of the Sophomore class, the Sec'y and Treasurer of the Senior class and one Φ Β Κ.

"Ohio" Zoia has two Mortar Board members, two Junior Φ Β Κs, three members of Cwen, two Counselors and two House Chairmen, one assistant editor of the campus Year book, the Sec'y and Treasurer of the Women's League, the Vice-president of the Senior class, one member of the Student-Faculty Council, Co-Chairman of the Freshman Activities and the Treasurer of the Y.W.C.A., the Vice-president of Α Φ Δ, and the Junior Prom Queen.

"West Virginia" Alpha has the Vice-president of the Freshman class, the Corresponding Sec'y of the Physical Ed. club, members in Δ Ν Τ, the Dolphin Club, two in Mortar Board, two Φ Β Κs, members in Le Cercle Francais, and representatives on the year book staff, in the A Cappella Choir and Dormitory. Proctors, also many members in Y.W.C.A. and W.R.A., a member of Α Ψ Θ, a Beauty Queen, and members of departmental honoraries.

Scholastically it has been the experience of all chapters that grades were considerably lower the first semester and all have worked hard to improve their standing for the second semester. Pennsylvania Β was first in scholarship the first semester, and Ohio Ε was first among the averages published the second semester. Ohio Δ has achieved fourth place, a considerable gain for them as well as an inspiration to go to the top. Six or nine weeks grades have shown a definite improvement over the first semester's and all of the chapters who found themselves lower in the list than they had expected are hopeful that their efforts will bring more satisfactory results.

Five of the chapters do not occupy houses but have either a room in a dormitory or an apartment. Pennsylvania B is having their suite redecorated so that it will be ready for use in the fall, Ohio B is proud
of the gift of a new combination radio from the Mothers' Club, Pennsylvania I has completed the redecorating and refinishing of the apartment. Ohio B is proud of the appearance of the chapter house, due to redecorating done under the direction of the Alumnae House Committee, and West Virginia A has also had some improvements made to the lower floor, and is proud of the new silver tea and coffee service given by the Mothers' Club. The house-mothers have given their best to the welfare of the girls, and it is with regret that we learn of the resignation of Miss Hazel Hart at Ohio B. Her years of service were of great value to the fraternity and her gracious manner made her a perfect hostess for the chapter.

All of the chapters were contributors to the Loan Fund, Settlement School, and Holt House in varying degrees. Ohio A's pledges worked on a project which netted them $150.00 which they gave to Settlement School. The chapters were also actively interested in the welfare of our Province child and sent her individual packages as well as money.

Jeanne Reinhardt of Ohio A was the Province candidate for the Amy B. Onken award. She is one of the most outstanding girls to have presented so far at University campus and well deserving of the honor, though all of the chapter candidates represented the very best in Phi Phi.

The Alumnae Advisory Committees have been exceptionally helpful and I wish to thank them for their cooperation with the active chapters and me. To Miss Onken I owe the greatest personal debt for her encouragement and guidance through this first year, and I also want to express my appreciation to the Province Vice-president, Edith Rankin, for her helpfulness. This has been an experience which has brought to me the conviction that Pi Beta Phi stands at the top by virtue of its remarkable influence for good in the lives of all who have come within its bonds.

Respectfully submitted, MARGARET B. HUMPHREY

GAMMA PROVINCE PRESIDENT

OUR year in Gamma Province really began with Convention at Swampscott, for Convention, after so long an interim, was really a new beginning and not a climax to the year's work. It was there that Gamma delegates and representatives came to know each other, to work together on the things in which they were interested, and to appreciate the strong and weak points, the attainments and the difficulties of each other's chapter. I feel that I was fortunate in being present at Convention, for at the time of election, I had already become fast friends with the girls from Gamma Province with whom I was to work during this year. I faced the year with fear and trembling, for, as Laurea Wakefield's successor, I had much to live up to. She had accomplished much in the way of cooperation, frankness, honesty and mutual faith with the chapters; I was attracted by these things continue. I was also determined that the chapters continue to work toward the goals which she had set: good chapter relations on campus, strong relations within the chapter and convention.

Convention friendships were continued in summer letters and renewed early in the fall through further correspondence; many Gamma Gals came through Baltimore on their way back to college to spend the night and rehash problems. Most of the chapters got off to an excellent start. I wanted to make my chapter visits early so that I would know the girls and the chapters with whom I would be dealing throughout the year. Consequently, six of my visits were made in October and November; two, in January. I was fortunate in being able to see Maryland B again officially when it moved into the new house, and every other chapter again unofficially except North Carolina B and South Carolina A who were on spring vacation when I went through Durham and Columbia in April.

The Greek world of Gamma Province has been a little smoother this year as far as anti-fraternity agitation goes. Last year four out of eight chapters experienced difficulty. This year, Maryland A still knocks its head against the stone wall of administrative opposition, but is surviving; North Carolina B has had a quiet year but the campus sits on a keg of dynamite that may go off any moment with Independents noticeably winning far more elections and high honors than ever before and with groups of freshmen who are considered fraternity material declaring themselves not interested in rushing; South Carolina A experiences no trouble at the moment with the newly organized Independent group proving or disproving nothing; and Virginia A had a Utopian rushing season with all but ten freshmen pledging, approximately 95% of the student body in fraternities, and no further agitation.

Two chapters began the year with housing problems of a serious nature—Maryland A without rooms of any kind and unable to meet on campus because of administrative opposition; Maryland B without a house, holding meetings in classrooms and impatiently waiting for the University to finish building the promised chapter house. We end the year with Maryland A hoping to hold on to the rooms they finally found in December at an outrageous rent; Maryland B settled at last in a new and extremely attractive home; but North Carolina A facing the "buy or get out" problem and expecting to go into the Fall without a house unless the Sorority Court plan is approved by the Legislature and they can begin to build. The others are comparatively safe from this post-war problem: D. C. A still with their attractive apartment in a building with several other fraternities, Virginia I in their attractive house, Virginia A with their cute cottage in "the Fins," North Carolina B with their lovely room in Panhellenic House, and South Carolina A with their room in Sims Dormitory.

Gamma ended the first term with four out of eight chapters in first place scholastically: Maryland A, Virginia A, Virginia I, for the third consecutive time, and North Carolina A, for the tenth consecutive time. Maryland B and North Carolina B A still can get no official averages or comparative ratings; we fear that if they did, the two chapters would not show up too well. D. C. A and North Carolina B both went down a place or two. Virginia A's was the most spectacular improvement, since that chapter was in last place out of eleven fraternities last June and came up to first in one brief term! Maryland A's jump was from fourth to first. There were many actives and pledges on Dean's Lists; eight actives made Phi Beta Kappa this spring:
Maryland A—2; D. C. A—1; Virginia I—1; North Carolina A—3; North Carolina B—1.

The Province Amy Burnham Onken Award went to Margaret "Goochie" Taylor, North Carolina B, who has served this year as President of Student Government at Duke and who made Phi B K in her junior year. The other candidates were: Dolly Coults, Maryland A, also Student Organization President and Phi B K; Barton Hall, Maryland B; Jean Prichard, D.C. A; Frances Neel, and Phi B K; Flo Mitchell, Virginia A, Vice-President of SGA; Fran Moore, Virginia I, Chairman of Honor Council and pledge supervisor; Carlisle Cashion, North Carolina A, President of YWCA and Phi B K; and Mary Shoun, South Carolina A, first woman editor of the USC campus newspaper and chapter president. It was really a hard job to choose one girl out of eight fine candidates. The whole Province has its fingers crossed for "Goochie" whose spectacular college and fraternity career makes her an excellent candidate for the National Award.

We have instituted two new Province Awards: a plaque to be awarded to the chapter highest in scholarship in the Province, and a plaque to be awarded to the best "all-round" alumna: the latter based on the same things as the Balfour Cup is based nationally. The two plaques have inspired friendly competition and rivalry. The awards are not to be made until June scholarship averages have been received.

Convention also inspired the desire for some kind of get-togethers within the Province and the result was three joint Founders' Day Banquets. I was fortunate to be able to attend two of the three. Maryland A, Maryland B, and D.S. A met in Washington, D.C. on Saturday, April 26, with the two Washington alumnae clubs, the Baltimore alumnae club, and alumnae from College Park, Md., and Williamsburg, Del. Maryland A's fiftieth year gave the theme for the program and certificates of the Order of the Golden Arrow were presented. Dr. May Keller, President Emeritus of Pi Beta Phi, gave a charming and delightful talk about the Founders. About three hundred Pi Phis attended and the three active chapters did some special singing; the active chapter presidents performed the candle-lighting ceremony, Virginia I entertained for Founder's Day in Williamsburg; Virginia A hired busses and arrived in town for the weekend. Virginia I members played the perfect hostesses getting their sisters dates and finding them beds for the night. I was with fifteen Virginia I's and fifteen Virginia A's at the chapter house and we held an all-night bugling and singing session until daybreak finally drove us to bed. The Banquet was held at noon on Sunday, April 27, with Williamsburg, Richmond, and Norfolk alumnae present; the singing was fine; the candle-lighting ceremony ably done by Virginia I's new initiated. North Carolina A played host to North Carolina B and to Chapel Hill, Durham and Raleigh alumnae on April 16 during Miss Onken's visit, and Founders' Day was celebrated then. South Carolina A wanted very much to join in on this occasion; the invitation was issued and the arrangements made when South Carolina A had to decline because of the high cost of transportation. They held their own banquet with their alumnae in Columbia.

The Grand President visited six of the eight chapters in the Province during April. The inspiration and help that she gave each chapter is obvious, and I can already see the tangible results of her suggestions. I feel that I was fortunate to be able to meet with her also at the time of her visit to Maryland A; we could have used far more time discussing Province problems.

The chapters in Gamma Province were first to be 100% this year; all contributions were in by the end of November. Some of the chapters have made additional contributions, especially after the Holt House appeal. Hart House, Gamma G, and the chapters have handled their grafts. Sales and profits in some cases have gone to Settlement Magazine commissions were earned by each chapter for the Settlement School.

The Province was blessed with exceptional housemothers, all of whom will remain with us next year: Maryland B—Mrs. H. H. Manchester, called "Pete" by the girls; Virginia I—Miss Beatrice Beveridge, better known as "Miss B"; and North Carolina A—Mrs. Sedalia Gold, our old faithful "Mamma G." I cannot begin to estimate how much their assistance and cooperation has meant to me.

The Province is prominent in activities on every one of the eight campuses. One or two chapters do community work as well. We have had two Student Government Presidents this year: Nancy Tucker, Virginia A and Shirley Sprague, Virginia I. Spring elections have given us two Student Government Presidents for next year: Nancy Tucker, Virginia A and Shirley Sprague, Virginia I. Twenty actives are in Mortar Board or honoraries similar to Mortar Board: Maryland B—1; D. C. A—4; Virginia A—2; Virginia I—2; North Carolina A—4; North Carolina B—2; and South Carolina A—3.

Outstanding activities and honors are given here for each chapter; the list is by no means a complete picture of participation. I have tried to choose those things which are considered most important by the chapters.

I want to thank especially Miss Onken, Mrs. Purdunn, and Miss Johnston for their help and advice—which I needed frequently. Thanks also to the many Province and National officers who were so willing to help a “neophyte,” and a deep appreciation and gratitude to all the ‘Gamma Gals’ who made my job a pleasant one by their cooperation, interest and fine ambition. The Advisory Committees and Chaperons have been wonderful to work with and I wish them much luck in their future work and play with their chapters. The Province Presidency has been a wonderful experience in my Fraternity life and I am grateful for having had the opportunity to serve.

Our Gamma Province President’s Conference has been planned for June 13, 14, 15 at the Lord Baltimore Hotel in Baltimore. At that time we will analyze the year’s work and plan for the future. The chapter representatives will have a chance to meet the new Province President, Jackie Powikles Herod, Virginia T,’43.

Respectfully submitted,

Kitty Black Massenburg

**DELTA PROVINCE PRESIDENT**

**I**n the first year as a province president of Pi Beta Phi, it has been most interesting and inspiring to be able to know and to work with the eight chapters in this province. Due to circumstances beyond control, chapter visits had to be delayed until the second semester. The inspiration gained from these visits will always be a cherished memory and if the Delta Province President has been able to return a little of the enthusiasm and inspiration given her by the chapters, she will feel that her efforts have not been in vain.

On the whole, the chapters in the province have been functioning smoothly this past year. Our emphasis has been on scholarship and in many instances we have experienced the great pleasure and satisfaction of seeing improvement in this field. Michigan B was thrilled to learn that it had won the coveted first place on the campus for the year 1945-46.

No ratings are available for the first semester of this year, but they have continued to work hard to keep that rating. Indiana A came up from third to first place at the end of the first semester, while Michigan A stepped up from third to second place, and Michigan Γ, from fifth to third place. Michigan Δ had seven members of B Δ A, scholastic honorary at Hillsdale, and had three members who made an A average this year. Michigan B had four Φ Β Ks and four Φ Κ Φs. Eight members of the chapter were members of A Δ Δ. One member of this chapter won the $750 Alice Lloyd Graduate Fellowship. Michigan Γ had three members of Φ Κ Φ and two pledges were chosen for Tower Guard, sophomore scholastic honorary. Indiana B had one member of Φ Β K and two elections to Δ Δ in addition to a winner of one of two scholarships given by Panhellenic to organized girls with the highest average. Indiana Γ had two
fresmen elected to Φ X N, scholastic honorary, and six to Spurs, sophomore scholastic and activities organization. All the chapters in the province award the scholarship ring and in addition make many other awards such as those for improvement, highest averages in the house, highest averages among the pledges, etc. Except for one or two cases, the scholarship chairman have been most cooperative.

With the exception of Indiana A which occupies a suite of rooms in the girls’ dormitory, all the chapters are living in their own homes this year. Michigan A’s house is owned by the college, but the chapter has been in this same house for many years. Michigan Γ bought an old house quite near the campus and are happy that they could find some place to occupy until the time when they can build on the lots which have been bought and are now completely paid for.

Indiana E purchased an old home over 100 years old and have made a very attractive place in which to live. In the past year, this house and Michigan Γ’s are not large enough to house all the girls and the Indiana E’s are especially crowded. Your province president is hoping that it will not be many years before these chapters can build adequate homes.

Indiana B occupies one of the loveliest homes on the campus and it was further beautified this past year by re-decoration inside and out. Indiana Γ’s home is small but very attractive and they are doing some decorating this summer. Last year the recreation room and chapter room were done over and this year, it will be the first floor that will benefit. Indiana Γ’s home is the newest in the province and is very pretty and adequate as to space and equipment. Michigan B’s home is completely paid for and is very attractive and home like.

The Delta Province Amy Burnham Oken Award this year went to Jean Louise Money; Indiana A, Mary Lou Wathen; Michigan Γ, Jane Cade; Indiana A, Katherine Huffman; Indiana B, Jean Maney; Indiana Γ, Ann Gill; Indiana Δ, Elizabeth Holden; Indiana E, Martha Honan. On Founders’ Day, at Indianapolis the province president was privileged to present gifts from the Indianapolis club to the nominees from the five Indiana chapters, and to present the Indiana Cup to Indiana B chapter.

Delta Province chapters have done their part in extra-curricular activities also but it would be impossible to list all. Some of the more important ones are as follows:

**Michigan A**—Editor of The Winona, college annual, and four staff members; President of Σ A Δ; Vice-President of Senior Class; May Queen; Valedictorian of graduating class; two Merrill-Palmer scholarship winners; one Who’s Who; president of Panhellenic; treasurer of sophomore class; group membership in Y.W.C.A.; president of Ambler House, college dormitory.

**Michigan B**—Chairman of Judiciary Council; treasurer of W.A.A.; first Vice-President Panhellenic; sophomore Class; five members of Mortarboard; one member Scoll; five members Wyvern; important committee membership in Various Women’s League projects too numerous to be mentioned; one member chosen on Mademoiselle College Board; representative to national W.A.A. Convention; honorable mention on Michigas Float and on W.A.A. cup; 100% participation of house in two sports.

**Michigan Γ**—Two members Mortarboard; four members 0 Θ N; six staff members of the Wolverine; two staff members of State News; two staff members of Spartan Magazine; one member A.W.S. Activities Board; two Α Θ; two Κ Α Π; two Θ A; Porpoise Queen; Blue Key Sweetheart.

**Indiana A**—Twenty-three members Wigs and Cues; twenty-one members including treasurer W.A.A.; six staff members of The Franklin; seven staff members of the Almanack; including circulation manager and layout editor; four members Laurels; one member Gold Quill; three members student council; one Α Φ; Homecoming Queen and one attendant; Junior Prom Queen.

**Indiana B**—Eleven members including treasurer W.A.A.; forty-three members of Y.W.C.A.; two on Y.W. Council and three in Cabinet; Vice-President of A.W.S.; six members University Theater Business Staff; three staff members and Classified Ad Manager of The Daily Student; four staff members of The Arbutus; five members Pleiades; three members Topheps; one member Θ Α Φ; Cadaver Queen; two Arbutus Beauty Queen finalists; member of the advisory board to the President of the University.

**Indiana Γ**—Chapter membership in Y.W.C.A. and A.W.S.; one member Alfred Marshall Society; two Β Σ Φ; thirteen in W.A.A.; one member Scarlet Quill; two on the Student Council; four staff members of the Collegian; three staff members of The Drift; three staff members of MSS; secretary sophomore class; president and treasurer of the Commerce Club; president and treasurer of Blue Gills; Freshman Rose Queen; A.W.S. attendance cup; Sweetheart of Sigma Chi.

**Indiana Δ**—Six members including Director of Activities Bureau; two members Α Γ Δ; three staff members including senior Editor of The Purdue Exponent; five staff members of the Debris; five members Gold Peppers; senior position on the Student Senate; Vice-President of Panhellenic; one Θ A Φ; nine members University Choir; one member W.A.A. Board; two members Κ Δ Π; one on Junior Prom Committee; two members Mortarboard.

**Indiana E**—Sweetheart of Σ X; president of Μ Φ E; one Α Δ Α; two junior board members A.W.S.; three Cabinet members Y.W.C.A.; two members Women’s Recreation Association; three members Σ Φ; one Mortarboard; business manager and state advertising manager of The DePauw.

All chapters reported successful rushing seasons. Quota systems are in effect on all campuses except Hillsdale. Hillsdale, Franklin, Butler and DePauw rush the first semester, while Michigan, Michigan State, Indiana and Purdue have second semester rush. Rules varied so at the different campuses that it would be impossible to list them all.

Delta Province chapters are 100% in their contributions to the three fraternity projects, for a total of $155 to the Settlement School, $80 to Holt House, $85 to the Loan Fund, and $6 to the Settlement School at Christmas to buy records. In addition, the chapters did their share in supporting the Magazine Agency. Indiana Γ won the prize for having the highest total commissions, as well as the prize for making the highest per capita commissions. Indiana E placed second in the list of highest commission, and fourth on the list of highest per capita commissions. Michigan B placed second on the list of highest percentage increase. With such a splendid record, the
chapters were able to show a slight increase this year in total commissions.

All the chapters have improved in national viewpoint this year, due no doubt, to the inspiration of convention. Everywhere, chapter members commented on the wonderful convention reports that had been given by their delegates, and many expressed the wish to attend a convention some time in the future.

Without exception, the Deans of Women had only words of praise for the chapters in this province. This was most gratifying for it meant that the girls were cooperating with the administration and were living up to the standards of the fraternity.

The alumni advisory boards have been fine and have given much time and effort to their respective chapters. All enjoy close relationships with their chapters and have been most cooperative with this officer.

It was a great pleasure to attend the Indiana State Luncheon in April, and to share with the Grand Vice-President, the National Historian, the Delta Province Vice-President, and the National Supervisor of Chapter Accounting. The inspiration that such a gathering can bring. Five Hundred and three Phi Phis were present to break all previous attendance records. Marion Keck Simmons, National Historian gave a very entertaining and interesting account of the lives of our founders.

For the past week last year, it was a privilege to attend the Detroit Founders' Day luncheon and to meet members of the Bloomfield Hills Alumnae club who were present, as well as some visiting Phi Phis from Windsor, Ontario.

In January your province president went to East Lansing to attend the state Panhellenic meeting at which Miss Onken was the speaker and honored guest. Early in May she attended Michigan B's initiation and later the same month, attended the Detroit Panhellenic luncheon at which Miss Alice Lloyd, Dean of Women at the University of Michigan, was the speaker.

Delta Province President wishes to take this opportunity to express her appreciation of the friendships and loyalty of her chapters. Their many courtesies and kind hospitality extended her during her visits will never be forgotten. She wishes also to thank the members of Grand Council for their help and especially Miss Onken, for her patience and understanding at all times. It has been a privilege to serve Pi Beta Phi.

HELEN ANDERSON LEWIS

EPSILON PROVINCE PRESIDENT

WE are happy indeed to report that "Epsiloners" have had a fine year of real progress. Paced by the enthusiasm emanating from Convention, we all settled down to concentrated effort to lick our biggest problem—scholarship. From having no chapters ranking first last year we now have achieved first place for four of the six chapters in the province!!! Missouri B and Missouri I have each held first place for a full year, while Tennessee A and Missouri A have reached the goal for the one semester reported to date, ending in February 1947. All of them intend to remain at the top, it goes without saying!

All chapters were 100% contributors to our cherished projects. In addition, all chapters raised through special effort an additional sum to go to Settlement School as a "Bonus" gift, an idea begun in this province two years ago, and continued each year. Missouri A had a rummage sale, Missouri B had a dart booth at the school carnival, Missouri I had a bring-a-dish supper for which each guest paid a certain amount, Kentucky A raffled off a pure-bred puppy at a school dance booth, Tennessee A had a benefit bridge.

Of course we faced our troubles too. Missouri A stood out courageously against pressure for second semester rushing and won to the extent that it was moved up to the second week-end after registration. Missouri B finally succeeded in breaking the sorority political combine, and were able to help quell quickly the talk of second semester rushing. Missouri I's new system of faculty sponsors needed adjusting to our system of fraternity secrecy, but finally it was arranged that the sponsor attend some Pi Phi Nights and some chapter dinners instead of chapter meetings so everyone was happy.

Kentucky A is still standing out against campus political combines, and successfully too, for this year they elected one of their members to Student Council by more votes than were received by any other candidate. Tennessee A too, is continuing their fight against the same campus condition, and in the recent super-lative election won three of the four honors they competed for—Miss University of Chattanooga, the Best-dressed Girl, and the Prettiest Girl. All of which proves that elections can be honest, as Missouri I showed two years ago. Tennessee A also resolutely led Panhellenic's drastic revision of Rush rules.

The nominees for the Amy Burnham Onken Award were Marilyn Wiegner of Missouri A, Martha Dunbar of Missouri B who won the province award, Peggy Lusk of Missouri F, Ann Hughes of Kentucky A, Marylen Smith of Tennessee A, and Jane Lee of Tennessee B.

My chapter visits this year had the added joy of the deepening second-year friendships, both among the actives and among their alumnae advisors too. The warmth and cooperation of the girls, the splendid understanding and support of the Advisory Board members are things for which I am truly grateful.

Epsilon Province has won many campus honors this year—the full list would of course be far too long to print here. I have tried to select the most representative for this report.

Missouri A was one of the four sororities chosen to put on a skit for Savitar Frolics, and their leading lady won the prize for the best individual performance. One of their number was president of Freshman Women, one was Engineer's Queen, one was vice-president of AWS Council, another was the Intra-fraternity Fledge Queen, two were cheerleaders, several were attendants to Homecoming, Barnwarming, and Birthday Ball Queens. Two have just been bid for K E A, sophomore women's honorary with one of them being elected to its presidency. The chapter rates 2nd in Intramural Sports. Two of their number were on the University Bowling Team which placed first in the nation in intercollegiate competition. One was elected to A II Z honorary social science fraternity, another to Π Δ N, chemistry honorary. They had the sophomore representative to AWS, members on WAA, one on the AWS Judiciary Board, ten working on various committees of the Student Government Assn., the society editor for the campus paper and the staff artist for the yearbook, with many
of the girls working on the campus magazine. There were 4 members of the University Pep Squad, several in University Chorus, and many active in departmental clubs and campus committees. They brought their scholarship from 11th to 1st, in addition!!! Scholastic honors not yet announced.

Missouri B. Besides being first in scholarship for a full year they have continued to hold the top honors on campus, such as president of Mortar Board, president of AWS, vice-president of the senior class, vice-president of the Sophomore Class, Editor-in-Chief of HATCHET (and have just won that post again for another year), secretary of Quad Show, secretary of Thrusyrs, the treasurer and the vice-president of Freshman Commission, and the president of Freshman Commission for next year, the vice-president and the Basketball Manager of WAA, secretary of Student Senate, feature editor of the paper, and circulation manager of the school magazine. They have editorials on the publications that they are referred to as Pi Phi magazines! Four on AWS, several on Student Senate Committees, two others have editorial posts on HATCHET, 2 chosen for Ternion. Also they had the Sweetheart of Sigma Chi, the Engineer's Queen, and a Maid at the Beaux Arts Ball, and a Graduate Valedictorian of the Hatchet Queen. Three of the 11 chosen for Mortar Board are Pi Phi. Scholastic honors are not yet announced.

Missouri F. Also ranks first in scholarship for a full year, and rolls up an impressive list of top honors, including secretary of Red Cross, secretary of Σ Τ Α honorary music fraternity, president and the secretary of the Phi Delta Kappa Club, President of Panhellenic, President of the Wallace Hall and a member on its Council, president of the dramatic cub, one member chosen for Who's Who, secretary of the French Club, one of the 4 elected to honor senior society was a Pi Phi, two are chairmen of committees on WAA, several working on the yearbook staff, one chosen for Tri Beta, honorary biology fraternity, and three for I T M honorary social studies fraternity. Scholastic honors have not yet been announced.

Kentucky A has had the Liberal Arts Editor of the yearbook, and has the circulation manager, two members on WAA Cabinet with one of them being vice-president, the vice-president of the Religious Council, both the president and the secre-tary of the Psychology Club, two elected to Student Council without help from the campus political combine, several members working for the CARDINAL staff, the Little Theatre, the Art League, the various departmental clubs, one of the chapter has been president of the State Home Economics Club, one secretary of the Law School freshman class, one the vice-president of the Spanish Club, while the French Club has been run by Pi Phis since we had the president, the treasurer, and the secretary. One was social chairman for the freshman class. Two won their athletic letters. Since this chapter is on the quarter system the final exams are still ahead of them at this writing, and so many honors, including scholastic ones remain to be announced.

Tennessee A reached first place in scholarship, stood firmly against the political combine and still made themselves felt on campus. They had four officers of the girl's dormitory, one being president. Seven were tapped for Co-Ed Cotillion, honorary social organization, and one was tapped for Alpha, honorary senior group. The chapter won the first prize for Homecoming decorations. One has been treasurer of the freshman class, one chosen for Σ Τ Α, honorary education fraternity, one made Who's Who, one was business manager of the school literary magazine, four were tapped for K X E, honorary service fraternity for women, while two of the five chosen for the honorary senior women's fraternity were Pi Phis. Scholastic honors have not yet been announced. Tennessee B. Won the Homecoming decorations competition, had one member serving as president of the Athletic Board, and another as president of Panhellenic.

The chapter had the sophomore, junior and senior representative on WSGA. Two were chosen for the honorary freshman women's organization, with one serving as secretary. Two were members of the junior honorary. One was secretary of WSGA. Of the 38 Pi Phis who are active members in the Student Christian Assn. four are on the Cabinet. One was president of the University Honor Council, one was vice-president of Mortar Board, one was secretary of Student Council, 6 were on the staff of the school paper with one of them being business manager. Another is Secretary of the Spanish Club.

There will be further honors of all kinds reported too late for this report. I am sorry that the scholastic honors are so late in coming in.

Each chapter in the province has planned its goals, and worked diligently toward their realization. Within me there has been my privilege to help in whatever way I could, and it has been my pleasure to applaud their progress.

Respectfully submitted,

CLARE B. WILLIAMS

ZETA PROVINCE PRESIDENT

This year has been a highly successful one for Zeta Province from many standpoints. The unfailing cooperation and friendship of chapter officers and members have made the work of province president a pleasure and privilege. In the past twelve months I have looked forward to the next letter bringing a report of new honors and recent accomplishments.

In the main Zeta Province chapters have had efficient officers and their strength has been reflected in the improvement seen in many ways. The inspiration derived from their good work has been demonstrated in every chapter. The chapters show a broader national viewpoint and increased ambition for both chapter and the Fraternity.

The chapters have all been large this year, every chapter, except Georgia A, having its full quota. Rushing was successful in every chapter and a large majority of the pledges were initiated leaving very few held-over pledges. Florida Γ initiated its entire pledge group.

Florida B and Georgia A maintain chapter houses. Florida A and Florida Γ are working on campaigns to raise funds for lodges. Florida A will start their lodge this year. It is still a dream of Florida Γ's but it is formulating plans so that this may be a realization as soon as building on the campus is permitted. Florida B, with the assistance of their alumnae, is doing some major repair work and redecorating their
house this summer. Alabama A enjoys and appreciates its nice chapter room in the Women’s Building on the campus.

Every chapter has given a beautiful formal dance this year. These have been greatly appreciated and enjoyed after the war years when such functions were not held. Teas and informal affairs have been given by every chapter for the chapter alumnae, and the college at large, and they have been attempting to bring about closer friendships with the other fraternities and non-fraternity groups on the campuses.

I regret to say that two chapters in the province have not contributed to the fraternity’s national projects, it is possible that their contributions have been sent directly and I have not yet received the receipt. Florida A, Florida B and Florida I contributed generously to all projects. The chapters have been interested in our war orphan and Georgia A sent ten dollars to the committee, and Florida I sent a package for her.

The Amy Burnham Onken Award for Zeta Province went to Robin Hill Marshall, Florida B, for her outstanding leadership on the campus, her scholastic record and her service to Pi Beta Phi and her college. Her list of honors would be too long to publish here for she has had recognition in many fields. The seniors from other chapters who were candidates for the award were: Anita Caldwell, Florida A, Christine Elliott, Alabama A, Mary Birchmore, Georgia A, and Ann Craver, Florida I. It was a difficult choice to select only one of these outstanding girls for they each have many fine honors and have given generously in service to the fraternity.

All chapters were visited by the province president this year. The three Florida chapters in December, Georgia in January and Alabama in April. I remember with pleasure the delightful chapter visits. The chapters greeted me warmly and entertained me graciously.

The Alumnae Advisory Committees have given invaluable service to the chapters, giving the benefit of their experience in the solution of problems that do arise and in many instances handling these so that they do not become major problems. I wish to express my deep appreciation of their work and I hope together we may accomplish even more next year.

The past year has shown improvement in scholarship in the province, but there are no first places to announce. Alabama A was first for two quarters and fell to second during winter quarter. Florida I rose from eighth place to fourth this year. All chapters have improved the chapter average and all chapters have moved up at least one place on the comparative list. These gains have been due to an interest in scholarship on the part of all members and reflect representative good grades rather than brilliant work on the part of a few. With the interest in scholarship demonstrated this year several of the chapters should attain first place next year. Alabama A has two Φ Β K (100% of the graduating class of this chapter), and one at Florida B and one Φ Κ Φ at Florida B. Florida I had three members elected to Phi Society (equivalent to Φ Β Κ) and one chosen for president of this group.

Christine Elliott, Alabama A, was chosen by the faculty to be Valedictorian of her class.

Christine Elliot and Polly Price, Alabama A, Robin Hill Marshall, Florida B were elected to Who’s Who.

The chapters in Zeta Province have shone in extra-curricular activities. All the chapters have participated in intra-murals with Florida B winning the cup for the year. Alabama A won the cup for the swimming meet.

Alabama A: Four members of Mortar Board, with one elected secretary of group; 2 members Σ Φ; 2 members Σ N Σ; 2 members Σ Σ Σ; Presidency of K Δ B; Μ Α; YWCA and Panhellenic. Social and Exchange editors of college newspaper; Beauty queen of Annual; 4 members in May Court; 3 members in College Theater; 3 members in Π Δ Ψ.

Florida A: Three members The Honor (equivalent to Mortar Board) one member Σ Δ Π; 2 members Β Β Β; 2 members Θ Α Φ; one member Κ Π. Associate Editor of Annual; Vice-president of Student Body; Hostess for Homecoming.

Florida B: One elected to Mortar Board; President of Sophomore Council; President of Freshman Flunkies; 2 members tapped for “F” Club; 2 members elected to Judiciary; Vice-president of Student Government; three elected to Spyroghra (Odd Honorary); Queen of Sophomore Hop and two members elected to her court; five elected to Village Vamps; and last summer the president of Judiciary was a Florida B member; President of Girls Campus at Dale Mabrey. 2 members elected A A Δ.

Florida T: 3 members of Phi Society (equivalent to Φ Β Κ) one is president of group; one Libra (equivalent to Mortar Board); 3 members of Φ Α, one is secretary; Secretary of Freshman Class; Editor of Tomokan (year book); Editor of “R” Book; Editor of college newspaper; Swimming record was broken by one of the members. Queen of the May Court and Queen of Tomokan; One member outstanding in the theater and one in Art. President of Panhellenic.

Georgia A: One Mortar Board; President of Φ M B; President of Pioneer Club. Vice-President of Student Government; President of “Z” Club. Associate Editor of Georgia Cracker magazine; three elected to Α Α Δ; One member tapped for “Z” Club.

As well as the chapters have done this past year they have only laid the foundation for greater accomplishments next year and I am confident we will see stronger and finer chapters in the province. It is impossible for me to adequately express my love for the five chapters of Zeta Province. They have been a great source of inspiration to me, and I am proud of their accomplishments.

There are no words to thank Miss Onken for her encouragement and assistance, no request for help, no matter how trivial, has ever been refused. To Grand Council, Chairmen of Standing Committees, and Central Office I wish to say “thank you” for your unflagging assistance. It has been a great pleasure and privilege to represent Pi Beta Phi in Zeta Province.

Respectfully submitted, Edith Breton Tyler

ETA PROVINCE PRESIDENT

In the second post-war year the chapters in Eta Province have demonstrated well their ability to keep pace with the times and have achieved a de-

T H E S E P T E M B E R A R O W 4 1

gress of excellence that is very pleasing.

The greatest delight of the year came with the chapter visits. It was a wonderful opportunity to
spend a little time with each of the eight chapters and make personal contact with the officers and members. The fine hospitality extended by the girls and the friendly interest they showed will be held among choice fraternity memories. Everywhere the campus picture is about the same with dormitories and houses filled with eager, classroom crowded from early morning until late at night, and the landscape heavily camouflage with quonset huts, auto trailers, and military barracks to provide student housing. Some people deplore these conditions, but I find it a noble thing to have so many men and women in search of higher education and the institutions so willing to try and provide it. Beloit chapter and Midsouth both had splendid new women's residence halls ready for use this year. At every school one heard of extensive building plans ready for application as soon as "building materials, labor, etc."

Wisconsin I alone struggles along with a totally inadequate meeting place, because this year, for the first time in its long history, Illinois B-D enjoys the use of the new and lovely Panhelencic House provided at Knox College. Illinois A meets in rooms provided on the campus and, of course, has the very special privilege of using Holt House for social affairs. Wisconsin A, Wisconsin B, Illinois B, Illinois Z, and Illinois H all have handsome houses which meet the chapter needs. In every college the houses have been beautifully decorated and furnished, and some have had complete refurbishing this past year. The presence of fine chaperons adds greatly to the graciousness and well being of each house. The fraternity is grateful to these women who so carefully tend the welfare of the active members. Illinois H is the only chapter which will have a new chaperon next fall.

This year, both chapter and college have a first empysion on scholarship for the presence of competition from the male mind was certainly felt! Results were nearly all rewarding, and the individual averages of the girls are higher than they have been for some time. Some chapters abandoned supervised study for their members and others had very detailed study plans; the net result is that one chapter rests in the lower 25% on its campus, two are in first place, and the others all lie in the upper one third. Proudly I salute the two who pace the others in scholarship, Illinois H and Wisconsin B!

It is a great satisfaction to say that in every chapter rushing was superior. The wonderful pledges everywhere added much to the respective groups and definitely assure a brilliant future for each chapter. This year Eta Province contributed nearly two hundred new actives to the fraternity.

Social, academic, and political honors came in legion to all chapters. Whenever grades permitted there has been 100% activity participation. The contributions made by F Pi Phi in leadership and spirit to their campuses added greatly to the prestige of the colleges and the fraternity. Only a partial list of extra curricular work may be listed, but to each girl who gave her best efforts to make her chapter strong goes our recognition.

Wisconsin A: Three Mortar Boards; chairman of W.S.G.A. Centennial Committee; Business Staff member; P.C. Editor; one state officer on Board of Directors, member of U E Sigma; staff workers on Daily Cardinal; members of Public Relations Committee and Judicial Board Committee. Participation in Wiskits, Hoofers, and intramural activities. One Badger Beauty; member of Haresfoot Court of Honor, attendants for Homecoming and the Horse Show.

Wisconsin B: 2 Senior Bench (Mortar Board equivalent); 10 members of International Woman's Ass'n including the president, secretary, and treasurer; president of National Collegiate Players; chairman of Business and Public Relations Committees; six members of V.P.A.A.; one Who's Who; member of General Board of Control; chairman of Committee on Investigation of Curriculum; one 0 0 1; complete WAA participation which won the college Athletic Cup. Social honors include the Sweetheart of S X; Panhelencic Ball and Homecoming Queen attendants.

Wisconsin D: One Mortar Board; one P B K; president, secretary and social chairman of WAA; 9 in A Cappella Choir; numerous members in the dramatic clubs Hellers, Sunset Players, and Radio Players; Spanish Club president; Art Guild chairman; II E 0 0 1; secretary of the Junior Spade (outstanding junior); Business Manager of the Lawrentian (newspaper); staff members of the Ariel (yearbook); five dormitory counselors and a dormitory assistant. There has been outstanding success in athletics. Social honors are six beauty queens; Sweetheart of S 0 0 1; two "Best Loved," and three in the May Court.

Illinois A: 100% membership in Y.W.C.A. and one Cabinet member; 2 T II (Mortar Board equivalent); one 0 0 1; Editor of Ravelings (yearbook); 2 0 0 1; numerous members of Crimson Masque; participant in the National Oratorical Contest; 3 staff members of the Oracle (newspaper); one member of the rifle team; treasurer of the Junior class and beauty queen of that class; one member of Student Faculty; chairman of the W.S.S.F. drive; president of the Pep Club, and publicity director for the Student Union Committee.

Illinois B-D: 7 members in 0 B and 0 A I; secretary of the senior class; various Y.W.C.A. chairmen; one Mortar Board; Gale and Siwasher (publications) staff members; president of Whiting Hall; many athletic participants; Student Council secretary; 5 sophomore Commissioners; Queen of the Military Ball; 0 II; member of 0 Mortar Board; 0 0 1;0; Editor of Ravelings (yearbook); one member of the rifle team; treasurer of the Junior class and beauty queen of that class; one member of Student Faculty; chairman of the W.S.S.F. drive; president of the Pep Club, and publicity director for the Student Union Committee.

Illinois Z: 2 0 B Ks; one 0 0 1; one A 0 0 1; president of 0 0 1; 2 Mortar Boards; one Shorter Board (eligible for Mortar Board); 5 Torch (sophomore honorary); 2 Student Union chairmen; one of the business managers of the Daily Illini and also sophomore manager of this publication; Vice-President of YWCA; Star Course manager; Pershing Rifles Sponsor; Queen of the Military Ball; Queen of May Day; court members of the Interfraternity Ball; and court attendant at the Plowboy Prom.

Illinois H: 40 members and treasurer of W.A.A.; vice-president and secretary of the Junior class; co-editor of the paper, The Decaturian; 100% participation in Intramural activity; one Who's Who; 14 Town and Gown Drama Club; 25 Millidek (yearbook) staff workers; Student Council member; 0 0 1; 3 members and secretary of 0 A I; 5 members and secretary of T X II (business honorary); secretary and treasurer of II 0 0 1; president of German Club; president of Panhelencic; vice-president of French Club; 10 Honor Roll Students; winner of Homecoming Float Trophy.
The Amy Burnham Onken Award candidates from each chapter were: Wisconsin A: Kathleen Thompson; Wisconsin B: Shirley Peterson; Wisconsin I: Gladys Osborne; Illinois A: Martha Shinofield Bond; Illinois B: Gloria Richardson; Illinois E: Harriette Rhawn; Illinois Z: Carolyn Dallenbach; Illinois H: Charlotte Beasley. These girls all exemplified the best in college life, but inasmuch as a winner had to be selected the honor went to Harriette Rhawn of Illinois E for an especially outstanding contribution to the fraternity by her brilliant scholastic and extracurricular campus career.

The eight chapters were all 100% in their contributions to the national projects which speaks very well for their viewpoint on Pi Phi national affairs. Deep interest and sympathy was given to the newest fraternity project, aid to the Save The Children Federation. In the spring an "extra" displaced European child was assigned to the province to help care for, and response to the appeal was immediate and generous.

The Advisory Boards have been a motivating force in the chapter accomplishments; the friendly counsel and thoughtful guidance given by these alumnae is gratefully received by the actives. To each Board and its chairman, goes my appreciation for help and cooperation.

One of the nicest experiences of the year was the visit to Lambda Phi, petitioning group at Bradley University, in company with a representative from each of the active chapters. The Pi Phi delegates conducted themselves with a thoroughness and maturity that was very pleasing. After chapter reports of this visit were made, there was unanimous desire to grant a charter of Pi Beta Phi to the petitioning group. In May the installation ceremonies for Illinois O were held, with the Grand President and the Grand Vice-President conducting the initiations in a most inspiring manner. During the course of attendant events numerous actives from nearby chapters were able to be present for the thrilling and never-to-be-forget experience of seeing a new chapter come into being. Illinois O has a splendid background and promises to assume a place of prominence in the fraternity; we are happy to claim its members as our own and the province extends a warm welcome to the new actives and alumnae.

The Year's experience of working with the chapters in Theta Province leads me to believe sincerely that the college women of today are intelligent, responsible, and democratic citizens. They are qualified to make a useful contribution to the needs of the world. To each chapter I offer my affection and thanks for the happiness of their association.

For all their kind help, Miss Onken, Isabel Winkler and Beatrice Feinley have my deep gratitude. To all Grand Council I wish another year as successful as this has been for Pi Beta Phi.

Respectfully submitted,
GERTRUDE S. BURLEY

THETA PROVINCE PRESIDENT

A college year has elapsed since I was first asked to be Theta Province President. Working again with the girls has virtually turned back the years for me, and my insight into their lives from this association is an experience which I shall cherish forever.

Laura Ann Reynolds, from Iowa B, was elected from a group of five candidates as the Amy Burnham Onken Award winner. Her untiring and devoted services to her chapter from her Freshman year through her Senior year as chapter president have endeared her to the heart of every member. In campus activities, she is well represented in all fields: athletics, music, dramatics, Spanish club, president of pep club, May Queen attendant for three years, and Homecoming Princess in 1944. She is judged by Pi Phis and other students and faculty alike as portraying qualities of outstanding leadership and finest character. Each member of the Iowa B chapter feels that because of her strong leadership abilities, they have attained the position of first place on the campus. Other candidates for the award were: Joan Holt, Iowa Z; Mary Dodds, Iowa T; Beth Rotherford, Iowa A; and Louisa Wetherbee, Minnesota A.

Mrs. Hollis Johnson is the new chapter at Iowa B at Simpson College. This is the only change in chapter heads. The chapter houses are all running smoothly and efficiently, with redecorating having been done at Iowa Z and I, Minnesota A, and North Dakota A.

Scholarship maintains its usual high position in Theta Province with five of the seven chapters being in the upper third of the college scholastic rating. Four senior women from Iowa Z were initiated into Φ Β Κ, as well as two from North Dakota A. At Iowa State, five members of Iowa T were initiated into Ψ Φ Κ. One hundred twenty-three girls were pledged to Pi Beta Phi from Theta Province during the past year in a very successful rushing program at each school.

Because the work as province president has been so new and unfamiliar to me in many phases, I have called many times on the assistance of alumnae club members. They have helped me untiringly, and I do thank them for their constant assistance.

Activities on all campuses continue to thrive and provide the outside impetus so important to a healthy chapter. Following is a list of major achievements from each chapter:

Minnesota A—Members in: 0 Ν, 0 Ξ Φ, Φ Α Θ, 0 Π, Σ Σ Ι, Η Τ Ζ, Φ Τ Θ, 0 Ξ Τ, and Ski-U-Mah. Chairman of Snow Week, Big Sister Chairman for A.W.S., Vice president and treasurer of Mortar Board, member of the Freshman Debate Team, the Aquatic League, and secretary of the Student Forum.

Manitoba A—Seven active workers on the building loan drive of the University, three members of the Varsity ski club, three French club members, four cheer leaders, four members of the choral society, representatives to the arts council and the science council, and executive of women's residence.

Iowa A—Homecoming Queen and attendant, prize for homecoming stunt, President and treasurer of Hershey Hall, three members of K Π, honorary art fraternity, candidate to Drake Relays Queen, and members of A Φ Ω, and Π Ρ Z.

Iowa B—Representative women on campus, two members in Who's Who in American Colleges, Vice President of junior class, members in Φ Τ Θ, Mortar Board, Ψ Χ Θ, Ζ Α Ι, Σ Ε Ξ, and University Band Librarian.
Iota Province President

As the final reports come in from chapters of the Iota Province, the thrill of accomplishments is transmitted to its province president. Every chapter is filling an important place on its respective campus and is working in such a sincere and earnest manner that it is with a feeling of great satisfaction and pride that I review the results.

Kansas B—This year has shared the Stoolman Vase with Ohio A; and the Amy B. Onken Award for this province went to Ruth Ann Hodgson of Kansas B. Ruth Ann was cited as the senior girl who had had the highest grades in the School of Home Economics for four years. Se also was given the Borden Award for the outstanding student in Home Economics. The outstanding seniors from other chapters who were nominees for this award were: Ann Hylan of Colorado A; Shirley Jo Van Fleet of Colorado B; Mary Breed of Kansas A; Joy Hill of Nebraska B; Phyllis Huffman of South Dakota A; Jean Bickmore of Utah A; and Joan Hagist of Wyoming A.

Several of the chapters were visited in the fall, the remaining ones in February and March. Grand Council visits were made by Marion Reed Wild to Kansas A, Kansas B, and South Dakota A; and Lolita Snell Prouty visited Colorado A, Colorado B, Wyoming A, and Utah A. They were a great inspiration to the above chapters.

Rushing in the province was highly successful and resulted in the pledging of 157 girls. Now only one chapter in the province, Kansas A, has to rush under a strict quota system. With the exception of one, all pledges in the Iota Province, Wyoming A, Kansas B, Kansas A, and Colorado A hold first place scholastically on their respective campuses. All chapters in the province, with the exception of one, are in the upper third of sorority groups on their campuses. The scholarship record of the province is the best that it has been in many years. The following have representations in Phi K Phi: Colorado A, four; Wyoming A, one; Colorado B, two; Nebraska B, two. In Phi K Phi: Kansas B, five; Utah A, two Wyoming A, one. The above report pertaining to honors is incomplete. Kansas A pledges all made their grades, so were a 100% class for initiation. The Colorado B pledge class won the Scholarship Cup for the highest average of all pledge classes on their campus. Colorado A was presented the Denver Panhellenic Scholarship Cup for the seventh consecutive year.

Iota Province chapters have again supported sorority projects with generous gifts. Both actives and pledges in all chapters have shown an eagerness and enthusiasm for the extra-curricular work on their campuses. Some of the outstanding activities and achievements are:

South Dakota A—One Mortar Board; two Who's Who in American Colleges and Universities; two Guidons; President and vice-president of AWS; Vice-president of sophomore class; Secretary-treasurer of senior class; Vice-president of WAA; Editor and four members on staff of Coyote (year book);

Business manager of the Volante; President of Playcrafters; five Varsettes; Second place in Vanity Fair contest; Cheer Leaders; Representatives at following conventions: AWS, Panhellenic, and Home Economics; Vice-president of Spanish Club; received cup for third consecutive year in girls basketball tournament; Senator for Medical School; Vice-president of School of Fine Arts; Phi Sigma I (honorary language); Many leads in university play went to Pi Phis.

Colorado A—Four Who's Who in American Colleges and Universities; one Mortar Board; two Phi Delta; two Phi Sigma I; two Big Sigma I; Business Manager and Assistant Business Manager of the Colorado (year book) and two staff members; Collection Manager, Distribution Manager and six staff members of Silver and Gold (campus newspaper); one Big Sigma (business honorary); two Hesperia; three Spars; President of A.W.S.; Publicity Chairman of YWCA; Miss C. U.; six members of Ski Club.

Every chapter has had Beauty Queens, Home Coming Queens, etc, and if all were lined up they would make quite a regal procession.

When making my chapter visits I found that there was a keen interest in the chapters of the province in each other—they wanted to know about other chapters and compare notes, and are all looking forward to the province convention this summer.

All Deans of Women were very frank in giving their opinions of our groups. They expressed appreciation for cooperation given them by Pi Phis and for real interest in each individual member's participation in activities, as well as in her scholastic accomplishments. Without exception these conferences were most gratifying.

Alumna Advisory Committees have been a source of constant help; much praise is due these splendid women who give so freely of their time and effort; the chapters have appreciated it and been greatly benefited. Generally the relationship between the actives and alumna was ideal.

It would be impossible for me to say how much I appreciate this opportunity for close personal contact with the chapters of the Iota Province and the cooperation, courtesy, and friendship that has been given so liberally. I enjoyed the meetings with members of Advisory Committees and the pleasant ways provided for me to meet other alumna. I wish to express my gratitude to my loyal chapters, members of Grand Council, and especially to Miss Onken, for the wonderful assistance and inspiration given me during my first year as province president. It has been a real joy to serve Pi Beta Phi.

Respectfully submitted,

HELEN FRIEND LINDSEY

KAPPA PROVINCE PRESIDENT

The retention of the Balfour Cup by Arkansas A is proudly pointed out by the other six chapters. And, at the same time, each vow that Arkansas A will not always keep that cup—that the lovely silver vase will soon find its way to one of six other cities or towns in the four states!

Our scholarship record is not so brilliant as it was last year, since—instead of four first places—we had only two this year. Arkansas A and Oklahoma B retained their leading positions. Louisiana A has not been able to ascertain its place, since the comparative ratings have not been issued by the school. Louisiana B dropped from second to seventh, Oklahoma A from third to fourth, Texas A dropped from second to seventh, and Texas B from first to third. Great plans are being made by these groups to see that there is a change next year—and one for the better!

Jean Marie Kearns of Oklahoma B was awarded the Amy B. Onken award for the province. To me, she is truly representative of the things for which this fine
honor stands. It was a difficult decision, in view of the outstanding characteristics of the other candidates, with Mrs. A. Mary Ross McFadden, Alabama B, Carolyn Blanchard; Oklahoma A, Zaninn Mac Mannings; Texas A, Mary Lib Vick; and Texas B, Eugenia Pierce.

In view of the turnover in the presidency I was not able to make chapter visits until early in the spring. Late in February I began my circuit of the Southwest, and had pleasant visits at Baton Rouge, New Orleans, Austin, Dallas, Stillwater, and Norman. Since Fayetteville is geographically out of the way from any of these points, I made another trip to that chapter. In each instance the visits were completely satisfactory and enjoyable, and the girls and I worked far into the nights trying to iron out difficulties and settle problems. Louisiana B continues to use its attractive Panhellenic room, Louisiana A its quaint little cottage, Texas A has its own home, Texas B an apartment, and both of the Oklahoma chapters and the Arkansas chapters are in their own homes. The three Pi Phi housemothers—Mrs. Winton at Austin, Gladys Scivally at Norman and Mrs. Clifton at Fayetteville—and the girls, as much as part of theatter as ever, although Norman has reluctantly relinquished Gladys Scivally as of July 1 to succeed Beatrice Pardiunn Femley as the Director of Central Office. Mrs. Campbell at Oklahoma B is a "newcomer" to the ranks of Pi Phi housemothers, and yet, from her appreciation and understanding of and love for the girls, one would think she was born into the house— and she was born into the position of being a lovely and gracious lady. We in the province are extremely proud of our four lovely ladies, and lay partial claim to Mrs. McMillen in Dallas who manages the girls' apartment for them. It is the regret of all of us that there is no house at SMU over which she could preside.

Again, our province is 100% in its contributions to Pi Phi philanthropic projects. As a group, the chapters contributed $330 to the Settlement School; $182.50 to the Loan Fund; and $152.50 to Holt House. In addition, the chapters contributed individually to the campus drives for the World Student Service Fund; Red Cross, the March of Dimes, American Cancer Control, and the Community Chest. Louisiana A inaugurated its own social service program this year by assisting with a home for indigent children, known as the Gumble Home, and has contributed money and the energies of its members in helping the children. Oklahoma B continues with its assistance towards the Panhellenic movement to raise money with which to purchase medicine for the needy sick people in Stillwater. Arkansas A contributes monthly to the support of a blind girl who is going to school, and who was elected to A A A this spring. This chapter has also "adopted" a war orphan of its own. Texas A is generously sharing its "child" of the Save the Children Federation with Texas B. The other five chapters in the province are thoroughly enjoying the pleasure of assisting and writing to Kappa Province's own child. As a member of Louisiana said, in speaking of their enjoyment of working in the Gumble Home, "it is work with the hands, as well as with the heart."

I believe all of the Kappa Province chapters are better than well represented on their campuses in worthwhile activities. I shall recapitulate these activities; stars after the name of the organization indicate number of offices other than president; I will take note of all presidencies; the arabic numbers denote total number of members:

As last year, I have thoroughly enjoyed working 
with the chapters of Kappa Province. And—as last 
year—I must submit my resignation, reluctantly so. 
I am glad to have had the opportunity to fill out the 
year in Margaret Twymen Tait's place, and to con-
tinue with the work which she beautifully began for 
the year. I do wish it were possible for me to con-
tinue next year, but it will be impossible, and this 
year I know this definitely.

I extend a special word of thanks to all the 
members of the Alumni Advisory Committees with 
whom I have had the pleasure of working. And a 
very special word of thanks to Miss Onken, whose 
help is unfailing and generous. It has been a pleasure 
to work with the other officers and chairmen of the 
fraternity, and I shall always have a warm spot in my 
heart, marked off and kept for Pi Phi. 

MARGARET JACOWAY

MEETING so many charming active members of Pi 
Beta Phi who are enthusiastically participating in 
college life, who are devoted to their fraternity, and 
who have been hospitality itself to the Province President has been an experience she will long re-
member. The members have shown an eagerness to 
learn more about the national fraternity and they have 
been most gracious in accepting suggestions which will 
bring a greater unity in working for the ideals of Pi Beta Phi. With such fraternity spirit there can be 
but one result—the development of strong chapters.

Any trepidation I experienced when I first accepted 
office was soon dispelled through the generous co-
operation I received from Miss Onken and the mem-
bers of the Grand Council. Miss Onken's sharing so 
unselfishly of her fraternity experience has been in-
valuable to this Province President. I am, indeed, 
grateful to Miss Onken for the many fine suggestions, 
and for the encouragement in executing my responsi-
bilities.

Chapters in Lambda Province are cognizant of the 
fact that if a fraternity is to be powerful and un-
assailable, the chapters must show that they work for 
the interest of the college or university, and for the 
mental training for which the institution stands. The 
chapters in Lambda Province are proving that a 
fraternity girl who is sincerely loyal to her fraternity 
shows loyalty to her college or university by taking 
part in its activities. Scholarship and student activity 
participation are the two objectives being emphasized 
in Lambda Province.

Oregon A has made the most outstanding improve-
ments in scholarship in the Province. The chapter 
began the year with a scholastic rating on the campus 
of eighth, but at the end of the year Oregon A 
ranked first in competition with all organized groups. 
This has been accomplished through strict observance 
of rules, complete cooperation from all members of 
the chapter, and an attitude towards scholarship which 
inspired every member in her responsibility. 
Oregon A proved that women’s fraternities do not 
need to concede that the veterans are the only students 
with a serious purpose in attending an institution. 
Alberta A won the Scholarship Cup at the University of 
Alberta. The Δ Δ Fraternity had held the Cup 
for three consecutive years, so this was a noteworthy 
achievement by Alberta A. Alberta A also won the 
scholarship plaque for Lambda Province in addition to 
winning first place in scholarship on the campus at 
the University of Alberta.

Bettie Ann Crages, Idaho A, was the winner of the 
Amy Burnham Onken Award for Lambda Province. 
Other senators who were proposed for the Amy 
Burnham Onken Award were: Sydney Jones, Alberta 
A; Rausie Lou Solberg, Montana A; Martha Thors-
land, Oregon A; Nancy Teutsch, Oregon B; Lorraine 
Murdoch, Oregon Γ; Ann Hagen, Washington A; 
and, Patricia Topp, Washington B. These girls have 
made a fine record in their respective institutions.

The girls who won the Scholarship Rings in Lambda
Province were: Helen Bendixen, Washington B; Rausie Lou Solberg, Montana A; Kay Karnopp, Oregon B; Barbara Pitman, Oregon A; Margaret Schuster, Oregon B; Idaho A, and Alberta A were unable to secure
grades early enough to make their selections in time for this report.

The academic and scholastic honors achieved by the girls in Lambda Province are most impressive, and convincingly prove that the confidence placed in
these girls have been well justified. Many girls are contributing through committee assignments which is
a stepping stone to outstanding recognition the girls will receive later on in their college life. To these
girls, as well as to those whose names are listed in this report, the fraternity expresses sincere appreciation for the splendid spirit of cooperation,
and the excellent attitude they are assuming, and have assumed, in endeavoring to fulfill the obligations they
accepted as initiated members of Pi Beta Phi.

MU PROVINCE PRESIDENT

My first year as Mu Province President started with a visit to New Mexico A for its installation. This was indeed a great pleasure and a wonderful and inspirational way in which to start my Pi Phi work, as I had been away from any contacts for three years and needed something to bring me back into the swing of things.

My first official visits started in October to California B and Nevada A. In November, I went to California Δ and in December to California Π. Since I had so recently visited New Mexico, I made the trip to them and to Arizona A, immediately after the second semester. Adele Alford covered my entire territory officially during March and April.

The comparative scholarship ratings and the individual honors have been very slow to reach me and I am sure that I am omitting some fine recognition that should have appeared here. California B was 13th on her campus, Nevada last out of 4 groups and New Mexico tied for last place among 3 groups. However, California Π came up from 10th place to 2nd and California Δ was 7th out of 22 chapters. Arizona was 3rd. All the chapters are putting forth exceptional effort to make a good scholastic showing.

The following is a condensed version of chapter honors and activities for the individual chapters.

California B: Scholaristic Honors-1 Φ B K, 1 Π Λ Σ (Advertising Honorary); Activity Honors-3 Prytanean, 1 Torch and Shield, 3 Panie, Vice-President and Treasurer, 1 California Club, 2 Ace of Clubs, 2 Editorships on Blue and Gold, 2 Appointments to Pelican, 2 Jr. Directors on Women’s Counseling Committee, 1 Chairman N. All the Advisory Board members are working hard for their chapters and are a loyal and conscientious group. It was a pleasure for me to meet so many old friends on these Boards at Arizona A, California Π, and Δ. I found no serious problems in Advisory Board-Chapter relationships.

All our houses have been kept in excellent condition with the possible exception of Nevada A which needs some redecorating and very definitely some sort of remodeling to include a good study hall. California B, Π and Δ were all redecorated in part last summer and are in beautiful condition. Arizona has plans for remodeling in about a year.

The Mu Province Amy Burnham Onken Award winner was Anne Pearce of California Π and her record was indeed outstanding.

This Province supported its national projects in the amounts of $53 to Lourd Fund, $89.86 to Settlement School and $72 to Holt House, but I am sorry to report that we were not 100% in chapter participation.

The privilege of working for the Fraternity this past year has been an experience for which I shall be forever grateful. May I take this opportunity to thank our chaperons, Advisors, and chapter members for their kindness to me, Grand Council for making this opportunity for service possible and Miss Onken in particular for her graciousness and forbearance with me and my problems.

So willing to give unselfishly of their time and energy.

Respectfully submitted,

Reports of Province Vice-Presidents

ALPHA EAST PROVINCE VICE-PRESIDENT

The goal of a 100% province was not reached by alumnae clubs, but we welcome a new club at Stamford, and can show a slight increase in membership. Burlington, Halifax, and New Haven have not made contributions to all projects; however, the total amount from the province has increased. The annual Sophomore award given by Portland was given to Jane Atwood, Vermont B. Many clubs have aided chapters in rushing or have given financial help.

Five clubs held Arrowcraft sales; Hartford sent a box at Christmas to the Settlement School and Boston sent Christmas records. Through a series of well-planned money raising schemes Montreal raised $150 to endow a bed at the Children's Hospital. The club in the province sent a CARE package to "their" orphan.

It was a pleasure to visit clubs at Burlington, Halifax, Montreal, New Haven, and Portland. There are several paid members who are not in alumnae clubs. It is hoped that these may be the start of alumnae clubs. Ten members in a community are enough to have a charter. In July there will be the usual Vermont picnic near Rutland. The State of Maine group plans a state conference the last of June.

Again I express my appreciation for the cooperation and loyalty of officers and club members in this province. To all members of Grand Council, committee chairmen, and Central Office, I am especially grateful for suggestions and help.

ERMINIE L. POLLARD

ALPHA WEST PROVINCE VICE-PRESIDENT

The twelve clubs in our Province have shown a gain of 44 members over last year. The Arrowcraft sales increased from $1647.47 to $2167.55 this year. Also, the contributions to Holt House and the Loan Fund increased. The magazine commissions are a little below last year, which is regrettable.

The clubs all have been extremely interested in our little French boy, Jean Claude Boutin. They have sent him a great many boxes of clothing, food, etc. We think he has enough clothing to last him at least a year, so are concentrating on food from now on.

Our Province is very proud to have Mrs. Rauch of the New York City Club appointed to serve on the Settlement School Committee.

It was a wonderful experience for me to attend several Founders' Day Celebrations, besides my own Club. The Westchester Club paid special honor to their "Golden Arrow" members. A corsage of carnations tied with blue ribbon was given each one.

The New York City Club had the honor and pleasure of having Mrs. Carrie Chapman Catt at their January meeting. We all deeply regret her death.

My best wishes and thanks to the Club Officers and members of the fraternity for their cooperation and help. My appreciation and thanks to Grand Council and Central Office for their inspiration and guidance.

Respectfully submitted,

BETA PROVINCE

Beta Province has earned three-fold congratulations this year. The province is 100% in contributions, has increased its contributions to the Settlement School, and increased its membership. Widespread enthusiasm in working for Phi Phi has been reflected in club letters. Cleveland East gave the most to Settlement School, with Philadelphia second, and Cleveland West, third.

Many clubs have reported increased activity in the local philanthropies. Help to handicapped children, Red Cross, Cancer Clinic, Y.W.C.A., Children's Hospitals, needy families, Community Chests, and Youth Centers, are among the groups assisted.

Our Province Child, Jeannette Jans of Belgium, will receive several nice gifts of money and supplies. All clubs located near active chapters were most helpful to our Phi Phi. Several other clubs more distant sent a gift to some active chapter.

Arrowcraft sales have not been too good but this is no doubt partially due to difficulty in filling orders at the School. We will all be glad, I am sure, when supplies can meet the demands.

I have visited nine clubs this year, not including my own club here in Columbus. These visits have all been a real pleasure for me, and it is hard to thank enough all the Pi Phis who make these visits enjoyable. I can only hope that my efforts bring them all just a little closer to the realization of what Pi Phi means nationally.

The Columbus Club and Ohio B chapter had a treat this spring in being able to entertain Miss Onken and ten visiting Deans of Women, all Pi Phis. They were attending the National meeting of Deans of Women here in Columbus. Our own Dean, Christine Conway, was Chairman of the Convention.

Interest among clubs in the "Recommendation Committee" is increasing. I think the importance of such a committee keeps stimulating Pi Phi everywhere, making them realize more and more the importance of Pi Phi selection.

To each club of Beta Province let me say that it has been a joy and privilege to work with you. It has been a climax to the inspiration gained at Convention. My congratulations go to each Pi Phi who has made this a most successful year for our Province and Fraternity.

For the guidance and help of our Grand President and Grand Council and for the prompt service and cooperation of Central Office I am deeply grateful.

Respectfully,

EDITH H. RANKIN
GAMMA PROVINCE VICE-PRESIDENT

Each P.V.P. no doubt thinks her province is the best, but the clubs in Gamma Province once more belong in the 100% class—all have contributed to each national project, and in two instances have given valuable help to local activities; Richmond to the Elizabeth Cates Foundation at the State Industrial Farm for Women, and Washington in raising $2000 for the George Washington University Hospital Building Fund. Most clubs are still working for the Red Cross and for the U.S.O. if it is still functioning.

In addition to the Province Child, two clubs, Baltimore and Washington, have a child of their own and by letters and gifts may continue their help.

Every club except one has assisted one or more active chapters by helping with rushing, supplying initiation robes, contributing furnishings and gifts to the chapter rooms (including hand made and embroidered testowels) entertaining at Senior Farewell Ceremony, rushing teas for local girls going away to college, and the always welcome gifts of money. There is a fine spirit of cooperation between clubs and chapters and advisory boards.

The clubs and chapters have held joint Settlement School Sales and Teas, and this was a banner year for joint Founders' Day celebrations: Columbia and South Carolina A; Chapel Hill, Durham and Raleigh with North Carolina A and B; Norfolk and Richmond with Virginia I and largest of all Washington Jr. and Sr. and Baltimore clubs with District of Columbia, Maryland A and B. It was Maryland A's fiftieth anniversary and May L. Keller, a golden Arrow Pi Phi, was guest of honor and speaker. There were 286 present with 4 golden Arrow members from Maryland A and one from D.C. A, with one table with 9 Pi Phis who were initiated more than fifty years ago.

Membership in the clubs ranges from 10 to 114 and all have had the required meetings. Altho the junior group in Washington has been active as a separate club for a long time, it applied for a charter this year, so the province can report two new clubs—Washington, Jr. and Durham, N.C.

All clubs have a Committee on Rushing Recommendations, and where an active chapter is near enough, have members on the Advisory Board. The clubs have magazine chairmen and there has been good publicity in local papers about Settlement School and the Fraternity's work with the Save the Children Foundation.

My official visit to the clubs was a real joy to me, in spite of snow in three places in the "sunny south." Everywhere the members, from recent graduates to grandmothers were enthusiastic and cooperative and working constructively for the best aims and ideals of Pi Phi. Only one Phi club did not ask me for information about the "Proposed Home for Elderly Pi Phis" and that was the junior group in Washington.

Miss Onken's visit in the province was all too short, but thanks to Kitty Massenberg I did have a chance to visit with her at luncheon and take her to the bus for her next stop.

For any success of Gamma Province I can only give my warmest thanks and appreciation to officers and members of my clubs. The director of Central Office (even if she did take time out to marry!), the national committee chairmen, each member of Grand Council and my own Province President have all helped me in every possible way and through the stimulation of all these fine Pi Phis my year has been happy as well as busy, and, I hope, profitable for all my clubs and the fraternity.

Isabel Drury Heubeck

DELTA PROVINCE VICE-PRESIDENT

It is with mixed feelings of pride and humility that I submit this, my first report on Delta Province—pride in the accomplishments of the club and humility over my own limitations which may have been a factor in failure of the province to reach the 100% goal toward which it had been urged.

The province is sorry to lose the Flint club which became inactive at the close of last year and we sincerely hope that notice of its reactivation can be carried in this report next year.

Fourteen of the sixteen active clubs in the province rated 100% in their support of the three major projects of the fraternity. Settlement School contributions totaled $498.07, an increase of $13.07 over last year's amount with Indianapolis, Jackson, Lafayette, and Southwestern Indiana clubs showing increase in contributions this year. Holt House contributions totaled $54.50, a decrease of $11.00 under last year's amount. Clubs which increased contributions to Holt House are Ann Arbor, Fort Wayne, Jackson, and Southwestern Indiana. Loan Fund contributions, totaling $61.50, is the same as last year's amount, with Grand Rapids, Hillsdale, Jackson, and Southwestern Indiana showing an increase in contributions this year.

Membership has increased from 541 last year to 588 this year, or to 608 if 14 affiliated seniors and 6 isolated Pi Phis who paid national dues are included. All clubs with one exception, showed membership increase over last year. Those showing gain, in order of amount of gain, are Ann Arbor which led with 13, Fort Wayne, Franklin, Grand Rapids, Lafayette, Southwestern Indiana, Bloomington, Northern Indiana, Indianapolis, Bloomfield Hills, Richmond, Gary, Hillsdale, and Lansing.

Arrowcraft sales, totaling $3,562.58 represents a gain of $1153.15 over those of last year. The nine clubs which sold Arrowcraft, in order of amount sold are Bloomfield Hills, which led with gross sales totaling at least $1010.50, Lafayette, Fort Wayne, Lansing, Ann Arbor, Franklin, Indianapolis, Detroit, and Southwestern Indiana.

An excellent cooperation exists between clubs and chapters in the province where active chapters received a great deal of assistance in organized rushing as well as financial aid from clubs. Several clubs located where there are no chapters are showing awareness of responsibility toward chapters by making gifts to chapters and awards to actives in recognition and furtherance of scholarship and leadership achievement. Of these clubs, Detroit led by giving $75.00 to Michigan T, $10.00 to Michigan A and Michigan B, each, as well as a gift to an active in each of those chapters in recognition of high scholarship. Fort Wayne gave $25.00 to Indiana E; Southwestern Indiana gave $5.00 to the same chapter. Bloomfield Hills gave magazine subscriptions to Michigan T. Needless to say, the clubs located where there are chapters continue their tireless and never ceasing support of chapters, never failing to counsel or to
help them gain needed money or equipment. Lansing is doing an excellent job in raising money which will guarantee the young Michigan I chapter a sound financial structure. I wish I could go into detail on the fine things other clubs did for chapters this year.

It was a privilege to visit six clubs in Michigan this year. I was impressed by the power for good which some groups wield. They not only carry on our fine work, but in each locality, they represent the women who give time and effort for worthwhile things in which they believe. Thanks to all who helped to make my visits so pleasant.

It was a pleasure to attend two Founders’ Day celebrations this year, the Indiana Statewide Luncheon sponsored by the Indianapolis club at which Marion Keck Simmons was speaker, and the dinner of Southwestern Indiana. All clubs with “Golden Arrow” members paid tribute to them at their Founders’ Day celebrations. I regret that I was unable to accept the other invitations extended to me.

With increased devotion to Pi Beta Phi I close this my first year as Delta Vice President. The cooperation of clubs and individual members makes me look forward to next year with seriousness in my pledge to better serve them. I am sincerely grateful to Miss Onken, Mrs. Wild, Central Office, and the Pi Phis in Delta Province for the aid and cooperation they have given me.

IRENE HOGGATT

EPSILON PROVINCE VICE-PRESIDENT

EPSILON PROVINCE is able to report two additional alumnae clubs this year, making the total eleven. The group at Little Pigeon which had been unable to function during the war years renewed its activity in the fall and has put in an active and productive year. A group of alumnae in Knoxville became interested in organizing a club and received its charter on Chapter Loyalty Day. Twenty out of twenty-two resident alumnae are paid members of this new club which at once took a leading part in city Panhellenic activities. In spite of their late start, the Knoxville Alumnae Club is 100% in all requirements for the year.

The increase in paid membership kept pace with the increase in resident membership in the province, still showing however, that there are many alumnae taking no active part in fraternity work. The 603 paid members this year are responsible for increased financial support to the fraternity projects as well as aid to the chapters and individual local projects. The clubs vary in size from Jefferson City’s 11, which is 100% of the resident membership, to 185 in Kansas City. More than half of the clubs have shown a fine increase in membership this year.

Interest in Settlement School continues and the province has sent $2041.00 toward its support this year. St. Louis contributed $1400.00 as a result of their Style Show and Garden Party held in May, at which the Province Vice President was fortunate enough to be a guest. More clubs than previously devoted the Settlement School meeting to a real study of this project and its progress so that members are not only better informed but more interested. Memphis had a particularly fine report prepared and given by a member.

Interest in and understanding of the purpose of Holt House is growing as clubs learn more about it. Kansas City repeated their last year’s gift of $100.00 so that the province total is $157.00. The $15.00 gift from the Springfield club was in memory of one of their members who died this winter. At Convention last June, the five delegates from the province, led by the St. Louis delegate, decided to try to interest the clubs in raising a fund to buy the much-desired silver service for Holt House. The idea has taken hold and several clubs have already made pledges or contributions toward it.

Loan Fund, too, has received the support of all the clubs to the amount of $50.00. Magazine commissions are up slightly and Kansas City is in second place nationally. Arrow Craft sales are up in practically every club and most clubs have received all ordered products.

The Epsilon Province Vice President was fortunate enough to have visited all clubs in the province in the fall and to have been encouraged and helped by the interest of the alumnae. The fact that all clubs are 100% in all respects and that contributions have generously increased is proof of the loyalty and interest and real effort of the membership. With the meeting of province officers with Grand Council to help toward closer contact throughout the alumnae organization, next year should be even better.

For the cooperation and untiring effort of the officers of the clubs as well as the membership supporting them this officer continues to be most grateful. To all members of Grand Council and other officers who have made her work more interesting and easier and who have never failed to lend a helping hand go sincere thanks.

Respectfully submitted,

MARGARET A. FOSTER

ZETA PROVINCE VICE-PRESIDENT

It is with a feeling of great pride that I submit this report on the progress of Zeta Province during the year just ended. All of the clubs are 100% in contributions to the three national projects for the first time in several years. The amount increased this year from $187 to $520, which shows the fine spirit of loyalty to the fraternity which exists in the clubs of Zeta Province.

Seven clubs have increased their membership, while two clubs maintained the membership of last year. The membership stands at 502 this year, an increase of 89 members. Again the Lakeland Club is 100% in paid members and the DeLand Club missed the 100% mark by only two members. The St. Petersburg Club was re-organized at the close of last year and is now one of the strongest clubs in the province. Out of the fifty resident alumnae, thirty-eight are active members of the club, which is a fine record.

Five clubs held Arrowcraft sales this year, the largest sale being held by the Orlando Club, with St. Petersburg running a close second. The gross sales were $643.21.

The report from the magazine agency is not in yet, but at the half-way mark, commissions earned were
in excess of the total for last year. The Jacksonville club has done a marvelous job in the sale of magazines.

All clubs continue their assistance to the five active chapters in the Province. The DeLand Club has been of great assistance to the chapter at Stetson in planning and financing their unit in the proposed Pahellenic Lodge which will be built during the summer. The Birmingham Club gave an intermission party for the chapter at Birmingham Southern at one of their dances this year. The Atlanta Club gave a recognition pin to the pledge at Georgia A having the highest scholastic average. In addition to this, the club gave the chapter a gift of $25. The St. Petersburg Club gave $25 to both Florida A and Florida B. The Miami Club entertained the actives and their mothers during the spring holidays and a substantial sum was raised to help redecorate the house at

F. S. C. W. The Orlando-Winter Park Club has worked closely with the Rollins Chapter this year. A joint Founders’ Day celebration was held at the college.

My sincere appreciation goes to the clubs and their officers for the fine spirit of cooperation they have shown this year. It has been a real privilege to work with all of them. I also wish to thank the Florida Clubs for the delightful hospitality extended me during my recent trip over the state. I am looking forward to the time when I can visit the other clubs.

It has been a great privilege to serve Pi Beta Phi as Zeta Province Vice President this year. May I express my appreciation to Miss Onken, Mrs. Wild and Bea Purdunn Felmley for their help and inspiration.

Respectfully submitted,
Lillian Ellison Lindley

ETA PROVINCE VICE-PRESIDENT

The period of social, political, and international readjustment is still apparent in the world, but fortunately, our alumnæ clubs have a much more generalized feeling of stability than during the war years. Their enthusiasm and co-operation is still going upward, like our arrow point. All but three clubs have maintained the same or increased their membership and their attendance at meetings. We now have 794 members compared to 705 for last year.

Although the entire province missed the 100% goal this year, we have 25 of the 25 clubs in this group. Support of the three designated national projects was excellent.

The gross sales of Arrowcraft merchandise were almost $1000 more than a year ago, Settlement School receiving $794, nearly $100 more than 1946. Campaign-Urbania was in first place again this year with gross sales of $1500. This club was followed by Milwaukee’s $1145 and Madison with $1080. Many of the clubs contributed other gifts of toys, books, games, and records besides memorials for Eunice Weaver to Settlement School.

It is worthy of note that eleven alumnæ clubs in the province assist active chapters each year either financially or by remembering them with a gift. All clubs in the province give efficient rushing help.

The majority of clubs have been very enthusiastic over our Province child. Nine of them have already “showered” him with a box from their club and several others have made plans to do this same thing before fall. Chicago South was so eager to do something that they raised $150 and will now be able to support a school of their own through the Save the Children Federation. Oak Park-River Forest has adopted a Dutch family besides sending Christmas gifts to the soldiers at Vaughan Hospital and more recently supplying them with cakes and cookies. Chicago West Suburban has a family in Czechoslovakia and one in Greece to whom they send things. Springfield has sent baby clothes to Vienna. Most of the clubs contribute to local charities. This helps to illustrate the fact that Pi Phis always like to help others.

In all, Eta Province shows a substantial increase and improvement over a year ago. The pride and pleasure in working with the clubs and noting their accomplishments has been wonderful. The thrill and privilege which was mine in assisting Miss Onken, Mrs. Wild, and Mrs. Butler with the initiation of Illinois Ø would be difficult to express. The old members of the Peoria Alumnae along with the new alumnae initiates deserves a rare orchid for their organization, co-operation and hard work.

For the opportunity to work with and for Pi Beta Phi, I am most grateful. To just say thank you to all club officers, Grand Council members, and Beatrice Purdunn Felmley and Central Office for their help and inspiration, seems a little inadequate, considering what it has all meant to me. It would no doubt be more forceful and you’ll understand how I feel by saying, “Thank you God, I’m a Pi Beta Phi.”

Respectfully submitted,
Laura Turner Wood

THETA PROVINCE VICE-PRESIDENT

Theta Province has reached their goal of 100%. Every club in this province has contributed to each of the three National Projects. All the clubs have had an outstanding year. The membership for the Province has increased by 14 4 chapters. This is over a third again as many as last year’s total paid membership. Last year’s membership was 377 and it now is 521.

Last year only six clubs had Arrowcraft sales totaling $618.90 while this year ten clubs sold Arrowcraft materials totaling $1252.29. The Magazine Fund has increased this year, from $342.60 to $478.32 commissions earned by the clubs. This may account for the decrease in the Settlement School gifts. I believe this is a direct result of the fact that some of the clubs failed to make out a budget at the beginning of the year and they cut on their contributions simply because they were afraid of running short when they had to send in their convention tax. I have great faith this will never happen again.

The Loan Fund increased from $51.00 to $59.00. The Holt House Fund also increased from $54.50 to
Iota Province Vice-President

Iota Province comes so near the 100% goal that it is doubly disappointing not to have attained it. All clubs are active with 16 out of the 18, 100%. With a very slight decrease in several clubs, the overall increase, much more than makes up, since it is nearly four times as great. Interest in Settlement School Sales has a decided upturn and plans for the future are very bright. Lawrence rushed ahead with $1200.00 plus, Denver next with $1144.79, Omaha followed with $700.00 plus and Manhattan reports over $545.00 with Topeka $349.88. While the total was a little below last year, it probably was because several had no sales.

The support of Holt House and the Loan Fund remained approximately the same and the Magazine sales have been pushed faithfully. All but one club, list support of Holt House as is the case with the Loan Fund.

If figures mean anything, the average attendance at meetings needs bolstering. Possibly this unrest is nearing a close and many young couples will be permanently located. We hear often of members, knowing a change is temporary, hesitating to affiliate with the local club. This is our distinct loss but we can see both sides. It may be a wrong conclusion but it seems in every case possible, the interest is increasing in aiding the active chapters which is what we are striving for since we are a college group primarily. In every case, local projects and charities were supported in addition to our projects. Several sent books to the Settlement School Library and gifts to our child in devastated Europe.

Our enforced residence in Tucson prevented visiting clubs this year which was what made me hesitate so long in accepting the responsibility. However, I sincerely hope I can more than make up next fall but even through letters, I feel a very sincere interest between myself and the clubs.

Founders' Day was truly inspiring with the Lincoln alumnae and actives, and several meetings with them since have increased the feeling. The correspondence has been very heavy but I have tried to keep up my end of it. Marianne Wild's visit through this province was a great aid and I deeply regret my absence while she was in Omaha.

As I see it, our objective is to keep our beloved Pi Beta Phi functioning and alive in every alumnae heart, and if I may believe the reports of my presidents, we are accomplishing a trying part.

May I express my deep appreciation to those individual presidents who were so painstaking and prompt? They will never know how they bolstered my morale. The monthly letters of Amy Onken and Marianne Wild, to be passed on, were wonderful help to my feeble efforts.

To Miss Onken, Marianne Wild, other members of Grand Council, Committee Chairmen, and Central Office, may I express my sincere thanks and gratitude for your help?

Respectfully submitted,

Mary McCulloch Nixn

Kappa Province Vice-President

On the whole, Kappa Province's year has shown progress. There was an increase of one hundred and six paid members, bringing the total to nine hundred and eighty five. The Dallas club led with one hundred and twenty seven members, Oklahoma City had one hundred and thirteen, and Tulsa one hundred and eleven. Bryan-College Station and Wichita Falls clubs, chartered last summer, and the two new clubs chartered this year, McAlester and Rio Grande Valley, bring the number of clubs in the province to twenty five.

Of these, seventeen clubs were classed as 100%, with contributions to all three projects, while twenty contributed to the Settlement School, nineteen to Holt House, and eighteen to the Loan Fund. Two of the new clubs and three old clubs made no contributions at all. Total contributions for the Settlement School increased from last year's $852.80 to $1033.44, plus one $5.00 gift to the Memorial Fund. Contributions to the Loan Fund show a very small increase from $134.50 to $145.00, while to Holt House an increase of over 100%, from $95.00 to $206.25, showing a nice
gain in interest. Besides these contributions to our own projects, several of the clubs made contributions, some of them very generous, to local charities. Among these clubs were Shreveport, Corpus Christi, Austin, Dallas, Ardmore, and Oklahoma City. The clubs in Tulsa, Muskogee, Stillwater, Dallas, and Oklahoma City made gifts to the active chapters, in the amount of $395.00.

Money raising ventures ranged from that old favorite of alumnae clubs, the rummage sale, through sales of vanilla, Master Hangers, and advertising in the Year Book, to Pi Phi bridge clubs, and the sponsoring of a Little T柠檬 group—Night beer from 59% in contributing to the fraternity projects. Those gifts include $612 to Settlement School ($10 of that total from the club in Walla Walla which hasn't become national yet); $126.50 to Holt Mouse; and $71.50 to Loan Fund. Seattle leads the Settlement School givers with $200; and the club in Tacoma which is known as Inez Smith Soule, heads the Holt House donation with $20 plus $25 as a special memorial to their founder. Portland also gave $20 to Holt House and $50 to each of the three local chapters in their state!

Only eight of the eighteen clubs had Arrowcraft Sales, but again the total is higher than for many years—over the $4,000 mark.

Only one club in the province is 100% in membership, and that honor goes to Wenatchee where 22 active Pi Phis had a successful Arrowcraft Sale and turned the profit of $50 to the School.

Many groups have given assistance to local philanthropic endeavors. Notable in this list is the support of the groups in Yakima and Pullman towards hospitals for their towns. Much interest in our Finnish boy, Reino Johan, has resulted in needed and useful supplies—food and clothing—to his family. The grateful letters from his mother assure us all that our efforts are indeed appreciated.

Despite a severe winter, when travel was difficult, the Province Vice-President made visits to the clubs in Oregon where she enjoyed greeting old friends and making new ones. She plans to cover the rest of the Province in the fall before the snow flies.

For all the friendly contacts, the splendid cooperation, and your untiring work for our great fraternity goes my sincerest appreciation. Our thanks, too, to members of our Grand Council who are always ready and willing to assist us in achieving our goals.

LOUISE W. DOBLER

MU PROVINCE VICE-PRESIDENT

AND now we come to the close of another chapter, which, like college "commencement" places a period at the end of one phase of work and of life, but for all that it signifies of ending and departure is really the means by which we clear the way for the opening of a new volume!

Since complete satisfaction with what has been done is ever an indication of smugness and the end of the determination to grow and improve, it is a wholesome sign that while gratified over the progress made in the province, the clubs of Mu are already looking toward an enlargement of their scope—a better year in 1947-48 than in the period just ended.

Having lost two of our clubs by the rearrangement of provinces, and one more through dwindling numbers, is to draw into Pi Phi fellowship scattered alumnae who do not have the privilege of belonging to chartered clubs.

The Fayetteville club shared in the visit of Miss Onken to Arkansas A in December. Olivia Moore was a guest in Fayetteville at the same time.

In February it was my very great pleasure to visit the clubs in Austin, San Antonio, Corpus Christi, Houston, Shreveport, Dallas, Ardmore, and Stillwater. Meeting so many wonderful Pi Phis, and renewing acquaintance with many old friends made this the highlight of the year for the PVP.

Rushing and Recommendations Committees functioned well in most clubs, and with renewed explanation of the proper functioning of such committees, will no doubt function even better next year.

It has been a great pleasure to serve as Province Vice-President, and I feel much the richer for the contacts with the National Officers, and with the alumnae clubs. The letters of Miss Onken and Mrs. Wild as well as those of the faithful presidents of clubs who wrote each month, have been a source of great inspiration and renewed zeal for Pi Phi to me.

Respectfully submitted,

THERESA GIBSON GRAHAM
in one way or another with some chapter in the province. In addition to a substantial amount contributed in cash, scholarship awards, house gifts and rushing parties by various groups, one club, Reno, assumes the entire upkeep of the Nevada Alpha House.

Arrowcraft Sales have increased from $7171.08 in 1945-46 to $7504.14 this year, with the four highest sales being credited to Los Angeles, with $1137.88, San Francisco $908.32, San Diego $847.16 and Albuquerque $700.79. Almost certainly sales of all of the clubs would have been greater had not supplies at the Arrowcraft Shop still been in short supply.

Holt House received $147 as compared with $137, and the Loan Fund $168.

Local projects to which the clubs subscribed were many and varied, among them being: Red Cross, underprivileged children, Scholarship at Fresno State College, Y.W.C.A., Glendale Hospital Auxiliary, Campfire Girls, Girl Scouts, Community Chest, Cancer Fund, Infantile Paralysis Fund, Tuberculosis Seal Sale, afghans for Navy Hospital, Crippled Children's Society of Los Angeles County, Junior Theatre Group, Sunnyhills Orphanage, Rosemary Cottage, Child Welfare Board, Crippled Children's Home, War Orphans, San Francisco Juvenile Court wards, Braille subscription to Reader's Digest for Blind Society, School for Spastic Children, and Veterans' Christmas Fund.

And now as my term of office with you ends, to the members of Grand Council, National officers, Director of Central Office, and particularly to officers and members of all of my clubs, may I say, many thanks for your cooperation, your loyalty and your interest, for your letters of appreciation, and for the effort expended in complying with all of my requests during these four years. It has been a pleasure to work with and for you, and to count you among my friends.

Respectfully submitted,

VIRGINIA M. TATOM

DURING the recent anti-fraternity flare which has been receiving undue publicity in magazines and newspapers throughout the land there have been numerous comments, also, in justification of fraternities, their ideals and their values. Of this latter point, Julia Fuqua Ober has said, "Only in proportion to the services we render to a world in need do we justify our right to existence." While I am sure Mrs. Ober would include as part of these services the values a fraternity gives to its own membership in such fields as leadership training, nevertheless those services which go beyond these limits are certainly the most tangible, the most noticeable evidences to the world at large of the ideals and standards for which that fraternity stands. That is one reason Pi Beta Phi has received such a tremendous ovation from those who understand the purposes and values of our Settlement School project.

With the endorsement of the Pi Beta Phi Convention held at Swampsco, the Settlement School has continued this past year along the lines established by the lease-agreement with Sevier County, and those recommended by Dr. Holton and Dr. Taylor in their surveys for the future development of our project in the Smokies.

With 120 High School and 330 grade school pupils this past year, it is hoped that the average attendance maintained a sufficient figure to insure the county providing at least an additional grade teacher for the coming year. A state sales tax begun June 1, 1947, is to finance a flat three hundred dollar a year raise for all teachers, and this should make it possible for Gatlinburg to have adequate instructors from county and state funds up to the number of teachers they provide.

This year the county provided 9 grade and 5 High School teachers. Pi Beta Phi has again assisted materially in the hiring of full-time and one part-time instructors: a music supervisor, a physical education instructor and coach, a supervisor in Arts and Crafts, and a woodworking instructor. These departments have shown considerable development and have been greatly appreciated by the Gatlinburg citizens.

Returning to us was Mr. William King, formerly of the staff, who served this year as Superintendent during the leave of absence granted to former Superintendent Ben Fleming. Ben has decided to enter the field of mathematics teaching without administrative responsibilities and so will not be returning to Gatlinburg, which loses to Pi Beta Phi a loyal friend and fine superintendent, as well as an excellent first grade teacher since his wife, Josephine, will accompany him to his new position.

Mr. King reports an unusually high standard of teaching this past year, as once again, after the wartime period which forced the acceptance of teachers without degrees, all High School teachers were graduates of standard colleges. The Iowa High School Content Examinations were given to the students and the resulting scores rated most favorably with the national average.

The Physical Education instructor, Mr. Joe B. Johnson, met the High School students three times a week and the sixth, seventh and eighth grade students twice a week for forty-five minutes periods. Ten minutes of each period were spent in exercises, the rest in sports of various kinds with basketball remain-
students. Ping-pong on the porch at Pollard was enjoyed most of the year except when bad weather forced the players to warmer play-rooms. A Y-Teen group sponsored by Helen completed its first year with some degree of success.

The time has now come for the building of a new grade school. According to the County-Pi Beta Phi Agreement of 1943, the County is supposed to build this on property bought by them adjoining Pi Beta Phi's land. This plot is now considered inadequate by the State School Building Planning Commission who surveyed the Sevier County system this spring. The Court of Sevier County, which has the authority in all such county school matters, is now studying various possibilities for the securing of a site acceptable to the state, since they are desirous of receiving financial assistance from the state sales tax, a part of which has been allocated for school building.

By committee and Grand Council approval, Mr. Philip Elwood, Head of the Landscape Architecture Department of Iowa State College, was engaged to make a survey of the Pi Beta Phi property and prepare for our consideration a plan for the future development of the grounds and buildings. This has grown into a many-sided service since in his studies he has been assisted by the staff of the adjudicated Galatine City Planning Commission and has worked with them to a very considerable degree on the location of water and sewer lines and other civic improvements planned by Gatlinburg even through their limited budget and the failure to date of securing bids they could accept have so far prevented the beginning of even the most necessary of these: the water and sewer systems.

Health Center

Health Center has maintained its steady program of clinics, calls, and examinations, albeit there have been requests from time to time for assistance from the maintenance department to insure a continued safe flooring for the building. It is with great anticipation that we await the spading of the first shovelful of dirt for the new Health Center, the contract for which the contract has now been let, after plans and specifications were approved by the nurse, Grand Council and Committee, to be erected probably on the highway near Arrowcraft, in accordance with Mr. Elwood's plan.

Fifty-one new babies were added to the Health Center roll; and to construct Well Baby Clinics were held last summer—these in addition to the regular Friday afternoons held regularly each week throughout the year. Two Pre-School Clinics again brought the assistance of State Dentists and Nutritionists. It would seem that with these, and the regular school examinations, plus the corrective work in dentistry, eye examinations and glasses, tonsillecstomies, and extra milk that Nurse Marjorie has been able to supply from gifts to the Health Center work, the children of Gatlinburg and the nearby community are indeed being served by Pi Beta Phi in a most satisfactory manner.

The purchase of eight dark-blue full-length curtains has made it possible to use the projector during daytime visits to schools, and thereby give health instruction in an interesting manner, much enjoyed by the audience.

Pi Beta Phi's service to Gatlinburg is most personal, undoubtedly, in the relationships between "Miz Chalmers" and her "children" and Miss Meta and her weavers, who call her "Boss Lady." As Marjorie has said, "It is through the work of the Health Center that one feels the pulse of the community."

Arrowcraft

Arrowcraft reached an all-time high with the payment of almost $5,000.00 to 120 weavers in November, 1946. Shelves were well-filled for the summer tourist season and it is expected that the alumnae club orders may be more adequately filled this fall than in several recent years. Though concerned for a time by the return of considerable quantities of articles by some alumnae clubs after a few years of "no returns," Mrs. Ethel Snow, as Arrowcraft's capable Manager, with Laura remaining even after her marriage this year, Mrs. Cole still serving as book-keeper, adequate assistants and a new cash-register and refinished floors in the sales rooms, is ready for the strenuous days ahead which they will meet in the same efficient manner as in the past.

Miss Meta has been plagued with another Wage and Hour Survey, which seems to be "forever with us," but even so has produced a number of new designs which have been enthusiastically received as a general rule. Among these is the lovely Queen Anne luncheon set made of linen imported from Ireland. Cotton boucle in warm colors was used in the design of new curtains, woven by Arrowcraft for the Mountain View Hotel lobby. A promise of more than even cashmere and mohair woven this year indicates that soon most of the items which had to be discontinued during the war will again be in production.

The Weavers' Guild has had an interesting year, the highlight being the Christmas meeting held in the main sales room at Arrowcraft, where the high-beamed ceiling, the lovely Christmas angels made by Miss Meta, burning logs in the fireplace and the sweet sound of Christmas carols played on the new phonograph gave many of the seventy weavers attending the nicest party of their experience.

Summer Workshop

The year 1946-47 brought to completion the three year period of experimentation which was originally outlined for the project now known as the Summer Workshop in Crafts and Community Recreation, conducted by Pi Beta Phi and the University of Tennessee. This summer our staff included as Director, Miss Marion Hord of the University of Tennessee craft department, who was co-Director last summer, instructor in Jewelry and Metalcraft; Mrs. Mary Elizabeth Starr Sullivan, Pi Beta Phi member, formerly at the University of Washington, weaving instructor; June Glass, also from the University of Tennessee, teaching recreational crafts and leatherwork; Mary Katherine Overholt, Pi Phi from Ames, assistant in crafts. Mrs. Josephine Bakke, with us for the past two summers as Instructor in Community Recreation served this summer in a dual capacity, continuing her class teaching on a laboratory basis and serving as Dean of Women and Social Director. She organized the student body for such routine procedures as the "line" in the dining-room, the clearing of tables, and for their play times together. Under her guidance a very gratifying school spirit developed, especially among those living at the School, with a sort of undesigned student government which eliminated the need for many rules in black and white and still maintained well-regulated dormitories.

Mr. Allen Eaton, outstanding authority on American Crafts and author of the excellent book "Handicrafts of the Southern Highlands," was special lecturer for a three-week period, overlapping the two sessions of the Summer Workshop. In charge of the dining-room and kitchen were four Institutional Man-
management Majors selected by Miss Jessie Harris, of the University of Tennessee, two graduate students from her department dividing the planning and business chores, and one University of Tennessee student and one from Iowa State College assisting. This gave them excellent training and provided the students with well-balanced and nicely varied meals.

Ninety-five students, including several Pi Phis, were enrolled during the six-week period, from thirty-three states and Hawaii. Refunds of pre-registrations were to deposits had to be returned to an additional six weekly because of lack of housing facilities. For the first time this year Pi Beta Phi undertook to house a large majority of the students. With the assistance of the University of Tennessee the grade school building was converted into an unbelievably delightful dormitory, with the entrance hall an attractive lounge with easy chairs, couches, lamps and coffee table. The University was able to allocate to the Summer Workshop some of the materials furnished to them by the Government from surplus commodities and this allowed the furnishing of this dormitory with folding cots, mattresses, mattress covers, blankets, sheets, pillow cases, towels, chests of drawers, and mirrors sufficient to house Pi Beta Phi students, or the other necessary items to make housing possible, as well as additional dishes and silver for the dining-room. Other Summer Workshop students were housed in Stuart Dormitory (a total of ten, with two in a room) and in a hotel through the generosity of the people who made the extensive survey for us for the attractive announcements, Mr. William Bevis, and those from the University of Tennessee who have consistently worked with Pi Phi on Workshop plans.

Dr. William Taylor, of the University of Kentucky, who made the extensive survey for the Pi Phi Settlement School in 1941, said of the Workshop in a letter sent me recently: "I was greatly pleased to receive information concerning your summer workshop. This is an excellent service that should result in widespread interest in your program and in large learning in the arts and crafts field. I am delighted that the University of Tennessee is cooperating with you so helpfully."

It is my own personal hope that Pi Beta Phi can continue in some form the idea which gave the Summer Workshop birth, since it benefits not only Gatlinburg but many parts of the United States by increasing knowledge of the crafts and their place in child and adult education. Surely we might well continue this particular phase of our project when it reaches out over such a large area and brings heart-warming words of appreciation from those interested in the beneficial influence of craft education.

It was my privilege to close my term of office as Grand Council, Province Presidents, and Vice Presidents arrived for their meeting this June. A trip of the School was arranged for them, starting at the Mountain View Hotel through the pasture to Health Center where Marjorie Chalmers showed her excellent system of records; to Stuart Cottage, Pollard and Teachers Cottages to see where and how our staff and dormitory students live; through the converted Grade School Dormitory; to Arrowcraft where Mrs. Snow and Miss Madel explained their respective parts of this fine establishment; through the Arts and Crafts and High School buildings where classes of the Workshop were in process and where the visiting officers heard the new phonograph and met Mrs. Armstrong and Mrs. Ann Lighter, librarian. It was indeed a real joy to meet these fine leaders of our Fraternity and to help show them as much as could be "walked and talked" about the Settlement School "on the ground" in the time which could be allocated for this in their full and interesting program.

It has been a real privilege to serve on the Committee that has, for a relatively short time, concerned itself with the shaping of those "most realistic, practical, motivating forces in the world"—the ideals of Pi Phi in an experiment in our Summer Workshop project. "The joys of knowing you" have been great, and the experience gained will be a never-ending source of satisfaction. To those who have served with me, my deepest thanks for unfailing cooperation and thoughtful consideration of all matters presented to our action; to those just now entering their term of office, I wish you much as could be "walked and talked" about the work you have known as you work together for Pi Beta Phi's "demonstration of practical idealism." Respectfully submitted,

MILDRED S. BARKS

THE SEPTEMBER ARROW
REPORT OF DIRECTOR

Here at the Settlement School, each day is filled with duties and problems. To pause and review the past year is to recall happy associations with staff members, students, townspeople, and visiting Pi Phis paying both official and casual visits to the School. Some of the problems that loomed so large at the time they occurred are minimized by the later view point. This year holds up to just another year of service to the community where in past years Pi Beta Phi has contributed so much of value.

My work has been much easier by having Helen Bergstrom, North Carolina A, as my able assistant. The growth of the Summer Workshop has meant a great deal of added work in the way of correspondence, registration and bookkeeping which was capably handled by Helen.

Community

The year has seen many changes in the village. Some were good others detracted from the charm of the place. Two new buildings have been built that are decided additions to the town. The new Methodist Church, built of native stone, on the hill above the Cliff Dwellers Shop, is one of these. Since the fall conference that congregation has had a full time minister. While the church is not yet complete the congregation is holding services there. Another building is the large structure that Reille Maples erected on the main street. It is in the same type of architecture as the New Gatlinburg Inn and is most attractive. It houses the second movie theater in town, a number of shops with offices on the second floor. Other cheap and poorly constructed buildings, housing various forms of entertainment and shops are to be deplored.

The water and sewer systems so badly needed exist only on paper. The lowest bid for them was over a million dollars which is too much for the village to finance. We do have a new fire truck that pumps water from streams when manned by volunteers.

Community social life has been much more active with many organizations again functioning after war time slumps. The Little Pigeon Alumni Club became active again and enjoyed several fine meetings. Founders' Day was celebrated with the newly organized Knoxville Club at the Gatlinburg Inn and is most popular. The American Legion and Legion Auxiliary were both active. The Legion held volley ball games in the school gymnasium during the winter. They celebrated Navy Day with a big banquet at one of the hotels. The Auxiliary held a number of functions also in the gymnasium; a Christmas party for their children and covered dish suppers for their families. In the spring they entertained the boys and girls of the school basketball teams at a lovely banquet at the Inn. The Ladies Bridge Club sponsored a Polio Fund benefit and the Village Library Board held their usual benefit to meet their yearly budget. In the name of the Fraternity, the Director entertained the ladies of the three church societies at meetings at Teacher's Cottage and the February meeting of the Garden Club was also held here.

The first peace time Christmas was marked by having the lovely tree across from the Arrowcraft shop brightly lighted during the holiday week. The Baptist and Methodist churches held a union service the evening of Christmas Sunday which was followed by carol singing around the lighted tree. Union services were also held at Thanksgiving time. Mrs. Armstrong, our music teacher, was in charge of the music both times.

Miss Meta arranged a very lovely Christmas party for her Weavers. It was held in the beautifully decorated Arrowcraft shop. She had Christmas records played on the new school record player. Refreshments in holiday colors and a gift exchange made it a very happy affair.

School

Less trouble with changing personnel in the teaching staff was experienced this year than for several years. In the high school where we had 116 students registered, Mr. Wm. King replaced Ben Fleming as Principal. Ben spent the year at Columbia working on an advanced degree. Mrs. Estel Owenby and Mr. King divided the classes in science and mathematics. Mrs. Ann Lighter taught English and was in charge of the library. Mrs. Reba Hood was the teacher of history and social science. The other County teacher was Mrs. Bessie Lindsalum, teaching home-economics. The special teachers hired by the Fraternity were Mr. J. B. Johnson, physical education, Mr. Stanley Armstrong, music, Miss Elizabeth Petrie, crafts and weaving and Mr. Carl Huskey, woodworking. The work of this faculty resulted in a well rounded program. The senior class was small, only eleven graduating at the Commencement exercises in May.

Many extracurricular activities interested the students during the year. Under Mr. Johnson basketball enjoyed a great popularity. The teams played many games both at home and away. In the County Tournament at Sevierville the Girl's team won the Runner-up trophy. A branch of the National Beta Club was organized for the students having the higher averages.

Three of the girls attended the state convention of the society in Nashville. Miss Landrum sponsored a club of her home economics girls called Future Home Makers of America and Helen worked with a Y-Teen group of girls. During the year the three upper classes all presented plays. The seniors made their trip to Myrtle Beach in Carolina. Parties for the different classes were held at intervals the most elaborate being the Junior banquet to the Seniors and Faculty at the Riverside Hotel. Following the Class night program we entertained the seniors and faculty at a party at Teachers' Cottage.

Nine teachers taught in the Elementary grades, two of them having two grades in a room. Mrs. Armstrong worked with the grade school children to give two very fine programs. The first one was the good program called Carols of Many Lands, given for the entire school at Christmas time. Later in the year she presented the annual play or opera called Madcaps. The costumes were colorful and the singing of high quality. An Open House held one evening gave the teachers opportunity to show the parents the work being done by the children. Miss Petrie's classes made a good showing with added interest in the exhibits of craft work done in the different grades. There were twenty four graduates of the eighth grade, all of whom expect to enter high school in the fall.

The P. T. A. was very active all year, contributing much to the school program. Bingo games during the summer, rummage sales and suppers were all used to earn money for their projects. The most ambitious one of these was to install fluorescent lights in the
old grade school building. They also paid for painting the interior of this building with paint furnished by the county. They operated the school hot lunch program for the children of the Elementary School. Some needed shades and playground equipment were also purchased with their funds. Pi Beta Phi installed new indoor toilets and showers in the same building. The county purchased a new sump pump for the large furnace room. We hope that this will eliminate having a flooded basement the next time there is a flood in the village. Committee purchased a fine record player from the Memorial Fund and forty eight folding chairs for the music room. Clubs and friends have helped with gifts of records that are enjoyed by the whole school.

Dormitory

Improvements made during the past year include refinishing the floors in the downstairs at Pollard and upstairs at Stuart. Some new linens, dishes and silver, available for the first time since the war, were secured for the house. The help situation was a difficult one all year. Miss Hodgen, in charge of the housekeeping, has trained four cooks and two laundresses besides doing the work herself when it was necessary. Dormitory life has been pleasant for the twelve children living at the school. Mr. Johnson was in charge of the four boys at Pollard. He was generous with his time and his car taking the boys on a number of interesting trips and hikes. A ping pong table on the porch provided a great deal of entertainment when the weather was suitable. Of the eight girls living at Stuart, five were freshmen. Miss Hodgen supervises their duties in the dining room and kitchen and serves as their housemother. Helen helped the dormitory students in a social way with the planning of parties and picnics for the group and their friends. All have settled their cash obligations in full and with the exception of the two girls who graduated, all expect to return next fall.

Farm

Carl Ogle, farm manager, has carried on the work of the farm through the usual trials and difficulties. The power has a way of going off just when we have baby chicks in the brooder houses, a fox or possum will get in the chicken yards, rain wets the hay etc. The dormitory boys, with their regular assiduity, tons of work with the thresher. When they have nothing else to do they attack the wood pile of fallen timbers from our own place, cutting logs for the fires we burn in the fireplaces in spring and fall.

The registered Jersey cattle in our herd were tested for T. B. and Bang's Disease by competent veterinarians. The results were negative in both cases. Another improvement was to have the apple orchard pruned by a class of Veterans from Sevierville. These men were students of a former agriculture teacher at the school, Mr. Willie Coe. Our cows furnish milk and cream for our table. When the family is small we make butter and sell surplus milk. Other supplies to the kitchen from the farm such as eggs, chickens, vegetables and honey are used on the table with any surplus sold to the Mountain View Hotel. We raise the yearly supply of potatoes and can many beans, tomatoes, spinach, etc.

Arts & Crafts

This year has been marked by increased production, sales and economic help to the community, as is evidenced by the largest monthly pay roll ever recorded. Around Christmas time 120 weavers received almost $3000.00 for one month's work. Beginning with the first of the year, the poorer weavers have been weeded out and production somewhat curtailed. A number of new craft shops have opened in Gatlinburg and vicinity since last year. With business divided among more establishments and with less ready money in circulation many shops have reported poorer business than last year. Our shop, carrying only quality merchandise, with large sales to 141 alumnae clubs, 15 active chapters and the four Guild shops enjoyed an increased volume of sales and income. This was partly due to the necessary raise in our prices. Increased costs all along the line made this step absolutely imperative and one that could no longer be delayed.

An innovation much appreciated at the shop has been the new cash register. It is especially useful since the state sales tax of 2% on the dollar went into effect June first.

Clubs can expect their orders to be more nearly filled this coming year but it is well to remember that there will never be enough of certain articles to fill the demand. Mrs. Snow will still have to divide that supply as impartially as possible. Neckties will be available in limited quantities and added to the old favorites you will find some new designs from Miss Meta's creative loom.

Health Center

Another evidence of the changing conditions in Gatlinburg is the fact that there are now two dentists well established in town. After many years of teaching and preaching dental hygiene it is very gratifying to the Pi Phi nurse to have people putting her advice into practice. Mrs. Chalmers has been able to aid those not able to help themselves through extra funds contributed by friends and Z Φ Ι International Sorority. Last summer, two state dentists and two nutritionists with the help of our nurse, held two Pre-School Clinics in the district. The one at the Glades school was especially well attended and the one held at our Health Center resulted in some good corrective measures being taken on the part of the parents.

Mrs. Chalmers held ten Well-Baby Clinics during the summer in addition to her regular Friday afternoon Clinics which go on all through the year. Other corrective measures such as glasses and eye examinations, tonics and vitamins, and milk have been furnished when needed. The local doctors and the small hospitals in Sevierville and Maryville have cooperated to make gift money help as many children as possible. Fifty two babies were added to the rolls during the year. The regular inoculations, examinations and inspections were made at Pi Phi School, the Banner School, Carriertown, and Glades Schools. New film has added to the effectiveness of the projector used to teach lessons in health throughout the district.

We are looking forward to the new building where we hope to continue our contribution to the health and well being of Gatlinburg and surrounding areas. The generous $100.00 gift of the Cincinnati Alumnae Club will be used for equipment there.

Gifts to the school have been most generous from alumnae clubs and active chapters. Christmas was made merrier for the children of the first five grades and others by the gifts we received. The students in the English classes profited from the speech records sent to the school. At Teacher's Cottage we have a new doorbell bell which has made a number of things sent to the school during the year but we remember
that each gift is prompted by a loving thought and are grateful for them all.

It has been a privilege to work with the Settlement School Committee and Grand Council. They have never failed to show deep understanding and interest in the School.

COMMITTEE ON PUBLICITY

The personnel of the Publicity Committee has not been changed in the last year. We feel that we know each other and are therefore more capable of working together. Although our accomplishments are not great, we hope that we have been of service to our Fraternity.

It is our desire to fulfill all requests for publicity material to both active and alumni groups. During the past year we furnished material for newspaper articles to New Mexico A for their installation. We have also filled requests to groups for publicity on Founders’ Day and the use of the Publicity Manual. The article on Carrie Chapman Catt in connection with Pi Phi Loyalty day was well received and we are grateful to the various clubs for their acknowledgment of our efforts.

We have been working on a card file of useful material and if this is approved by Grand Council our service to you will be greatly enhanced. The file will include, in a condensed form, facts on all National enterprises, Grand Council, and days dear to all Pi Phis’ hearts.

We wish to be of service to you. Any publicity problem which you may have will gladly be given consideration.

Respectfully submitted,

ELVA AYLER COWAN
COMMITTEE ON EXTENSION

THE year has been a fruitful one, both from the accomplishment and the forward-looking angles. The Lambda Phi group at Bradley University in Peoria, Illinois, became the 92nd chapter of Pi Beta Phi on May 16 and 17. This group had been organized for forty-seven years and brings much prestige and a fine membership to Pi Beta Phi. The chapter is an exceedingly strong one.

The Board of Trustees of the College of Puget Sound, Tacoma, Washington, has granted the oldest girls' sorority on that campus, permission to pi Beta Phi for a charter. This organization has an enviable position on its campus.

The Knoxville, Tennessee, Alumnae Club has been very enthusiastic about a chapter being established at the University of Tennessee, and permission has been granted to colonize there. This is under the supervision of Mrs. Wild and the Knoxville Club.

Numerous inquiries have come from many local groups who wish to petition for a charter. Among these were groups from Kent State University, Kent, Ohio; Creighton University, Omaha, Nebraska; Arkansas State College, Jonesboro, Arkansas; Carroll College, Waukesha, Wisconsin; Whitman College, Walla Walla, Washington. Some of these organizations have had the active and enthusiastic support of the Alumnae Clubs in the province concerned and others have not. Grand Council has given careful consideration to those who have desired affiliation, and, though some of these for various reasons were not given encouragement, Council is always mindful of any new phases which may develop.

It has been very gratifying to find so much interest among many college and university administrators in desiring local groups to become members of N.P.C.

I wish to acknowledge gratefully the assistance of Miss Onken, the Alumnae Clubs, and the various alumnae with whom I have had many contacts.

Respectfully submitted

COMMITTEE OF SCHOLARSHIP

ONCE again the scholarship chairman must begin her report with the statement that this past year has been a very difficult one for all the chapters. It was hoped that by this time all the war all colleges would have been adjusted, but the increased enrollment of veterans has caused the late issuance of grades, if at all, and often much lower ones for the individual girl. Some colleges last fall had not even issued the grades for the previous quarter. The class'oirsm on that campus, permission to pi Beta Phi for a charter. This organization has an enviable position on its campus.

The committee is happy to report fourteen chapters first on their campuses; thirty-two others in the upper third; nine first for part of the year; twenty-one in the middle third; nine in the lower third, but five at the bottom. This shows some improvement over the year 1944-45, but not a remarkable one. There were fourteen firsts instead of twelve; nine in the lower third instead of twelve, but five at the bottom instead of four. Of the fourteen chapters first for the year 1945-46, six stood first for the second time—Nova Scotia A, North Carolina A, Illinois H, Kansas B, Colorado A, and Arkansas A; three were first for the third year—Nova Scotia A, North Carolina A, and Illinois H.

Of the ninety chapters, thirty-eight showed a gain over the year 1944-45, while thirty-four showed a loss; eleven records were incomplete or unavailable. The average for all the provinces was 25.176 for the year 1944-45 while for the year 1945-46 it was 25.740, a gain of .564. Lambda Province had the largest number of chapters—six— to show a gain, while Epsilon had the largest number—five—to show a loss. Iota is still the banner province with all seven chapters in the upper third, two of them being first for two consecutive years and four being first for the year 1945-46. Utah A was not included in Iota for it was changed from Mu province just at the last convention.

The chapters and alumnae do not always realize that the scholarship report must of necessity be for the year previous and not for the present year; i.e., this report is for the year 1945-46 and not for the year 1946-47. Also, some do not fully understand the use of the Pi Phi formula in determining the comparative average of the chapters. The grade for each semester is averaged separately and then the results averaged for the year, unless the college registrar issues the yearly average.

The committee appreciates the action of Grand Council in awarding again the scholarship ring to those girls with the highest average in their chapters. Some of the chapters, especially the Canadian ones, are unable to get their grades until in the summer and therefore cannot send application for the ring at this time. The committee feels that this award has proved to be an added incentive to high scholarship. It is hoped that the names of all those girls receiving this award can be published in the Arrow. Chapters not sending in the ring form are Ontario B, West Virginia A, Florida T, Manitoba A, Alberta A, Idaho A, and California B.

All were greatly pleased at the fine number of honor students published in the December Arrow, the number—one hundred ten—being forty-three more than that of the previous year. We trust that this number will be greatly increased for this present year.

This report is an endeavor to give a picture of the work of the committee and of the scholarship conditions in the different chapters. We are reminded of a statue of a young girl in Washington, D.C. She is idly leafing through a huge book and has come almost to the end of that book. But the statue is not the significant thing. The significant thing is a sentence carved on the pedestal on which the statue rests: "All that is Past is but Prologue." It is hoped that the work of the committee will result in greater improvement next year so that we may truthfully say, "All that is Past is but Prologue."

The national chairman wishes to express her sincere appreciation to Miss Onken, Beatrice Pursdun Felmley, Lucile Carson, Barbara Merrick, and to the province presidents for their helpful assistance and inspiration in the work for higher scholarship.

COMMITTEE ON TRANSFERS

THIS year the work of the Transfer Committee has continued as usual.

In the Fall the chapters were asked to report transfers and non-returning undergraduates.

All but seven sent in reports, indicating that forty-four girls had left thirty chapters to go to twenty-seven other campuses where we have chapters. Three hundred and nine for various reasons had not been able to keep up their active membership until graduation.

During the course of the year the active chapters were reminded of their duties toward transfers who come to their campuses and of the rules regarding affiliation. The advisory committee was also given suggestions which would assist in helping these girls get adjusted to their new campus.

All non-returning undergraduates were told of the possibilities of their alumna status. Where appropriate alumna clubs were sent their names. The Province Vice-Presidents were also given these lists.

A great deal of individual correspondence was also handled.

COMMITTEE ON SOCIAL EXCHANGE

THE Committee on Social Exchange has had a busy year welcoming into its folds several new members who have proven to be very well-chosen and enthusiastic workers. The chapters have taken on a renewed interest since the convention at Swampscott and the Rushing reports, which included information and floats, homecoming songs and stunts were unusually good, and in most instances, appropriate for use in the Social Exchange Bulletin.

Since material on Founders’ Day comes in after the celebration of that event, it is not published until the following Spring, so it can be used and the grades recorded. The grade from the Social Exchange Committee, therefore, combines the grade of the Founders’ Day report of the 1946-47 school year with the Rush report of the 1947-48 school year. For this reason it is wise for the chapter chairman to instruct her successor fully so her good work of the year before will not be discounted by late or incomplete reports from the new chairman.

There were seventy-eight chapters who contributed during the school year of 1946-47. Thirteen chapters failed to report.

Iota Province and Gamma Province are the top raters for the most chapters receiving a grade of ten per cent. Epsilon Province had more chapters reporting than any other.

Washington B is the winner for co-operation, getting a ten plus (10) on Rushing and ten (10) on their Founders’ Day report.

Nevada is second for the most complete and original work on their Rushing, Homecoming, Stunts report. It was a thing of beauty and a joy forever. The chairman had followed every instruction given in the information from the Social Exchange letter to her and had added some items which had not even been requested. She even included some of the more attractive and original favors they used at some of the parties.

Clever songs (both parodies and originals) were turned in by numerous chapters. Some of the cleverest came from Kentucky A, Ontario B, Ohio Z, Illinois B-A, Ohio E and Illinois Z.

Other niches in the Social Exchange “Hall of Fame” can be claimed by the following chapters: North Carolina B for their clever TIME party, Illinois H for their Telephone Float in their Homecoming contest, which won first place; and their clever parties for the “fraternity exchange” entertainments for the men on the campus. A special honorable mention goes to Idaho A for the most unusual plan for a pledge dainty patterned after the popular theme “Heaven Sent” and their unique tea during Rushing season which carried out a theme called “Pi Phi Fish Bowl.”

The chairman of the Social Exchange Committee
has enjoyed immensely this year of close contact with the activities of the chapters and is very proud of the fine work of her province chairmen. It is a privilege to be associated with Miss Onken and "B" Purdunn Pelmy any time and to them goes her warm appreciation for help rendered.

COMMITTEE ON FRATERNITY MUSIC

After three years of stops and starts, and through the continued co-operation of many Pi Phis, the Music Committee presents the new song book, "Songs of Pi Beta Phi." We present it with pride in Pi Phi songs, and in the hope that it may serve to make those songs even more dear and familiar to us all.

Included in the new book are thirty-three songs, twenty-five of which are arranged for three or four part group harmony. Also included are all six of the 1946 Convention songs.

These six songs were presented at Convention by a special double quartette under the direction of Marilyn Wiegnerr of Missouri A, who took over all musical direction at Convention on very short notice, and to whom we all owe a vote of thanks.

Winner of the Song Vase, by Convention vote, was Utah A, with "Pi Phi Chant." Honorable Mention was awarded to Ohio B for "In Praise." The other four songs are equally lovely, and will be sure to become popular throughout the Fraternity.

Throughout the year musical news of all chapters has been exchanged through periodic letters sent out by the Music Committee. As a result of these exchanges, we have received many excellent ideas for chapter singing, and they have served to unify our interest in singing. Many chapters won special recognition on their campuses, and all are making special efforts to improve their group presentation on Pi Phi songs.

The committee feels this has been a most successful musical year, thanks to the interest and co-operation of Pi Phis everywhere. And we are sure next year will be even better, and we look for still further accomplishments.

We extend our sincere good wishes to you all.

COMMITTEE ON CHAPERONS

Our chairman of this committee, since she took over last September, has spent most of her time in getting acquainted with the work. Miss Lockett, the outgoing chairman, has been an invaluable help.

The cards and data concerning chaperons in our Pi Beta Phi houses came in quite promptly from all corresponding secretaries, only a few needing a reminder.

Our chaperons number sixty-three this year, of whom twenty-two are new, one a Pi Phi. From the data received all of these chaperons are women of education, of culture and refinement whose influence will be reflected in the atmosphere of the various Pi Beta Phi homes in which they preside. With college men in numbers back on our campuses the women's fraternity houses are teeming with social activity and the line type of chaperon is needed to help our girls keep the proper balance.

An especially pleasing bit of news is that Oregon State College at Corvallis is again offering a summer Conference for Housemothers, Resident Counselors, and those in charge of Student Women's Living Groups. We hope that many of our chaperons who have not had the privilege of attending one of these conferences at Purdue University or Oregon State College will be able to take advantage of the Conference this year.

This Committee expresses its sincere appreciation to Grand Council for its support, to our Grand President and Grand Vice-President for their splendid letters to the Province President and Province Vice-Presidents. With such wonderfully inspiring messages coming monthly to our Province officers it is no wonder that Pi Beta Phi holds its high position in the fraternity world, To our Grand Secretary for her encouraging letters I am grateful; to Central Office also a note of thanks is due, and my very special thanks to Miss Jennie Lockett for her loving assistance.

HOME FOR PI PHIS COMMITTEE

The Pi Phi Homes Committee was unable to make its start until in January, on Mrs. Catt's birthday, when it launched its first announcement and sent letters to all the Alumni Clubs and Active Chapters asking for suggestions. The responses have been most gratifying and all but two have expressed enthusiasm and willingness to co-operate and some have carried very practical suggestions and pledges amounting to $1250.00 have been offered. We wish, however, we had 100% replies.

We are now planning to send out a questionnaire so that we may know just what type of home you really wish to have us work on so that we may develop a definite recommendation for the next Convention.

We have reports from quite a large number of homes now functioning with success and we are learning much of their methods of operation. We are crystallizing our own ideas and we would like yours as promptly as possible.

We are surprised and pleased to find that Pi Phi is not alone in making plans for their elderly members. Alpha Chi has made extensive plans to the point of having architectural drawings made; Tri Delt has purchased land and is considering allowing couples to build cottages about a central home; Kappa has a beautiful "Hearthstone" for permanent guests in Winter Park, Florida, and Theta has started her survey.

We must keep in step with the movement of the times, or if possible, keep three steps ahead!

Respectfully submitted,

MAY CARNEY MIDDLETON
HOLT HOUSE COMMITTEE

It has been seven years since Holt House was purchased and restored. In this short time, the House has been visited by people from all over the United States and Canada. These guests have not only included many members of our Fraternity, but those belonging to other fraternal groups, and many non-fraternal. The committee is impressed by the favorable comments of warm hospitality and friendliness these visitors express they found while at Holt House. This is indeed the spirit our founders instilled in our fraternity—good will, better understanding and friendliness with all whom we meet.

The increasing number of alumnae clubs contributing to the Holt House Fund this year, is most encouraging. The Kansas City, Missouri alumnae club contributed the largest amount—$100. The clubs from Dallas, Texas, and Pittsburgh, Pennsylvania, tie for second highest, contributing $50. The third highest was $25—from Monmouth, Illinois; Galesburg, Illinois; Detroit, Michigan, and Manhattan, Kansas.

The active chapters increased their contributions this past year. Louisiana A and Illinois E were highest—each contributing $40. Illinois A and Oklahoma A, tie for second highest—each donating $35.

The highest contributing provinces (alumnae) were Beta, Epsilon and Eta. Every club in Epsilon province contributed.

The highest contributing provinces (active) were Kappa, Eta and Iota. Every chapter in Kappa province contributed.

The committee wishes to thank the following donors for beautiful and useful gifts: Epsilon province for a silver tea service; Mr. Cleone Soule, Tacoma, Washington, for Nu Tone Door Chimes; Mrs. Vera Lee Moss (Everett), Massachusetts A, for a milk glass pitcher; Mrs. Mary Moss Byington (William), Iowa Z, for two Godey Prints; Mrs. Francine Lacey Stewart (Marc), Iowa Z, for an early Victorian silver coffee urn; the Tacoma alumnae club for $25 they are giving to purchase a special gift for the founders room, in honor of Inez Smith Soule; the Springfield alumnae club for $15 given as a memorial to Artemissa Page Brunkhorst, a member of their club who is deceased.

The use of Holt House is constantly in demand by fraternal, educational, business and social organizations in the Monmouth community. Mrs. C. C. Carey, who presides so efficiently and graciously as hostess, is largely responsible for the popularity of the House. All members will be pleased to know that Mrs. Carey was initiated into Pi Beta Phi last spring.

The chairman is very grateful to Mrs. Philip P. Murkland, treasurer, who has been hurried in making out the financial report because of conflicting circumstances, for her thorough and timely report.

Letters from Mrs. F. P. Lippman and Mrs. William Bolton have been inspiring and helpful. Mrs. Jack Woodward of Monmouth, who has the responsibility of taking care of immediate needs at Holt House and watching over improvements being made, the chairman thanks her for her cooperation, and appreciates the time she gives as a committee member.

A recent men's fraternity magazine refers to Miss Onken as "A Great Fraternity Leader"; the chairman says she is the greatest. Her patience and guidance has been invaluable to the committee. To Mrs. Alford, Mrs. Wild, Mrs. Carson, Director of Central Office, Mrs. Simmons and province officers, the chairman is most grateful for the assistance they have given her and the committee.

Respectfully submitted,

GLADYS S. NALL

Alumnae Club Reports

BOSTON

Members of the Boston Alumnae Club were pleased with the excellent program arranged this year. Our initial meeting was a cooky-shine at Sandy Adams' home on Marlboro Street.

We met at 131 Commonwealth Ave., Boston for our Settlement School meeting in November. Mildred Whiteside, Chairman, had a lovely display of School materials for us to admire and Beth LeRoy, former Publicity Chairman for the School, spoke.

Our December meeting was an Xmas party at 131 Commonwealth Ave., again. The Xmas tree was heaped high with gifts for the children at the Home for Little Wanderers. Gertrude Stewart gave us a treat with her reading of a thought-provoking Xmas play.

We had lots of fun at the January bridge, proceeds from which were given to the actives in recognition of Chapter Loyalty Day, February 14 was a memorable day indeed for the six new Initiates into Massachusetts A. The Initiation Banquet was held at 146 Commonwealth Ave., the first banquet in five years. At this time the new Anna Robinson Nickerson annual awards were announced.

The Committee planned a perfect Annual Meeting Program in March. It was held at the beautiful home of Mrs. Howard Selby in Auburndale with Mrs. Tyler Thompson, a recognized authority on the Malayalee people, as the honored speaker.

Founders' Day was celebrated on May 3 at 146 Commonwealth Ave. After the delicious luncheon, eight seniors were initiated into the Club during the ever impressive ceremony. Club contributions include:

| Settlement School | $100.00 |
| Loan Fund | 2.00 |
| Active Chapter | 3.00 |
| Holt House | 2.00 |

HARTFORD

An attractive wine and silver blue program welcomed each member of the Hartford Alumnae Club to this year’s activities.

Our first meeting was a cooky-shine held at the home of Mrs. Kneeland. This gave everyone an opportunity to hear about Convention. Our October meeting was devoted to hobbles, and was held at the home of Mrs. Phillip Sheridan. In November we held our annual Settlement School Sale and Tea at the home of Mrs. Dow. In addition to the sale of Settlement School articles, we also featured a sunporch of homemade edibles, and a raffle of such articles as sugar, shortening, etc. At our Christmas gathering we went from house to house for a progressive dinner. Our spring program included a tour and meeting on the Quaker home at the home of Mrs. Jay Teller, a Founders’ Day Banquet at a local restaurant, and a combination Connecticut Alumnae Club picnic at the home of Mrs. Corkum.

Our contributions have been as follows:

| Holt House | $10 |
| Loan Fund | $5 |
| Settlement School | $40 |

Throughout the year many of us have attended the activities at the active chapter at Storrs, and we have tried to assist them with rush parties.

HELEN WHIPPLE

MONTREAL

Our club is concluding a highly successful year. Last fall we began to raise $150 to endow a bed at the Children’s Memorial Hospital. And we found that bridge tournaments brought in the money and widened our circle of acquaintances. We also held raffles and Penny Parades. At our Christmas gathering for the children at the Hospital, in February there was a dinner for our club members and their husbands and at the March meeting Miss E. Rolland, our Province Vice-President, was our honored guest. April brought our annual spring luncheon in honor of Founders’ Day with an early supper, and in June we held our 50th anniversary. We have contributed to Holt House $11, to the Settlement School $10, to the Loan Fund $5 and to our local Children’s Hospital $150.

PORTLAND (MAINE)

The Portland Alumnae Club of Pi Beta Phi held eight regular meetings during the year of 1946-47 with three meetings at the executive board. These meetings included business meetings followed by programs.

When the club met at the homes of members, coffee and dessert preceded the business session except in the case of the Christmas party where a covered dish supper was served, another meeting where a cooky-shine followed, and the annual meeting which was preceded by an outdoor picnic. On two occasions the group met for luncheon once at a local hotel and the other time at a local club.

Our programs for this year included a program on the national convention held at Swampscott, Mass. in June 1946. Dorothy C. Frye, delegate, and Mrs. Edwin T. Thompson, chairman on the Settlement School featured questions and answers on the school. A silver tea was held in December in connection with the sale of cosmetics, and the proceeds were exchanged by members attending the aforementioned Christmas party. The cooky-shine was combined with a program on the constitution, Ermine L. Pollard, province vice president, was guest speaker at one of the luncheon meetings. Officers were elected at the March meeting. The winner of our sophomore award, Jane Atwood of Vermont B, was selected at that time. The award was a bracelet. Founders’ Day was observed at the other luncheon meeting when Grace Douglass of Orono was guest speaker. She is an alumnae advisor to Maine A chapter and spoke on her personal acquaintance with several of the Founders. Officers were installed at the annual meeting in May.

Contributions were made by the club this year as follows: Settlement School $4.00; Loan Fund $2.00; Holt House $10. In addition to the silver collection taken up at the sale, and the proceeds collected at the basket were used towards the purchase of a portable X-ray machine for the club. The proceeds were donated to the settlement school feature questions and answers on the school. The club has also been active in the Portland Chapter of the National Pan-Hellenic Conference recently organized here. We have been pleased to welcome several new members this year and also guests who are visiting in the city.

MADELINE V. FLUMER

STAMFORD

The newly-organized Stamford Alumnae Club enjoyed its first year, with nine meetings held the first Monday of each month. Besides programs on Settlement School, Holt House, Founders’ Day, and the Constitution, we had an illustrated talk by an ex-Red Cross worker on her work in Europe, a discussion of civic responsibilities, and several social evenings. A July tea is being planned.

The club had 18 official Charter members, and the monthly attendance average averaged fifteen.

A bridge party was given to raise money for Connecticut A; and a box of candy, groceries, and school and first-aid supplies was sent to Alpha Delta’s War Child in Finland.

Contributions this year were $1.00 each to Holt House, Settlement School, and the Constitution. We can also feel that the club turned a profit in 1947.

The first fall meeting will be the October one, and any newcomers to the Stamford area are urged to contact the newly-elected secretary, Catherine Fellows, Y.W.C.A. Greenwich, with whom MURIEL EDDY

NEW HAVEN

This past year has brought more Pi Phis to New Haven and our club welcomes their contribution to our activities. In November, our Province Vice-President, Erminie Pollard, attended the club’s annual business meeting and dinner at the Lawn Club before our regular meeting. In December, an evening Settlement School Sale was held at Mrs. E. B. Roberts’ and a Constitution meeting in February at Mildred Ingraham’s. Our Golden Arrow member, Mrs. J. H. Bartholomew, was our honored guest at the Founders’ Day Luncheon in April held at the Lawn Club. At our May meeting at Mrs. James C. Fox’s we re-elected our capable president, Helen Hasse Lloyd, and outlined plans to meet every month rather than four times a year. We allowed $5 for contribution to Settlement School and made plans to give assistance in some manner of the New Haven area girls.

A June picnic will be held at Mary Lauppe’s, Pawson Park, Branford.

Special occasions included about one hundred tables in play at the dessert bridge and fashion show in November with the annual sale of Arrowcraft articles for the Settlement School; the privilege of meeting the new Alumnae West Vice President, Mrs. Fred Archibald, at a tea in her honor in February and the celebration of Founders' Day, held in March. JOYCE H. SMITH
SYRACUSE CLUB
June tenth and the year's work in Pi Phi behind us. Although we have not made any great strides in increasing our membership, we have certainly held our own, ending the club's year with 55 members. We have done the usual things: made contributions to the Settlement School, Loan Fund, Holt House, Red Cross and Community Chest. In addition we have paid the assessment of $59.00 asked of us. We gave the House a Christmas gift of a new love seat for the music room. Gifts from Mrs. Carter and Mrs. Archibald were greatly enjoyed.

HELEN B. STAFFER

CHARLESTON, WEST VIRGINIA

Under a conscientious president, Mary Virginia Zimmerman, and an imaginative program chairman, Shirley Haight, Charleston alumnae were led away from the business-bridge routine into a year of varied fun and information.

We played with younger girls at our August rush party, a fair at Mary Hagans' house on the river bank. We entertained active Pi Phi's at a breakfast preceding the W. and L.-W.V.U. football game in October, and again at a Christmas tea in December.

Fall activities began with a buffet supper and business meeting at the president's home. At the Settlement School sale in November, alumnae and their friends bought $196 worth of Arrowcraft products. In January we learned of constitutional changes, and at a February we heard a book review by Eleanor Stone Thornhill.

With a paid membership of 42, attendance averaged 24

CINCINNATI

JANE FORREST HARRIS

PHILADELPHIA

The Philadelphia Alumnae Club can look back on the year 1946-47 as one of the most successful it has ever had. Attendance at most meetings averaged fifty and interest and enthusiasm were evidenced in every activity sponsored by the club. We had ninety-four paid members, the largest number in club history. Contributions included $500.00 to Settlement School; $10.00 to Holt House; $10.00 to Loan Fund; $10.00 to the Margaret Elliot child who is being helped by Beta Province.

A total of six meetings were held during the year, the first a dinner meeting in October with a Convention report and comments from our delegate and the four other members who were in attendance. The most successful Settlement School sale and tea was in November. The dinner meeting included a program given by a French fellow from Bryn Mawr College; in March we met for luncheon, election of officers and a program of reviews conducted by several of our own members. Founders' Day, with seventy in attendance was celebrated with an outstanding affair—a luncheon honoring the Pi Phi House of this area who are members of the Order of the Golden Arrow—fifty years a Phi. Three were able to be present for the affair, the final get-together of the year was a family picnic in June—a fitting climax to a most happy and successful year.

In addition to the Settlement School tea, funds were raised through a theater benefit which we hope to make an annual affair.

Sectional groups continued to be active, the Main Line group meeting monthly for evening dessert, and the Delaware County group regularly for luncheon affairs. The Germantown division met at intervals during the year.

VIRGINIA G. HEGAN (M.A., F. H.)

Members of the Pittsburgh Alumnae Club held nine meetings during the 1946-47 season. A covered dinner at the home of Harry Emmet McCausland was our meeting of October. December meetings included a program given by a French fellow from Bryn Mawr College; in March we met for luncheon, election of officers and a program of reviews conducted by several of our own members. Founders' Day, with seventy in attendance was celebrated with an outstanding affair—a luncheon honoring the Pi Phi House of this area who are members of the Order of the Golden Arrow—fifty years a Phi. Three were able to be present for the affair, the final get-together of the year was a family picnic in June—a fitting climax to a most happy and successful year.

In addition to the Settlement School tea, funds were raised through a theater benefit which we hope to make an annual affair.

Sectional groups continued to be active, the Main Line group meeting monthly for evening dessert, and the Delaware County group regularly for luncheon affairs. The Germantown division met at intervals during the year.

In February we had a luncheon at which proved very popular. Officers were elected at the March meeting followed by an interesting quiz. The Founders' Day banquet was held at the Mayflower Hotel with the Washington chapter and alumnae club. Four Founders of the Goudsboro chapter were our guests and Dr. H. E. Kerker was the speaker. Our program in May was a talk on Mexico with colored slides. The year closed with a very pleasant picnic for the Pi Phi families. We have 46 members. Our contributions to Settlement School and Holt House were increased; and a committee appointed to investigate different philanthropic projects in need of some money. It will make a report in the fall.

The club held an auction of scarce items during one winter meeting and found this a very effective means of raising money. Founders' Day was impressive as always, the candle-lighting ceremony and singing of several songs by the active chapter serving to enhance the evening.

The year closed with the annual picnic to which all seniors of Ohio E were invited.

Last November our club gave a bridge party to which we invited the Gl wives in this area so that we might all get acquainted. We welcome these young women and hope they may be active club members whenever they may be. In March our province vice-president, Mrs. Heubeck, paid us a visit which we all enjoyed. The last meeting of the year occurred when members attended the Senior Farewell ceremony in the chapter house. Among those present was Jane T. Coolidge, charter member of North Carolina A. We have contributed $49 to the Settlement School, $5 to the Loan Fund, $5 to Holt House and $10 to the active chapter.

JEAN CONKLIN YOUNG (MRS. RICHARD L.)

DURHAM

At long last we are on our way! A group of enthusiastic Phi Rho members at the home of Dorothy Hyland Gantt on April 16 for the purpose of forming an alumnae club. Our plans had already been set for the meeting when we discovered that the Founders' Day banquet was to be held at Chapel Hill that same night. Of course, we all wanted to go, but we also wanted to hold February meetings devoted to going. There were so many things to be said and done it was after midnight when we left for home!

Mrs. Henbeck, Gamma Vice-President, visited the Durham group the next night and we were so thrilled to have Miss Onken as our guest speaker. She gave us the stimulus we needed. Her encouragement and ideals set us up going. So here we are seventeen in number and rarin' to go!

We had another meeting on May 1 with Eleanor Whitney Happer and we all attended the N.C. Beta Settlement School sale in the chapter room after our meeting was over. We also visited the chapter one night and took the girls some light refreshments.

Our charter was received May 11, and now that we actually have a chapter, our enthusiasm knows no bounds! Our committees are all set up and we are just waiting for August to arrive so we can get started on our first school year.

HELEN CARD UPCHURCH

On June 27, we joined with the Virginia A and Virginia I Chapters in Williamsburg for a Founders' Day luncheon. It was, indeed, an inspiration to meet with this large group to pay tribute to our worthy Founders.

In May our club met at the State Industrial Farm for Women in Goochland County where we attended the annual meeting of The Elizabeth Kate Founders, an organization set up by our chapter to aid Miss Kate's in her work as Superintendent of this institution.

We are proud that our distinguished member, Miss May L. Keller, is now a member of The Order of The Golden Arrow.

After an interesting talk on flower arrangement, the meeting included installation of officers took place in the house and then Adele Taylor Alford, our guest for the evening, talked informally to us.

We had 114 paid members out of 502 resident alumnae, a better average than the previous year; and attendance at meetings was excellent. The Settlement School meeting in November featured Arrowcraft articles and total sales were $1000.00. Contributions during the year were:

- Loan Fund: $10.00
- Holt House: $5.00
- D. C. Alpha: $30.00

- U.S.O. Suppers: $20.00

Magazine subscriptions totaled $158.00, and with the D. C. Alpha Chapter $200.00 has been contributed to the new George Washington University Foundation's special physical therapy room.

In April Miss Onken, here on an official visit to D. C. Alpha, graciously gave enough of her time that we might have a small luncheon and visit with her. On the following Saturday, April 26th, Founders' Day was celebrated with the chapters from Goucher, George Washington, and Maryland University and alumnae from Baltimore and Annapolis. 286 attended the luncheon.

The club provided personnel for a Red Cross booth for two weeks and throughout the year has prepared and served dinner once a month for D. C. Alpha. We feel we have closed a successful year and have set our sights even higher for next year.

The club enjoyed a successful year under the able leadership of Carolyn Woods Shiner. This year's activities started in September with a bridge luncheon for active members. The first business meeting, held on October 8, was preceded by a luncheon. Our province vice-president, Mrs. Irene Hougart, honored us with a visit at a dinner meeting November 12. Her counsel and guidance were a great inspiration throughout the year. A cooky-shine and exchange of gifts marked the Christmas meeting. At the luncheon meeting in January a White Elephant sale and refreshments followed. In February and March, in April a tea was held for the display of Arrowcraft creations. Later in the month many members of the club joined the Detroit Alumnae groups at a luncheon held at the Women's City Club in celebration of Founders' Day. The season's activities were concluded in May with a luncheon meeting at the home of president-elect Virginia Meyer.

Nine meetings were held. In November the pledges of Michigan Alpha Chapter were initiated at a "Shipwreck Party" and spaghetti supper. On Founders' Day the club revived the tradition of meeting with the actives at the Chapter House. A records breaking crowd of 110 including 36 alumnae enjoyed a buffet supper. In May the seniors were honored with a dinner and inducted into the alumnae club.

Our new money making project for the year under the direction of our vice president, Anna Ruth Hayworth Wallace, has been highly successful. From the sale of seven articles from the Paper Products Co., the Club has cleared over $135.

With the forward looking eye of Mrs. Evelyn Johnson, the Detroit Alumnae Club has had a very successful year under the able leadership of our president, Louise Gilpin (Mrs. James). The first of the five city-wide meetings was the membership tea held in October at the Ingleside Club with a display of Settlement School products and a report from National Convention by Kathleen Warner (Mrs. Button). When Irene Hoyt Hackett (Mrs. Wilford J.), Delta Province Vice-President, visited this club, a dinner was given at the Whittier Hotel. A Christmas tea for actives and their mothers was given at the home of Dr. Icie Macy Hobbler (Mrs. B. Raymond) by the Grosse Pointe group. On March 15th a tea was held at the Ingleside Club for the drawing of the winning ticket for a Norge refrigerator—a very successful money-making project.

The Club closed the year with a luncheon on Founders' Day at the Picnic House. Several meetings held in Cleveland were alumnae from Birmingham, Michigan, and Windsor, Ontario, Canada. New officers were installed and Clarissa Murdock (Mrs. George W.) was presented as a member of the Golden Arrow and given a life membership in the Detroit Alumnae Club. LAFAYETTE

A delightful dessert party in honor of the seniors of Indiana A brought to a close a very successful year for the Lafayette Alumnae Club.

THE SEPTEMBER ARROW
The social highlight for the club was an old fashioned Christmas party with the husbands as guests. We hope to duplicate it next year.

The entire club took a great interest in the little French girl adopted by Delta province. Each member donated an article of clothing, food to that end, and were able to send a large box to the child on May 1.

Several members attended the State Founders' Day Luncheon in Indianapolis. Our club was entertained at a Founders' Day coffee given by Indiana Δ at the chapter house.

The sale of settlement school products has been extremely successful due to the untiring efforts of the chairman, Alice Cordell. Gross sales for the year amounted to $657.50.

MARGARET S. GORMAN
The Atlanta Alumnae Club held ten night meetings during the year; we also met for afternoon bridge one Wednesday each month. These meetings were for the benefit of the Atlanta Child's building fund and we were well rewarded with the concert of the evening. There were $2,000.00 in the skit and $2,000.00 in the skit. At the beginning of the year, but with a benefit bridge in May—we finished with $67.00 on hand. This money will be used for the purchase of additional skit clothes and other necessities.

This club made the following contributions: Loan Fund—ten dollars; Settlement School, Seventy-three dollars; Arrowcraft Sales, Ninety-six dollars. Holt House, eleven dollars; Georgia A, twenty-five dollars; Box to Finland with additional nine dollars for new supplies for the 7 year child.

The Ways & Means Committee sponsored the Fall Fashion Show as well as the Rummage Sale in April. The Fashion Show money was sent to Settlement School, but the Rummage sale cash of 120.00 was put in local treasury.

At the last Panhellenic Luncheon the Phi Beta Phi has the largest number of reservations.

The Founders' Day Banquet was really quite special this year. Mrs. Racine Edwards Burke had eight helpers on this committee. Eleanor Clark (Mrs. E. S.), Edith Anderson, Ethel Smith (Mrs. T. E.), Maxine Graham (Mrs. Walter), Mary Ann Braungarten and Betty Anderson (Mrs. E. J. B.) made 500 invitations. Willie Rae Murphy (Mrs. T. M.) mailed the invitations, including all the Georgia A members. (11) reservations were filled and the evening was an inspiration to all. Reba Jo Turner (Mrs. Heywood) made the program very effective in her role as toastmaster.

The final night meeting was held on May 27 at the home of Willie Rae Murphy (Mrs. T. M.). The new officers were installed for a new year. Plans for two summer parties and a number of small parties were made to attract rushers who may be attending schools not in the city during the country.

Each member felt that Kathleen Perrin (Mrs. W. W.) has made a very successful president. Her successor, Charlotte Bagley (Mrs. Frank), is expected to be a very capable member of Ways & Means Committee.

MYRTLE RAITH COWART (Mrs. C. H.)

BIRMINGHAM

At the eight meetings held on the first Thursday of each month, the Birmingham Alumnae Club had an average attendance of thirty. During the year several Pi Phis, newcomers to Birmingham, entered the club and brought interesting and stimulating accounts of the alumnae clubs of which they had formerly been members, and quite a few of our former members again became active.

One of the highlights of the fall season was Virginia McMahan's Convention. The Convention, made more interesting by the array of souvenirs. Instead of the usual Settlement School tea, the goods were displayed in a conventional manner. Individual invitations were sent, and our profit was $71. At that time also, gifts were exchanged by the members, and after the party the gifts were taken to the Crippled Children's Clinic.

In February the alumnae club had the intermission party for the Beta Sigma Pi Dinner as the feature event.

The Founders' Day banquet, at which there were about seventy-five active alumnae, was quite a festive occasion. The room was impressively decorated, with a large arrow on one side and the Greek letters on the other.

During this year $12 was contributed to the Settlement School, $10 to Holt House, and $10 to the Loan Fund.

GRACE FLAY

DE LAND

There are 32 Pi Phi alumnae living in De Land and an average of 12 attended meetings throughout the past year. April 11 a supper meeting was held at the home of Helen Dutton-Rodes (Mrs. D. Y.) in honor of Zeta Province Vice-President, Mrs. James E. Lindley. Mrs. Lindley presented an interesting talk on the Finnish war orphan adopted by her. The meeting ended with a show of the following contributions have been made: Settlement School, $20.00; Holt House, $5.00; and Loan Fund, $5.00. The following were elected for the Board of Directors of the Pi Beta Phi Building Corporation: Rebekah Stewart, Frances Frank, Iby Hayes, and Averes Avee (Mrs. Max), Betty Ford, Ray Jordan, Betty Drekle, Knox (Mrs. Phil), and Marjorie Hammer De Shaw (Mrs. Roy).

The Founders' Day was celebrated April 28 by the Florida A & M Chapter and the De Land Alumnae Club at the home of Lucile Caswood Gunby (Mrs. D. Kirk). A hamburger fry was held in the Gunby yard. Nineteen alumnae were present, making the biggest meeting of the year. The actives took charge of the program and presented Board of Directors of the founding of our fraternity. Nonene Geyer, Margaret Dickey, and Maudie Marks took part in the skit. As usual we ended the meeting with Pi Beta Phi songs.

A pot luck supper was held June 4 in the lounge of the Florida Power Company, and 10 members were present. At this meeting we each brought gifts for our little war orphan. Our "lost" members were discussed and since we have lost the correct address for so many of these we would like for all alumnae of Florida A to send in maiden name, married name, and correct address to Ray Jordan, Box 444, De Land, Florida. It was decided that in the future alumnae meetings will be held on the first Monday in each month. The July meeting will be at the home of Lola Hammer Powe and the August one at the home of Frances Inman.

It is with deep regret that we announce the building plans for the Panhellenic units must be given up for the present. After much hard work on the part of all the four women's fraternities, the bids on construction were so far above the estimated cost that all thought of building at the present time has been abandoned. The lowest bid for the four units was $19,000 OVER the highest estimate. However, the architect has completed plans and specifications and has guaranteed that the building plans may be submitted under the old specifications and any possible saving will be made in building the new units.

In order to get in these plans, the actives made another offer in order to get in these plans, the actives made another offer.

At the last Fall Convention, 21st, we voted that the question of the Golden Arrow'' was to be continued by the actives.

The Miami Alumnae Club climax a very successful year with a most inspiring Founder's Day. The actual lighting the occasion was the presentation of the "Order of the Golden Arrow" to Anna Burgoyne Stebbins (Mrs. A. C.), a charter member of Michigan A, sixty years a Pi Phi, and an active member of the Miami Alumnae Club. Lois Stoolman (Mrs. A. W.) was present and stated that she had never heard a more beautiful tribute than the one written in Mrs. Stebbins' honor by Mrs. Vivian Lyon Moore, a former Delta Province President, Mrs. Stebbins was presented with an orchid from the Miami Alumnae Club. Miami Alumnae Club's president, Miss Sheehan, sent a telegram from Michigan A and Michigan P.

The Founders' Day program was concluded with the radio program "Dr. I.O. Q.!"., the questions pertaining to the founding of Pi Beta Phi.

We have contributed $25 to the Settlement School, $10 to Holt House, $10 to the Loan Fund, and $38 to the Convention Fund.

Our club has shown great interest in our National Project, having sent three boxes, each containing food and clothes, to our adopted Finnish boy, Urr Ho Joutina and the children's home.

Lillian Ellison Lindley (Mrs. James E.), Zeta Province Vice-President and one of our beloved Miami Alumnae members, was given a ten minute interview over the radio. Lillian Lindley was proud to relate to the radio audience the great work Pi Phi did during the war in Physiotherapy and the orphan's achievements at Gatlinburg. She also stressed the good being done in our "Save the Children" project.

Linda Wright Charles (Mrs. Max) was recently reelected to our national board. The Board of Directors of our club since November 1946, was reelected and we're looking forward to this year under her leadership.

ST. PETERSBURG

The St. Petersburg Alumnae Club has completed a very successful year under the able leadership of Marge Blocker.
Bartlett (Mrs. George W.), Florida A, who has been re-
selected president of our Club for another year.

Every month we have had either a luncheon or evening
meeting and they have all been well attended.

A goodly number were held from which we realized
$117. We had our Arrocraft sale in connection with a benefit
bridge on January 31. Our bridge party netted us $125 and
the Arrocraft sales amounted to $46.40. More for a local
project is being raised at each meeting by the raffle
of a small article donated by one of the Club members.

We are pleased to be able to hold sale of greeting cards and note paper
from which we realize a nice profit.

A shower for the little Finnish boy was held at our last
meeting. Several of our members, left from our rummage sale,
was turned over to one of the churches to be sent into the
mission fields.

House. The active chapter was given $21.40 for awards, and
$115.50 for flowers and food for rushing, Senior luncheon,
and the May Day banquet.

As an annual celebration and honor to our founders, we
have started a Scholarship Fund, called the ‘VALBELMEN’
award; each letter of the word representing the name of one of
our founders. $500.00 was collected and $12.00 interest has
already been collected. It has been suggested that the
interest be used each year as a special award for some member
of the active chapter.

CEDAR RAPIDS

The Cedar Rapids Alumnae Club has held nine meetings during the year, with an average attendance of 18. Our paid membership was 25.
We had one Settlement School program, informal but interesting, and at a small club—we have as a guest our Province President. We also thoroughly enjoyed the report of Madge Fisher who was our delegate to convention last summer.
There was no need to worry about meeting our financial obligations, but gifts were generous. We contributed $35 to the Loan Fund, $10 for the Red Cross, and $23 to the Conventation Fund. One of our Golden Arrow members, Miss Mary Craig, sent us $3 for the Settlement School, and the alumnae Club also sent $5. Several Golden Arrow members helped pay for the Christmas letter. At Christmas time we gave the active girls, one of our alumnae articles. Helen Wright Grant has donated her Aunt Ann Dowell’s pin to the chapter to be worn each semester by the girls with the highest grades, and the alumnae club bought the guard for it.
We celebrated Founders’ Day with a tea and candlelighting ceremony at the house with the active girls. During the year we had seven meetings, one of which was in April for Marie Bacon Hagee, Director of Alumnae Extension.
The Indianola Alumnae Club wishes to thank all of you, and especially Mrs. Purdum, for your part in the establishment of the Order of the Golden Arrow, and Mrs. Onken and the Grand Council for their interest and support.

M. REGINA BRENNAN

INDIANOLA

Mrs. F. C. Sigler, (Sara Eikenberry), a former National Historian, and one of our best-loved members, died recently. SARAH CHASE MATZMAN
MINNEAPOLIS (EVENING GROUP)

This year the membership drive of the Minneapolis Evening Group met with excellent results. With so many veterans and their wives back on campus, a new group of young married women, most of whom have small children or work while their husbands go to school, has been interested in evening meetings. With such a community of interests, the group has been an unusually enthusiastic one and we look forward to an excellent club next year.

We began this year with a meeting partly devoted to convention reports and partly to getting acquainted. After that we had a bridge party with the actives and other alumnae, a Christmas party with a talk on the creation of perfumes, a White Elephant Sale for the benefit of the Settlement School, a review of Carrie Chapman Catt's biography, a most interesting visit with Mrs. Johnston, our province vice-president, and a talk with slides on the planning of a modern kitchen.

Our donations this year were: Settlement School—$10.00, Holt House—$1.00, Loan Fund—$1.00, and our final project was the donation of money, clothes, and canned food for the little Finnish girl our province has adopted.

MARGARET LAKEMORE

St. Paul

The St. Paul Alumnae Club had a very profitable year. Following our regular dinner meetings we held sales of various kinds for raising money. In December our regular meeting was replaced by dessert at the chapter house. After dinner the new pledges were presented with silver royals.

The March meeting was followed by a "white elephant" sale. We have found this to be a very enjoyable and lucrative undertaking. The members were very liberal in donating articles to the sale, and Elizabeth Beard is a very successful and entertaining auctioneer.

The April and May meetings were both followed by the sale of merchandise of the Household Paper Products Co. Orders were placed by samples shown by the local representative of the company, and a nice commission was realized by the club.

IOTA PROVINCE

The Boulder Club has spent this year becoming acquainted with its many new members. Mildred Page, president of Colorado, kept the members informed of the happenings in the active chapter, and the alumnae group gave an initiation banquet and entertained the pledges and their parents at a supper. The December meeting was a Christmas party and Founders' Day was celebrated at a luncheon in Denver.

This year's contributions include the following:

- Settlement School: $50.00

The November and December meetings were social gatherings. The Settlement School was invited into the Founders' Day celebration by our club with a cooky-shine in May. A candle lighting ceremony was given by Mrs. Adrian McNamus and Mrs. Patricia Daunis. Mrs. Wm. Ottenstein, one of the hostesses, surprised the club by presenting us all with a "Shining Cookie." A small blue candle tied with a wire ribbon in the center of a big sugar cookie made an impressive "cook'y shine.

During April we gave a Rummage Sale which filled our treasury with $135. $15.00 to the Active Chapter (Wyo. A);

$5.00 to Holt House; $10.00 to the local Red Cross Drive; and $25.00 to the DePaul Hospital Drive of Cheyenne.

The Cheyenne Club has a paid membership of 34 with an average attendance of 30 members at each meeting. We meet the Second Monday evening of each month. Our dues are $2.00 per year.

We feel proud of the accomplishment of the Cheyenne Club for the year of 1946 and 1947.

Founders' Day was celebrated with a cooky-shine at the home of Mrs. Poe.

DOROTHY H. RINKER

Denver

The Denver Alumnae Club has held nine meetings this year. The Settlement School Tea was a lovely party as well as a financial success. Our Founders' Day luncheon was well attended and most enjoyable.

The Club has had a good year financially. Our contributions were as follows:

- Loan Fund: $23.00
- Colorado: $75.00
- Holt House: $10.00

Our Alumnae Club has increased its membership considerably this year. A small but vital result of this increase is not only the interest in club leadership as well as the interesting programs which they offered to us.

LAWRENCE

The 1946-47 season for our alumnae club has been a very successful one. We had record attendance for our luncheon meetings.

We gave $25 to Settlement School; $25 to the Red Cross; $10 to Holt House and $10 to the Loan Fund.

The program carried out the theme of “Birthday Greetings” at this year’s annual club President’s dinner. Toastmaster, Mrs. Adrian Lindsey, Iota Province President, greeted the active chapter and Barbara Varner, President of Kansas A, replied to the alumnae. Mrs. F. H. Smiley told amusing anecdotes covering her more than 50 years as a Phi Phi. The principal speaker was Marion Keck Simons, who as National Historian and also as alumna of Kansas A, was enthusiastically received. She gave us an intimate look back into the past, into the history of our Beta Chapter.

A crested scroll was signed by all the guests and later sent to Mrs. Oliver.

Mrs. Lindsey presented Joan Woodard, the I. C. pin of Mrs. Niles Sterling for the most outstanding Junior of the year. Other awards were: Sue Newcomb for Alpha Club President, and Courtney Cowgill for greatest improvement in Scholarship.

At the December meeting we held our Settlement School Sale and also had a White Elephant Sale, the proceeds going to our treasury.

Mrs. John A. Nixon, Iota Province vice-president, had luncheon with us in May, after which, a Round Table discussion was held. Many helpful suggestions were made showing us how we may be of more assistance to our active chapter.

We closed our year with a tea honoring the seventeen graduating seniors. On May 26, the Omaha Alumnae Club was our guest at luncheon here in Lincoln. The afternoon was spent at the home of Mrs. E. C. Ames.

Dorothy Lucille Nelsen

PUEBLO

We have met monthly with an average attendance of 16 members. We varied our meetings, some evening desert parties and others Dutch Treat luncheons at the country club. At the holiday luncheon we were happy to have as our guests the ladies who were homes from the Rolling Hills Colony. Last year ended with a picnic at the mountain home of Dorothy Thompson with club members and actives as guests. We have contributed to the Settlement School, Holt House and the Loan Fund and have also sent clothing and school supplies to the Save the Children Federation.

Mary W. Nordstrom

WICHITA

The Wichita Alumnae Club has enjoyed a year crowded with pre-war activity and enthusiasm. The monthly dinner meetings were held in homes of the members with the exception of our last meeting, the Founders’ Day Banquet. The occasion was honored by the attendance of two of our three Golden Arrow Club members.

Several alumnae members have been welcomed to the Wichita Club this year, and many old members have returned to Wichita, thus stimulating the group in such activities as the sale of Dimes, Cancer Fund and the new Wichita Symphony Orchestra. The Triad Christmas dance, the spring raffle sale and the sale of Settlement School goods were most successful. Several Scholarships were awarded.

Contributions of $5.00 each were made to the Community Chest, Holt House, Settlement School, Loan Fund and the Red Cross. $4.00 were pledged to the Girl Scout Campership Fund.

Emphasis has been placed this year on rushing and toward
KAPPA PROVINCE

ARDMORE

The Ardmore Alumnae Club held monthly luncheon meetings in the homes of its 24 members (this number we expect to reach 30 by the fall).

Our programs were on the Settlement School, Founders, our nearest chapter, and the constitution, contributed by Bess Kolb, our delegate, giving us a report on convention.

The club is giving a gift to Gladys Scively, retiring hostess of Oklahoma A and a former member of the Ardmore Alumnae Club, in appreciation of her work. We hope to have her as a special guest at our next meeting.

This year we made donations to Holt House, the Settlement School, the Loan Fund, and the local Red Cross. Also we sent boxes to the two European children adopted by Kappa Province.

Oklahoma Pi Beta Phi alumnae are founding a statewide organization. Ardmore's delegate to the first meeting in Oklahoma City was Page Beck Lambert, who was on the nominating committee. Margaret Choumer, our president, was elected recording secretary of the group.

AUSTIN

The Austin Alumnae Club has completed a most successful year under the capable leadership of Elizabeth Williams Revell (Mrs. Jack). After the fall and mid-semester rush periods at the University of Texas, we were proud to have the following Austin girls pledged by Texas A: Betty Bohlin, Claire Scott, Nona Goddard, Emily Ann Finch and Beth Penninger.

In member the club had its annual Settlement School sale and tea, and although this year it was open only to alumnae and active, our gross Arrocrafts sale was contributed to the Settlement School, as the profit from the sale. Checks for $10.00 and $25.00 were mailed to Holt House and the Loan Fund, respectively. We contributed $10.00 to the Kathleen Bland Loan Fund at the University of Texas. Our convention tax was raised by increasing the annual dues one dollar per member. There were 49 paid memberships in the club for the year 1946-47, an increase of seventeen over the previous year. Our Magazine Agency commissions totaled $31.53, which made our total Settlement School contributions $137.35.

In March the club held a rummage sale at the City Market. Through the untiring efforts of Jean Edge Bright (Mrs. Horace Brown) and Mrs. Gus, our treasury was increased by $68.46.

Although the alumna advisory committee is in constant touch with Texas A, the entire club has, upon three occasions during the past year, also played hostess to the active group.

During the summer a rush party was given, followed by a tea for the new pledges in September. Then on Founders' Day an alumnae committee was in charge of arrangements for the banquet at the Federated Women's Club.

Betty Hill Blalock

NITA HILL STARK (BEAUMONT)

Six meetings were held during 1946-47 by the Nita Hill Stark Alumnae Club. The meetings were held at night with the exception of those in December and April. On December 23, 1946, a luncheon was held at Hotel Bessemer honoring our active members who were home from school for the holidays. Mrs. Rhea E. Johnson (Helen Adams Camp) moved to Paulsboro, N. J., in January. The April meeting, which celebrated Founders' Day, was a luncheon held at Hotel Bessemer too.

It was decided at the October meeting to increase the dues a dollar to cover the convention tax. The Club contributed $15.00 to Holt House and $15.00 to the Loan Fund. The Settlement School sale was held in November in the home of the chairman, Mrs. Rhea E. Jackson. The proceeds from this sale amounted to $171.47 which was sent to the treasurer of the Settlement School. The money amounting to $100 was donated. Approximately $200.00 worth of magazines was sold. The Club's contribution of $100 was matched by a group of friends, which placed us fourth in the Province. We wish to express our appreciation to Mrs. John R. Keig (Helen Adams) for having served as chairman of magazines during the difficult years from 1942 to 1947. She has asked to be relieved of her duties after this year.

At the last meeting of the year, the Club decided to aid in the welfare of two foreign children who are under the sponsorship of Kappa Province. Each member was asked to contribute clothing, canned food, bedding or anything else a needy child could use.

Anne Hargrove Smiley (Mrs. W. G., Jr.)

BRYAN-COLLEGE STATION

Our club was active in summer and early fall rushing this past year and were rewarded by seeing several fine new pledges in the active chapter. In June we had a Mother-Daughter tea for high school graduates and in August a College Girls' Style Show in Houston and a luncheon at Rice. We have had five meetings and have several new members. The club is hoping to have an A-IV luncheon to which all Pi Phi in this area were invited.

Sara Allen Cofer

CORPUS CHRISTI

The Corpus Christi Club ended a fine year with a Men's Night Party in the lovely yard of Helen Tutt (Mrs. A. C.), in Taft. Mrs. Tutt is one of our faithful members who drives 20 miles to meetings. A large crowd enjoyed outdoor games, and Mexican supper served on the lawn under the trees. It was a suitable finish for the year's work and we look forward to an even bigger year to come.

On the 27th of May we had our first rush party of the summer—a swimming party for 20 girls at the Officers' Club pool of the local Naval Air Station.

We are happy to be a 100% club. Contributions for the year were: to the Settlement School, $40.00; to Holt House, $5.00; to the loan fund, $5.00; and to various local projects, $68.00. Plans are being made to raise money for the Save the Children Federation. The main business of the summer months will be rushing and preparing for next year's work.

Mary Ellen Gibson

DALLAS

The Dallas Alumnae Club of Pi Beta Phi made the following contributions for the year 1946-47:

- Settlement School: $100.00
- Holt House: $50.00
- Active Chapter Donations to Texas A and Texas B: $115.00

For several years past our Club has been composed of two groups—the parent Alumnae Club and the Junior and Professional Club which holds its meetings at the University. This latter group has been taking an active part in the Save the Children Federation and has 'adopted' a rural school for colored children located near Bryan, Texas.

The Founders' Day celebration was a cozy-kiney held at the home of Mrs. Henry Hawley, Jr. There were 210 Pi Phi present. Charter members of Texas A and of Texas B were honor guests. Scholastic awards were presented to five girls in the active chapter.

Our City Pan-Hellenic sponsored a style-show tea at Lake-wood Country Club recently, the proceeds of which went toward the housing fund for Southern Methodist University. Our representative, Mrs. W. Dow Hamm, later entertained this group with a tea which ended the year's program. Dr. Agnes May Hopkins, former President of National Pan-Hellenic, was the guest speaker.

The music lovers of Dallas and particularly the members of Pi Beta Phi were disappointed not to have Miss Margaret Truman here in concert. The alumnae club had hoped to give a reception in her honor during her stay.

FORT SMITH

The Fort Smith Alumnae Club has had a busy and successful year. We have had 24 paid members, with an average attendance of 15.

There have been nine regular meetings, each being held the first Monday of the month. Also, we plan to have several
called meetings this summer in order to plan our rush parties. Each year we have held our first rush party, a picnic and swim, at the mountain cabin of Helen Maxwell, located near the Fort Smith Lake and swimming pool. This has proved to be a favorite type of party for our rushies since it is informal and we can all "let our hair down," so to speak. The party this year will be held July 12th.

Plans have not yet been made for our second party but it will be held the latter part of the summer. Contributions this year have been: Settlement School—$10.00, Holt House—$3.00, Loan Fund—$5.00, and Settlement School Book Fund—$1.00. Our rummage sale was the most successful money raising project. We made $31.75 on it. Our Founders’ Day "Cooky-shine" was held at the home of Sally Cooper Turner, Elizabeth Allen Elliott, Jean Caldwell Kopert, and Rosemary Swafford Gilchrist held a very instructive quiz program on the history of Pi Beta Phi.

MARIE AMIS HALE

LITTLE ROCK

We have had twelve meetings with an average attendance of 26 members. At Founders’ Day cooky-shine there were 60 members present. This occasion also honored our club which was organized in 1917. In August we gave our annual rush party which we feel is helpful to the active chapter. During the Christmas holidays we gave a brunch for the actives. Our best money making project has been the sale of greeting cards and gift wrappings. We gave $15 to the Settlement School, $5 to Holt House, $10 to the Loan Fund $10 to the Community Chest and $10 to the Red Cross.

ALICE MILLIKEN BENFROW

MCALESTER

Off to a good start in its first year of organization, our club plans more activities for next year. We have a membership of 12 and have contributed $5 each to the Settlement School, Holt House and the Loan Fund. We hold regular meetings, Isabel Fuller Howard is the retiring president and Dorothy Duncan Hayes the new one.

LUCILE COWLES TURNER

OKLAHOMA CITY

The Oklahoma City Alumnae Club closed a very successful year with 115 paid members. Eight meetings were held, seven of them buffet suppers with an average attendance of sixty, the other, a Settlement School tea. In addition, Founders’ Day was observed with a buffet supper at which time $31.75 was raised. Contributions were made as follows: Settlement School, $200; Holt House, $23; Loan Fund, $15; Red Cross, $15; Y-WHA, $10; Community Chest, $20; Cancer Fund, $20; Art Center, $5; $100, each to Oklahoma A and Oklahoma B, $75 for rush and $25 for a chapter gift.

KATHERINE V. GIBSON

RIO GRANDE VALLEY

Under the circumstances the Rio Grande Valley Alumnae Club has no formal annual report. The Club has only had three meetings as a formal club having just this year received the charter. At the present the Club has twenty-three (23) members, nineteen (19) of whom signed the charter. The Club is beginning to organize and plan for its future work. The first step will be helping the active chapter with summer rush.

NANCY NEWTON STEVENSON

SHREVEPORT

In spite of new babies and house hunting as well as the usual problems our alumnae club has weathered them and has had a successful year. Our contributions have been as follows: Settlement School—$25.00, Holt House—$5.00, Loan Fund—$3.00, to Community Chest—$5.00, to Red Cross—$5.00, to Christmas Joy Fund—$5.00.

We are very much interested in the new city Panhellenic Association which was formed one year ago with one of our alumnae, Jackie Nesbitt, as the first president. A tea, to be given in June, to which all High School Seniors were invited, will allow the officers of the various alumnae clubs to meet the girls in whom they are interested.

We plan to meet during the summer so we can know the girls who are at home for the summer and are active in college. We plan to have a meeting on active chapter life. This plan definitely has its advantages and it is hoped that it will be successful enough to be permanent.

MRS. GEO. M. WILLIAMSON

STILLWATER

A successful year has just been completed by the Stillwater Alumnae Club. In the fall the club took charge of the preferential rush date which is annually done for the active chapter. To keep in contact with the new girls, all pledges were entertained at a Hallow’en dinner in the home of Mrs. Thomas E. Berry, another alumna.

A Christmas party is looked forward to each year which the actives give for the alumnae and their children. This year the alumnae club with the Mothers’ Club gave the actives a beautiful coffee table.

We greatly enjoyed the visit in March of our Province Vice-President, Mrs. Thomas E. Graham. Her ideas and suggestions will be most helpful.

Our Founders’ Day Banquet was held in Oklahoma City, Mrs. Thomas E. Berry was elected vice-president of the new state-wide organization of alumnae.

In May a Mother’s Day picnic was held which included many out-of-town families.

Our monthly meetings have been well attended by an enthusiastic group. Our contributions have been: Settlement School, $10.00; Loan Fund, $5.00; and Holt House, $5.05. It is impossible to estimate the contribution of our chapter for living in the same town with the chapter the contributions go on all the time.

FRANCES JENKINS ESCUE (MRS. FRANCES A.)

TULSA

The Tulsa Alumnae Club of 111 members held its last regular meeting of the year in May. Like the other seven women’s clubs this meeting was preceded by a buffet supper.

The Chairman of the Hospitality Committee urged the organization of more Pi Phi bridge clubs for the good of both the members and the treasury (the present clubs contribute part of their annual income to the alumnae treasury).

The activities of the year were reviewed and it was agreed that (1) one of the most delightful meetings of the year was the March meeting at which time our National Historian, Marion Keck Simmons, was the honor guest and speaker; (2) the Founders’ Day Banquet followed by the installation of officers and a fashion show of costumes dating from our founding was both inspirational and amusing; (3) the March meeting was held at one of the sorority lodges on the campus of the University of Tulsa campus was such a satisfactory way of taking care of our very large club that next year we will have at least half of our members at one of the lodges; (4) the buffet supper meetings were so successful that we will continue having them next year; (5) we hope to continue having the Settlement School products displayed and sold at each meeting.

HELEN GIFFERT

TYLER

Our club has completed a successful year with interesting and instructive meetings which were well attended. A local Panhellenic group which we have sponsored has done much to bring the alumnae groups of other fraternities into closer contact with a better understanding of alumnae problems. At the May meeting officers were elected and contributions of $5 each were sent to Holt House, the Settlement School and the Loan Fund. We have four new members.

FRANCIS C. MORRIS

WICHITA FALLS

The Wichita Falls Alumnae Club is making plans for its summer rush party during June. The party is to be formal, and only girls definitely going to college next fall will be invited.

The club enjoyed a lovely luncheon at the Women’s Forum on Founders’ Day, and more members attended than at any other function. A short Founders’ Day program was given, and plans for a Panhellenic Council in the city were discussed.

At Christmas a coffee was had during the holidays honoring the new pledges to II B F. Five honor guests were present, and a large number of members attended. All of the pledges was presented with a box of Fraternity stationery as a favor.

The summer rush party last year at the home of Betty Sue
Tennyson was a big success. The party was ranch style, and the singing of cowboy and Fraternity songs provided the entertainment.

**LAMDA PROVINCE**

**BOZEMAN**

The Bozeman Alumnae Club enjoyed a very successful year under the capable leadership of Mrs. Jack Lovelace. The club conducted its business by Elliot Amsden, Active Chapter President, at our September meeting. Instead of our annual cooky-shine in October we had a delightful surprise for the members. Our November meeting was climaxed by an illustrated talk by Olga Ross Hannon on her trip to Guatemala. In December we joined the actives and pledges for a Christmas party at the chapter house. Our January meeting was devoted to the Settlement School and in February we had a report on Holt House. In March we elected new officers and Lois Payson gave a most interesting book report. We celebrated Founders’ Day with a tea for all Phi Phis in the vicinity of Bozeman. At our May meeting we discussed plans for summer rushing and entertained the graduates. Helen A. Money for our per capita tax was made by a raffle of nylon hose.

Our contributions for the year were: Settlement School, $150.00; Holt House, $1.00; Loan Fund, $5.00 and Active Chapter, $12.00.

We had twenty-five paid memberships and all our meetings were well attended.

**SALLE H. CASTO**

**CALGARY**

Our Club has just concluded a most successful year. Although we have 33 members in the city, only 30 were able to participate actively this year. We contributed $10.00 to the Fraternity, $50.00 to the Delegate Fund and $1.00 each to the Settlement School, Loan Fund and Holt House. We gave $5.00 to the active chapter in Edmonton to help in the refurnishing of the House. Six regular meetings were held this year. At two meetings we had outside speakers and at another we added Katie Gorman spoke to us on Law as it applies to university life. A meeting with the active chapter was a showing of motion pictures and white elephant sale, a gambling party, and one at which we wrapped Christmas gifts for patients in various institutions. During the Christmas season we had a coffee party and our Founders’ Day Banquet was held May 9th when we were very pleased to be able to welcome 8 pledges from the active chapter. We are planning an active summer of rushing.

**HILDA B. MCEWEN**

**CORVALLIS**

Our club has had a successful year with good attendance and several new members. We had a delightful picnic last summer for our members and their families and this spring we had a dessert for the new initiates with a surprise cooky-shine for the actives on Founders’ Day. We have given $5 to the Settlement School, $5 to the Loan Fund and $3 to Holt House. We gave a subscription of LIFE to the active chapter and a book of records as a Christmas gift.

**FRIEDA TRUTSCH**

**EDMONTON**

The Edmonton Alumnae Club year 1946-47, with Peg Molloy as our president, began in September with the rushing of second year students as freshmen were not rushed until after Christmas at which time, incidentally, we had a cordial welcome on the campus. During the fall, monthly business meetings were carried on as usual. At the Christmas meeting a party at Doris Williams’ home was raised, and contributed, for the Christmas hamper. Members also brought clothing and toys for the family to whom the hampers were given. During rush week, the freshman rushing took place, and after initiation in February, the alumnae gave a luncheon to the new initiates and pledges. The luncheon was held at the fraternity house immediately following the initiation.

March was our election meeting held at Bunty Soley’s. At the conclusion of the business and elections, Mrs. Alfred Chard showed us colored films of Minaki, in the Lake of the Woods area, and had songs of our own songs of our own. Our Settlement School Meeting was held in April at Frances Haddow’s home. Margaret McCravish had prepared a very informative paper on the developments and financial success of the school.

The annual breakfast party for the graduating actives, was held the Sunday before the Graduation at the home of Frances Haddow. Each graduate was presented with a gift from the club.

During the year the alumnae have been getting together in groups of two or three, to entertain some small groups of the actives and pledges in order that we may all get to know each other a little better.

Our contributions for the year have included: $5.00 to the Settlement School Fund, $3.00 to Holt House, and $2.00 to the Loan Fund. Our largest contribution this year was to the active chapter, in the re-decorating of the lower floor of the chapter house. This was done in stripes and plain design in our fraternity colors. The credit for this is due to Betty Lefroy who was in charge of house improvements for the year.

**BETTY CURRIBNE**

**EUGENE**

The Eugene Alumnae Club has enjoyed a year of enthusiasm and interest with a better than 100% increase in membership over last year.

In November the pledges of the active chapter were entertained informally at the chapter house in order to better our acquaintance with them.

A very interesting report on the National convention was given at the November meeting by the four Oregon A delegates, Nancy Knight, Kay Leslie, Sue Simmons and Nancy Carlisle.

Lucile Dobler, Province Vice-President, was entertained at our March meeting. The group thoroughly enjoyed her report on Pi Beta Phi.

The following contributions were made during the past year: Holt House $1, Loan Fund $5, and Settlement School $5. A cash gift of $10 was given to the active chapter which was applied towards an electric toaster for the house.

A twenty-two pound box of food and clothing was sent to Reino Joho Kuantti, a Finnish war refugee, whom the Eugene Alumnae Club adopted, and plans are being made for future shipments.

The Club celebrated Founders’ Day in conjunction with the Oregon A chapter, and the graduating seniors were entertained at the May meeting which closed a full and active year for the Eugene alumnae.

**SHIRLEY SHIPMAN**

**PORTLAND, OREGON**

Through the uniting efforts and guidance of our president, Mrs. C. Ashley Coffee, we have had a most pleasant group of meetings during the past year, have done very well financially, and have increased our paid memberships considerably. Our financial undertaking, which was raised on a fixed basis and netted us $405.00. The lucky number was drawn by an Oregon A alumna, Patricia Swanson.

Our Portland Club celebrated Founders’ Day with a beautiful Sunday morning breakfast at the Congress Hotel, and we felt fortunate to have with us two Golden Arrow Phi Phis—Mrs. Fletcher Linn and Mrs. George Cooper. In fact, Mrs. Linn has been a Pi Phi for sixty years. The business meeting was very brief, and our new president, Rita Dunkin, outlined her plans for the coming year in a most efficient and interesting manner.

Mrs. Clayton Westphal, our outgoing Vice-President very graciously entertained the outgoing and incoming officers at a beautifully appointed luncheon at her home in May. This is the second year that one of the outgoing officers has entertained for the new officers, and it is a very helpful way to acquaint the new board with their duties for the coming year as well as a delightful social event.

We are all so pleased to be able to increase our gifts to our three active chapters this year to $50.00 for each one.

Other contributions are as follows: Settlement School, $50.00; Holt House, $20.00; Loan Fund, $5.00; Red Cross, $25.00.

**GAIL BURNETT SCHOOL**

**PULLMAN**

Several business meetings were held during the year 1946-47, in addition to social functions. Our Province President, M. E. M. Draper, visited with our club in November at a tea at the chapter house. A party for the pledges was given in November at the home of Mrs. Max
Hinrichs; a pot luck supper was held in January at the home of Mrs. W. P. Weisel following the December meeting, at which time the alumni group was entertained by Washington B at the chapter house. At the March meeting at the home of Mrs. Herman Deutsch officers were elected for next year. The active chapter entertained the alumni club in April commemorating Founders' Day; Mrs. Seymour, housemother at the chapter house, entertained our group in May. Also in May the year's activities were brought to a close with the 'Smorgasboard' at the home of Mrs. Wyman Cox, honoring the Washington B seniors who will graduate this year. Last Sunday during Senior Breakfast at the chapter house, the alumni club presented a silver tea service to the active chapter as a gift from alumni of Washington B. Contributions made this year included $15 to the Settlement School; Holt House, $7.50; Loan Fund, $7.50; Arrowcraft sales amounted to $35.97.

ANNETTE SEAMAN, MRS. R. C.

SALEM (NANCY BLACK WALLACE CLUB)
To complete our year's business and social activities, the Nancy Black Wallace Club held a pot luck supper combined with a pot luck phonograph. Oregon Π chapter house was the location for a number of meetings during the past year. Last summer the club had the honor of being one of the first active clubs in Oregon to start a project towards improvement this summer with proceeds from our very successful rummage sale held in March.

On Founders' Day, the Club was invited to the chapter house for dessert, and a delightful evening's entertainment played by the actives.

As usual, the Settlement School sale was a huge success. Many townspeople are well acquainted with the handicraft, and eagerly purchase the sale each year.

In addition to contributions of $15, Holt House, $10 Loan Fund, and $50 Settlement School, gifts of $25 were made to Oregon Α and Oregon Β, and $50 to Oregon Π. An emergency loan fund of $25 was established for potential use of an active Oregon Π temporarily in need of such an amount.

SEATTLE
A full and interesting schedule was enjoyed by the Seattle Alumnae Club during the past year under the capable leadership of Ruth Prescott. The program for the year was a September breakfast, welcoming the pledges, an October meeting with a report on Convention, an evening party in November and a December Settlement School sale and tea. In January there was a birthday party for Washington Α, with the presentation of a house plate for the chapter house door as a gift. In February a two-day rummage sale netted the club $273.00. A supper and white elephant sale and election of officers made a busy March meeting. Louise Dobler, province vice-president, was the speaker at the Founders' Day banquet in April, and the year concluded with a picnic honoring the seniors in May.

During the year a junior auxiliary of younger alumnae was formed and the entire club joined with the rest of the province in providing for the Finish boy for a year.

Contributions for the year were $200.00 to the Settlement School, $10.00 to the Loan Fund, $10.00 to Holt House, $100.00 to the Ruth Denison loan fund for Washington A.

INEZ SMITH SOULE (TACOMA, WASH.)
This year we have had six regular meetings, a Christmas Settlement School Tea, and our 'Husbands' Party' in May which was a huge success. A junior auxiliary of our group attended the Founders' Day banquet in Seattle.

The Christmas Tea was the highlight of the year, and we had a large assortment of Arrowcraft merchandise, which brought in enough money to increase our donations to the various Pi Phi projects. We sent $100.00 to the Settlement School, $70.00 to Holt House, $5.00 to the Loan Fund, $25.00 for a gift to Holt House in memory of Mrs. Inez Smith Soule, and $5.00 to the Settlement School Library Fund in memory of Mrs. Settles of Salem. We also gave Washington A and Washington B chapters $10.00 each at Christmas; $5.00 to Red Cross, and $10.00 to Community Chest.

We have had a very good year under our retiring president, Dorothy Ohlson, and she divided our activities most successfully between fun and work.

DOROTHY GILBERSON

YAKIMA
Fannie Whitenack Libby Alumnae Club closed a successful year under the leadership of Cornelia Cockburn Beatty at a dessert meeting in May. Contributions this year were made as follows: $10.00 to Settlement School, $5.00 to Holt House, $5.00 to Loan Fund. Our Settlement School sales and magazine sales were both highly successful this year. A benefit bridge was held to raise money for the local memorial hospital in memory of a former Pi Phi nurse, Marion Nelson. White elephant sales were held at several meetings. The club contributed $35.00 each to local Community Chest, Pollen, Red Cross, and Cancer drives.

To Washington A and Washington Α active chapters silver candy dishes were presented at Christmas, Founders' Day was celebrated with a 'brunch' and several lower valley members attended.

During the summer, there will be picnics, to which the active members will be invited.

RUTH L. HOWARD

MU PROVINCE

ALBUQUERQUE
The 1946-1947 program of the New Mexico Alumnae Club began with the installation of New Mexico A Chapter at the University of New Mexico in September with Miss Okene officiating. A Settlement School tea was held in October, and in December the Christmas season was celebrated by a joint buffet supper for the active and alumnae chapters. The actives gave a program of music, and the alumnae presented them with a portable phonograph.

In February a joint meeting of actives and alumnae was held honoring Olga Silburg, Mu Province President, and the March meeting was made notable by a visit from Adele Alford. Founders' Day was celebrated with a buffet supper and a meeting held jointly by the actives and alumnae, at which the New Mexico A girls gave a skit.

At our April meeting new officers were elected and in May the alumnae installed.

Contributions made this year by the New Mexico Alumnae Club are as follows:

BERKELEY
The main events of the year for our club were a tea in October at the chapter house, a banquet in February for the new initiatives of California B and the Founders' Day luncheon in April given by the Palo Alto club for all Bay area alumnae. There were five business sessions. We have contributed to the Panhellenic Scholarship Fund of the University of California, and to the Settlement School and have sent boxes of food and clothing to a French child whom we adopted.

ELA HARRIS HALL (MRS. GEORGE WALTON)

EL PASO
Our club has held monthly meetings, some in the afternoon and some of evenings. One meeting was given to a study of the Constitution and one to the University of Founders' Day and one to a Settlement School tea. At the Founders' Day meeting the Order of the Golden Arrow was conferred on one of our members, Mrs. Roy Brown, Illinois A. Another of our members, Louise Rosser Kemp, has recently been elected to Province Vice-President of Mu Province. We have watched with interest the growth of our new chapter, New Mexico A at the University of New Mexico. Our contributions have been, Holt House $5, the Loan Fund $5 and the Settlement School $15.

HELEN HARRIS BENSON

FRESNO
Our Alumnae group just finished a successful year under the guidance of Janet Wild Davis. We had four meetings during the year, at which we had
an average attendance of fifteen. We decided on a picnic for our last meeting, as a way to celebrate Founders' Day. Last September we had a sale at an Auction House of articles donated by the members, with the proceeds going to the Settlement School, Holy House and Loan Fund. We spent ten dollars to "Save the Children Federation." Fifty dollars were contributed to the membership Fund for some girl at our local College, Fresno State. We are looking forward to a pleasant year starting in the Fall with Helen Von KleinSmid, a member of Pi Beta Phi in our local College. After supper, we had a Phi Phi quizz program on history, Settlement School, and constitution. Our contribution for the year were $50 to Rosemary Cottage, $25 to Settlement School, $5 to Holt House, $1 to Loan Fund, and $5 to the Red Cross. Each member had to round up her seventeen cents. After supper, we had a Christmas party in a room at the University of Southern California, with Mrs. R. D. von KleinSmid, each month we have sent a box of clothing or food equivalent to $15 to our Belgian war orphans. In June, we gave silver gifts to the most outstanding senior girl at both California A and California F.

This spring we decided to start a fund for the Convention delegate, and we also have a committee working on plans for an Alumni chapter house. We realized $800 from magazine subscriptions and approximated $200 from Settlement School articles.

We feel very lucky to have Maudie Prickett as president again, and we are looking forward to a very prosperous and happy year.

TINA AMICK BAKER

HONOLULU

Our club has had a successful year under the guidance of our president, Mrs. C. S. Sorensen, an area committee, and a central recommendations committee. Our three groups, Senior, Professional, and Junior report cooperation and enthusiasm with varied entertaining and inspirational meetings.

Our last meeting of the year was a May luncheon, held jointly with Santa Monica, U.S.C. and U.C.L.A., chapters, together. Mrs. T. N. Alford, our main speaker, and her daughter, Mrs. H. E. Alford, a member of the University of Southern California, and the University of California, were among our honored guests. Recognition was given our Golden Arrow members.

We are extremely proud of our Settlement School Chairman, Mrs. C. S. Finley whose sales amounted to $157.88. The numbers contributed as follows:

- Settlement School $200.00
- Holt House $20.00
- Loan Fund $15.00
- U.C.L.A. chapter $25.00
- U.S.C. chapter $25.00

We are all anticipating another exceptionally good year under the leadership of Mrs. J. F. D'Aule.

DOROTHY WIGGINS BOTHMAN

LONG BEACH

At the end of the season the Long Beach Alumni club looks back on a pleasant and successful year. We have plans for at least two meetings this summer.

Activities of all groups ended with the June meeting, a picnic at Haldeman Fitzer Webb's Rolling Field Farms. We are all anticipating another exceptionally good year under the leadership of Mrs. J. F. D'Aule.

JOYCE GARDINER

LOS ANGELES

The year's work efficiently planned by our president Mrs. L. C. Sorensen has been brought to a successful close. Her ideas and plan of action, an area committee, and a central recommendations committee have materialized. Our three groups, Senior, Professional, and Junior report cooperation and enthusiasm with varied entertaining and inspirational meetings.

The Constitution and History meeting was held in January at the home of Jean Kennedy. On March 4th several of the members organized a wonderful Chinese dinner followed by bridge at the home of Mrs. N. Jordan Seymour. "Peter" Hamilton entertained us at her home for the annual Brunch on Sunday April 13 with the Settlement School being held at the ladies' home.

The Sacramento Panhellenic Association Luncheon and fashion show on April 26 had a successful year. Our Founders' Day was celebrated with a dinner and ceremony on April 28 at the country home of Virginia Russell Coffee, "Backacres." The 5th and final meeting of the year held on June 5 at the home of Katherine O'Neill Lappier, next year's president.

The hard work of the Magazine Chairman, Merle Sellman Torrey, has been rewarded by an announcement that our club stands third in Mu province for the year. The grand cooperation and faithful work of all the members this past year has been appreciated by us and to them I would like to express my grateful thanks.

NINA JORDAN SEYMOUR

SACRAMENTO

Sacramento Alumni Club opened the year on November 9 with its only meeting held outside the members' homes, this being a luncheon and bridge meeting at a local tea room. We had a grand report on Convention from Jessie Moen Hamilton. The Constitution and History meeting was held in January at the home of Jean Kennedy. On March 4th several of the members organized a wonderful Chinese dinner followed by bridge at the home of Mrs. N. Jordan Seymour. "Peter" Hamilton entertained us at her home for the annual Brunch on Sunday April 13 with the Settlement School meeting held there. SAN DIEGO

A luncheon at the home of Ellen Jeffrey, President of the San Diego Alumni Club, brought this year's activities to a close. Plans were made to meet at the May meeting for a Family Picnic to be held in August.

This year there are forty-seven members in the San Diego Club. The regular monthly meetings, which started in October, alternated between luncheons and buffet suppers held in the home of Mrs. Kingman. A successful Settlement School sale and a dessert bridge party of forty tables was held in November. San Diego Alumni Club contributed $100.00 to the Settlement School Fund.

MRS. SHIRLEY RIDGEN GIBSON

RENO

The Reno Club started the year with a Holiday Social held at the chapter house in November. The affair was very successful and earned the club about $500.00, and it was voted to make this sale an annual project and to use the proceeds for the repair and upkeep of the house. Acts, pledges, and alumni attended the Christmas party.

An electric mixer was presented to the active chapter. The evening closed with refreshments and the singing of Christmas carols.

Our Settlement School tea was held in April and was closed to all but members of Pi Beta Phi to enable them to purchase many of the popular items.

The Centennial of Pi Beta Phi was chosen as the scene for our Founders' Day Luncheon, at which occasion Myrtle Zinneman Hawkins was honored as a fifty year member of Pi Beta Phi.

The following contributions were made: Holt House, $2.50; Loan Fund, $2.50; Settlement School, $1.00. We plan to hold summer meetings and to take an active part in summer rushing.
Toys that were presented to the Crippled Children’s Home were brought to the delightful Christmas party. Chapter Loyalty was the theme for the January meeting.

The Founders’ Day Supper was a particularly successful party because we enjoyed not only the program and installation of officers, but also the presence of four of San Diego’s nine Golden Arrow members. That evening the club had great pleasure in welcoming Adele Alford Heink as a new member.

MARJORIE SMITH PILST

SAN FERNANDO VALLEY

The San Fernando Valley Club has had a very successful and enjoyable year under the leadership of Ruth Soule Waller. The October meeting was a Halloween party at the home of Mary Wood. The November meeting was a social meeting at the home of Jessie Horton, and Settlement School goods were sold to the members. The Christmas party in December was held at the home of Merridy Crookshanks. The Club voted to send two packages to a little French boy adopted by the Club. Members also brought gifts for the Crippled Children to this meeting.

In January, the Club meeting was held at the home of Mary Evelyn Woodward. At this meeting contributions were voted to the War Memorial Park, and also to the Y.W.C.A. Building Fund. The Y.W.C.A. Building Fund donation was contributed in the memory of Mrs. Rufus B. Von Kleinsmid, as she was especially interested in this project. In February, the Club met at the home of Kay Devine. At the March meeting held at the home of Louise Foell, Louella Ballerino, well known designer of clothes, was the speaker.

The Founders’ Day Dinner was held in April with members of the Glendale Club participating. Settlement School Movies were shown at the dinner meeting. The Board voted to give $10.00 to the Settlement School, $5.00 to Holt House, and $5.00 to the Loan Fund. The May meeting was held at the home of Lucille Monroe.

Members of the San Francisco Valley Club extend a cordial invitation to any Pi Beta Phi who cares to join the Club to contact the new Corresponding Secretary Ada Mac Norris, 11488 Hunton St., North Hollywood, Calif.

All Pi Beta Phi alumnae in this vicinity are cordially invited to “bring a sandwich” and come to the meetings.

CHRISTINA BARTLETT

SAN JOSE

The San Jose Alumnae Club of Pi Beta Phi fraternity held ten regular monthly evening dessert meetings at members’ homes, four of which had programs on the active chapter, Settlement School, Founders’ Day and the constitution.

L. G. BALFOUR COMPANY, Attleboro, Mass.
"I had no idea that there was so much hand work entering into the making of our insignia!"

are the first words from fraternity officials and other visitors after a tour of the BALFOUR plant.

This skill, borne out of long experience in fine craftsmanship here in the heart of the jewelry industry, together with the large BALFOUR production facilities, MEANS that you may take additional pride in the wearing of your BALFOUR made insignia.

While insignia is our primary concern, your needs in kindred lines are also provided for in our other factories.

Extensive additions have been made in our AWARDS facilities, PAPER PRODUCTS and LEATHER factories.

A force of over 1000 employees is engaged in the manufacture of these things for your greater enjoyment. Some of this merchandise is listed at the right.

It is our sincere desire to serve you to your complete satisfaction.
